

General Education Program Assessment

The General Education Program Assessment

- Every 5 years the General Education Committee performs an assessment of its local General Education Program.
- This is completed, so the committee can provide a report to the larger LMC community about whether students are proficient in learning the GESLOs.
- This report is also used as part of the college's accreditation efforts and is required by the state.

What We Need From You

- We are asking that your department provide the committee with data drawn from CSLO assessments already completed between summer 2022 through summer 2026.
- Have your faculty members who most recently assessed each GE course in your department fill out our GE Assessment Form (For reference some **Area 4** courses)
- If you can provide the data, the GE committee will complete the assessment report.

Area 4: Social and Behavioral Sciences

(3 units minimum)

Complete one course:

ADJUS-110, 160, 220

ANTHR-001, 004, 005, 006, 008

CHDEV-010, 020

COMM-120, 180

ECE-010, 020

ECON-005, 010, 011

EDUC-100

ENGL-124, 128, 136, 150

HIST-029, 030, 031, 034, 035, 037, 038, 039, 040, 047, 052, 054, 055, 056, 057, 060, 061, 062, 065, 066

Local Degree GE Patterns

24 semester units (minimum)

Area 1A = English Composition; 1 course

Area 1B = Oral Communication and Critical Thinking; 1 course

Area 2 = Mathematical Concepts and Quantitative Reasoning; 1 course

Area 3 = Arts and Humanities; 1 course

Area 4 = Social and Behavioral Sciences; 1 course

Area 5 = Natural Sciences; 1 course

Area 6 = Ethnic Studies; 1 course

Area 7 = Diverse Perspectives; 1 course

GE SLOs

Student Learning Outcomes for all General Education courses

GE SLO: Human Communication

At the completion of the LMC GE program a student will be able to communicate and collaborate effectively as a speaker, visual communicator, and/or performer.

GE SLO: Information Literacy

At the completion of the LMC GE program a student will be able to evaluate information and its sources critically.

GE SLO: Ethical Insight

At the completion of the LMC GE program a student will be able to analyze and address ethical problems with a clear understanding of personal, social and civic responsibilities.

GE SLO: Diverse Perspectives

At the completion of the LMC GE program a student will be able to evaluate diverse social, multicultural and/or global perspectives regarding current or past issues and events.

GE SLOs (continued)

GE SLO: Quantitative Reasoning

At the completion of the LMC GE program a student will be able to utilize quantitative reasoning and apply mathematical principles to real world situations.

GE SLO: Scientific Inquiry

At the completion of the LMC GE program a student will be able to apply methods of scientific inquiry in real world situations.

GE SLO: Ethnic Studies

At the completion of the LMC GE program, a student will be able to analyze the effects of race, racism, and white supremacy as it impacts the local state, national, and global power dynamics and understand the contributions of Black, Native American/Indigenous, Chicanx, Latinx, Asian American, Pacific Islander, or another community of color that dismantles racist power structures.

GE Program Assessment Form

We will now present a live demo of the General Education Program Assessment Form.

Within this form you will find links to many resources:

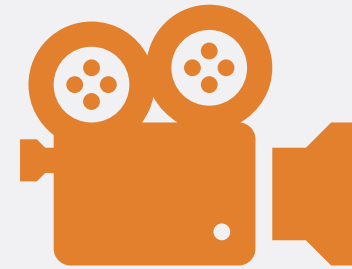

1. Local General Education Pattern (Areas 1-7)
2. General Education Student Learning Outcomes (GESLOs)
3. Examples of completed assessments
4. The Local General Education Handbook

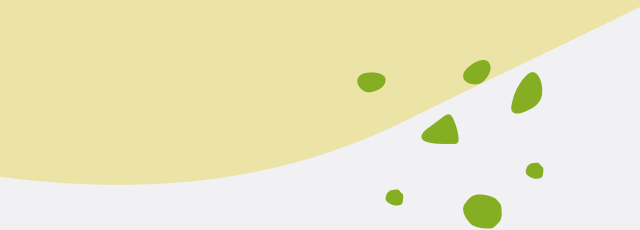

Instructional Video

To provide further assistance, the GE Committee created an instructional video that walks you through the step-by-step process of filling out the GE Assessment form

GE Assessment Form Video

GE Training Hours

The GE committee will set aside time for standing training hours at every GE meeting for those who need more assistance.

The GE Committee meets every 2nd and 4th Wednesdays at 1:00pm in CC2-223 & BRT-125
