Subject: All Student Services Meeting Reminder - November 15

Everybody,

This is to remind you that our first All Student Services meeting of the fall semester is scheduled for next week, Thursday, November 15:

- **Time:** 11:30 – 1:30 pm
- **Location:** L-109, Community Room
- **Theme:** Crisis Management/Response; “Learning Our Students’ Stories”
- **Guest Speaker/Lecturer/Consultant:** Dr. Hector Rivera-Lopez, Clinical Psychologist, Consultant for Mt. Diablo Unified School District
- **Objectives:** Professional development, community-building, staying connected
- **Includes lunch/pot luck:** Sandwich trays will be provided; sign-up sheet for other items (salad, desserts, chips, etc.) in the Counseling Center (near Carole’s desk)

This initial meeting is intended to broaden our awareness and to help provide more context about our student behaviors. We will have a follow-up meeting to brainstorm practical applications to address crisis intervention, late this semester or in early spring.

Please share this information with others that may not be included in the distribution. I know it is difficult for everyone to get away at the same time without closing our services and this is especially hard given the timing of the semester. If you have any question regarding your ability to participate, please consult with your manager.

Thanks – hope to see you there!

Gail

**All Student Services Meeting
November 15, 2012
11:30 am – 1:30 pm**
