Subject: Interest in Serving on the Curriculum Committee

Dear LMC AS Council,

I am interested in serving on the Curriculum Committee representing Health, Behavioral, and Social Sciences. This seat on the committee is currently vacant. As you know, I have served on the GE committee, and in the AS so I have some experience in the curriculum review and approval process. Part of the reason why I would like to serve on Curriculum is for the exposure to a new committee which, like GE and the AS, deals with substantive issues vital to our college. And, much like the GE Committee and the AS of the past, they are in need of faculty members. I was told that 50% of their seats are vacant.

Please let me know if I need to do anything else for this to be approved and thank you for your time.
