Thanks Shelly!

Our Year 1 Pathways Work

- Inquiry
 - Research
 - Collaboration
 - Design
- 

Priorities for Fall 2018 Semester

- Roadmaps and degree checklist updates
- Student feedback about meta-majors
- Strategic enrollment management data for departments

Guided Pathways Data KPI (Key Performance Indicators)

- CCCCO will annually publish this indicator data
- Momentum points researchers have identified as significant milestones for students towards completing degree, certificate, or transfer goals
- Our role (faculty, classified, managers) is to use data to identify trends, identify disproportionate impact, find areas where we can improve, build appropriate schedules

Thank You!
