

SURVIVOR LMC: Program Review Island

Fall Focused FLEX; Wednesday, August 15, 2012

Purpose:

- ~ To understand LMC's Strategic Priorities and their relationship to Program Review,
- ~ To create understanding of, and engagement in:
 - The cycle of assessment, planning and improvement,
 - The importance of data in planning,
 - Elements of the 12-13 Comprehensive Program Review,
 - LMC's Strategic Priorities.
- ~ To increase collaboration within and between departments and units,
- ~ To create time for program teams to begin writing Program Reviews.

Objectives:

- Participants leave with:
- An understanding of the importance of data to inform Program Review
 - An understanding of LMC's integrated planning cycle; including assessment, program improvement planning, resource allocation, implementation, reassessment.
 - At least one draft of an objective with related rationale, activity and timeline that directly supports the Interim Strategic Plan.
