Library Orientation Assessment – Pilot Program - Fall 2007/Spring 2008

Preliminary Results

Data to be collected for each course section:
  a. How many bibliographies
  b. How many bibliographies include library resources
  c. Percentage of students using at least one library source.

	Bibliographies	Bibs w/Lib resources	% total for course
Course 1	17	14	82.4
Course 2	8	6	75

Data to be collected for each bibliography:
  d. How many sources are listed
  e. How many of those sources are library resources (or other resources covered in the orientation or instruction)
  f. What types of library resources were used: books, ebook, database report, scholarly article, etc.
  g. What type of other information resources were used.
  h. Percentage of sources that are library resources.

Course #1 Bibliography Data

Bibliography	# of Sources	# of Library Sources	Type of Lib Source	Type of Other Source
C1 B1	4	0	0	1- text 1- book 2- web
C1 B2	3	1	1 – DVD	1- text 1- web
C1 B3	5	0	0	1 – text 4 – web
C1 B4	5	0	0	1- text 4- web
