Once the draft has been reviewed and approved, it will be forwarded to District HR for posting to PeopleAdmin on the district website.

After the position has been posted online, you will be sent a user name and password to access the applications.

After reviewing the applications, interviewing applicants and selecting applicants to hire, forward names to the Office of Instruction so that PeopleAdmin can be updated:

1. Forward the names of the applicants you have chosen to interview
2. Forward the names of the applicants you have chosen not to interview
3. Forward the name(s) of the applicant(s) you have chosen to hire. Please inform the Office of Instruction to close the posting, only if the position was labeled, "open till filled."

Complete a Request to Process Academic Personnel form and attach the entire application packet (print all, do not select items to print from the packet) and forward to your Dean. If you need to complete an equivalency form, please do so and send to your Dean.

Thank you.
