Thank you for participating in the 4th annual PCC/PHS Career Fair

The Pittsburg Chamber of Commerce in partnership with the Pittsburg Unified School District is hosting the 4th annual Pittsburg High School Career Fair. The Pittsburg Chamber of Commerce recognizes that today's students are tomorrow's workforce and we are working to partner students and families with local businesses to help shape students' understanding and preparedness for life after high school.

Space is limited! Reservations are now being accepted!

For more information contact the Chamber at chamber@pittsburgchamber.org or (925) 432-7301.

Please come prepared with necessary materials (Visual props, notepads, pencils, etc. with your business information printed on them). This Fair is designed to enable regional employers and postsecondary training providers to provide information to students regarding staffing patterns, job demands, employer requirements, & postsecondary program availability to high school students. The annual Career Fair has been collaboratively developed to establish a single point of contact among regional employers, postsecondary institutions, other training providers for Pittsburg's emerging workforce.
