

SB 70/Transitions Grants Advisory Committee Meeting
 Recruiting for Social Sciences
 11/01/2013

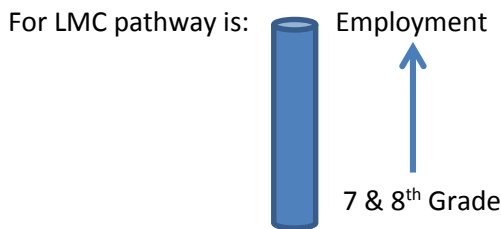

Attendees: Reginald Turner, A'kilah Moore, Ana Castro, Dave Wahl, Dave Belman, Eileen Valenzuela, Jorge Cea, Jim Martin, Natalie Hannum, Carole Rogers, Nicole Almassey, LaVora Mathis-Payne

Agenda

Review scope of SB 70 and Transitions-

SB 70 #5 has approximately \$45,000 left to spend out by the end December 2013. SB 70 #6 for \$120,000 has already been awarded but cannot be spent until SB 70 #5 is spent out.

SB 70'S future is 1070. 1070 is putting **RFA's** together; funds won't be delegated per school but by districts. **RFA** will allow 2 proposals, NW and SE group.

Natalie recommends reading **Malcolm Gladwell's, "Tipping Point"**

Pulse check on articulation and CTE outreach activities-

Project Lead the Way-

They are seeing lack of STEM students coming up. Partnered with Chevron to target 7 & 8th grade to increase STEM awareness.

Initiative

Common Core – this is a Nationwide initiative.

Linked Learning

A lot of the initiatives are pushed by partners.

WIB's

Board of 41 individuals representing all types of industry – they want quick in to quick employment, for example truck drivers, forklift driver, etc.

TACT

We don't do a lot of case management. We have a large Career Center locate in Pittsburg that is not tapped into.

HIP (High Impact Pathways)

Career Ladders

Stackable Certificates

HIP

Step 1 3-9 units – have link to industry with starting earning potential of \$15.00/hour

Step 2 additional 3-9 units – starting earning potential of \$25.00/hour

Step 3 skills plus a AA Degree – starting earning potential of \$45.00/hour

Prior to Step 1 – address Middle School and HS

Currently in HS-

Articulation

ROP

Concurrent Enrollment

Youth Summit

HS focus has been college - ideal 4 year college or 2 year college with transfer

Charter Schools

Improvements/Areas to Discuss

Counseling 30

ACE

ACS-10

These are used by entering students to increase their success.

Silos

Approach is scattered

Collecting student contact information for follow up: name, e-mail and phone number

What will CTE Outreach look like?

We want to look at Articulation annually.

Annual Outreach – needs to be tied to goals.

Articulation

ROP

Classes for concurrent enrollment

PR – ask HS to come visit

Adult Outreach

Goals may be:

Increase Awareness

Increase Enrollment of underrepresented students

Increase attendance by HS Students

Veterans Outreach – veterans fair is not well attended by Veterans. This is an area to look at.

Dave Wahl discussed the ETPL (Eligible Training Provider List). He mentioned that not all of LMC's CTE programs are on the list and they should be.
