The Academic Competition is a one-day event designed to motivate students to achieve scholarly excellence at LMC. It is also a fun and interactive way for students to compete academically. Students participate in teams of four in the following subject areas:

1. Mathematics
2. Science
3. Social Science
4. English

The competition consists of four rounds of multiple-choice tests questions. All test questions are provided by LMC professors. Each test round is 60 minutes and immediately after, the test answers are scored. Points are awarded for correct answers and the teams with the most points at the end of all test rounds are the winners. The winners of the competition are announced at the end of the event.

Other Important Information

Competitors only need to be present at the event, all supplies, test documents, refreshments, and lunch will be provided by LMC.

All students that participate in the Academic Competition will receive a *Certificate of Participation*, a *\$10 gift certificate to the LMC Bookstore*, and an *event T-shirt*!

Winning teams will receive the following scholarships (to be divided equally between team members):

- 1st Place: \$3,000 (\$750 per person)**
- 2nd Place: \$2,000 (\$500 per person)**
- 3rd Place: \$1,000 (\$250 per person)**
