

UC Irvine Fall 2025 Honors to Honors

Eligible students are offered admission to UC Irvine and invited to join the Campuswide Honors Collegium. Students also receive consideration for merit-based scholarships.

How do I become eligible for Honors to Honors?

- Attain a UC transferable GPA of 3.7 or higher.
- Submit a UC Admissions Application to UC Irvine no later than December 2, 2024*.
- You must be confirmed by your Community College Honors Program Director as a member in good standing, and must successfully complete your Honors Program requirements by the end of the spring semester prior to transfer.
- Contact your Community College Honors Program Director in the fall semester prior to transfer for information on how to be nominated for Honors to Honors.
- After applying to UC Irvine, you must be verified by a UC Irvine Admissions evaluator as having completed all transfer requirements, including the prerequisites for your major.
- Submit your TAU (Transfer Academic Update) by January 31.
- We highly suggest listing an alternate major for which you meet eligibility in case we are unable to admit you to your first choice.
- You must report all college level coursework and respond to all UC requests for information within 5 business days.

Art, Nursing, and majors that require an audition do not participate in the H2H partnership.

**For fall 2025 applications only.*

Honors to Honors students admitted to the Campuswide Honors Collegium are required to take a Campuswide Honors class in the first year, and to engage in mentored research that culminates in a senior honors thesis.

The fall 2025 term is the final cycle that this version of the agreement will apply. The updated agreement for fall 2026 applicants and beyond will be released prior to summer of 2025.
