

## **Guided Pathways Pillar 1: Clarify the Path**

### **Resolution for Learning and Career Pathways (meta majors)**

#### **Feedback we would like from Academic Senators after the first read 11/4:**

*Please consult with constituents about the following questions:*

- What should LMC call the meta-major groupings? Current term we are proposing: *Learning and Career Pathways*. Feedback from the survey after opening day in Spring 2019 had *Academic Areas* and *Interest Areas* as the top voted grouping names, but Learning and Career Pathways was not an option in the survey. We are open to new suggestions.
- Recommend any needed adjustments to the groupings and subcategories in the current draft of the Learning and Career Pathways (meta majors)
- Any other feedback

#### **Resolution for Learning and Career Pathways (meta majors) at LMC**

WHEREAS best practices for Guided Pathways and the California Community Colleges Chancellor's Office recommend adopting meta majors to assist students in navigating the college;

WHEREAS LMC faculty have been discussing meta majors since the Fall 2017 Academic Senate Guided Pathways Task Force, and shared drafts of meta majors at Spring 2019 Opening Day and Fall 2019 Opening Day break out sessions;

WHEREAS Guided Pathways faculty leads have been working to update the degree and certificate program maps and plan to publish online in meta major subcategories;

WHEREAS the Liberal Arts Degree Task Force is charged with updating Liberal Arts degrees and may want to align with meta major groupings;

WHEREAS the counseling department would like to research and explore case management models;

WHEREAS the Guided Pathways *Pillar 1: Clarify the Path* group would like to work with Transfer and Career Services to build a "top bay area careers" webpage with connections to meta-majors;

WHEREAS the Academic Senate charges the GE Committee to work with Guided Pathways to align and clarify the path for students;

WHEREAS the Academic Senate can modify the Learning and Career Pathways structure at any time in the future;

BE IT THEREFORE RESOLVED that the LMC Academic recommends adopting the attached Learning and Career Pathways (meta majors) model for Los Medanos College.

## Guided Pathways Pillar 1: Clarify the Path

### Resolution for Learning and Career Pathways (meta majors)

There are 4 overarching meta major areas aligned with math requirements and Liberal Arts degrees: **Health, Behavioral Science, & Social Science; Science, Technology, Engineering, & Mathematics; Business & Management; Arts & Humanities**

Subcategories are aligned with common courses students could take in the first year. Certificates will also be included in the online program maps.
