Hello AS Council,

I would like to volunteer to serve on the Planning Committee, and I am submitting my statement of interest below.

I, Paula Gunder, would like to be consider to fill the open membership seat on the Planning Committee.

I am a professor and chair in the English as a Second Language department, and I have worked at the college for 17 years. I am also currently serving as the Academic Senate Vice President (SP24-FA25) and concurrently as my Senate area representative. Over the course of my time at Los Medanos, I have served on numerous committees at the college and the district, including the Planning Committee. Such service has allowed me to continually grow in learning and understanding the role and importance of planning (processes and products) in our collective work to fulfill LMC's mission and uphold its values. I would like the chance to continue to share our faculty perspective as the Planning Committee works to fulfill its charges. As I will be in regular attendance at Academic Senate meetings, I will be able to report on the work of the Planning Committee.

Thank you,

Paula
