Subject: Re: Statement for Academic Senate Consent Agenda

Good afternoon,

Thank you for this reminder.

My name is Taylor Jackson, and I plan to serve as the representative for the Ethnic and Social Justice Studies Department at Los Medanos College Academic Senate. During the 2026–2027 academic year, I will be entering the second year of my tenure-track process.

My colleagues have established a strong precedent of service through their leadership on Academic Senate and active participation across college committees. I intend to continue that tradition through my appointment and contribute meaningfully to shared governance, departmental advocacy, and the broader institutional mission of Los Medanos College.

Thank you for your consideration,

Professor Taylor Jackson
Assistant Professor, Department of Ethnic and Social Justice Studies
Los Medanos College
