In 2018, the Student Equity and Achievement (SEA) Program was established and merged funding for three initiatives: the Student Success and Support Program; the Basic Skills Initiative; and Student Equity. Integrating these efforts into a single program advances our goal of demolishing once and for all the achievement gaps for students from traditionally underrepresented populations.

Note: For the **2025–26 academic year**, Los Medanos College’s Student Equity and Achievement (SEA) Program allocation was **\$3,477,681**. Despite these funds, Math and English RAPs were not funded and existing budgets have been cut.
