## Where can I find my course's cohort number?

You can check this shared <u>cohorts.xlxs</u> file or look directly within your course COR using elumen. Instructions for the latter are below.

1. Log into your eLumen account

https://lmc.elumenapp.com/

2. Click on the *Curriculum* tab

3. Click on *Curriculum Library* 

Los medanos College							
Nidia Gonzalinajec as Faculty	✓ in LMC Mathematic						
Courses Spring 2023 V	SLOs & Assessments						
Curriculum Dashboard	rary						
Course Program							

- 4. Do one of the following:
  - A. Type in the course title in the box labeled *Course Title*. Course titles include phrases like *Independent Study in Speech* or *College Physics*
  - B. Type in the Subject Area or Course Number in the box labeled *Subject Area/Course #*. For example, *ENGL100* or *SOCIO*.

5. Select the course you are interested in then click the *View COR Report* button. Click *Go to Report* on the subsequent pop-up box.

5 Total Show. 15 entries								
		New Revision Deactivate Course	Show History View COR Report View Impact Report					
		Subject Area/Course #	Course Title					
		MATH210	Calculus and Analytic Geometry I					
	_	MATUOOD	Claim and Analytic Country II					

6. The third box down, below Faculty Requirements and above Course Development Options is a box labeled Cohort.

Cohort			
<b>Cohort Number</b> Cohort 2			

Please maintain a record of the cohort numbers for your department.
