Subject: LMC - Academic Student Services Manager Recruitment Committee, 2 Faculty

Dear Academic Senate Council,

I am writing to express my interest in serving on the hiring committee for the Academic Student Services Manager. Having been an LMC librarian for 18 years and department chair for 11 years, I offer a seasoned perspective gained from working under ten different supervisors.

Navigating these numerous transitions gives me insight into the leadership traits our library needs to thrive. We require an experienced leader who is genuinely willing to listen and learn from team members at all levels—someone who will thoughtfully observe our existing processes, ask questions, and seek to understand our departments before making decisions. I am invested in helping select a collaborative manager who will bring mutual respect to our academic support teams.

Best,
Kim
