Announcements/ Updates

- **May 10th campus-wide presentation from Luis Chavez & Amanda Issa, Career Ladders Project**
 - Confirmed the event for 10:00 am – 12:30 pm (Library 109 booked from 8:30 am – 2:00 pm for set up/take down and additional pre and post preparations and discussions if needed)

- **Focused flex update:** GE and Guided Pathways
 - Need to keep audience in mind – should be student centered but informative for faculty and students.
 - Not limited to just GE focus...Campus wide flex
 - Topic ideas/framework: “What do you want to be when you grow up?”
 - Need to write case studies
 - Additional discussion is still needed to firm up details -- Julie to discuss further with GE committee

- **Liberal Arts degree task force**

The Liberal Arts degree task force is exploring to see if we can match Liberal Arts degree areas with overarching meta-major areas. Smaller groups of major clusters could be sub-areas. Rachel and David are working on a draft that is aligned by math requirement, in accordance with the Student Centered Funding Formula (SCFF).

- **Program videos (potential) project**
 - Julie met with John Schall to discuss the program videos.

- **IEPI / Career Ladders Guided Pathways Design Meeting Report: Rudolf and Shelly will update us on the IEPI/ Career Ladders Guided Pathways Design meeting on April 8th**
 - **Rudolf and his session: K-12 Career Exploration:**
 - Rudolf and his session: K-12 career exploration – provide a questionnaire to examine interest of specific categories of careers. The career counselor would then tailor their messaging to students based on their focus. Jam Session (Summer Bridge) a week long session on careers. “Jamming videos” – students develop their own videos – exploring their interest and putting it within a video.
