Subject: Reminder: College Assembly -- Monday, October 7, at 3:00 p.m. in L109

Dear Campus Community:

As a reminder, College Assembly will be held next Monday, October 7, from 3:00 p.m. to 5:00 p.m. in the Community Room (L109).

The session will begin with an overview of the District and College budget processes by our Director of Business Services, Ronke Olatunji. Then, for those of you who were unable to attend the District Strategic Planning "Charrette" held yesterday afternoon at DVC, I have asked our colleagues at the District Office to conduct a similar exercise here on campus. In an effort to provide an additional opportunity for input from LMC faculty, staff, managers, and students, the latter portion of College Assembly will feature a strategic planning presentation from Greg Stoup, Senior Dean of Research & Planning at the District Office.

In advance of the meeting on Monday, I encourage you to review the Environmental Scan located on the District Research website. This site contains access to both the full report and a PowerPoint summary of the environmental scan: <http://www.4cd.edu/research/Environmental%20Scan/Forms/AllItems.aspx>.

I look forward to seeing you next Monday afternoon.

Bob
