Phish Alert

Hello,

Here are some items for our consideration from the Academic Senate Meeting of 2/24/2025:

Upcoming Events:

MLK Luncheon on Wednesday, Feb. 26 (faculty and students)

LMC President's Exemplary Leadership and Service Award:

The college is looking for committee members to review nominations!

Academic Senate Council Positions:

Terms are expiring in December, so there is a need for folks to step up.

Course Assessments:

Can we quickly check to see that Bio. Dept. is up-to-date with assessment?

Eminence, continued:

We're considering the use of eminence for the District-wide equivalency process

I

Vote coming soon from Senate: Do we want to include eminence in the equivalency process?

If so, what will be our definition?

Still requires discussion and there's plenty of time.
