

LOS MEDANOS COLLEGE

May 22, 2025

Dear Los Medanos College Academic Senate:

I am interested in applying for the open faculty seat from LMC on the Sabbatical Leave Committee. I believe that sabbaticals are an important step in improving pedagogy and increasing student success within the district. I previously served on this committee from 2017 to 2019, and took a sabbatical myself during the 2020/2021 academic year. I believe that my previous experience makes me an excellent candidate to be on this committee once again.

Sincerely,

Matthew Stricker
Professor of Mathematics (Chair)
Los Medanos College (Brentwood Center)
