

Employee Diversity Study: Employee Group View

The Employee Diversity Tableaus can be disaggregated by employee groups (faculty, classified, managers and student employees), by race/ethnicity and gender. The user can also view data for the College (LMC), for our sister Colleges (DVC, CCC) and the District by terms.

This view provides you longitudinal trends back to Fall 2000 on the measure:

- Employee counts

Therefore, you will be able to drill down by variables:
