

Shared Governance Committee Faculty Rep
Adrianna Simone – Ethnic Studies & Social Justice Studies Dept. Chair
and Academic Senate President

Dear Academic Senate,

I request your support to sit as an alternate for our Shared Governance Council. It is extremely important that all our seats are filled at SGC, and with my role as Senate President, I am poised and ready to represent the faculty voice in institutional spaces when one of our SGC representatives is unable to attend a meeting.

In solidarity,

Adrianna

“'Racist' is not—as Richard Spencer argues—a pejorative. It is not the worst word in the English language; it is not the equivalent of a slur. It is descriptive, and the only way to undo racism is to consistently identify and describe it—and then dismantle it. The attempt to turn this usefully descriptive term into an almost unusable slur is, of course, designed to do the opposite: to freeze us into inaction.”
