3. **Standing Item: Articulation Update**

Eileen provide a written updated for the committee review which is available on the shared drive. | Nikki shared that she attended an articulation meeting and announced that an articulation training is forthcoming.

4. **Programs**

- **AA-T, History - Action:** Approved (M/S: C. Goff/P. Gunder); unanimous

- **AA-T, Social Justice: African American Studies action:**

A question was asked about the limited area options available for this degree. The committee discussed the work of SEM and the program review process regarding course mapping concerning reviewing potential courses listings that become available in the boxes. The analysis gathered from the work will help build program maps and determine what courses are suitable for particular majors. The other reasons why the options are limited were due to course inactivation of history courses.

Action: Approved (M/S: T. Shideler/P. Wilkins); unanimous

- **AA, Humanities**

The committee discussed the program's lack of a transfer model, which doesn't exist at the state level either. The committee questioned the use of the degree. In addition, the committee discussed the intent of offering this degree in comparison to the liberal arts (LA), which the LA is transferable. This degree is an existing one offered. Inasmuch, the department is requesting approval of the removal and additions of courses. The committee's overall discussion concluded with the need to review all programs offered at LMC to determine their demand. No new programs are being submitted; however, submission for changes to programs is acceptable.

Action: Approved (M/S: T. Shideler/T. Zavala); unanimous
