Dear Academic Senate,

I am writing to express my interest in continuing to serve on the Sabbatical Leave Committee. As a professor in the English department since 2013, I have had the privilege of serving on various committees at both the site and District levels. These include the Academic Senate, Curriculum Committee, Shared Governance Committee, Distance Education Committee, Strategic Enrollment Management Committee, District Shared Governance Committee, and District Distance Education Council, and Sabbatical Leave Committee.

Through these roles, I have gained extensive experience in shared governance and curriculum development, which has deepened my understanding of the institution's academic and strategic priorities. I would welcome the opportunity to continue serving the college community by remaining on the Sabbatical Leave Committee.

This committee offers a unique opportunity to gain insight into the innovative research and professional development goals of our faculty. Serving in this capacity would allow me to engage with the diverse and dynamic work of colleagues while identifying potential areas for interdisciplinary collaboration and academic growth across departments.

Thank you for your time and consideration.

Sincerely,

Aprill Nogarr
