Dear Academic Senate Council,

I would like to express my interest to represent the Counseling Department as a voting member of the Curriculum Committee. I am currently serving as the Counselor, Co-coordinator, and instructor for the Puente Learning Community Program. Since 2018, I have had the privilege of being part of LMC, beginning my journey as an adjunct faculty member. With over 12 years of experience as an educator in Student Services, I have had the honor of working with programs such as EOPS, CalWORKS, Foster Youth, Puente, Athletics, and Career Services. My journey as a first-generation college student keeps me focused on a student-centered practice. I am wholeheartedly committed to ensuring that students at LMC have meaningful learning experiences. My involvement in the Curriculum Committee would enable me to share my valuable experience with underrepresented students and assist my colleagues in developing and reviewing courses that meet student needs.

Thank you for your consideration.

Sincerely,

Jessica Linares Boyle, M.Ed.
Puente Counselor & Co-Coordinator
