

Colleagues,

This is a reminder that we will have a **College Assembly this coming Monday, September 17, at 3:00 p.m. in L-109**. The session, a collaboration between our colleagues from the Guided Pathways Advisory Committee and Student Success & Retention Programs (SSRP), will present an overview of *LMC Connect* (powered by Starfish). This “early alert” tool is designed to help our campus community connect students in need of additional support with resources critical to their success. With student support as one of the four pillars of Guided Pathways, *LMC Connect* provides a linkage between the goals of that initiative and the work of SSRP.

The first part of the meeting (3:00 – 4:00 p.m.) will be held in L-109, with a simulcast to the Brentwood Center; the second, hands-on portion (4:00 – 5:00 p.m.) will be held upstairs in computer labs L-213 and L-214.

At the College Assembly, you will have an opportunity to:

- Set up your *LMC Connect* profile
- View your rosters
- Schedule your office hours

You may bring a photo of yourself (digital copy) to include in your *LMC Connect* profile. If you need a professional picture, you can skip the selfies and sign up for “Free Photo Days” with our very own John Schall. See below for details on the September 14th and 17th photo shoots – space is limited, so sign up today!
