Hi Senate Council,

I wanted to reach out and share my interest in being considered for serving on the AVC of Educational Services hiring committee. I heard that the call for volunteers to serve was happening so I wanted to submit my name for consideration.

I have recently served on the permanent Chancellor hiring committee, the interim LMC President hiring committee, the Sr. Dean of Planning and Institutional Effectiveness hiring committee (paper screen) and am scheduled to serve on the Sr. Dean of Equity and Inclusion hiring committee (paper screen).

I believe strongly in ensuring that faculty voice is heard on management hiring committees and feel that I have a unique set of skills as a Professor of Communication studies to serve in these capacities.

I am also trained as an EEO representative through the District.

I have served as the Academic Senate Vice President, Department Chair, a member of the Strategic Enrollment Management Committee, Planning Committee and Guided Pathways Task Force in the past and am currently a member of the Distance Education Committee and the Co-Lead of the Nexus Program. I have a vested interest in this hiring committee given my diverse background in various academic roles.

I appreciate your consideration for this hiring committee

Please let me if there is anything else you need for my consideration.

Thanks,  
Marie
