Catalog Description:

This course is an introductory course to medical careers with an emphasis on emergency medical services. Students who successfully complete this course will earn the following certifications: American Heart Association (AHA) Heart Saver/AED and First Aid Certification, students will also obtain an American Heart Association CPR/Basic Life Support (BLS) Certification card. EMS-009 meets and exceeds the listed curriculum for the California Emergency Services Agency First Aid Standards for Public Safety Personnel, which is the minimum required level of medical training required for CAL-FIRE seasonal personnel, Police Officers, Life Guards and any other occupation classified under Public Safety in the State of California. Students who successfully complete EMS 009 are eligible to apply for employment in a diverse array of positions which include public safety as well as many others, some examples of these occupations are: lifeguards, public safety officers, police officers, teacher's assistants, security guards, coaches and for positions with California Department of Forestry and Fire Protection as seasonal wildland Firefighters. In addition, students will develop an educational pathway into the EMT, paramedic, fire technology, nursing, physician assistants and other Allied Health occupations.** This course has mandatory lab fees, this course meets the prerequisite for EMS 010 since we issue a CPR BLS card upon successful completion of EMS 009 **
