Note: Online course. All instruction will be online in an asynchronous format. Access to a computer with audio and video capability is required. Go to [www.losmedanos.edu/onlineclasses](http://www.losmedanos.edu/onlineclasses) for course access information. Specific information from instructor: Students need reliable access to the internet, Canvas, video recording technology, and Zoom (Office Hours). Students must be comfortable with video recording applications and will be expected to have a YouTube account to upload speeches (no video editing skills required). Prior to the start of the course students should explore the Canvas shell to familiarize themselves with course navigation. There will be a Welcome Announcement with more information prior to the start of the term. Students must remember to regularly check Canvas as it is vital to their success in the course. Weekly assignments, tasks and everything in between can be found on Canvas along with resources on how to complete related course work. Email instructor for additional information at [MArcidiacono@losmedanos.edu](mailto:MArcidiacono@losmedanos.edu) if you have questions.

## SEC PRINTED COMMENTS

Note: Online course. All instruction will be online in an asynchronous format. Access to a computer with audio and video capability is required. Go to [www.losmedanos.edu/onlineclasses](http://www.losmedanos.edu/onlineclasses) for course access information. Specific information from instructor: Students need reliable access to the internet, Canvas, video recording technology, and Zoom (Office Hours). Students must be comfortable with video recording applications and will be expected to have a YouTube account to upload speeches (no video editing skills required). Prior to the start of the course students should explore the Canvas shell to familiarize themselves with course navigation. There will be a Welcome Announcement with more information prior to the start of the term. Students must remember to regularly check Canvas as it is vital to their success in the course. Weekly assignments, tasks and everything in between can be found on Canvas along with resources on how to complete related course work. Email instructor for additional information at [jmcdaniels@losmedanos.edu](mailto:jmcdaniels@losmedanos.edu) if you have questions.

Note: Class meets weekly on campus as scheduled for lectures, discussions, and activities.
