Approved Budget Increase

The standard student budget can be increased on a case-by-case basis for the following: the one-time purchase of a computer during a student's education within the Contra Costa Community College District; cost of dependent care while the student attends classes; special educational expenses for students with disabilities; certain vocational programs that require equipment, tools, uniforms, or supplies. Inquire with your campus financial aid office if you have these expenses. Verification may be required. Please note that no adjustments will be made to less than half-time budgets.
