Subject: Academic Student Services Manager Paper Screening

Dear Adrianna,

I hope you are well! I'm writing for consideration to be on the paper screening committee for the Academic Student Services Manager.

I have served as Faculty Lead in the Center for Academic Support for over 10 years and am deeply aware of the mission and needs of the CAS. I have also collaborated closely with the library in this role and as an English faculty member. As such, I believe my perspective would be helpful in the process of selecting a manager for these important programs.

Thank you!
Jill
