**Importance:** High

Dear Campus Community:

As we discussed at both Opening Day and at the last College Assembly, LMC is undertaking the process of reviewing its Mission Statement this semester. At your convenience, take a few moments to share your input by completing the survey at the link below:

<https://www.surveymonkey.com/s/LMCMissionStatement>

The survey will be available through **Tuesday, February 19**, and is open to all members of the College community (students, staff, faculty, managers, and community members). I urge all of you to fill out the survey, as it is important to have broad representation and diverse perspectives as part of the process. Please feel free to share/forward the link with students and to encourage them to participate.
