Subject: Safety Committee Meeting

Hola,

I hope this email finds you both doing well.

This message is to express my interest in being reconfirmed for another term on the Safety Committee. I want to continue getting involved and learn more about promoting a safe environment at LMC and about emergency and evacuation procedures. Please let me know the steps I need to follow. I'm a little confused with the application process.

Best,

Victor A. Coronado
Spanish Faculty, Department Chair
