Hi ,

On August 6, the Department of Education announced it would continue suspending loan payments and waiving interest on student loans owned by the department until January 31, 2022, and that this will be the **FINAL** extension of the payment relief efforts in place since March 2020.

As a reminder, you NEVER have to pay to take advantage of these relief efforts and there currently is no guidance on potential loan forgiveness. The best resources for accurate and up-to-date information are the Department of Education's website or free mobile app and your loan servicer's website.

Stay in the Know

Make sure you're getting the updates. Confirm that your contact information is up to date on your profile with your [loan servicer](#) and StudentAid.gov.

For the most up-to-date information about COVID-19 and student loan payment relief, visit your loan servicer's website (below). You also can visit: <https://studentaid.gov/announcements-events/coronavirus>.
