Subject: Statement of Interest

Hello Academic Senate Leadership,

I am interested in serving on the interview team for the CTE Dean hiring. In my time as full-time faculty, CTE departments have experienced many Deans in permanent and interim assignments. I feel the interview is a key part of the process. Including faculty in the room, particularly CTE faculty, is important for input.

I have participated in several faculty full-time hire interviews and am familiar with the process. I think I my institutional experience could be an asset to the team.

Thank you for your consideration,
