

LOS MEDANOS COLLEGE

A Resolution of the Academic Senate

Resolution to Establish an Emerging Programs Task Force
Submitted by Julie Von Bergen and Rachel Anicetti

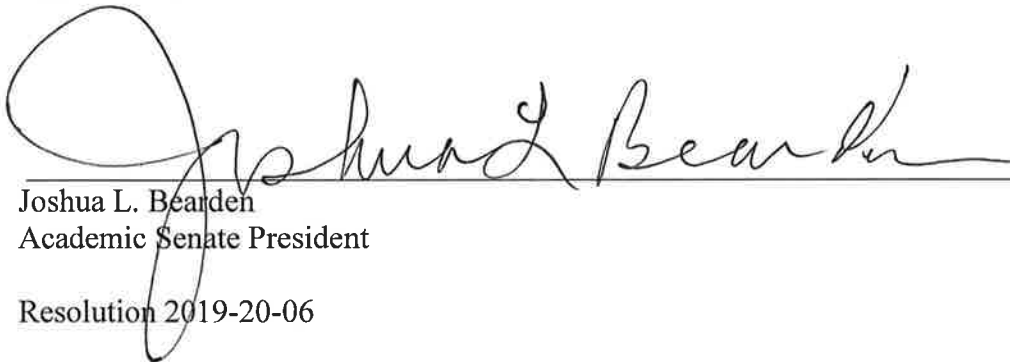

WHEREAS research from Transfer and Career Services is available about the majors that LMC students are transferring into and the growth in transfers from LMC;

WHEREAS the Strategic Enrollment Management (SEM) data group, Workforce and Economic Development, and the Educational Master Plan authors are collecting and analyzing data about East Contra Costa County demographics, professions, and labor changes;

WHEREAS LMC faculty and the Academic Senate are the originators of and approval body for new academic programs at LMC;

BE IT THEREFORE RESOLVED that the LMC Academic Senate establishes an Emerging Programs Task Force to collaborate in data analysis with Transfer and Career Services, the Strategic Enrollment Management (SEM) data group, Workforce and Economic Development, and the Educational Master Plan authors, and to make recommendations to the Academic Senate about development of future academic programs for Los Medanos College.

Approved by the Academic Senate on November 18th, 2019

Joshua L. Bearden
Academic Senate President
