**ENGLISH-100 COMPLETION**

This chart provides the percentage of each cohort that completed English 100 in their "first year" in your program (not their first year at the college). For example: 76% of your Fall 2014 Cohort completed ENGL-100 in 2014-2015. Note: This table does not include the small number of students who may have been AP and skipped taking ENGL-100.
