Dear Faculty,

The Districtwide Open Educational Resources (OER) Council is hosting our final grant information session of the semester! Join us on Friday, Oct. 18 to learn how you can help reduce textbook costs for your students. All 4CD faculty are eligible to apply for grant funding to complete an OER project. Be part of a growing community of over 150 4CD faculty members who have collectively saved our students \$64 million on textbooks!

This is your last opportunity to sign up this semester, and future availability depends on remaining funds- don't sleep on this!
