Subject: LMC Academic Student Services Manager Statement of Interest

Hi Adrianna, Morgan, and Abbey!

Here is my statement of interest to be on the paper screening committee for the LMC Academic Student Services Manager position:

My name is Cameron Bluford, and I am the Technical Services & Systems Librarian at LMC. I would like to be on the paper screening committee for the LMC Academic Student Services Manager position. Given how this position would impact on my own department, I feel that it's important to have someone in my department who understands the needs and concerns of the library be present on the paper screening committee. I would like to be that individual for the paper screening committee.

Thank you.

Cameron Bluford
