

Academic Senate Retreat FA 2026
Identifying area priorities

ISSUE	10+1?	COLLAB?	TIMELINE
## of Math Classes (not enough seats for students) & collegewide enrollment management priorities			
MESA Center hours No longer able to hire Professional Experts			
Math Tutoring Services			
Equitable access for Dual Enrollment students across all campuses			
Faculty hiring			
AI Strategies - incorporating into instruction			
Funding - programs Funding-access			
CCAP Agreements– Faculty Participation			
Updating etc faculty evaluation procedures and OOI support			

Classes in ECE Getting an additional faculty for departments in need			
AI and Academic Integrity			
Outreach—promote services/events/facult y can do to promote classes...			
Social Media/Marketing for the library			
Dual Enrollment: how decisions are made/shared?			
DSPS students/no increases in funding/staff			
Fed Gov changes coming out of hold harmless...financial landscape...FTES/en rollment			
ECE not considered credential program			
Dangling hours/apportionment			
AI—How do we assess learning?			
Intellectual Property (who owns your Canvas stuff?)			
Accessibility-integrate ability to get Access needs met prior to work starting...interpreters ...need to be built			

in...should not have roadblocks in committees...			
Committee representation - fill vacant seats/ make sure things go through shared gov effectively			
Training faculty on committee work...10+1 need to come through Senate			
Membership on senate—fill gaps plus alternates...plus more CTE			
NEXUS overlaps dates with senate			
Liberal studies degree/guiding students into it? Assessing it...?			

Categories based on the above:

#pathways issues

#student support: tutoring, math lab, etc. (New manager!?)

#accessibility

#AI

#dual enrollment

#funding/program development and revision/enrollment management

#committee work/representation

#updating faculty evaluation training and processes

Do any of these deserve a task team? A senate resolution?
