

Office of Instruction Newsletter

NOVEMBER 2024

Happy Election Day,

As we move into November, I'm pleased to welcome you to another month filled with opportunities for growth, learning, and collaboration. This time of year brings both the cooler days of fall and a powerful reminder of our role as informed citizens and community members.

Today is Election Day! Participating in the democratic process is one of the most impactful ways we can shape our community, state, and country. Whether you're voting in person or have already submitted your ballot, your voice and choices matter. At Los Medanos College, our commitment to civic engagement and education emphasizes the importance of staying informed and involved in issues that affect our future.

In addition to Election Day, November brings several other highlights to our campus. Read below for some of our upcoming events and opportunities to connect with students, faculty, and staff.

Thank you for being part of this vibrant community, and please reach out to our office if we can be of any assistance. Wishing you a productive, fulfilling month ahead!
