**Subject:** Student Representation for IDEA

Hello President Klipp,

My name is Ryan Pedersen, and myself along with a fellow faculty member Erlinda Jones are the co-chairs of the IDEA (Institutional Development of Equity and Access) committee. This committee needs student representation. This semester we will be focused on the development the student equity plan for our campus. Student voice as we do this will be invaluable to the process.

I am writing to formally request two students be appointed to our committee this semester as you do your appointments. The committee meets on the 3<sup>rd</sup> Thursday of every month from 2 – 3:30 PM in L-105.

Please let me know when students are appointed and I would be happy to meet with them and let them know what we are working on and help them get oriented to our work.

Thanks a ton!
