* Returning students - Students who have missed more than one academic year; will need to reapply online.

* New matriculating students - Students who have completed the orientation, assessment and student education plan.

START LOCAL, GO FAR!

LOS MEDANOS
COLLEGE

Los Medanos College opened in Pittsburg in 1974 to serve east Contra Costa County. Over the past 50 years, LMC program offerings have grown to over 90, and the college has added the new state-of-the-art Brentwood Center. LMC has established itself as a cultural focal point for the community, and continues its legacy with alumni and students leading, innovating and shaping a sustainable and equitable future for generations to come.

LOS MEDANOS COLLEGE

Mission

STATEMENT

Los Medanos College serves our diverse community by providing transformative education and student-centered support rooted in inclusion, innovation, and partnership.

Vision

Los Medanos College will transform our community through innovative, dynamic, equitable, and diverse educational experiences, support services, and career opportunities empowering students and staff to achieve their potential as leaders, learners, and professionals.

Values

- Diversity
- Empowerment
- Equity
- Integrity
- Respect

Accreditation

Los Medanos College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, an institutional accrediting body recognized by the Commission on Recognition of Postsecondary Accreditation and the U.S. Department of Education.

Admission & Registration Information

Fall 2026 OPEN REGISTRATION DATES

June 22	Group 6	ALL Special Admit/Concurrent high school students registration
June 29	Group 7	Open registration for all college students who choose not to use group registration assigned.

For more registration information: www.losmedanos.edu/admissions/instructions.aspx

HOW TO REGISTER

Online

www.losmedanos.edu
Go to InSite.

Via the InSite app

1. Check your registration date in the InSite tile "Registration Dates".
2. All high school students begin online registration on May 4.
3. All regular college students begin online registration on June 29.

*College offices are closed on Fridays, May 29 - August 14.

* Continuing students - Students who have been enrolled at LMC Fall 2025, Spring 2026, or Summer 2026.

* Returning students - Students who have missed more than one academic year; will need to reapply online.

* New matriculating students - Students who have completed the orientation, assessment and education plan.

Who May Attend

Admission is open to anyone who is:

- 18 years of age or older, or
- A high school graduate or completed a high school equivalency test- GED or the California High School Proficiency Exam or
- Students currently enrolled in high school, at least 14 years of age and who have completed eighth grade or higher.

How to Apply

New and returning students—Applications for admissions may be submitted online at www.losmedanos.edu. After the application is uploaded, students will receive an email with the student ID and registration date.

Special admit students—New and returning students may submit a college application online. This application should be submitted prior to the Special Admit/Concurrent high school student registration date. Continuing high school students need not resubmit a college application.

Student Status

New Student

You are a new student if you have never registered in classes at LMC.

Returning Student

Returning students have not attended during the past year.

Continuing Student

Continuing students must have attended within the past year.

Program Changes During Late Add Period

Registration With Add Authorization

No course may be added after the late registration period. Check InSite for class registration deadlines.

An instructor's approval is required to register in a class that has reached maximum enrollment or on the first day of class. First priority for late adds will go to students on the waitlists. Late registration may be processed as follows:

- Online — Go to www.losmedanos.edu and log in to InSite. Select the "Education Plan" tile, then "Register & Drop". Select the term, then enter the course and/or section number in the course search box. Once you have selected the sections you want to register for, click "Continue" at the bottom of the page. Then click "Submit Changes" to finalize your registration."

Drops/No Shows

Students who do not attend the first class meeting may be dropped by the instructor as a "no show." However, it is the student's responsibility to drop any class which he/she is not planning to attend. Failure to do so may result in an 'F' grade and a debt on the student's account. Non-attendance does not dismiss the debt. Students must drop classes within refund deadlines to receive a refund.

Since drop deadlines will vary (with or without a refund) depending upon the length of the course, students should look on InSite. You will also receive a schedule by email to your InSite email account.

Closed and Cancelled Classes

Any class may be closed to further registration when it reaches the maximum size. Additionally, if registration is insufficient in any class, it may be cancelled. For information regarding refunds for cancelled classes, see the refund policy.

Outstanding Debts

Students who owe enrollment fees or other debts will not be permitted to register for classes and will not receive a diploma until their debts have been paid.

Residency

For purposes of establishing enrollment fees, students are identified as either residents or nonresidents.

- **Residents:** those who have lived in California as legal residents for at least one year prior to the first day of a new semester and who can demonstrate intent to remain a California resident. Non-citizens who meet residency requirements and who desire to enroll as a California resident must provide documentation from USCIS.
- **Nonresidents:** those who do not meet the California resident requirements. See page 6 regarding tuition for non-California residents.

Nonresident Tuition Exemption (AB 540/SB 68)

A student is exempt from paying nonresident tuition if the student meets all of the following four requirements:

1. The student must have:
 - Attended a combination of California high school, adult school, and California Community College for the equivalent of three years or more, or

- Attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years, and

2. The student must have:

- Graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam), or
- Completed an associate degree from a California Community College, or
- Completed the minimum requirements at a California Community College for transfer to the California State University or the University of California, and

3. The student must register as an entering student at, or current enrollment at, an accredited institution of higher education in California, and

4. The student must file an affidavit with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.

AB 1313

Students who owe enrollment fees or other debts will not be permitted to register for classes and will not receive certificates or degrees until their debts are paid.

Nonresident Tuition Exemption (AB 2000)

Effective January 1, 2015, students may be exempt from paying Nonresident Tuition under AB 540 if they attained credits earned in California from a California high school equivalent to three or more years of full-time high school coursework and a total of three or more years of attendance in California elementary schools, California secondary schools, or a combination of those schools. The student must also have received a diploma or equivalent in California.

AB2210 Exemption

Education Code section 68075.6 grants an immediate nonresident tuition fee exemption to eligible Special Immigrant Visa (SIV) holders and refugee students who settled in California upon entering the United States. This exemption is granted for one year from the date the student settled in California upon entering the United States.

Nonresident Tuition Exemption (SB 150)

Concurrently enrolled students (high school students enrolled in college classes) who are classified as nonresident students for tuition purposes may be eligible for the SB150 waiver of nonresident tuition while still in high school. Students must be special admit part-time (enrolled in 11 units or less) students who currently reside in California and are attending high school in California. Students wishing to take advantage of this exemption should complete a residency reclassification form. Forms should be submitted electronically to the Admissions & Records Office.

How to Apply & Register Online and with the Mobile App

The Contra Costa Community College District online admissions application service is available 24-hours a day

APPLY Online

1. Go to our website at www.losmedanos.edu.
2. Click "Admissions & Aid".
3. Click "Apply & Register".
4. Follow the application instructions.

REGISTER Online

1. Go to our website at www.losmedanos.edu.
2. Click on the InSite icon on the home page.
3. Click on the InSite icon on the next page.
4. Log in with your user ID and password.
5. Select one of the choices in the quicklinks.
6. You may register through student planning.

NEW Portal

nSite app now available at:

Also available at <https://m.4cd.edu>

Nonresident Tuition Exemption (VACA, Veterans Access, Choice and Accountability Act, AB 13)

Veterans who qualify for Chapter 30 or Chapter 33 GI Bill, who live in California and enroll within 3 years of discharge from active duty service of 90 days or more may be eligible for exemption of payment of nonresident tuition.

DACA (Deferred Action for Childhood Arrivals)

Effective June 2014, students who have been given a C33 Visa (Deferred Action for Childhood Arrivals) may qualify for California residency with appropriate documentation. Please contact Admissions & Records for more information.

Special Admit High School Students

Students who are 14 years of age or older and those who have completed the eighth grade or higher are eligible for concurrent enrollment as 'special admit' students. High school students may register in up to seven (7) units in Fall and Spring terms or five (5) units of college coursework in the Summer with approval of their school principal and parent*. With appropriate approvals, special admit students may register in advanced academic and vocational credit courses.

Students 14 – 15 years of age and /or special admit students requesting to register in more than the unit limit are required to complete the *Age Waiver* and/or *Unit Waiver* section of the *Special Admit Enrollment Form*.

* Important note: By giving consent, parents of concurrently enrolled high school students agree they understand that the college is an adult learning environment and students are expected to behave accordingly. Additionally, they understand that classes will be taught at the college level and the curriculum and college procedures will not be modified nor will other accommodations be made.

Special Admit Enrollment Policies

Concurrently enrolled high school students may register in college courses with submission of a college application and proper approval forms on a space-available basis. Registration for high school students must be completed through InSite. The Special Admit form may be submitted prior to the designated registration dates or anytime later (see registration dates on preceding page). However, students will not be able to register until their registration date.

New special admit students must complete an application online at least 24 hours prior to registration. Continuing special admit students do not need to reapply. All special admit students must submit a Special Admit Form prior to or at the time of registration. The Special Admit Form must be filled out and signed by the appropriate principal or counselor at the student's high school and must be submitted prior to or at the time of registration. Blank forms will not be accepted.

Special Admit students must attach documentation to verify prerequisites (if required) at the time of registration. Prerequisites are satisfied with a C or better in prerequisite coursework. In progress work will not be accepted.

Open Course Policy

Every course is open for registration to any person admitted to the college who meets the course prerequisites and enrollment procedures.

All courses are offered for college credit; auditing is not permitted.

Duplicate or Conflicting Courses

Students are not permitted to register in more than one section of the same course and may not register in courses that have scheduled meeting times that conflict.

Prerequisites/Advisories

Note: Some courses have prerequisites or advisories included with the course description. These are designated to assist students in the selection of course levels for their maximum success.

Important: To ensure proper placement, prerequisites for all classes will be checked at the time of registration. If you have taken a prerequisite course at an institution other than LMC, you should submit the prerequisite equivalency request form along with an unofficial transcript to the LMC Admissions & Records Office prior to registration.

Prerequisites may be challenged through the end of the **fifth** business day of the term. Prerequisite Challenge forms are available online through the Admissions & Records Office webpage. Students must provide sufficient documentation to substantiate satisfaction of the prerequisite by other means. Once accepted, the student will be conditionally enrolled and the department chair will review the student's request. If approved, the student will remain in the class; if denied, the student will be dropped from the class for lack of prerequisite and enrollment fees will be refunded. There are no catalog rights on prerequisites.

References to "successful completion" implies with a grade of 'C' or better. Courses in progress outside the district will not be accepted as prerequisites. Advisories are recommendations only and need not be verified.

Waitlist

Once courses with a waitlist fill to their maximum capacity, you have the option to add your name to a priority listing in the event drops should occur or the instructor agrees to add late enrollees (at the first class meeting).

Important Waitlist Details

1. All co-requisites or prerequisites must be met before being placed on a waitlist.
2. Once you have added your name to a waitlist, you can check your status (i.e. you are now # 2 of 5 students on the list) by going into "Manage My Waitlist" on InSite. **You should check your status on InSite frequently** to allow yourself the maximum amount of time to register, in the event permission is granted prior to the start of instruction (includes weekends and holidays).

3. If space becomes available in your waitlist course, you will receive notification to your InSite email account that permission has been granted to register. This email and a text message are a courtesy. You can access the information by checking "Manage My Waitlist". **Waitlist notifications will be sent to the student's college email account. Please check it frequently if you are on a waitlist. Students may now elect to receive text message notifications - opt in at InSite**
4. Once permission is granted, you will have three (3) calendar days to register in the class via InSite. **After three days, if you have not registered in the class, your name will be removed from the waitlist** and the next student on the list will be notified that they are eligible to fill the open seat. Once your name is removed from the list, you no longer have priority status.
5. If you are on a waitlist at the start of instruction, you must email the instructor on the first class meeting date to see if there is space available for late enrollment. If you do not email the instructor, you lose your place on the priority listing and another student may be added instead.

If approved, the instructor will assign you an add authorization. You will need to add the class online through InSite.

Please note: Beginning with the first day of instruction, the option to have your name placed on a waitlist is no longer available.

Transfer of Credit

If you have previous college experience and would like to transfer other college credit to LMC, you must request an official college transcript to be sent to the LMC Admissions & Records Office (Note: not required if prior coursework is within the CCCC.D.) Your previous coursework will then be evaluated for prerequisite course information. Students may request an evaluation by submitting a Request for Transcript Evaluation using the LMC Student Forms tile on InSite or an evaluation will be completed with submission of a petition for graduation.

Veterans Benefits

Priority registration appointments are available by request to active military personnel and to honorably discharged veterans.

Information on veterans benefits is available at www.losmedanos.edu/veterans.

Accuracy and Revisions

Los Medanos College has made every reasonable effort to determine that everything stated in this schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of Los Medanos College for reasons related to student enrollment, level of financial support, or for any other reason at the discretion of the Contra Costa Community College District and the College. The District and the College further

reserve the right to add to, amend or repeal any of their rules, regulations, policies, and procedures consistent with applicable laws. At the time of publication, the fees described in the schedule are accurate. However, at any time, local or state mandated fees may be imposed or increased.

Zero Textbook Cost

Los Medanos College offers Zero Textbook Cost (ZTC) sections of courses. These sections do not require any cost for students to obtain the required textbooks/software for that section. All ZTC sections are indicated in online class schedules with the  symbol.

However, the ZTC status of course sections may change before the start of the class. If a change is made it will be updated on the online schedule of classes. Additionally, if a ZTC indication is removed (and course materials are required to be purchased), all currently enrolled students in that section will be notified of the change via email.

More information regarding the Zero Textbook Cost initiative can be found at www.losmedanos.edu/OER.

Fees and Tuition

Fee Type	Amount	Required
Enrollment Fee	\$46 per unit* (No maximum)	All students**
Nonresident Tuition	\$392 per unit* (No maximum)	Non-California residents (<i>must be paid in addition to enrollment fee</i>)
Non-U.S. Citizen Tuition	\$392 per unit* (No maximum)	Those non-U.S. citizens who by law cannot establish California residency (<i>must be paid in addition to enrollment fee</i>)
Student Union Fee	\$1 per unit, to a maximum of \$10 per academic year	All students – pays for the construction and maintenance of a student center
Parking Fee Permit***	\$50 for cars \$30 for motorcycles or \$4/day both autos and motorcycles	All vehicles anywhere on campus, including dirt lots, roads, etc., except on weekends and holidays
Mid-Semester Parking Fee Permit*** @ 10/30/17 or later	\$25 for cars \$15 for motorcycles	All vehicles anywhere on campus, including dirt lots, roads, etc., except on weekends and holidays
Student Activity Fee	\$5 per semester (Fall and Spring only)	All students****
Student Representation Fee	\$2 per semester (Fall and Spring only)	All students****
Transcript Request	\$10 per copy (first two transcripts in district – free)	All students – Payable through Parchment.com
Enrollment Verification	Free \$5 \$2	Through InSite 24 hours (in person) 3-4 business days (in person)
Returned Check Fee	\$15	All students – Only cash or cashier's checks will be honored for clearing checks returned for insufficient funds. Records are held until the fee is cleared.
Materials Fee	Vary	Some classes may charge additional fees.

*The District reserves the right to change enrollment and nonresident tuition fees, based on state legislation.

**Special admit students (K-12) are exempt from enrollment fees.

***The District reserves the right to change parking fees based on CCCCD Board Policy.

**** Students may request a refund of the fee by submitting the Student Activity Fee/Student Representation Fee Refund Request Form before the refund deadline.

PLEASE NOTE: All eligible CCPG recipients remain responsible for all fees in excess of enrollment fees.

Note: Fees shown are those in effect at the time of publishing and are subject to change*. Fees may be paid in cash, by personal check, VISA, MasterCard, or Discover for the exact amount.

For more information about Financial Aid, see pages 8 & 9 or visit www.losmedanos.edu/financialaid

Student Fee and Enrollment Refunds

Fee refunds for students who withdraw from school or drop classes by the deadline for class add/drop will be automatically calculated at the District Accounting Department. Refund checks for complete or partial withdrawals from school will be processed after the first two weeks of instruction. Refund checks will be mailed to the student address on file in the college Admissions Office. If the student paid by credit card on InSite, the refund will be processed as a credit to the credit card.

Don't be left behind! If you have a new address, please update your address in InSite immediately! This needs to be done prior to the time of withdrawal or change of program.

A refund will not be made if the student has other outstanding debts to the college. Refund checks will be issued monthly after the first two weeks of instruction each semester. All refund checks will be made payable to the student whether paid by cash, check, money order, cashier's check or credit card. No refund of the enrollment fee will be made to any student who withdraws from classes after the first two weeks of instruction for a full semester class, or after 10% of the class time for a short-term class. As an example, a 10-day course would need to be dropped in just **one day!** And a one-day course would need to be dropped the day before the course.

Students who register and subsequently drop all classes prior to the beginning of the semester may petition for an early refund through the Cashier's Office.

Parking Permit Refunds

Parking permit refunds will be made if the student drops all classes within 10% of the length of summer courses. The parking decal must be returned to the Cashier's Office for a refund. **No parking permit refunds after the refund period is over.**

Financial Aid Enrollment Fee Refunds

If subsequent to paying enrollment fees, a student becomes eligible for financial aid and receives an enrollment fee waiver, the student will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment Fee Deferments

If subsequent to paying enrollment fees, a student becomes eligible for an enrollment fee deferment to an outside agency, the student must have the document stating the deferment submitted to the Cashier's Office. The student will then automatically be mailed a refund check of the deferred fees within two weeks after the outside agency has been billed.

Details regarding the refund policy are available from the Cashier's Office or Admissions & Records Office.

Student Debts to the College

Students are expected to clear their financial debts promptly. If you have an outstanding debt on your record you will be blocked from registration and/or receiving your diploma until all debts are cleared.

If your debt remains unpaid, Los Medanos College may garnish your California State Tax Return through the State-mandated Chancellor's Office Tax Offset Program (COTOP). In this instance, a 33 $\frac{1}{3}$ % administrative fee will be added to your delinquent balance. This balance will be forwarded for collection to the State Franchise Tax Board (FTB). In the event you are owed a State tax refund, win a California

Lottery prize, or have unclaimed property to be distributed to you by the State of California Controller's Office for the upcoming tax year, California State Government Code sections 12419.2, 12419.7, 12419.10, and 12419.11 authorize the Office of the State Controller and the FTB to collect money owed to individuals and redirect these funds to pay the individual's debt owed to the agencies/colleges.

STUDENT ACTIVITY FEE

The **STUDENT ACTIVITY FEE** allows the Los Medanos College Associated Students (student government) to provide scholarships, leadership opportunities, cultural programs and other co-curricular programs for the college.

It also funds programs such as Textbooks on Reserve Program that allows students to check out course textbooks for use in the library. Students may request a refund of the fee by submitting the **Student Activity Fee Refund Request Form** before the refund deadline.

YOUR DREAMS ARE TOO IMPORTANT to let college pass you by.

All you need to do is ask...

Financial aid is the way many of today's students pay for college. The Office of Financial Aid can help you apply for state and federal grants, work-study programs and enrollment fee waivers.

LOS MEDANOS COLLEGE FINANCIAL AID

Several forms of financial aid assistance are available to help students with fees, books, supplies, transportation, housing, and other related educational expenses. Students apply for financial aid assistance by completing the Free Application for Federal Student Aid (FAFSA) or CA Dream Act Application (CADAA). Students who complete a FAFSA can be eligible for Federal and State aid. Student who complete a CADAA can be eligible for state aid. Students should only complete one of the applications (not both), according to the citizenship requirements below:

Students are eligible to complete the FAFSA if they are a:

- U.S Citizen
- permanent Resident
- eligible non-citizen
- T Visa holder

Students are eligible to complete the CADAA if they:

- are undocumented
- have a valid or expired DACA
- are U Visa holders
- have Temporary Protected Status (TPS)
- meet the non-resident exemption requirements under AB 540

WHEN YOU COMPLETE A FAFSA OR CADAA, YOU MAY QUALIFY FOR THE FOLLOWING:

California College Promise Grant

(formerly Board of Governors [BOG] Waiver)

Offered to qualifying California residents by the California Community Colleges Board of Governors, this Promise Grant permits enrollment fees to be waived. It's easy to apply!

Federal Pell Grant

Offers up to \$7,395 for full-time undergraduate students pursuing a degree or certificate.

Cal Grants B and C

Offers between \$1,094 and \$1,648, respectively, for students taking 6 units or more. The application period is between October 1 and March 2. If you plan to attend LMC in the Fall, you have a second deadline of September 2; however, there are a limited number of competitive Cal Grant awards available in the Fall.

Chafee Grant

Offers up to \$5,000 for current and former foster youth.
www.chafee.ca.gov

Federal Supplemental Educational Opportunity Grant

Offers between \$600 and \$1,000 for students enrolled at least half-time (6 units), and is awarded to those who file by March 2 (priority deadline) and have the greatest need.

Work-Study

Provides part-time jobs for undergraduate students with financial need, allowing them to earn money to help pay education expenses.

Student Loans

Loans for financing your education are available to help cover educational expenses.

Student Success Completion Grant

Offers between \$2,595 and \$8,000 annually to Cal Grant B and C recipients who are enrolled as full-time students (12 units).

**Full-Time Free Tuition Program
(No Income Requirement)**

Offers up to two years of free tuition to students enrolled as full-time students.

Apply today at: www.losmedanos.edu/financialaid

FINANCIAL ASSISTANCE

What if you can't afford the fees? We can help you!

We know that paying for college is a big challenge. That is why the Office of Financial Aid is here to help you take advantage of all available financial resources.

When you complete and submit a financial aid application, you will automatically be considered for need-based grants, such as the California Promise Grant, the Federal Pell Grant, and more!

What Happens After You Apply?

- Students will be notified of their financial aid application status via their student InSite email.
- Students can check their financial aid status and submit requested documents by logging into InSite at <https://m.4cd.edu> and selecting the Financial Aid tile.

Important Information:

- For LMC to receive a student's financial aid application, LMC must be listed as a school of attendance on your financial aid application.
- March 2 is a priority deadline. We encourage all students to submit their financial aid application by the March 2 deadline to have a better chance of receiving the limited funds available from federal, state, and institutional resources. However, a student may still apply and be considered for financial aid after the March 2 priority deadline.
- Students must reapply for financial each year. Applications open yearly on October 1.

If you have questions regarding your financial aid status, please contact the Office of Financial Aid at (925) 473-7525 or email financialaid@losmedanos.edu.

For our hours of operation, visit: www.losmedanos.edu/financialaid/contact and select the "Office Hours" tab.

Financial Aid Disbursement Options

LMC partners with BankMobile to deliver financial aid to students. All financial aid recipients MUST select a refund preference

- Log in to <https://m.4cd.edu>
- Once logged in, tap the Financial Aid tile.
- Select My FA Disbursements from the menu
- Select BankMobile-First Time Setup to choose your disbursement method.

LOS MEDANOS COLLEGE IS HERE FOR YOU.

LMC students receive millions of dollars in financial aid.

2023-2024

- Over 5,500 students received a tuition waiver
- Over \$17 million in grant aid to students

Full-Time Free Tuition Program No Income Requirement:

- Complete a financial aid application for the 2025-2026 academic year (FAFSA or CADAA)
- Enroll in a minimum of 12 units for the fall and/or spring semester
- Be a California resident or otherwise exempt from paying non-resident tuition fees

The Full – Time Free Tuition Program is a two-year program, so students may be eligible to receive free tuition through the end of their second academic year of college (excluding summer semester).

For more information about free tuition, visit:
www.losmedanos.edu/financialaid

If you need assistance applying for Financial Aid, we offer in-person and Zoom drop-in hours to assist students with the application process. For lab hours, days, and times, visit www.losmedanos.edu/financialaid/contact.aspx and select "Application Help"

ONLINE CLASSES

AT LOS MEDANOS COLLEGE ANYWHERE... ANYTIME!

>> ONLINE CLASSES

- Have the same content as face-to-face classes.
- Take place online in Canvas instead of a physical classroom on campus.

>> HYBRID CLASSES

- Have the same content as face-to-face classes.
- Offer some instruction online in Canvas and also require some attendance in a physical classroom on campus.

A successful online student is:

- Able to follow written directions and schedules
- Proactive about contacting their instructors
- Self-motivated
- Organized
- Computer literate

TO GET STARTED, go to the Los Medanos College website and click the Online Classes link to:

www.losmedanos.edu/onlineclasses

- Find out basics about online classes at LMC.
- Know what to expect and what will be expected of you.
- See the minimum hardware and software requirements.
- Search our class listings to find out which classes are offered online this semester.

FULL TIME FREE TUITION PROGRAM

HERE'S HOW IT WORKS

- » Complete a financial aid application for the 2025-2026 academic year:

Students are eligible to complete the FAFSA if they are a:

- U.S Citizen
- permanent Resident
- eligible non-citizen
- T Visa holder

Students are eligible to complete the CADAA if they:

- are undocumented
- have a valid or expired DACA
- are U Visa holders
- have Temporary Protected Status (TPS)
- meet the non-resident exemption requirements under AB 540

- » Enroll in a minimum of 12 units for the Fall 24 or Spring 25 term
- » Be a California resident or otherwise exempt from paying non-resident tuition fees
- » After the start of the semester, eligible students can view and accept their award by logging into InSite.

The Full-Time Free Tuition Program is a two-year program, so students may be eligible to receive free tuition through the end of their second academic year of college (excluding summer semester).

Apply for FAFSA online at:

<https://studentaid.gov/h/apply-for-aid/fafsa>

Apply for CADAA online at:

<https://dream.csac.ca.gov>

LMC Wi-Fi Access

How to connect

1. Go to Settings > Wi-Fi on your device and choose **"College-WiFi"**.
2. Please read the Terms and Conditions shown and if you would like to continue to connect, click or tap Accept and Continue.
3. You should now be connected to College-WiFi and have internet access.

Having Trouble?

If you are having trouble, visit www.4cd.edu/wifi/ for a form to report Wi-Fi issues, OR contact our Help Desk at: (925) 229-6888 or helpdesk@4cd.edu.

insite

**NEED information?
Think InSite first!**

- Access InSite
- Check Student Email
- Get College News

InSite is the College's customized student portal, which provides access to the official student email system. Check your InSite page and school email account regularly.

All communications from the College will be delivered to either your InSite Mail or posted on your InSite including:

- Online payment receipts
- Schedule changes
- Notification of Eligibility to Register from the Waitlist
- All communications from faculty
- Urgent messages from the College (emergencies, etc.)
- And much more

Visit
www.4cd.edu/insite
for InSite and InSite Mail FAQs.

Important features of InSite Mail

- Students are responsible for reading and responding to official communications sent to their InSite Mail account.
- Never worry about having access to Word again! Edit, compose, and share online documents with Office WebApps
- Email forwarding to another account recommended.
- Set up instant alerts via text message when important items are delivered to your inbox.
- You'll have a genuine ".edu" address which adds a professional touch to your resume.

How to activate your account

- Log on to InSite portal.
- Click on "Check my InSite Mail" to activate your new email account
- Your InSite Mail address is your user name @insite.4cd.edu

Set up instant alerts via text message.

COURSE UPDATES*

*If you have questions about this or your educational plan, please meet with a Counselor at the Counseling Department. To schedule an appointment call 925-473-7449

HOW TO REGISTER ONLINE

Who

You may register online* on InSite if:

- You are a continuing student from the LMC Fall 2025, Spring 2026, or Summer 2026.
- You have submitted an application for the Fall 2026 semester.

When

- Registration online in semester-length and short-term classes is available on or after your registration appointment time and date, up through the day before classes begin. You may register for classes using Student Planning (prior to the beginning of classes) or InSite. After the start date of the course, if the instructor grants you an add authorization, you may enroll on InSite.

How to register online on InSite

When you click on InSite, you will see blue buttons on the left side. To find out how to access InSite, click on the button that says "Login Instructions." These instructions will demonstrate how to log into InSite and how to manage your user account.

You First Login

- Update your password
- Provide your **Challenge answers**
- Enroll your **Mobile Phone Using Text or Voice Message**
- Choose your **Cell Phone Message Options**

You will be logged into InSite

- **Verify your registration date** on the registration date tile
- Click the **Education Plan** tile.
- Click on **Register & Drop**.
- Select or add the term.
- In the top left of the screen, you can filter by Campus and Course Type.
- To add classes, use the general search field. You can search by course code (ENGL 100), course title, instructor name, section number, or keyword.
- Once you select a course from the Search, click near the course title to see course details and section options.
- Once you have selected the sections you want to register for, click "Continue" at the bottom of the page.
- If a course is filled you may choose to put yourself on the waitlist (see waitlist instructions).
- If the course does not have a waitlist or the waitlist is filled, you will

need to check back frequently for space in the class.

- Using the My Schedule tile, review your schedule and print a copy for your records.
- Using the Payment tile, students may submit payment online (by credit card) or send a check to the Cashier's Office, Los Medanos College, 2700 E. Leland Road, Pittsburg, CA 94565.

On InSite you are able to:

- Check your student email
- See your scheduled classes
- See important dates
- Use student planning to view your progress toward a degree or certificate and plan your courses

Fee Payment

- Fees may be paid by check or credit card (VISA, MasterCard or Discover).
- If you pay by check, mail or take your check to the Cashier's Office. Write your ID number on the check.

Note Regarding Financial Assistance

If you are receiving financial assistance through the college, your fee waiver must be processed before you register for classes.

Download InSite

- Go to **Apple "App Store"** or **Google "Play Store"**.
- Locate the InSite app.
- Download InSite to your device.

Important Note: You will NOT be automatically dropped from classes based on non-attendance or nonpayment of fees. Failure to drop your course may result in a failing grade and a debt on your record.

All outstanding debts must be paid in full. Unpaid debts will result in a registration hold on student records.

COMO REGISTRARSE POR INTERNET

Quién

Puede registrarse por Internet* en su página de InSite si:

- Actualmente está registrado como estudiante continuo desde el semestre Otoño 2025, Primavera 2026, o de Verano 2026.
- Ha sometido una solicitud para el nuevo semestre de Otoño 2026.

Cuándo

- Podrá registrarse por Internet para cursos semestrales o de periodos cortos a partir del día y horario de su cita de registro, hasta el día anterior del comienzo de clases. Puede registrarse para cursos antes del comienzo de las clases utilizando "Student Planning" (El Plan de Estudiante) o por InSite. Después del comienzo de clases, necesitará una autorización del instructor. El instructor dará el permiso por internet para poder registrarse para sus cursos.

Como registrarse por Internet en InSite

- De la página principal (www.losmedanos.edu), haga clic en InSite. Verá botones azules en el lado izquierdo de la página. Seleccione el botón que dice "Logon Instructions." A través de este botón, podrá ver las instrucciones para iniciar su sesión en InSite y como poder manejar su cuenta de estudiante.

Primero inicie su cuenta estudiantil

- Inicie un nueva contraseña
- Proporcione sus preguntas de seguridad
- Introduzca su teléfono móvil usando texto y mensaje de voz
- Escoja las opciones para recibir mensajes por celular

Iniciará su sesión en InSite

- Verifique su fecha de registración en el enlace que dice fecha de registración
- Haga clic en el icono Plan educativo.
- Haga clic en Registrarse y soltar.
- En la parte superior izquierda de la pantalla, puede filtrar por campus y tipo de curso.
- Para agregar clases, use el campo de búsqueda general. Puede buscar por código de curso (ENGL 100), título del curso, nombre del instructor, número de sección o palabra clave.
- Una vez que seleccione un curso de la Búsqueda, haga clic cerca del título del curso para ver los detalles del curso y las opciones de sección.
- Una vez que haya seleccionado las secciones para las que desea registrarse, haga clic en "Continuar" en la parte inferior de la página.
- Luego haga clic en "Enviar cambios" para finalizar su registro. Compruebe la columna de resultados para verificar que su inscripción en la sección se realizó correctamente.
- Si se llena un curso, puede optar por ponerse en la lista de espera (consulte las instrucciones de la lista de espera).

- Si el curso no tiene una lista de espera o la lista de espera está llena, deberá volver a consultar con frecuencia el espacio en la clase.
- Con el icono Mi horario, revise su horario e imprima una copia para sus registros. Usando el mosaico Pago, los estudiantes pueden enviar el pago en línea (con tarjeta de crédito) o enviar un cheque a la Oficina del Cajero, Los Medanos College, 2700 E. Leland Road, Pittsburg, CA 94565.

En su InSite puedes:

- Ver su correo electrónico
- Mirar su horario de clases
- Mirar las fechas importantes
- Usar el plan de estudios para ver su progreso hacia su título de asociado o certificado y planificar sus cursos.

Pago de Cuotas

- Las cuotas pueden ser pagadas con cheque o tarjeta de crédito (Visa, MasterCard o Discover.)
- Si paga con cheque, envíelo por correo o en persona a la Oficina del Cajero (Cashier's Office). Escriba su número estudiantil en el cheque.

Notas Sobre Ayuda Financiera

Si recibe ayuda financiera por medio del colegio, sus tramites de ayuda financiera deben ser procesados antes de registrarse para cursos.

Nota Importante: NO se le dará de baja automáticamente por no asistir a sus clases o por no haber pagado los cargos. Usted es responsable por darle de baja a sus clases. No darse de baja puede resultar en calificaciones no aprobatorias y una deuda en su cuenta estudiantil.

Todos los cargos deben ser pagados en su totalidad. La falta de pago de estos cargos se penalizará con una restricción sobre su cuenta estudiantil.

Descargar InSite

- Vaya a la "App Store" de Apple o a la "Play Store" de Google.
- Localice la aplicación InSite.
- Descargue InSite en su aparato.

Nota Importante: NO se le dará de baja automáticamente por no asistir a sus clases o por no haber pagado. Sin embargo, no darse de baja puede resultar en calificaciones no aprobatorias y una deuda en su currículum.

Todos los cargos deben ser pagados en su totalidad. Cargos no pagados resultara en restricción de registros y prohibición a su cuenta y currículum de estudiante.

LMC Local General Education Pattern 2025-2026

ASSOCIATE DEGREE GENERAL EDUCATION REQUIREMENTS

A minimum total of 60 degree-applicable units are required for the associate degree. Students must complete this coursework, in addition to 18 or more units in a defined major as listed in the catalog. Of the total units completed, 12 units must be at LMC, with a cumulative grade point average of 2.0 or higher. Completing the required courses in the boxes below will total 24 units minimum. Please see a counselor for assistance in selecting appropriate courses. Students choosing the transfer track option are strongly encouraged to see a counselor since four-year college requirements vary widely and are subject to change.

LOS MEDANOS COLLEGE

Total Units: 24 units (minimum)		*These courses meet LMC GE requirements, but transfer as electives or major requirements.	
Courses can be counted in one category only.		**Degree credit if taken Summer 2011 and later.	

Associate Degrees at LMC

The Associate Degree requires 60 degree-applicable or transfer-level units.

LMC offers
four types of
Associate Degrees:

- Associate in Arts for Transfer (AA-T)
- Associate in Science for Transfer (AS-T)
- Associate of Arts (AA)
- Associate of Science (AS)

Students who intend to transfer to a CSU, UC, or private school are advised to complete the California State University General Education Breadth (CSU-GE), Intersegmental General Education Transfer Curriculum (IGETC) requirements, or the unique general education pattern of the private school. The LMC Local General Education pattern does not prepare students for transfer.

Associate Degree for Transfer

Students complete 60 transferable units that include the required units in a major or Area of Emphasis and one of the following:

- IGETC for CSU or CSU-GE Breadth
- IGETC or CSU-GE Breadth for STEM pattern requirements (Biology and Chemistry ADTs only)

IGETC for STEM: Students are advised that for this major, they may use the IGETC for STEM (Science, Technology, Engineering and Mathematics) pattern. IGETC for STEM allows students to concentrate on the lower division math and science courses required for a STEM major; and it is impossible for students to complete major preparation coursework and IGETC or CSU GE Breadth without going over 60 units prior to transfer.

This pattern allows students to complete one course in Area 3A; one course in Area 3B; and two courses in Area 4 from two different disciplines. Some variations in major requirements may exist at certain four-year institutions; therefore, students who intend to transfer are advised to refer to the catalog of the prospective transfer institution and consult a counselor.

CSU-GE Breadth: for STEM: Students pursuing certain ADTs may be eligible to take "GE Breadth for STEM," deferring one lower-division course in Subarea C and one lower-division course in Subarea D until after transfer. GE Breadth for STEM is applicable only to majors for which the Transfer Model Curriculum specifies GE Breadth for STEM.

Note: Students who plan to transfer to a CSU and/or receive an Associate Degree for Transfer (ADT) are required to complete an Oral Communication course (IGETC Area 1C, CSU GE Area A1) as part of their GE units.

Associate of Arts & Associate of Science

Students must complete:

- 60 degree-applicable units with a cumulative GPA of 2.0 or higher,
- 12 units in residency (completed at LMC),
- The specific major requirements (a minimum of 18 units) listed in the Majors section with a grade of C or better.
- One of the following General Education pattern requirements:
 - California State University General Education Breadth (CSU-GE) requirements.
 - Intersegmental General Education Transfer Curriculum (IGETC) requirements.
 - LMC Local General Education Pattern requirements.

Students planning to transfer to a private or out-of-state university need to consult a counselor, since four-year college requirements vary widely and are subject to change.

Certificates at LMC

LMC offers four types of Certificates:

- **Certificate of Achievement**
- **College Skills Certificate**
- **Certificate of Competency** –
Noncredit Career Development and College Preparation (CDCP)
- **Certificate of Completion** –
Noncredit Career Development and College Preparation (CDCP)

Certificate of Achievement

Students complete the requirements defined in the Majors section, including 12 units in residency (completed at LMC).

College Skills Certificate

Locally approved certificates that require less than 16 units of coursework within the major programs of study. Students must complete 50% of the courses required for the skills certificates at LMC.

Certificate of Competency

Noncredit Career Development and College Preparation (CDCP)

.....

Students enroll in a noncredit educational program of noncredit courses has demonstrated achievement in a set of competencies that prepares students to progress in a career path or to undertake degree-applicable or non-degree-applicable credit courses. Students must earn a "P" (Pass) in all required courses.

Certificate of Completion

Noncredit Career Development and College Preparation (CDCP)

.....

Students complete a noncredit educational program of noncredit courses that prepares students to progress in a career path or to take degree applicable credit courses. Students must earn a "P" (Pass) in all required courses and must fulfill the total required hours in required courses.

Students need to consult a counselor to make sure you are selecting the best courses for your program of study.

Cal-GETC: California General Education Transfer Curriculum 2025-2026

REQUIREMENTS FOR STUDENTS TRANSFERRING TO CSU OR UC

Completion of the California General Education Transfer Curriculum (Cal-GETC) will permit a student to transfer from a California Community College (CCC) to a California State University (CSU) campus or program, or to a University of California (UC) campus or program without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. A minimum "C" grade is required in each college course for Cal-GETC. Note: Students transferring to a CSU who have Cal-GETC certified as complete will still need to complete 9 semester units of upper-division general education (GE) after transfer and may also be held to other campus specific graduation requirements outside of general education and major coursework. Students are strongly encouraged to meet with an LMC Counselor.

AREA 1	ENGLISH COMMUNICATION <i>Three courses: one English Composition, one Critical Thinking and Composition, and one Oral Communication. 9 semester units</i>		
1A: English Composition <i>One course: 3 semester units</i>			
ENGL-C1000 Academic Reading and Writing		ENGL-C1000E Academic Reading and Writing <i>Note: Only 3 of the 4 units are UC transferrable</i>	
1B: Critical Thinking and Composition <i>One course: 3 semester units</i>			
ENGL-C1001 Critical Thinking and Writing ENGL-230 Thinking and Writing Critically about Literature		PHIL-110	Critical Thinking and Composition
1C: Oral Communication <i>One course: 3 semester units</i>			
COMM-C1000 Introduction to Public Speaking

BIOLOGICAL SCIENCE

BIOSC-020 Principles of Biology: Cellular Processes - 5 Units

PREREQUISITE: MATH-029, MATH-030 or equivalent

ADVISORY: BIOSC-010, High school biology, chemistry

LMC Degree: DA

Transfer: UC; CSU Gen. Ed. Area B2, B3; IGETC Area 5B

As an integrated study of life forms, primarily of plants and animals, this course focuses on the cellular structures and physiology of these life forms. Laboratory experiences will supplement lecture material. Required for biological science majors. LR

0832 MW 8:00-10:25am SC1-136 Rickman, J Semester
MW 10:30-12:35pm SC1-130

Brentwood Center

COMPUTER SCIENCE

COMSC-012 Introduction to Network Security - 3 Units

ADVISORY: Eligibility for ENGL-100

Due to the number of attacks, hacks, and viruses, computer security should be the number one concern for computer users today. This course provides an introduction to Internet Security issues, including hacking, firewalls, and encryption. SC

0884 ONLINE Smith, C 10/17-12/16
+ 3 hours by arrangement each week

- Course number, course title, & number of units
- Prerequisites are required courses that must be completed prior to enrollment.
- Advisories are recommended courses to take prior to enrollment in a specific course
- LMC DEGREE: DA means that this course is LMC degree applicable.
- The TRANSFER area tells you what areas of CSU and/or UC transfer this course satisfies.
- Section number needed for enrollment
- Days of the week the course is taught—M=Monday, T=Tuesday, W=Wednesday, TH=Thursday, F=Friday, S=Saturday,
- Time the course is taught, note that some courses have more than one start and stop time.
- Room where the course is taught; see map inside back cover for location.

- Online Course
- Additional hours or lab time are required.
- Start and stop dates of course if different from normal semester length courses.

FINAL EXAMS

Final examinations will be held during the last week of instruction, during class time.

DAILY CLASS CANCELLATION NOTIFICATION

In an effort to assist our students, we post daily class cancellation notices.

We list class cancellations as they are submitted by the instructors so **you may need to check this site frequently.**

Bookmark the webpage link for easy access:
www.losmedanos.edu/classcancel

While we will make every effort to keep this information up-to-date please understand that **not all absences are reported in a timely manner** so some notices will be posted close to, or occasionally after a class start time. **We will continue to post class cancellation notices on the classroom door(s).**

Students can receive text notifications of daily class cancellations directly to their mobile device. Log into your InSite account, click on Cell Phone Message Options and select "Enrollment Information."

Use this QR code to access the class cancellation link using your smart phone.

ACADEMIC AND CAREER SUCCESS					

ACS-010 Becoming a College Scholar-a First-Year Seminar

Units: 3

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: UC; CSU

Becoming a College Scholar – a First-Year Seminar introduces first-year students into intellectual life, prepares them for rigorous university-level work, develops multidisciplinary thinking skills, and supports them in developing a strong sense of academic purpose and identity. The course explores topics such as motivation and attitudes, values, goal setting, decision-making processes, critical and creative thinking, personal health, interpersonal communication, study group collaboration, behavioral expectations and etiquette, personality and learning theories, cultural and economic diversity, information and technology competence, as well as techniques for maximizing the ability to succeed as a lifelong learner. Students will develop thinking strategies that can be used for lifelong problem solving in academic, social, and personal life. There is an emphasis on the development of academic writing, inquiry, and collaboration. May not be repeated. LR

Pittsburg Campus**0317 TTH 9:35-11:00am CC2-240 Reyes, D 8/24-12/11**

This section is open to TRANSFER ACADEMY PROGRAM students only. Note: Class meets weekly in person on the days and times scheduled.

0320 TTH 9:35-11:00am MA2-208 Isham, M 8/24-12/11

This section is open to TRANSFER ACADEMY PROGRAM students only. Note: Class meets weekly in person on the days and times scheduled.

0322 TTH 9:35-11:00am CC2-256 Throne, J 8/24-12/11

This section is open to TRANSFER ACADEMY PROGRAM students only. Note: Class meets weekly in person on the days and times scheduled.

Online & Hybrid Sessions**0217 T 9:35-11:00am CC2-214 Long, C 8/24-12/11**

Note: This course occurs partially in person and partially online with an asynchronous lecture. This course will meet in person weekly on the day and times listed. For the online portion of the course, participation is via the internet through the college learning management system CANVAS and Zoom software.

0218 TH 11:10-12:35pm KAC-109 Murphy, A 8/24-12/11

This section is designed for STUDENT ATHLETES only. Note: This course occurs partially in person and partially online with an asynchronous lecture. This course will meet in person weekly on the day and times listed. For the online portion of the course, participation is via the internet through the college learning management system CANVAS and Zoom software.

0220 T 9:35-11:00am CO-102 Boyle, J 8/24-12/11

This section is open to PUENTE PROGRAM students only. Note: Partially online course. Students will meet throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.

0224 W 9:35-11:00am CC2-232 Boyle, J 8/24-12/11

This section is open to PUENTE PROGRAM students only. Note: Partially online course. Students will meet throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.

0336 T 9:35-11:00am CC2-212 McCoy, M 8/24-12/11

This section is open to UMOJA SCHOLARS PROGRAM students only. Note: This course occurs partially in person and partially online with an asynchronous lecture. This course will meet in person weekly on the day and times listed. For the online portion of the course, participation is via the internet through the college learning management system CANVAS and Zoom software.

0338 T 9:35-11:00am SS4-412 Watkins, F 8/24-12/11

This section is open to UMOJA SCHOLARS PROGRAM students only. Note: This course occurs partially in person and partially online with an asynchronous lecture. This course will meet in person weekly on the day and times listed. For the online portion of the course, participation is via the internet through the college learning management system CANVAS and Zoom software.

0339 TH 9:35-11:00am KAC-109 Mack, M 8/24-12/11

This section is designed for STUDENT ATHLETES only. Note: This course occurs partially in person and partially online with an asynchronous lecture. This course will meet in person weekly on the day and times listed. For the online portion of the course, participation is via the internet through the college learning management system CANVAS and Zoom software.

ADMINISTRATION OF JUSTICE					

ADJUS-005 Basic Law Enforcement Academy

Units: 25

Prerequisite: Students are required to: 1) complete an academy application, 2) have a high school diploma or GED, 3) be at least 18 years old, 4) have a valid driver's license, 5) show proof of vehicle insurance at the first class meeting, 6) supply a statement from a physician indicating his/her ability to engage in strenuous physical activity, 7) obtain clearance with the Department of Justice and, 8) sign a Felony Disclaimer.

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: CSU

The Basic Law Enforcement Academy is a 25-unit course designed for persons seeking full-time employment in law enforcement and for those who have been recently hired by a local law enforcement agency. It is certified by the California Commission on Peace Officer Standards and Training (P.O.S.T.) and is presented in the intensive full-time format consisting of 1,020 hours of instruction delivered over 26 weeks. Subject matter includes: leadership, officer safety, use of force, legal authority/individual rights, police vehicle operation, conflict resolution, problem solving/decision-making, communication, ethics, stress tolerance and emotional maturity. Upon successful completion the student will receive a certificate of completion and is eligible for employment as a peace officer in most California jurisdictions. Interested students must contact the Office of the Sheriff, Contra Costa County, Law Enforcement Training Center, 340 Marina Blvd., Pittsburg, CA by calling (925) 427-8238 to register for the Academy. Mandatory materials fee of \$4,385 is due on first day of instruction. May not be repeated. LR

ADJUS-110 Introduction to the Criminal Justice System

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 4; C-ID AJ 110

This course introduces students to the characteristics of the criminal justice system in the United States. Focus is placed on examining the integrated, interdisciplinary methods of crime measurement, theoretical explanations of crime, responses to crime, components of the system, and current challenges to the justice system and the evolving forces that have shaped those principals and approaches. Although justice structure and process is examined in a cross cultural context, emphasis is placed on the United States justice system, particularly the structure and function on United States police, courts, and corrections. Students are introduced to the origins and development of criminal law, legal process, and sentencing and incarceration policies. May not be repeated. SC

ANTHROPOLOGY

ANTHR-001

Biological Anthropology

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5B; C-ID ANTH 110

Anthropology is a holistic discipline and attempts to view humans, their biology, cultural history, and activities in as broad a view as possible. Biological anthropology is a subfield of the larger discipline that studies humankind. The primary goal of this subfield is to understand the biological nature and history of humans and their closest living and extinct relatives. Biological anthropology is firmly rooted in evolutionary theory; thus, the evolutionary biology of humans is the central focus of this course. My intent is to promote insight into the evolution of human biology and behavior from an objective or scientific perspective. My approach will introduce the concepts, methods of inquiry, and scientific explanations for biological evolution, and their applications to studying the human species. Topics addressed will include:1) The various subfields of biological anthropology such as forensic anthropology and the anthropological perspective 2) biological anthropology and paleoanthropology as "multidisciplinary" natural sciences 3) evolutionary processes/change over time and the origin of species 4) DNA, genetics, heredity, variation, and evolution, 5) race, ethnicity, and the biological diversity of modern humans 6) The Order Primates: primate biology and ecology 7) primate social behavior, behavioral ecology, morphology, and classification 8) Earth-life history, continental drift, and the Geologic Time Scale (9) primate origins and the various primate adaptations 10) The "Ape" question and hominin origins 11) Australopithecines 12) the evolution and adaptation of the genus HOMO 13) The origin and dispersal of anatomically modern Homo Sapiens out of Africa and the first evidence of the "Human Spark"14) Main contributors to explain principles of Mendelian, molecular and population genetics 14) Dating techniques, methods of interpreting the fossil record, major groups of hominin fossils. The ultimate goal in this course is to understand humanity's place in nature. May not be repeated. LR

ANTHR-004	Introduction to Archaeology				
Units: 3					
Advisory: ENGL-C1000					
LMC Degree: ADR: Social and Behavioral Sciences; DA					
Transfer: UC; CSU; Cal-GETC Area 4; C-ID ANTH 150					
This course is an introduction to the fundamental principles of method and theory in archaeology, beginning with the goals of archaeology, going on to consider the basic concepts of culture, time, and space, and discussing the findings and excavation of archaeological sites. Students will analyze the basic methods and theoretical approaches used by archaeologist to reconstruct the past and understand human prehistory. This includes human origins, the peoples of the globe, the origins of agriculture, ancient civilizations including the Maya civilization, Classical and Historical archaeological, and finally the relevance of archaeology today. The course includes an analysis of the nature of scientific inquiry; the history and interdisciplinary nature of archaeological research; dating techniques, methods of survey, excavation, analysis, and interpretation; cultural resource management, professional ethics; and cultural change and sequences. The inclusion of the interdisciplinary approach utilized in this field will provide students with the most up to data interpretation of human origins, the reconstruction of human behavior, and the emergence of cultural, identity, and human existence. May not be repeated. SC

Cultural Anthropology

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 4; C-ID ANTH 120

This course is an introduction to the study of cultural anthropology which focuses on a broad view of the learned aspects of human life. The course includes the observations and analysis of cultural traditions, i.e. child-rearing processes, life styles types and adaptations, social and family organizations, creative elements of human life, and basic anthropological theories and concepts. Students will be exposed to divergent cultures and to the status of today's vanishing cultures. Opportunities for the development of skills in critical thinking, problem-solving and effective learning will be provided throughout the course. May not be repeated. SC

ART / GRAPHIC COMMUNICATIONS

ART-004		Art and Design History and Concepts			
Units: 3					
LMC Degree: ADR: Arts and Humanities; DA					
Transfer: CSU					
An interdisciplinary course that focuses on the art, history, and process of design. Course content provides an overview of art and design history, how to use the vocabulary of design to analyze and evaluate art and design examples, and a basic introduction to using conceptual, analog, and digital tools to make models. Students will learn about creativity and the steps of Design Thinking and will apply their knowledge of Design practice to real world problems where they will research, ideate, write, and present potential design solutions. They will create prototypes, test them, reflect on results, and make improvements. Meets Creative Art Requirement for general education. Possible materials fee for 3D Printer filament. Otherwise a focus on re-use /recycling of wood, cardboard, etc. materials where possible for the CNC router and the laser cutter. May not be repeated. SC

ART / GRAPHIC COMMUNICATIONS

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
This is a foundational art course. It presents the process and discipline of design as applied in two-dimensional forms such as drawing, painting and collage. Focus is placed on the methods, tools and materials of two-dimensional form presented in current day, historical and cultural contexts. This course is an in-depth exploration of the visual elements, including line, shape, space, texture and value. May not be repeated. SC Pittsburg Campus 0170 TTH 3:20-4:25pm CC3-307 Greenham, A 8/24-12/11 TTH 4:25-6:25pm CC3-307 Note: Class meets weekly as scheduled.					

ART-012 Design Drawing

Units: 3 LMC Degree: DA Transfer: UC; CSU An art foundation course that introduces drawing as a visualization tool used in the process of design. Focuses on perspective drawing as a means to build the skills necessary for rapid and intuitive, but accurate drawing with application to two or three-dimensional design and problem solving, particularly useful for students eventually transferring to major in product, environmental/architectural and graphic design. Required foundation course for art majors and Certificate of Achievement in Graphic Communications. May not be repeated. SC Pittsburg Campus 0455 TTH 11:10-12:15pm CC3-307 Sanchez, E 8/24-12/11 TTH 12:15-2:20pm CC3-307 Note: Class meets weekly as scheduled.					
---	--	--	--	--	--

ART-015 Graphic Design

Units: 3 LMC Degree: DA Transfer: UC; CSU Studies and practice in two dimensional graphic design with emphasis on the definition, research and solution of applied design problems. Special emphasis will be placed on conceptualizing and integrating visual and verbal information into unified communication concepts. Course work will also address design history and explore career areas within the graphic communications industry, and will include portfolio preparation, career possibilities and professional practices in the business world. Course assignments progressively develop the skills necessary to develop, visualize and execute concepts as finished art. May not be repeated. SC Online & Hybrid Sessions 0191 T 3:20-6:30pm CC3-314 Schall, J 8/24-12/11 Note: Hybrid course. Reserve Tuesdays from 3:20PM to 6:30PM for meetings as scheduled. All remaining instruction will be conducted online, provided via the internet through the college learning management system CANVAS and Zoom software. Access to a computer with audio and video capability is required.

ART-060 Introductory Concepts of Sculpture

Units: 3

Advisory: ART-011; ENGL-C1000

LMC Degree: DA

Transfer: UC; CSU

This introductory course explores the concepts of sculpture through the use of plaster, metal, wood, and mixed media as expressive mediums. This course will emphasize self expression and development of personal imagery as well as technical aspects of working with these materials. Demonstrations and lab assignments focus on modeling, casting, carving and assembling techniques. Lectures will highlight the use of these versatile media from contemporary, cultural and historical perspectives. Students will learn and practice using sculpture terminology, as well as the vocabulary of design elements and principles. May not be repeated. SC

ART-061 Intermediate Concepts of Sculpture

Units: 3

Advisory: ART-011 and ART-060

LMC Degree: DA

Transfer: UC; CSU

This intermediate course explores the concepts of sculpture through the use of plaster, metal, wood, and mixed media as expressive mediums. This course will emphasize self expression and development of personal imagery as well as technical aspects of working with these materials. Demonstrations and lab assignments focus on modeling, casting, carving and assembling techniques. Lectures will highlight the use of these versatile media from contemporary, cultural and historical perspectives. Students will learn and practice using sculpture terminology, as well as the vocabulary of design elements and principles. May not be repeated. SC

Pittsburg Campus

ART-062 Introduction to Ceramic Sculpture

Units: 3

Advisory: ART-011; ENGL-C1000

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
LMC Degree: DA					
Transfer: UC; CSU					
In this course, students will learn to create sculptures with clay using various tools and techniques such as slab forming, pinching, coiling and carving. Processes and tool use will be explained, demonstrated, and discussed in order to help students safely and successfully produce projects based on assigned problems and/or individualized creative plans. Students will improve their skills in representing the human figure and other subjects and will research and apply contemporary and historical examples and methods for creating ceramic sculpture. Students will learn and apply the vocabulary of the elements and principles of design, and ceramics vocabulary, to their projects. May not be repeated. SC					

Pittsburg Campus

0097	MW	9:30-10:20am	CC3-316	Snow, L	8/24-12/11

ART-063 Intermediate Ceramic Sculpture

Units: 3

Advisory: ART-011, ART-062, ART-064; ENGL-C1000

LMC Degree: DA

Transfer: UC; CSU

In this course students will learn to create sculptures with clay using various tools and techniques such as slab forming, pinching, coiling and carving. Processes and tool use will be explained, demonstrated, and discussed in order to help students safely and successfully produce projects based on assigned problems and/or individualized creative plans. Students will improve their skills in representing the human figure and other subjects and will research and apply contemporary and historical examples and methods for creating ceramic sculpture. Students will learn and apply the vocabulary of the elements and principles of design, and ceramics vocabulary, to their projects. A mandatory material fee may be applied. The material fee will consist of the price per bag of clay, usually \$10-\$15 for 25lbs. This also covers the cost of finishing the work. May not be repeated. SC

Pittsburg Campus

0098	MW	9:30-10:20am	CC3-316	Snow, L	8/24-12/11

ART-066 Introductory Hand-built Ceramics

Units: 3

Advisory: ART-011

LMC Degree: DA

Transfer: UC; CSU

This course explores the use of hand-building with clay as an expressive and utilitarian medium. Lectures will highlight the use of this versatile medium from contemporary, western and non-western cultures and historical perspectives, and students will research and discuss historical examples and apply them to their projects. Various forms will be investigated along with an introduction to kiln firing and glaze mixing. This course will introduce development of personal imagery as well as ceramic design, decoration, and glazing. Lab assignments focus on hand-building techniques and glazing. A mandatory material fee will be applied. Students will purchase clay and tools. May not be repeated. SC

Pittsburg Campus

0250	MW	3:20-4:10pm	CC3-316	Bassett, I	8/24-12/11

ART-170	Work Experience Education in Art				
Units: 1					
Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/ . Students may earn up to 14 units of Work Experience Education per enrollment period.					
LMC Degree: DA					
Transfer: CSU					
The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC					
0844			Schall, J		8/24-12/11
Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee/ for information. Individual meetings and job site visit held with hours and location by arrangement.					

ART-180	Work Experience Internship in Art				
Units: 1

ASTRONOMY

ASTRO-010

Introduction to Astronomy

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5A

A survey of current concepts of the Universe and their historical evolution. Emphasis is placed on the process of scientific inquiry by which current scientific understanding has been achieved, on the aesthetics of science, and on the limitations and implications of scientific knowledge. The material is presented throughout with the aid of the planetarium for Pittsburg sections. Interdisciplinary connections, ethical implications, and multicultural perspectives are infused throughout the course. May not be repeated. LR

ASTRO-011 **Astronomy Laboratory**

Units: 1
 Prerequisite: Prior or concurrent enrollment in ASTRO-010
 Advisory: ENGL-C1000
 LMC Degree: ADR: Natural Sciences; DA
 Transfer: UC; CSU; Cal-GETC Area 5C
 This course provides laboratory experience in astronomical observation. It involves the study of fundamental concepts of astronomy, including investigations of the moon, sun, planets and stars and offers practical experience in the use of telescopes and other tools. ASTRO-010 and ASTRO-011, if both completed, meet the CSU lab science requirement. May not be repeated. LR

AUTOMOTIVE TECHNOLOGY / BIOLOGICAL SCIENCE

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
AUTO-112 Engine Technology					
Units: 4					
LMC Degree: DA					
Transfer: CSU					
This course is an introductory course to the basics of engine mechanical technology. The core of this course is to provide fundamental engine measurements, inspection and proper assembly techniques required for both common and modern engines. As an entry level course, emphasis is focused on safety, proper tool usage and organizational skills. Material in this class provides the essential knowledge for students to take the ASE A1-Engine Repair exam. May not be repeated. LR

BIOLOGICAL SCIENCE

BIOSC-005 Biology of Health					
Units: 3					
LMC Degree: DA					
Transfer: UC; CSU					
This is an introductory course that covers the biological concepts and principles underlying human health and illness. We will cover not only the basic functions of the human cardiovascular, respiratory, nervous, digestive, immune, and reproductive systems, but also the effects of diet, exercise, prescription and illicit drugs, and stress on these systems and how you can make changes to improve your health. The course includes up-to-date information on biological and medical discoveries related to human health. In addition, we will discuss issues related to mental health, addiction, and sexually transmitted diseases. The local and global health consequences of some human practices will also be explored. Hands-on activities will serve to demonstrate concepts that are critical to the health and well being of the whole individual. May not be repeated. LR

LMC Degree: ADR: Natural Sciences; DA					
Transfer: UC; CSU; Cal-IGETC Area 5B, 5C					
This course provides an introduction to the biological concepts and principles underlying ecology and environmental science. Utilizing an interdisciplinary, case-based approach, students explore the interconnectedness of ecosystems on planet Earth by investigating human impact on local and global systems. By grappling with questions surrounding sustainability, personal responsibility, and ecological health, students will work towards the goals of developing environmental literacy and thinking scientifically about environmental issues. Lab explorations, field exercises, and field trips to local environmental sites will facilitate deeper understanding of our place in the ecosystem and provide hands-on experience throughout the course. This course meets the General Education Requirement for Science. May not be repeated. LR

BIOSC-008 Human Biology

Units: 4

Advisory: ENGL-C1000

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5B, 5C

This is an introductory course for non-science majors that explore major biological principles as they apply to human beings. Problem solving and critical thinking skills will be emphasized as students investigate the structure and function of the human organism. Areas of study include the major body systems, human evolution, homeostasis, cells, tissues, heredity, gene expression, biotechnology and the interaction of humans and the environment. Weekly laboratory experiments (including dissections) on all major topics will allow the student to use the scientific method to gain knowledge and practical experience in the collection and analysis of data, and in drawing appropriate conclusions. This course meets the LMC General Education Requirement for Natural Sciences. May not be repeated. LR

BIOSC-010 General Biology

Units: 4

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5B, 5C

An integrated study of life forms with weekly laboratory activities. The course will focus on biological concepts and principles pertaining to life's processes, as well as the scientific method used to investigate these processes. Throughout the course students are encouraged to use critical thinking to consider the connections between biological concepts and real world observations. This course meets the General Education Requirement for Lab Science. May not be repeated. LR

Note: Online course. All instruction will be provided via the internet through the college learning management system CANVAS and Zoom software. Meets online weekly by zoom on Tuesday and Thursday 6:10pm-9:50pm for live lecture and lab. All Bio 10 students must come to the Pittsburg campus once during the first week of classes to pick up their take home lab kits. These will be distributed in the entry hallway of the LMC Science building. Access to a computer with audio and video capability is required. Purchase of some inexpensive home supplies may be required to supplement the take home lab kit experiments.

BIOSC-020 Principles of Biology: Cell and Molecular

Units: 5

Prerequisite: Intermediate algebra or higher or eligibility for college-level math

Advisory: BIOC-010; ENGL-C1000; CHEM-025; AP High School

Biology and/or AP High School Chemistry or the equivalent.

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5B, 5C; C-ID BIOL 135S; BIOL 190

This is an integrated study of the central concepts of cell and molecular biology intended for biology majors. This course will cover the concepts and applications of prokaryotic and eukaryotic cytology, biochemical and metabolic pathways, proteomics, reproduction and genomics. The critical and creative process of scientific inquiry and the implications of scientific knowledge will be emphasized. Skills in critical thinking, problem solving, and effective learning will be employed throughout the course. Required for biological science majors. Students can receive Honors credit for this class. Contact the Honors Program for more information. May not be repeated. LR

BIOSC-021 Principles of Biology: Organismal

Units: 5

Prerequisite: Intermediate algebra or higher or eligibility for college-level math

Advisory: BIOC-010, BIOC-020; High School AP Biology, AP Chemistry

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5B, 5C; C-ID BIOL 135S, BIOL 140

This is an integrated study of the vast array of organisms on this planet. It focuses on biological processes and principles that lead to increasing higher levels of organization. The course is centered on three major areas of study: evolutionary principles, unity and diversity of life and ecology. Major topics will include: origin of life, evolutionary mechanisms, evidence of evolution, speciation, diversity of life; plant form and function; population and community ecology; ecosystems and environmental concerns. Skills in critical thinking, problem solving and effective learning will be presented throughout the course. Laboratory methods, techniques and field work will be included with all major topics. May not be repeated. LR

Pittsburg Campus

BIOSC-030 Introduction to Anatomy and Physiology

Units: 4
Advisory: ENGL-C1000
LMC Degree: ADR: Natural Sciences; DA
Transfer: UC; CSU; Cal-GETC Area 5B
This course explores the fundamentals of human anatomy and physiology, covering all of the systems of the body in one-semester. The course will provide students with an overview of normal human functions through an exploration of the interrelationships of the body's various structures with their functions based on the principles of homeostasis and includes a general review of the chemical reactions involved with metabolism and digestion. May not be repeated. LR

BIOSC-050 Microbiology

Units: 4
Prerequisite: CHEM-006, 007 or 025, or equivalent
LMC Degree: ADR: Natural Sciences; DA
Transfer: UC; CSU; Cal-GETC Area 5B, 5C
Explores the fundamental principles related to bacteria, viruses, and other microorganisms. Examines the microbial world with an emphasis on bacteria and their role in disease. Basic areas to be studied in the classroom and the laboratory include microbial characteristics, microbial metabolism, microbial growth and its control, microbial genetics and biotechnology, interactions between microbes and host, microorganisms and human disease, and industrial and environmental applications of microbiology. The process of scientific inquiry will be emphasized, and opportunities for analytical thinking and problem solving will be interwoven throughout the course. This course is intended for students in allied health majors. May not be repeated. LR

BUSINESS					
BUS-018		Introduction to Excel			
Units: 3					
LMC Degree: DA					
Transfer: CSU					
Business 18 is a hands-on, performance-based, skills development spreadsheet course that covers fundamental MS Excel features and functions in the Windows environment. Students will produce business reports, financial statements, budgets, payroll, graphs, etc.) The class emphasizes spreadsheet design, data analysis for decision-making, and the use of Excel as a problem-solving tool for a variety of business applications in various industries. Students will learn to create a variety of professional spreadsheets, will develop their problem-solving and decision-making skills and will increase their MS Windows file management proficiency. This course prepares students for intermediate level instruction, will give them the skills to use Excel in a variety of college-level courses, and prepares them for entry-level employment opportunities. May not be repeated. SC					
Online & Hybrid Sessions					
0517	W	11:10-2:20pm	CC2-232	Adkins, T	8/24-12/11
Meets on the Pittsburg campus weekly on Wednesdays 11:10-2:20pm +1.125 hours per week of non-live lab online.					
0519	W	6:40-9:50pm	ONLINE	Adkins, T	8/24-12/11
Meets online weekly on Wednesdays 6:40PM-9:50PM via Zoom. +1.125 hours per week of non-live lab. Students need the ability to listen to audio and view on-screen demonstrations while simultaneously having access to a computer that allows them to interact with faculty and other students. Regular, substantive online class participation required weekly as described in class syllabus.					
BUS-027		Small Business Management			
Units: 3					
LMC Degree: DA					
Transfer: CSU					
This course combines theory with the practical "real world" aspects of the organization, planning, operation, and management of small business in the American Free Enterprise System. The course is designed for students who (1) have an idea for a new venture and have assessed its feasibility or, (2) are now involved in managing a small business and would like to expand the business or, (3) are involved in managing a department/division of an existing medium to large sized enterprise. In this course, emphasis is placed on managing a business or department through careful planning. Students will write a business plan, and learn how the plan can be used to manage a business or department/division. May not be repeated. SC					
Online & Hybrid Sessions					
0310			ONLINE	Wilkins, P	8/24-10/16
Short term online class in Canvas. No live sessions. Regular, substantive online class participation required weekly as described in class syllabus.					
BUS-035A		Microsoft Word			
Units: 1.5					
LMC Degree: DA					
Transfer: CSU					
Business 35A is a skills/performance-based 1.5-unit class that focuses on Microsoft® Word. Word is one of the most commonly used programs that help you create letters, reports, research papers, newsletters, brochures, and other types of documents. You will be given the opportunity to explore the basic and intermediate features of MS Word including creating, editing, and formatting letters, memos, reports and other documents; enhancing documents with pictures, WordArt, and SmartArt graphics; organizing text into tables and columns; merging documents to create labels, envelopes, and mass mailings; working with templates, styles and charts to make your job easier, and much more. Students are expected to have basic computer technology and Windows skills. May not be repeated. SC					
Online & Hybrid Sessions					
0391			ONLINE	Knauer, C	8/24-10/16
Short Term Online class in Canvas. No Live meetings. Regular, substantive online class participation required weekly as described in class syllabus.

Short term online class in Canvas. No live sessions. Regular, substantive online class participation required weekly as described in class syllabus.

BUS-170 **Work Experience Education in Business**

Units: 1
Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at <https://www.losmedanos.edu/cweel>. Students may earn up to 14 units of Work Experience Education per enrollment period.
LMC Degree: DA
Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC

0846 **Sukhu, I** **8/24-12/11**
Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cweel for information. Individual meetings and job site visit held with hours and location by arrangement.

BUS-185 **Computer Assisted Accounting-QuickBooks**

Units: 3
Advisory: BUS-018; BUS-186; ENGL-C1000
LMC Degree: DA
Transfer: CSU
A hands-on, computerized course that introduces students to computerized accounting and the QuickBooks accounting program. Includes setting up a new organization's books, recording journal entries throughout the accounting cycle; invoicing customers, tracking inventory, preparing payroll, completing bank reconciliation's, generating subsidiary ledgers, creating trial balances, and preparing financial statements within a computerized system. May not be repeated. SC

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
Online & Hybrid Sessions					
0144	TH	6:40-7:40pm	ONLINE	Coutelier, C	8/24-12/11
Meets online weekly on Thursdays 6:40PM - 7:40PM via Zoom + 1.25 hours non-live Canvas and 3.375 hours per week non-live lab. Regular, substantive online class participation required weekly as described in class syllabus.					

BUS-186 **Financial Accounting**

Units: 4
Advisory: BUS-181
LMC Degree: DA
Transfer: UC; CSU; C-ID ACCT 110
This course explores what financial accounting is, why it is important, and how it is used by investors and creditors to make decisions. It covers the accounting information system and the recording and reporting of business transactions with a focus on the accounting cycle, the application of generally accepted accounting principles, classified financial statements, and statement analysis. Issues related to asset, liability, and equity valuation, revenue and expense recognition, cash flow, internal control and ethics are included. May not be repeated. LR

Online & Hybrid Sessions

0118 **MW** **9:35-11:40am** **ONLINE** **Wilkins, P** **8/24-10/30**
Online-Meets online Live via Zoom weekly on Monday & Wednesday 9:35AM - 11:40AM and 2.6 hours non live in Canvas. Regular, substantive online class participation required weekly as described in class syllabus.

0132 **ONLINE** **Wilkins, P** **9/14-12/04**
Short Term- Late Start, 12 week class non live in Canvas. No Live Sessions. Go to www.losmedanos.edu/onlineclasses for course access information. Regular, substantive online class participation required weekly as described in class syllabus.

0142 **ONLINE** **Wilkins, P** **8/24-12/11**
Note: Online course. All instruction will be online in Canvas. No live sessions. Regular, substantive online class participation required weekly as described in class syllabus.

0222 **T** **5:30-8:00pm** **MA2-207** **Shieh, M** **8/24-12/11**
Hybrid class. Meets face to face weekly on the Pittsburg campus from 5:30PM to 8:00PM (2.5 hrs) on Tuesday and 2 hours non live every week in the college learning management system CANVAS. Regular, substantive online class participation required weekly as described in class syllabus.

BUS-187 **Managerial Accounting**

Units: 4
Prerequisite: BUS-186
Advisory: ENGL-C1000
LMC Degree: DA
Transfer: UC; CSU; C-ID ACCT 120
This course continues the study of accounting theory with special emphasis on the types of accounting information used by managers, sources of information, and how managers use this information to make business decisions. Topics include cost systems, the analysis and use of cost information, cost-volume-profit analysis, contribution margin, profit planning, standard costs, capital budgeting, and statement analysis. May not be repeated. LR

Online & Hybrid Sessions

0706 **ONLINE** **Viertel, C** **8/24-12/11**
Note: Online course. All instruction will be online. Regular, substantive online class participation required weekly as described in class syllabus.

0707 **T** **6:30-8:45pm** **MA2-208** **Viertel, C** **8/24-12/11**
Meets on campus in Pittsburg weekly on Tuesdays 6:30PM - 8:45PM + 2.25 hours per week non-live in Canvas. Regular, substantive online class participation required weekly as described in class syllabus.

BUS-294 **Business Law**

Units: 3
Advisory: BUS-109; ENGL-C1000
LMC Degree: DA
Transfer: UC; CSU; C-ID BUS 120
This course includes a study of the legal environment of business and the basic principles of business law. Included are contracts, agency, employment, sales, property, forms of ownership, courts, and court procedures. May not be repeated. SC

Note: Online course. All instruction will be online. Regular, substantive online class participation required weekly as described in class syllabus.

0308 M 6:40-8:40pm ONLINE Belton, N 8/24-12/11
Meets online weekly on Mondays 6:40PM to 8:40PM PM via Zoom and 2.5 hours non live in Canvas. Regular, substantive online class participation required weekly as described in class syllabus.

BUSINESS / MANAGEMENT**MANGT-050 Introduction to Management**

Units: 3

Advisory: ENGL-C1000 or a higher level English

LMC Degree: DA

Transfer: CSU

This course presents a practical overview of supervision and management concepts, processes, theories, and techniques. It covers the role of the front-line manager in complying with human resource issues, obtaining successful employee relations and staff productivity, and contributing to the overall success to the organization. May not be repeated. SC

Online & Hybrid Sessions

0488 W 6:40-8:45pm ONLINE Almassey, N 9/08-10/30

Late Start 8-week class. Meets live via Zoom weekly on Wednesdays, 6:40PM to 8:45PM + 4.5 hours non-live in Canvas each week. Regular, substantive online class participation is required weekly as described in the class syllabus.

MANGT-070 Conflict Management, Team Development, Leadership

Units: 3

Advisory: MANGT-050; ENGL-C1000

LMC Degree: DA

Transfer: CSU

This course analyzes aspects of Human Relations in supervisory positions: Conflict, Team Development, Cultural Diversity, Leadership Development, and Etiquette in the modern workplace. Local and global perspectives are discussed as they relate to the business environment. May not be repeated. SC

Online & Hybrid Sessions

0843 TH 6:40-9:00pm ONLINE Adkins, T 8/24-12/11

Meets online Live in Zoom weekly on Thursdays 6:40PM - 9:00PM +1 hour non-live in Canvas each week. Regular, substantive online class participation required weekly as described in class syllabus.

MANGT-075 Managing Human Resources

Units: 3

Advisory: MANGT-050; ENGL-C1000

LMC Degree: DA

Transfer: CSU

This course encompasses three separate areas of human resources: Federal and California State employment laws relating to discrimination and equal employment, recruiting and interviewing job candidates; and hiring and dismissing employees. Each of these subjects is approached from a practical perspective. May not be repeated. LR

Online & Hybrid Sessions

0842 ONLINE Beal, T 10/19-12/11

Short Term- Late Start- online class in Canvas each week. No Live Meetings. Email instructor at tbeal@losmedanos.edu if you have questions. Regular, substantive online class participation required weekly as described in class syllabus.

CHEMISTRY**CHEM-006 Introduction to Inorganic and Physical Chemistry**

Units: 4

Prerequisite: Elementary algebra or higher; eligibility for transfer-level mathematics

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5A, 5C; C-ID CHEM 101

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
-----	------	-------	------	------------	-------

An introduction to inorganic chemistry and physical concepts relevant to chemistry, focused toward the understanding of structure and properties of matter. Topics include scientific measurements, metric units, unit conversions, atomic structure, naming chemical compounds, types of chemical reactions, chemical formulas, mole, stoichiometry, chemical bonding, gases, solutions and acid-base chemistry. May not be repeated. LR

CHEM-007 Introduction to General, Organic and Biochemistry

Units: 4

Prerequisite: Elementary algebra or higher or eligibility for transfer-level mathematics

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC, CSU; Cal-GETC Area 5A, 5C

This course is a one-semester survey of the principles of general, organic, and biochemistry. Satisfies the chemistry prerequisite of health career programs requiring only one semester of chemistry, including Kinesiology and most nursing programs at CSUs and four-year colleges. It is one option to fulfill the chemistry prerequisite for LMC Microbiology (BIOSC-050). May not be repeated. LR

CHEM-025 General College Chemistry 1

Units: 5

Prerequisite: CHEM-006 or one year of High School chemistry and Intermediate algebra or higher; eligibility for transfer-level mathematics

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5A, 5C; C-ID CHEM 110, C-ID CHEM 120S

Chemistry 25 is the first semester of a one-year sequence focused on the fundamental principles of chemistry for students in chemistry, biochemistry, engineering, life science, physics, pre-dental, and pre-medical programs that require a minimum of one semester or one year of general chemistry. Students will gain knowledge in the foundations of atomic and molecular structure, nomenclature, physical and chemical changes of matter, fundamentals of chemical reactivity, chemical bonding, thermochemistry and the properties of gases. Throughout the course, skills in critical thinking, problem-solving, analysis skills, and effective learning will be developed. May not be repeated. LR

CHEM-026 General College Chemistry II

Units: 5

Prerequisite: CHEM-025 or equivalent

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5A, 5C; C-ID CHEM 120S

CHEM-026 is the second semester of a one-year course and fulfills the general chemistry requirement for students in chemistry, biochemistry, engineering, life science, physics, pre-dental, and pre-medical programs. Topics include solutions, colligative properties, equilibrium, acids and bases, kinetics, thermodynamics, electrochemistry, coordination chemistry, nuclear, organic, and biological chemistry. Laboratory emphasizes quantitative techniques, including instrumentation, and qualitative analysis. May not be repeated. SC

Pittsburg Campus

0568	MW	9:35-11:00am	SC2-227	Sison, G	8/24-12/11
	MW	11:10-2:15pm	SC2-234

CHEM-028 Organic Chemistry I

Units: 5

Prerequisite: CHEM-026

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5A, 5C; C-ID CHEM 150, C-ID CHEM 160S

CHEM-028 is a study of the physical and chemical properties of organic compounds. The principles and practice of common synthetic and analytical procedures will be introduced. This is the first semester of a two-semester organic chemistry sequence. CHEM-028 explores the chemistry of alkanes, alkenes, alkynes, and alkyl halides, along with stereochemistry and modern techniques of spectroscopy. May not be repeated. LR

Units: 5

Prerequisite: CHEM-028

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5A, 5C; C-ID CHEM 160S

CHEM-029 is a study of the physical and chemical properties of organic compounds. The principles and practice of common synthetic and analytical procedures will be introduced. This is the second semester of a two-semester Organic Chemistry sequence. CHEM-029 explores the chemistry of aromatics, alcohols, ethers, aldehydes, ketones, carboxylic acids & derivatives, carbonyl substitution & condensation reactions, and selected biomolecules. The techniques of instrumental analysis that were introduced in CHEM-028 will be further explored in the context of these new organic families. May not be repeated. LR

CHILD DEVELOPMENT

CHDEV-010 Child Growth and Development

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 4; C-ID CDEV 100

This course examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors while studying developmental theories and research methodologies. Students will observe children, evaluate individual differences and analyze characteristics of development at various stages. May not be repeated. SC

CHDEV-170	Work Experience Education in Child Development		
Units: 1			
Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/ . Students may earn up to 14 units of Work Experience Education per enrollment period.			
LMC Degree: DA			
Transfer: CSU			
The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC			
0847	Blinderman, E	8/24-12/11	
Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee/ for information. Individual meetings and job site visit held with hours and location by arrangement.			

CHDEV-180	Work Experience Internship in Child Development
Units: 1	
Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours worked per enrollment period. Does not meet requirements for veterans' benefits. An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work experience education courses may be repeated subject to Title 5 section 55040 SC 0851

Fantuzzi, A 8/24-12/11

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

COMMUNICATION STUDIES

COMM-120 Argumentation and Debate

Units: 3

Advisory: ENGL-C1000; COMM-C1000

LMC Degree: ADR: English Composition, Oral Communication and Critical Thinking:

Oral Communication and Critical Thinking; Social and Behavioral Sciences; DA

Transfer: UC; CSU; C-ID COMM 120

(formerly SPCH-120) This course provides students with the foundational knowledge of argumentation principles, analysis techniques, and oral communication skills needed to effectively understand, evaluate, research, construct, and present arguments in various public speaking contexts. The course includes concepts such as Aristotelian rhetoric, audience analysis, evidence evaluation, ethics in argumentation, critical listening, critical reasoning, argumentation models, managing communication apprehension, and effective verbal and nonverbal practices for speech presentations. Students will conduct written and verbal analyses of arguments, provide peer critiques, present researched speeches, and take part in structured debates. May not be repeated. SC

Pittsburg Campus

2018 MW 11:10-12:35pm CO-102 LMC Staff 8/24-12/11

Note: Class meets on campus as scheduled. Class formerly named 'SPCH-120'

2019 T 6:40-9:50pm CC2-240 Louis Steers, S 8/24-12/11

COMM-130 Interpersonal Communication

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC; CSU; Cal-GETC Area 4; C-ID COMM 130

(formerly SPCH-130) This course provides the student an opportunity to learn and apply, in daily life, practical principles of interpersonal communication. Content will stress psychological, social, and cultural factors which affect human interaction. It is designed to assist students in improving their own interpersonal communication skills. Attention will be given to self-reflection, perception, interpersonal dynamics, listening, conflict management, relationship development and stages, and verbal and nonverbal communication. May not be repeated. SC

Online & Hybrid Sessions

2022 ONLINE Kaufman, M 8/24-12/11

Note: Online course. All instruction will be provided asynchronously via the internet through the college learning management system CANVAS. Specific information from instructor: Students need reliable access to the internet, Canvas, video recording technology, and Zoom (Office Hours) and must be comfortable with video recording applications and will be expected to have either a YouTube account OR knowledge of Canvas Studio to upload assignments (no video editing skills required). Students are required to be on camera using both audio and video for recorded speeches that are submitted through Canvas. Prior to the start of the course students should explore

the Canvas shell to familiarize themselves with course navigation. There will be a Welcome Announcement with more information prior to the start of the term. Students must remember to regularly check Canvas as it is vital to their success in the course. Weekly assignments, tasks and everything in between can be found on Canvas along with resources on how to complete related course work. Email instructor for additional information at MArcidiacono@losmedanos.edu if you have questions. Class formerly named 'SPCH-130'

COMM-150 Intercultural Communication

Units: 3

Advisory: COMM-C1000

LMC Degree: ADR: Diverse Perspectives; DA

Transfer: UC; CSU; Cal-GETC Area 4; C-ID COMM 150

(formerly SPCH-150) This course explores the principles of intercultural communication through lecture, group activities, discussion, and writing assignments. Some of the issues covered include: the elements of a culture, intercultural competence as a learned skill, tolerance, norms, co-cultures, the role of language in communication, historical conflicts, and global social inequities. Content and lectures will come from a multicultural perspective and require original research and readings on cultural traditions and norms. May not be repeated. SC

Online & Hybrid Sessions

2023 ONLINE Kaufman, M 8/24-12/11

COMM-160 Speaking in the Community

Units: 3

Advisory: COMM-C1000; COMM-120

LMC Degree: DA

Transfer: UC; CSU; C-ID COMM 160B

(formerly SPCH-160) In this course students will learn and practice the theory, format and structure of effective public address. Students will conduct research to prepare lectures and / or demonstrations to be presented in the community and to a variety of audiences. Students may present their work at on-campus events, local community-wide events, or at competitions including mock trial or other forensics events. Students will meet during this scheduled course time to research, prepare, deliver, evaluate, and analyze presentations; they will also need to attend and present at community and/or competitive events that occur on the weekends or in the evening. May be repeated three times. SC

COMPUTER SCIENCE

CNT-010	Computer Network Fundamentals		
---------	-------------------------------	--	--

Units: 3
Advisory: ENGL-C1000
LMC Degree: DA
Transfer: CSU

This course introduces the architecture, structure, functions, components, and models of the Internet and other computer networks. The principles and structure of IP (Internet Protocol) addressing and the fundamentals of Ethernet concepts, media, and operations are introduced to provide a foundation for further study of computer networks. It uses the OSI (Open Systems Interconnection) and TCP (Transmission Control Protocol) layered models to examine the nature and roles of protocols and services at the application, network, data link, and physical layers. May not be repeated. LR

COMSC-044	Introduction to C++ Programming		
-----------	---------------------------------	--	--

Units: 3
Advisory: ENGL-C1000
LMC Degree: DA
Transfer: UC; CSU

This course is designed to be an introduction to the C programming language. We use a C++ text because C is a subset of C++ and is an object-oriented language. C++ has evolved into one of the leading programming languages in the computer software industry. C++ compilers are available on all platforms ranging from microcomputers to mainframes. The course will include structured program design, programming style, documentation, modular design, code reusability, program verification and testing, data abstraction, information hiding, and data structuring. Problems will come from the areas of business. May not be repeated. SC

Online & Hybrid Sessions

All instruction will be online. Meetings will be held on Monday and Wednesdays from 12:45 pm to 2:10 pm via Zoom.

COMSC-132 Programming Concepts & Methodologies II

Units: 3

Prerequisite: COMSC-122 or equivalent

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: UC; CSU; C-ID COMP 132

This course covers techniques relevant to program design and selection of data structures for larger programs. Topics covered include design techniques, effective use of recursion, algorithmic efficiency and O-notation, linked-lists, stacks, queues, trees, hash tables, heaps, graphs and sorting and searching techniques. Extensive programming of a variety of data structures is required. May not be repeated. SC

Online & Hybrid Sessions

0949 ONLINE Stalica, H 8/24-12/11

Note: Online course. All instruction will be online with no specifically required meeting times.

COMSC-142 Computer Architecture and Organization

Units: 3

Prerequisite: COMSC-132

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: UC; CSU; C-ID COMP 142

In this course, we analyze the organization and behavior of real computer systems at the assembly-language level. The mapping of statements and constructs in a 'high-level' language into sequences of machine instructions is studied, as well as the internal representation of simple data types and structures. Numerical computation is examined, noting the various data representation errors and potential procedural errors. May not be repeated. SC

Online & Hybrid Sessions

1268 T 2:30-4:35pm CC2-232 Bowne, S 8/24-12/11

Note: Partially online course. Students will meet throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.

ECE-011 Observation and Assessment

Units: 3
 Prerequisite: CHDEV-010 or ECE-010
 Advisory: ENGL-C1000
 LMC Degree: DA
 Transfer: CSU; C-ID ECE 200
 This course focuses on the role of observation to support children's growth and development in early childhood programs. Various observation methods are used to complete assessments (including an individual child's DRDP-R and a classroom assessment), create individual children's learning plans, develop a classroom improvement plan and provide written family feedback. Appropriate use of assessments and rating systems, the value of portfolios and children's authentic work samples, successful observation strategies, observing learning through play, working in partnership with families, supporting children with special needs, supporting a child's culture and home language, and confidentiality are values that underpin all discussions and class assignments. May not be repeated. SC

ECE-022 Relationship Based Strategies for Children

Units: 2
 Advisory: ENGL-C1000
 LMC Degree: DA
 Transfer: CSU
 The course is designed for early childhood education students, educators or parents who work with or interact with children in a classroom or family setting. Students will learn how to differentiate between compliance and relationship-based discipline methods, implement relationship-based discipline strategies, and identify children's needs based on Maslow's Hierarchy of Needs. Other topics covered include brain development, rewards and praise, and conflict resolution. May not be repeated. SC

ECE-030 Trauma Informed Practitioner: Foundations

Units: 3
 Advisory: ENGL-C1000
 LMC Degree: DA
 Transfer: CSU
 This course is the first in a two-course series on becoming a trauma informed practitioner. The course is designed for early childhood education students, teachers, parents or support service providers who work with or interact with children who have experienced trauma or who have high social emotional needs. Students will learn the neurobiology of trauma and how that impacts all domains of development, how to implement trauma informed relationship-based strategies, identify children's needs based on Maslow's Hierarchy of Needs, and write a case study. May not be repeated. SC

ECE-050 Teaching in a Diverse Society

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Diverse Perspectives; DA

Transfer: UC; CSU; C-ID ECE 230

Examination of the development of children's social identities in inclusive diverse settings including current, historical, theoretical and practical implications of systemic oppression and privilege as they apply to young children, families, programs, classrooms and teaching. Various inclusive classroom strategies will be explored emphasizing culturally and linguistically appropriate anti-bias curriculum, multicultural, and culturally relevant approaches that creates an antiracist classroom community, supporting all children in becoming competent members of a diverse society. Course includes self-examination and reflection on teacher's own culture, life experiences, and biases and that impact on teaching and interactions with children and families. May not be repeated. SC

ECE-055 Introduction to Children with Special Needs

Units: 3

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: CSU

This is one of two courses to meet the Children with Special Needs Specialization for the Child Development Permit. The course focuses on learning about young children with developmental disabilities and those who are at risk. It will include discussions of the following: special education laws, special education terminology, typical and atypical patterns of development, specialized services and contemporary issues and challenges. Several class sessions will be devoted to the understanding of developmental delays and specific disabilities, such as, autism, sensory impairments, and the effects of pre-natal substance exposure. May not be repeated. SC

Online course. All instruction will be online.

ECE-062 Introduction to Curriculum

Units: 3

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: CSU; C-ID ECE 130

This course examines the role of curriculum and environment in early childhood settings birth through age 8. Students will learn different curriculum models and how to plan, implement, and document curriculum that is developmentally appropriate. Students will use knowledge of children's development and theories of learning to plan and implement learning experiences in the areas of, math, science, language arts, and social studies. Key components include principles of curriculum development and the ongoing curriculum cycle, the teacher's role, environmental design, play, universal design for learning, and the home- school connection. May not be repeated. SC

ECE-065 Health, Safety, and Nutrition in Early Childhood Programs

Units: 3

Prerequisite: ECE-001

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: CSU; C-ID ECE 220

Course Description: This course provides an introduction to the laws, standards, policies, procedures, and curriculum, and best practices related to child health safety and nutrition in educational settings birth through middle childhood. This course covers the teacher's role to ensure physical health, mental health, and safety for both children and staff are incorporated into the classroom, along with the importance of collaboration with families and health professionals. There is a focus on nutrition and meal planning, overall risk management and integrating the concepts into everyday planning, practices, and daily routines in programs for young children. ELECTRICAL/INSTRUMENTATION TECHNOLOGY

ETEC-009 ETEC Mathematics

Units: 4

Corequisite: ETEC-010

LMC Degree: ADR: Mathematical Concepts and Quantitative Reasoning; DA

Transfer: CSU

This course meets the math requirements for the Associate of Science degrees in Electrical Technology and Instrumentation Technology. In this course math is taught in the context of problems commonly encountered by electronic and instrumentation technicians. Content includes analyzing graphs and schematic diagrams; using scientific notation and engineering notation; executing unit conversions; solving equations; calculating with fractions, complex fractions, logarithms and percentages; graphing complex numbers; applying right-triangle trigonometry; and utilizing methods and formula common to the fields of electrical and instrumentation technology. May not be repeated. SC

ETEC-010 Direct Current Circuits

Units: 4

Advisory: ETEC-009; ENGL-C1000

LMC Degree: DA

Transfer: CSU

This is first semester course in the fundamentals of electricity and electronics. It will provide a good background in direct current circuits including Ohm's law, component identification, and electrical terminology commonly used in the industry. Students will learn how electricity interacts with passive components. Emphasis will be placed upon the calculation, construction, and measurement of direct current circuits. The coordinated laboratory will teach the use of test equipment to measure circuits in order to perform circuit analysis. Students will apply the basic principles of DC circuits to develop troubleshooting techniques. May not be repeated. SC

EETEC-020 Electric Motor Control

Units: 3

Prerequisite: ETEC-012

LMC Degree: DA

Transfer: CSU

This course is a study of electrical control circuits as they apply to industrial control systems. This course covers control components and their use in control systems as well as the use and development of electrical schematic and wiring diagrams. Lab work includes construction, analysis, testing and calibrating control circuits from a schematic diagram. Systematic trouble shooting techniques will be emphasized. May not be repeated. LR

Pittsburg Campus

Advisory: ETEC-010, 012, 032, 034, 050; PHYS-015; ENGL-C1000

LMC Degree: DA

Transfer: CSU

This course is a Laboratory designed to give the students hands on experience with transducers and transmitters used to measure process variables and transmit proportional signals to a PLC, Loop Controller or DCS I/O. Students will configure pneumatic, electronic and digital transmitters and connect the in-measurement loops. They will calibrate the transmitters for use in pressure, level, temperature, pH and flow processes then check for accuracy, precision and linearity. Student will learn to use ISA standards and techniques to accurately prepare a transmitter for use in the field. The course is designed to be taken concurrently with ETEC-050 and provide the practical experience necessary to understand the fundamentals of process measurement. May not be repeated. SC

EMS-010 Emergency Medical Technician Academy

Units: 9

Prerequisite: Students must be 18 years of age by the date the course begins.

Students must have a current CPR card for BLS Healthcare Provider issued by the American Heart Association and it must remain valid for the duration of the EMS-010.

Special note: Successful completion of ** EMS-014 ** meets the above prerequisite.

Advisory: EMS-007; EMS-009; Background checks, toxicology screenings and immunization records for those students placed in hospitals clinical internships.

Medical clearance form and proof of vaccinations (see below) for all clinical experiences.

LMC Degree: DA

Transfer: CSU

This course provides instruction and training to prepare students for certification as an Emergency Medical Technician (EMT-B) and to work in an entry-level position as an Ambulance Attendant, Emergency Room Technician, or other specialized services. This course is instructed in compliance with Department of Transportation (DOT) National EMS Education Standards (DOT HS 811 077A, January 2009), and is approved by the Contra Costa County - Emergency Medical Services Administration (Title 22) and the National Registry of EMTs. Successful students will be prepared for the EMT psychomotor and written certification exams through the National Registry. This course requires participation in clinical experiences taking place in emergency room departments of hospitals and in operational ambulance units. A minimum of 24 hours and 10 patient contacts is mandated. Students will be required to schedule and complete these clinical experiences outside of the classroom to meet course requirements. Students must show vaccination records and documentation of a current TB test, Hepatitis B, MMR, tetanus, and proof of varicella (chicken pox) and any other type of vaccination required by our partners in hospital or EMS providers. Students must also have a medical examination using DMV Form 51 or LMC Physical Clearance Form. Credit for Prior Learning: Credit by exam available per (22 CCR § 100078(c).) The challenge exam is offered at the end of each semester during the course. Those who meet the minimum requirements and wish to take the challenge the exam may contact the academy for upcoming dates and to schedule their exam. May not be repeated. LR

Pittsburg Campus

0319	MW	9:05-12:30pm	CC3-365	Blakeley, A	8/17-12/09
	MW	1:00-4:10pm	CC3-365		

The EMT Academy is designed to meet the California Title 22 requirements for emergency medical technician training and is an in-person/on-campus course. Students will meet for in-person lecture and skills/lab sessions on Mondays and Wednesdays. There is a mandatory orientation for this course on Friday July 24, 2026 in room CC3-365 from 10:30 am to 2:30 pm. Required purchases include a textbook with a specific ISBN, access to a testing platform called Platinum Education, a uniform, a blood pressure cuff, and a stethoscope. Students must have access to a computer with audio and video capability. Students are required to perform ride-alongs to obtain 10-patients contacts and 24-hours of required clinical time. Students must be 18 years of age to be eligible for state EMT certification. This course offers credit for prior learning. Individuals meeting the minimum requires of Title 22 can take the challenge exam. To schedule to take the challenge exam, offered at the end of each semester, contact the EMT academy.

EMS-013 Medical Terminology for Health Care Professions

Units: 3
LMC Degree: DA
Transfer: CSU

The course focuses on analysis of medical terms by body system incorporating structure, body systems, and basic anatomy, physiology, and disease processes. Emphasis is placed on spelling, usage and pronunciation of medical terms and also on a basic understanding of body systems with an emphasis on the pathophysiology of disease. May not be repeated. LR

Online & Hybrid Sessions

0376 T 5:45-8:55pm ONLINE StOnge, S 8/24-12/11

Note: Online course. All instruction will be provided via the internet through the college learning management system CANVAS and Zoom software. Meets online weekly on Tuesdays 5:45-8:55pm for live lecture. Access to a computer with audio and video capability is required.

EMS-014 Healthcare Provider CPR

Units: 0.3
LMC Degree: NDA

Basic skills and knowledge necessary to maintain oxygenation and blood circulation in a victim of cardiac arrest. Successful completion qualifies the student for certification as a Healthcare Provider by the American Heart Association 2015 guidelines. EMS-014 is intended for individuals whose primary responsibility is providing patient care such as Doctors, Nurses, Paramedics, EMTs, Firefighters and other allied health personnel. This course has the following mandatory lab fees: \$4.00 for your BLS E-Card and \$12-\$15 dollars for your PPE/Personal Protective Equipment required to participate on this course. This PPE includes a face mask, one way valve, gloves and a carrying pouch. May not be repeated. P/NP

EMS-170 Work Experience Education in Emergency Medical Services

Units: 1
Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at <https://www.losmedanos.edu/cweel/>. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA
Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

ENGINEERING

ENGIN-010 Introduction to Engineering

Units: 3
Advisory: ENGL-C1000
LMC Degree: ADR: Natural Sciences; DA
Transfer: UC; CSU

This course introduces the engineering profession. Learn about computer-aided design software and 3D printing technology to create anything that you can imagine. The skills learned in this course will be applicable to a wide range of jobs in the fields of engineering, architecture, and technology. This course includes the worldwide history of engineering and its influences on society and reviews the major engineering disciplines and the requirements for becoming an engineer. The course also introduces engineering reports, graphics, and presentations. Engineering calculations and a design project are an integral part of the course. Engineering ethics and the need for lifelong learning are also discussed. May not be repeated. LR

Pittsburg Campus

0016 TTH 8:45-10:20am SC2-230 Ward, S 8/24-12/11
TTH 10:30-11:00am SC2-230

Note: Class meets weekly as scheduled.

ENGIN-022 Programming with MATLAB for Engineers and Scientists

Units: 4
Corequisite: MATH-220
Advisory: ENGL-C1000
LMC Degree: DA
Transfer: UC; CSU

This course teaches computer programming using the MATLAB's syntax, control, and data structures. It includes object oriented programming techniques, introduces numerical techniques for scientific and engineering applications, and emphasizes optimal programming practices. Various aspects of the software life-cycle, including design, documentation, implementation, debugging, testing, and maintenance are introduced. Case studies and software projects are significant parts of the course. Offered in the Fall semester. May not be repeated. LR

Online & Hybrid Sessions

9500 TTH 12:45-2:10pm BRT-419 Ward, S 8/24-12/11
Partially online course. Students will meet throughout the semester in person Tuesdays and Thursdays from 12:45PM to 2:10PM. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software. Online asynchronous course. This course may use online exam proctoring software to administer exams. Access to a computer with audio and video capability is required.

ENGIN-025 Engineering Graphics

Units: 3
Advisory: ENGIN-010; ENGL-C1000
LMC Degree: DA
Transfer: UC; CSU

This course introduces descriptive geometry and engineering graphics techniques. Techniques include freehand and instrument drawing, while the primary emphasis is on computer aided drafting. Applications of descriptive geometry include orthographic drawings, sectional views, and auxiliary views. Axonometric, oblique, and perspective drawings are also covered. Other topics include revolutions, tolerances, dimensions, fasteners, springs, detail drawings, and assembly drawings. May not be repeated. LR

Online & Hybrid Sessions

0048 ONLINE Briggs, F 8/24-12/11
Online asynchronous course. All instruction will be provided via the internet through the college learning management system CANVAS and Zoom software. Meets online weekly for asynchronous lecture and lab. This course may use online exam proctoring software to administer exams. Access to a computer with audio and video capability is required.

ENGL-115	Creative Writing: Playwriting				
Units: 3					
Advisory: ENGL-C1000					
LMC Degree: ADR: Arts and Humanities; DA					
Transfer: UC; CSU					
This course examines the process of writing for the stage. Students learn both the history of dramatic writing through various stylistic movements and from multicultural perspectives, as well as practical instruction in crafting their own plays, with an eye toward eventual production or staged reading. Students of the course will follow the journey of seeing a play evolve from "the page to the stage." They might even have the chance to see their work produced at the LMC New Plays Festival in collaboration with the Drama Department. May not be repeated. SC					
Pittsburg Campus

ENGL-121	Introduction to Chicano Literature				
Units: 3					
Advisory: ENGL-C1000					
LMC Degree: ADR: Arts and Humanities; DA					
Transfer: UC; CSU; Cal-GETC Area 3B					
This course is an introduction to Chicano literature. In this course, we will cover a range of genres including short stories, novels, poetry, memoirs, and plays from Chicano writers, beginning with cuentos and oral traditions to contemporary works. Although Chicanos have been writing in the United States since the sixteenth century, the bulk of our attention will be paid to the Chicano literary movement that began in the 1950's and continues with living writers. Students will read selected works that will be analyzed within the context of socioeconomic, political, and historical movements; additionally, students will learn about the unique history and thematic concerns of Chicano writers. May not be repeated. SC

ENGL-128	Introduction to Asian American Literature			
Units: 3				
LMC Degree: ADR: Arts and Humanities; Diverse Perspectives; Social and Behavioral Sciences; DA				
Transfer: UC; CSU; Cal-GETC Area 3B				
This course is an introduction to Asian American literature. It focuses on particular contexts and theoretical issues that have informed the study of Asian American literature. Students will read from literature written by authors of various Asian American ethnic groups. They will be introduced to the unique history and thematic concerns of Asian American authors, as well as to the contexts in which this literature has been written. Students will also be introduced to the historical experience of Asian immigrants in the United States, and learn to connect literature to its historical and social context. May not be repeated. ENGL-135

Introduction to LGBTQ+ Studies

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Diverse Perspectives; DA

Transfer: UC; CSU; Cal-GETC Area 4; C-ID SJS 130

Same as SJS-135 LGBTQ+ Studies (Lesbian, Gay, Bisexual, Transgender, Queer, and "Plus." The "plus" represents other sexual and gender identities including pansexual, intersex, non-binary, two-spirit, and more). LGBTQ+ Studies takes an intersectional, interdisciplinary, multicultural approach to examining the historical, political, social and cultural issues that have affected LGBTQ+ people throughout time and globally. This class emphasizes that everyone has a gender and sexuality and in this sense explores the strengths of our differences. Students will study people from a wide variety of cultures, and gain a greater understanding of how matters of sexual orientation and gender identity impact and intersect with issues of class, race, ethnicity, ability, nationality, religion and mental health. May not be repeated. LR

Introduction to Gender Studies

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Diverse Perspectives; Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 4; C-ID SOCI 140

Same as SJS-136. Introduction to Gender Studies introduces students to foundational concepts in the field of gender studies. This course compares and contrasts sociological perspectives used to interpret gender. Through the course, students will understand key terms in gender studies, identifying differences between sex and gender and examining how these terms function within a larger social context. The course asks students to understand the main agents behind gender construction for both children and adults while identifying how these constructions operate across social and cultural institutions. Also, students will recognize the relationships between race, ethnicity, class, and sexuality as well as how power is negotiated within those relationships. Finally, students will gain a firm understanding of the social and political movements that have worked to change gender inequalities. May not be repeated. LR

ENGL-146

Hip Hop Queens

Units: 3

Advisory: ENGL-C1000

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
-----	------	-------	------	------------	-------

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC, CSU; Cal-GETC Area 3B

A sister course to English 144, this course will likewise explore hip hop as a form of literary and linguistic art. However, this course focuses specifically on the women in hip hop and their contributions to the culture. This course, then, will not focus on women in hip hop as simply artists performing within a musical genre, but rather as social and cultural disrupters. More importantly, this course will review the contributions from artists such as MC Sha-Rock, Roxane Shanté, Queen Latifah, Lauryn Hill, Lil' Kim, Cardi B, Nikki Minaj and others, focusing specifically on how each reflect and reject social and cultural norms. Students will read a variety of non-fiction texts to both define and contextualize the social and political forces that shape women artists in hip hop while also analyzing song lyrics to discover how women in hip hop subvert dominant cultural norms. As part of this focus on analysis, students will also be introduced to traditional elements of literature, such as metaphor, anaphora and others. May not be repeated. LR

ENGLISH AS A SECOND LANGUAGE (ESL) - CREDIT

ESL-065G

Foundational Grammar 1 - Credit ESL

Units: 3

Advisory: Go through the LMC ESL Self-Placement process and use its guidance and information to confirm the "Entry/Bridge" stage is the best place for you to begin.

Enroll in ESLN-001 College ESL Student Orientation to get even more help.

LMC Degree: NDA

Do you want to strengthen your everyday communication skills by improving your understanding and ability to use a set of fundamental English language grammar structures? In this course, you will develop multiple communication skills as you explore the grammar through short readings, practice and development possibilities, speaking and listening activities, and writing opportunities. If you have been learning English for at least a year and want to develop your ability to communicate in English for general purposes, this course is for you. This is the first of a two-course package at our "Entry/Bridge" stage of General ESL. Successfully complete ESL-065G and ESL-075G, and then apply for the Credit "Foundational Grammar for General Communication College Skills Certificate." May not be repeated. P/NP

Online & Hybrid Sessions

3032 MW 8:50-10:55am CC2-223 LMCStaff 8/24-12/11
W 8:50-10:55am CC2-223

NOTE 1: Register for the Bridge stage counterpart to this class, ESL-075G, NOW if you have not already taken it. The two classes are to be taken together. NOTE 2: Partially Online Course - This class is a combination of in-person and asynchronous online teaching and learning: This class meets in-person on campus for the sixteen weeks shown (8/24-12/11) EACH Wednesday during the 8:50-10:55 time block listed, PLUS it meets the first TWO Mondays of the semester (8/24 and 8/31) from 8:50-10:55; make sure to save this time in your schedule. The balance of instruction will take place during the same sixteen weeks (8/24-12/11) through the internet and the college learning management system Canvas; go to <https://www.losmedanos.edu/onlineclasses/> to learn from the support, guides, tutorials, and app information posted there. Access to reliable internet and a computing device with audio and video capability is required; learn how to borrow/check out technology at <https://www.losmedanos.edu/its/studenttech.aspx>. Visit Counseling Services at <https://www.losmedanos.edu/counseling/> and make an appointment with ESL Counselor, Eva Padilla, to get more help and to create your educational plan. Check your LMC INSITE email (<https://www.4cd.edu/insite/>) for important messages from your professor and the college.

ESL-065PC

Essential Pronunciation & Conversation 1 - Credit ESL

LMC Degree: NDA

Take this course, and you will increase the English words you know and can use for everyday purposes through short readings, conversations, language games and activities, dictionary use, and audio, video, and computer support. You will also begin developing useful reading skills and learning important strategies that will help you understand different social and global topics, events, and ideas. This course is for beginning to high-beginning English language learning students. This is the first of a two-course credit package at our "Entry/Bridge" stage of General ESL. Successfully complete ESL-065VR and ESL-075VR (in the same semester when offered), and then apply for the Credit "Basic Vocabulary and Reading College Skills Certificate." May not be repeated. P/NP

College ESL Student Orientation

LMC Degree: NC

This is the first in a series of three Non-Credit English for college success courses that support English language learners new to the North American college. The course helps nonnative English-speaking students develop and use the English language skills and abilities needed to understand and actively participate in crucial college ESL program entering components, concepts, and processes. Students learn through second language learning activities and opportunities that enable access to and guided participation in onboarding processes and development of the "college knowledge" involved in successfully taking ESL classes at LMC. Students can and are encouraged to strive to earn the College ESL Student Success Certificate of Competency, by taking this course, ESLN-001 (Orientation), ESLN-002 (Navigation), and ESLN-003 (Engagement). P/NP/SP

Non Credit

8827	W	11:10-3:00pm	CC2-283	Moreno, E	12/02-12/02
------	---	--------------	---------	-----------	-------------

This is a fully in-person NON-CREDIT college ESL course. This class is for language learning students whose first language is not English. This class introduces students to our college ESL program, guides students through the process of entering our program, and sets ESL students up for success. The class meets on ONE Wednesday - 12/02/26 - for four hours during the time shown (11:10-3:00). After taking the class, students should make an appointment to meet with our ESL Counselor to create their educational plan. Check your Insite email for important messages from your professor(s) and the college. Do NOT wait to prepare yourself to succeed!

ESLN-065G

Foundational Grammar 1 - Noncredit ESL

Advisory: Go through the LMC ESL Self-Placement process and use its guidance and information to confirm the "Entry/Bridge" stage is the best place for you to begin.

Enroll in ESLN-001 College ESL Student Orientation to get even more help.

LMC Degree: NC

Do you want to strengthen your everyday communication skills by improving your understanding and ability to use a set of fundamental English language grammar structures? In this course, you will develop multiple communication skills as you explore the grammar through short readings, practice and development possibilities, speaking and listening activities, and writing opportunities. If you have been learning English for at least a year and want to develop your ability to communicate in English for general purposes, this course is for you. This is the first of a two-course package at our "Entry/Bridge" stage of General ESL. Successfully complete ESLN-065G and ESLN-075G, and then apply for the Noncredit "Foundational Grammar for General Communication Certificate of Competency." P/NP/SP

Online & Hybrid Sessions

8802	MW	8:50-10:55am	CC2-223	LMC Staff	8/24-12/11
	W	8:50-10:55am	CC2-223		

NOTE 1: Register for the Bridge stage counterpart to this class, ESLN-075G, NOW if you have not already taken it. The two classes are to be taken together. NOTE 2: Partially Online Course - This class is a combination of in-person and asynchronous online teaching and learning: This class meets in-person on campus for the sixteen weeks shown (8/24-12/11) EACH Wednesday during the 8:50-10:55 time block listed, PLUS it meets the first TWO Mondays of the semester (8/24 and 8/31) from 8:50-10:55; make sure to save this time in your schedule. The balance of instruction will take place during the same sixteen weeks (8/24-12/11) through the internet and the college learning management system Canvas; go to <https://www.losmedanos.edu/onlineclasses/> to learn from the support, guides, tutorials, and app information posted there. Access to reliable internet and a computing device with audio and video capability is required; learn how to borrow/check out technology at <https://www.losmedanos.edu/its/studenttech.aspx>. Visit Counseling Services at <https://www.losmedanos.edu/counseling/> and make an appointment with ESL Counselor, Eva Padilla, to get more help and to create your educational plan. Check your LMC INSITE email (<https://www.4cd.edu/insite/>) for important messages from your professor and the college.

Do you want to continue to strengthen your potential to communicate with accuracy and confidence in English-speaking academic and career environments? Then take this class, which builds on the general and intermediate grammar and communication skills that you have already acquired and supports advanced English language learning. You will have opportunities to learn and use a set of advanced English grammar structures to boost your reading, writing, listening, speaking, and thinking abilities and solidify your ability to competently communicate with your peers, professors, and the people you work with in English. This is one course in a three-course noncredit package at our "Advanced" stage of Academic ESL. Successfully complete ESL-095G, ESL-095SL, and ESL-095WR (in the same semester when offered), and then apply for the Noncredit "Advanced English for Academic and Professional Advancement Certificate of Competency." P/NP/SP

ETHNIC STUDIES

ETHN-045

Introduction to Black Studies

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Ethnic Studies; DA

Transfer: UC; CSU; Cal-GETC Area 4, 6

Introduction to Black Studies takes an anti-racist approach to examining racial, ethnic, historical, political, social, and cultural issues, such as anti-blackness and policing of Black bodies, that affect Black, African American, Afro-Latinx, and people of African origin worldwide. Students will utilize an Ethnic Studies and interdisciplinary approach with a focus on Black academic and non-academic knowledge production. Students will acquire a deeper understanding and appreciation for the contributions that Black people have made to human civilization. The class will interrogate the intersections of race, ethnicity, nationality, gender, sexuality, class, ability, and mental health as they relate to Black experiences. May not be repeated. SC

FIRE-106 Physical Fitness for Public Safety Personnel

Units: 1

LMC Degree: DA

Transfer: CSU

This course prepares students for the physical demands of a public safety career and prepares them for the entry level physical agility exam. Students are introduced to the tools and proper procedures for the physical requirements public safety positions require including carrying, lifting, climbing, and pulling equipment as well as proper physical rescue techniques. Also included are aerobic workouts designed to improve cardiovascular endurance, strength training and flexibility. May not be repeated. P/NP

Pittsburg Campus**0177 MW 6:40-8:05pm KAC-105 Mirra, M 8/24-12/11**

This class meets twice per week as scheduled in the LMC Fitness Center at the Pittsburg campus. This class meets Monday and Wednesday from 6:40pm to 8:10pm. For more information, please contact the instructor Gene Mirra at mmirra@losmedanos.edu.

FIRE-107 Principles of Fire and Emergency Services Safety and Survival

Units: 3

LMC Degree: DA

Transfer: CSU

This course is designed for those seeking entry into, as well as those professionally employed in the fire service. This course is required by the California State Fire Training and Fire and Emergency Services Higher Education (FESHE) as it covers key topics to keep fire fighters safe in the course of their job. Topics include assessing fire dangers and handling common fire situations in the home and in the work place; risk abatement and personal preparation for unforeseen fire emergencies; and roles and responsibilities in educating the public on fire safety. May not be repeated. LR

Brentwood Center**9649 F 11:10-2:20pm BRT-303 Hurtado, R 8/24-12/11**

This class meets weekly on Fridays from 11:10am to 2:20pm at the Brentwood campus. For more information, contact the instructor Rick Hurtado at rhurtado@losmedanos.edu.

FIRE-170 Work Experience Education in Fire Technology

Units: 1

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at <https://www.losmedanos.edu/cweel>. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA

Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC

0857 Rose, K 8/24-12/11

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cweel for information. Individual meetings and job site visit held with hours and location by arrangement.

HISTORY

HIST-039

World History to 1500

Units: 3

Advisory: ENGL-C1000- Students should be able to read and write at the college level.

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 3B, 4; C-ID HIST 150

This course presents a broad survey of world history, emphasizing the dynamic interaction of cultures and peoples and the broad patterns of global history up to 1500 CE. The course examines the key social, political, economic, cultural, and intellectual forces that shaped the major world civilizations. While the legacy of these major civilizations will be emphasized, less influential societies are also examined for perspective. May not be repeated. SC

Pittsburg Campus

0318 TTH 9:35-11:00am CC2-228 Smith, J 8/24-12/11

Note: Class meets weekly as scheduled.

HIST-040

World History Since 1500

Units: 3

Advisory: ENGL-C1000- Students should be able to read and write at the college level.

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 3B, 4; C-ID HIST 160

This course surveys world history from 1500 CE to the present, with an emphasis on the dynamic interaction of cultures and societies around the globe. The course considers the social, political, economic, cultural, and intellectual forces that shaped both major societies and less influential ones. The course examines the legacy of these forces worldwide and their contributions to present-day circumstances, including on-going tensions between tradition and modernity. Specifically, it transcends nationalist versions of history to connect the histories of people worldwide through the methodology of World History. May not be repeated. SC

Pittsburg Campus

0143 TTH 12:45-2:10pm CC2-228 Smith, J 8/24-12/11

Note: Class meets weekly as scheduled.

HIST-047

History of Native Americans

Units: 3

Advisory: ENGL-C1000- Students should be able to read and write at the college level.

LMC Degree: ADR: Diverse Perspectives; Social and Behavioral Sciences; DA

Transfer: UC; CSU; US-1; Cal-GETC Area 3B, 4

This course surveys the history of Native American Indians from pre-history to the present. Students will construct an understanding of North American history that centers the American Indian perspective. Major course themes include cross-cultural exchange and adaptation, the construction of racial consciousness, and issues related to tribal sovereignty and relations with the U.S. federal government. May not be repeated. SC

History of Sexuality in North America

Units: 3

Advisory: ENGL-C1000 -Students should be able to read and write at the college level.

LMC Degree: ADR: Diverse Perspectives; Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 4

This course surveys the social construction of sexualities in North America from the colonial period through the present. The course will focus on understanding how the expression and regulation of sexuality both structured cross-cultural contact in North America and contributed to social order and control. Particular emphasis is placed on understanding how the regulation of sexuality both contested and reinforced other hierarchies of power such as race, class, and gender. May not be repeated. SC

HIST-060

History of African-Americans to 1865

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; Diverse Perspectives; Social and Behavioral Sciences; DA

Transfer: UC; CSU; US-1; Cal-GETC Area 3B, 4

This course surveys the African-American experience from its beginnings in West Africa until the end of the Civil War. Major course themes include the development and growth of slavery, the development of racial consciousness and racial ideologies, and emergence of an African-American identity. The course also explores the political, economic, demographic, and cultural influences that shaped African-American life and culture prior to 1865. The course examines the development of African-American economic, social, and political institutions and the impact these have had on American society and culture. The course also surveys African-American interaction with federal, state, and local governments, especially with respect to the U.S. Constitution. May not be repeated. LR

Pittsburg Campus

0290 MW 9:35-11:00am CC2-228 McCarter, P 8/24-12/11

HUMAN-050 Hip Hop Culture: An American Phenomenon

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC; CSU; Cal-GETC Area 3B

This broad-based interdisciplinary course addresses aspects of Hip Hop culture, including its history, philosophy, art, literature, dance and music that has created a culture and identity for American (and international) youth in all its diversity. The sheer volume of multi-ethnic, multilingual, interracial and cross class integration that Hip Hop culture has generated in the last forty years is matched by very few cultural phenomena in the history of this nation. Elements of Hip Hop have touched nearly every sector of our national culture, as well as they have reached into other continents. In light of this, it is imperative to examine the origins and evolution of Hip Hop in the US as a means of understanding its influence on contemporary national dialogues about race, gender, sexuality, class, politics and religion. Accordingly, this course, will explore the relationship of Hip Hop to contemporary social and political discourses by charting its history in the United States from the post-World War II era into the early twenty-first century – approximately 1968 to present. May not be repeated. SC

HUMAN-060 **The Great American Musical: Broadway and American Culture**

Units: 3
 LMC Degree: ADR: Arts and Humanities; DA
 Transfer: UC, CSU; Cal-GETC Area 3A
 This course examines the relationship between American popular culture and American musical theatre, focusing on the shifts in style and content over the past two hundred years. Including European and American theatrical influences, methods of analysis, influential artists throughout history, and the current state of the American musical. Additionally, this course examines the ways in which musical theatre deals with issues such as racism, sexuality, gender, economics, politics and how those issues, woven together through song, dialogue and dance, create a unique American theatrical art form. May not be repeated. SC

Honors

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
KNACT-026A Beginning Soccer					
Units: 1 LMC Degree: DA Transfer: UC; CSU Beginning Soccer is a course designed to provide students with instruction in the fundamental skills of soccer including passing, dribbling, shooting, and trapping the ball. Students will learn the proper form and technique for each of these skills by participating in soccer specific drills as well as in short sided scrimmages. In addition, students will learn the rules of the game, and will learn how to properly warm up and cool down before and after playing soccer in order to reduce the risk of injury. May not be repeated. SC					
Pittsburg Campus					
1452	F	9:30-12:40pm	FB FIELD	Sullivan, Z	8/24-12/11
KNACT-026B Intermediate Soccer					
Units: 1 Advisory: KNACT-026A LMC Degree: DA Transfer: UC; CSU This course provides students with instruction in the Intermediate skills of soccer including passing, dribbling, shooting, and trapping the ball. Emphasis will be placed on knowledge of rules and team strategy. May not be repeated. SC					
Pittsburg Campus					
1453	F	9:30-12:40pm	FB FIELD	Sullivan, Z	8/24-12/11
KNACT-028A Beginning Pickleball					
Units: 1 LMC Degree: DA Transfer: UC; CSU Pickleball is a fast paced, self officiated net game played with two, three, or four people with similarities to tennis, badminton, table tennis, & racquetball. This course will cover rules, strategies, technique, preparation for play, and will include extensive active practice and game play. May not be repeated. SC					
Pittsburg Campus					
0051	MW	12:45-2:10pm	COURTS	Biles, D	8/24-12/11
KNACT-030 Tennis					
Units: 1 LMC Degree: DA Transfer: UC; CSU This course provides students with instruction in the fundamental strokes of tennis including forehand and backhand ground strokes, serve and volley, rules, scoring system and tennis etiquette. The basic tactics of singles and doubles and how to play the game, involving strategy, will be taught. May not be repeated. SC					
Pittsburg Campus					
0058	F	8:00-11:10am	COURTS	Villegas, R	8/24-12/11
KNACT-046A Beginning Basketball					
Units: 1 LMC Degree: DA Transfer: UC; CSU This course is designed to introduce the student to all the basic elements of the sport of basketball. The intent of the course will engage the students in the practice of all the basic skills of dribbling, passing and shooting through individual and group drills. May not be repeated. SC					
Pittsburg Campus					
0100	TTH	11:10-12:35pm	PE-1000	Villegas, R	8/24-12/11
KNACT-046B Intermediate Basketball					
Units: 1 Advisory: KNACT-046A LMC Degree: DA Transfer: UC; CSU					

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
This course is designed to provide students with the opportunity to practice and refine skills and strategies used in the game of basketball. Emphasis will be placed on the application of basketball skills in dribbling, shooting, passing and strategies in game settings. May not be repeated. SC					
Pittsburg Campus					
0099	TTH	11:10-12:35pm	PE-1000	Villegas, R	8/24-12/11
KNACT-057A Beginning Yoga for Health and Fitness					
Units: 1 LMC Degree: DA Transfer: UC; CSU This introductory level class is designed for individuals with no previous yoga experience. Using yoga asanas (postures), students will practice introductory level flexibility, strength, balance, and coordination. Yoga techniques for mind-body connection and centering will include breathing and relaxation methods. May not be repeated. SC					
Pittsburg Campus					
0124	MW	12:45-2:10pm	KAC-106	Biles, L	8/24-12/11
KNACT-057B Intermediate Yoga for Health and Fitness					
Units: 1 Advisory: KNACT-057A or Instructor approval LMC Degree: DA Transfer: UC; CSU This intermediate level class is designed for individuals who have completed beginning Yoga. Using intermediate yoga asanas (postures), students will build upon their level of flexibility, strength, balance, and coordination. Intermediate Yoga techniques for mind-body connection and centering will include breathing and relaxation methods. May not be repeated. SC					
Pittsburg Campus					
0125	MW	12:45-2:10pm	KAC-106	Biles, L	8/24-12/11
KNACT-057C Advanced Yoga for Health and Fitness					
Units: 1 Advisory: KNACT-057A, KNACT-057B or instructor's approval LMC Degree: DA Transfer: UC; CSU This advanced level class is designed for individuals who have completed beginning and intermediate Yoga. Using advanced yoga asanas (postures), students will build upon their level of flexibility, strength, balance, and coordination. Intermediate Yoga techniques for mind-body connection and centering will include breathing and relaxation methods. May not be repeated. SC					
Pittsburg Campus					
0126	MW	12:45-2:10pm	KAC-106	Biles, L	8/24-12/11
KNACT-110 Fitness Center — Training					
Units: 0.5 LMC Degree: DA Transfer: UC; CSU This course is designed to increase cardiovascular endurance, strength, and flexibility through the use of circuit training. A required orientation includes completing an orientation quiz based off the syllabus and the student's current fitness level, learning guidelines on accessing fitness, training and wellness information on-line, and discussing how to train safely and efficiently using state-of-the-art equipment. Optional workouts are posted weekly and staff will assist students in developing individual workout plans and fitness goal(s). May not be repeated. P/NP					
Pittsburg Campus					
0120			KAC-104	LMCStaff	8/24-12/11
54 hours by arrangement. Students are required to purchase Fitness Center Packet (available in the LMC bookstore) and complete the online orientation, in the KNACT 110 Canvas course shell. Fitness Center hours: Monday through Thursday 7am-7pm; Friday 7am-1pm (hours are subject to change) More information available through Canvas Course shell and online, www.losmedanos.edu/fitnesscenter .

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
KNACT-120	Fitness Center — Strength Training				
Units: 0.5					
Prerequisite: KNACT-110					
LMC Degree: DA					
Transfer: UC; CSU					
This course is designed to provide instruction in proper training techniques for increasing muscular strength and endurance, utilizing plate-loaded apparatus, free weights, selectorized weight machines, and Olympic lifting techniques. A required orientation includes an individualized fitness assessment, learning guidelines on accessing fitness, training, and wellness information on-line, and discussing how to train safely and efficiently using state-of-the-art equipment. May not be repeated. P/ NP					
Pittsburg Campus					
0128			KAC-104	LMC Staff	8/24-12/11
54 hours by arrangement. Fitness Center hours: Monday through Thursday 7am-7pm; Friday 7am-1pm (hours are subject to change) More information available through Canvas Course shell and online, www.losmedanos.edu/fitnesscenter .					

KNACT-130	Fitness Center — Functional Fitness Training		
Units: 0.5			
Prerequisite: KNACT-110			
Advisory: KNACT-120			
LMC Degree: DA			
Transfer: UC; CSU			
This course is designed to provide instruction in functional fitness exercises. Functional fitness exercises are designed to train your muscles to work together and prepare them for daily tasks by simulating movements that individuals might do at home, work, or in sports. KNACT-110 with a Pass grade are prerequisites for this class. Orientation quiz required on Canvas. May not be repeated. P/NP			
Pittsburg Campus			
0133	KAC-104	LMC Staff	8/24-12/11
54 hours by arrangement. Fitness Center hours: Monday through Thursday 7am-7pm; Friday 7am-1pm (hours are subject to change) More information available through Canvas Course shell and online, www.losmedanos.edu/fitnesscenter .			

KNACT-140	Fitness Center — Cross Training		
Units: 0.5			
Prerequisite: KNACT-110			
Advisory: KNACT-120; KNACT-130			
LMC Degree: DA			
Transfer: UC; CSU			
This course is designed to provide instruction in cross training fitness exercises. Cross training fitness programs are designed to help the student balance his or her fitness program by varying the workout routines engaging different muscle groups. Cross training improves overall fitness and helps prevent overuse injuries that are common in single activity programs. Emphasis is placed on the use of multiple aerobic activities (walking, running, biking, elliptical) plus muscular strength and functional fitness exercises. KNACT-110, with a Pass grade are prerequisites for this course. Orientation quiz required on Canvas. May not be repeated. P/NP			
Pittsburg Campus			
0137	KAC-104	LMC Staff	8/24-12/11
54 hours by arrangement. Fitness Center hours: Monday through Thursday 7am-7pm; Friday 7am-1pm (hours are subject to change) More information available through Canvas Course shell and online, www.losmedanos.edu/fitnesscenter .			

MATHEMATICS

MATH-120	Number Systems
Units: 4	
Advisory: MATH-029; Students should have a background in algebra for content in this course and for The California Basic Educational Skills Test (CBEST) requires for teaching credentials in California.	
LMC Degree: ADR: Mathematical Concepts and Quantitative Reasoning; DA	
Transfer: UC; CSU; C-ID MATH 120	
MATH-120 is designed for prospective multiple subjects credential candidates.	

► Continued next column

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
Emphasis is on understanding concepts and operations with whole numbers, fractions, and decimals through multiple representations. Problem solving strategies, numeration systems, and elementary number theory are emphasized in relevant contexts. Common Core math standards are also studied. May not be repeated. SC					
Online & Hybrid Sessions					
9583	TTH	6:50-8:40pm	BRT-316	Durrenberger, J	8/24-12/11
Students will meet throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.					

MATH-125	Quantitative Reasoning				
Units: 4					
Prerequisite: Intermediate algebra or higher; or placement process.					
LMC Degree: ADR: Mathematical Concepts and Quantitative Reasoning; DA					
Transfer: CSU ; UC					
Quantitative Reasoning is designed for students in arts and humanities majors. This course explores mathematical modeling and problem solving in real life contexts, including unit conversions, statistics, the mathematics of finance, and voting and apportionment. May not be repeated. SC					
Online & Hybrid Sessions					
2210	MW	10:20-12:10pm	MA2-207	Landers, M	8/24-12/11
Note: Partially online course. This section requires enrollment in MATH-125S-2211.					
Quantitative Reasoning is designed for students in arts and humanities majors. This course explores mathematical modeling and problem solving in real life contexts, including unit conversions, statistics, the mathematics of finance, and voting and apportionment. The professor will have office hours after class, as well as Tuesdays and Thursdays, and Fridays (on ZOOM). Contact the professor at mlanders@losmedanos.edu with questions about this section.					

MATH-125S

Algebra Support for Quantitative Reasoning

Units: 2

Corequisite: MATH-125

LMC Degree: DA

Algebra Support for Quantitative Reasoning is designed for students concurrently enrolled in Math 125 (Quantitative Reasoning). In Algebra Support for Quantitative Reasoning students will review arithmetic and algebraic concepts and strategies that underlie concepts and problems in Math 125. Students will also practice reading and interpreting mathematical texts; engage in problem solving; and work with technology tools for problem solving. May not be repeated. SC

Pittsburg Campus

2211	MW	12:20-1:05pm	MA2-207	Landers, M	8/24-12/11
	MW	1:05-2:10pm	MA2-207		

This section requires enrollment in MATH-125-2210. Algebra Support for Quantitative Reasoning is designed for students concurrently enrolled in Math125 (Quantitative Reasoning). In Algebra Support for Quantitative Reasoning students will review arithmetic and algebraic concepts and strategies that underlie concepts and problems in Math125. Students will also practice reading and interpreting mathematical texts; engage in problem solving; and work with technology tools for problem solving. This course includes required scheduled lab hours. Contact the professor at mlanders@losmedanos.edu with questions about this section.

MATH-140	Applied Calculus				
Units: 4					
Prerequisite: Intermediate Algebra or higher; or Placement Process					
LMC Degree: ADR: Mathematical Concepts and Quantitative Reasoning; DA					
Transfer: UC; CSU; Cal-GETC Area 2					
An introduction to the theory of calculus with applications to problems in business, economics, biology, social and life sciences. Mathematical models will be applied to these fields and problem solving will be emphasized. Topics include: problem solving; modeling; functions; differential calculus; and an introduction to the concepts of integration. Use of a mathematical software package or graphing calculator required. May not be repeated. SC					
Online & Hybrid Sessions					
2212	MW	6:40-8:30pm	MA2-202	Briones, R	8/24-12/11
Note: Partially online course. Class meets as scheduled but the rest of instruction is delivered online via the internet through the college learning management system CANVAS and Zoom software. This section requires enrollment in MATH-140S-2262.

MATH-140S **Intermediate Algebra for Applied Calculus**

Units: 2
Corequisite: MATH-140
LMC Degree: DA
Intermediate Algebra for Applied Calculus covers the algebra skills and concepts needed for success in applied calculus computations and applications. This course is for business and science majors who are concurrently enrolled in Applied Calculus (Math 140) at Los Medanos College. Students will review and learn about function properties, exponent rules, factoring, operations on rational and radical functions, linear functions, exponential functions, logarithm functions, quadratic and polynomial functions, composite functions, inverse functions, Pythagorean Theorem, and basic geometry. Students will use graphing technology to verify solutions. Students will develop mathematical problem solving processes and study skills that promote success in Applied Calculus (Math 140). May not be repeated. SC

Online & Hybrid Sessions

2262			ONLINE	Briones, R	8/24-12/11
Note: Online course. All instruction will be online, without a scheduled class meeting time. This course may use online exam proctoring software to administer exams. Access to a computer with audio and video capability is required. This section requires enrollment in MATH-140-2212.					
2315			ONLINE	Escajeda, M	8/24-12/11
Note: Online course. All instruction will be online, without a scheduled class meeting time. This course may use online exam proctoring software to administer exams. Access to a computer with audio and video capability is required. This section requires enrollment in MATH-140-2314.					

MATH-155 **Precalculus**

Units: 4
Prerequisite: Intermediate Algebra and Geometry, or higher; or placement process
LMC Degree: ADR: Mathematical Concepts and Quantitative Reasoning; DA
Transfer: UC; CSU; Cal-GETC Area 2
Math-155 is an in-depth study of functions and their usefulness in mathematical modeling. Functions are approached numerically, graphically, symbolically, and verbally. Families of functions studied include: linear, quadratic, exponential, logarithmic, trigonometric, power, polynomial, and rational. Additional function topics: rate of change, concavity, domain/range, function transformation/ combination, inverse functions, and asymptotic behavior of functions. Algebraic skills are further developed. This course is primarily intended to prepare students for calculus but may also serve as an advanced course for students not intending to continue with calculus. May not be repeated. SC

MATH-240 Differential Equations

Units: 3

Prerequisite: MATH-220 or equivalent

LMC Degree: ADR: Mathematical Concepts and Quantitative Reasoning; DA

Transfer: UC; CSU; Cal-GETC Area 2; C-ID MATH 240

A study of various methods for solution of ordinary differential equations using analytical methods (such as separation of variables, LaPlace transforms, variations of parameters, undetermined coefficients), graphical methods (such as slope fields, directions fields and phase plane analysis) and numerical methods. May not be repeated. SC

Online & Hybrid Sessions

9599	ONLINE	Hubbard, S	8/24-12/11
Online course. All instruction will be online. This course may use online exam proctoring software to administer exams. Access to a computer with audio and video capability is required.			

MATH-250 Linear Algebra

Units: 3

Prerequisite: MATH-220 or equivalent

LMC Degree: ADR: Mathematical Concepts and Quantitative Reasoning; DA

Transfer: UC; CSU; Cal-GETC Area 2; C-ID MATH 250

This course develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included. May not be repeated. SC

Online & Hybrid Sessions

1428	TTH	9:35-10:50am	MA2-204	Saito, J	8/24-12/11
Note: Partially online course. Students will meet throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.					

STAT-1000S Math Skills for Success in Statistics

Units: 2

Corequisite: STAT-C1000

LMC Degree: DA

(formerly MATH-110S) Math Support for Statistics is for students concurrently enrolled in STAT C1000. In Math Support for Statistics, students will review algebraic, geometric, and arithmetic procedures and concepts that underlie statistical formulas and concepts, do hands-on activities that promote a deeper understanding of statistical ideas, and practice reading skills and other study skills that promote success in STAT C1000. May not be repeated. SC

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
STAT-C1000 Introduction to Statistics					
Units: 4					
Prerequisite: Placement as determined by the college's multiple measures assessment process or completion of a course taught at or above the level of intermediate algebra.					
LMC Degree: ADR: Mathematical Concepts and Quantitative Reasoning; DA					
Transfer: UC; CSU; Cal-GETC Area 2					
This course is an introduction to statistical thinking and processes, including methods and concepts for discovery and decision-making using data. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-squared, and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. Students apply methods and processes to applications using data from a broad range of disciplines.					
Part 2: (Formerly MATH-110) . May not be repeated. SC

MUSIC

MUSIC-008	Applied Music
Units: 0.5	
Prerequisite: Audition	
Advisory: Prior or concurrent enrollment in Music 5, 6, or in major performance medium; Music 30, 31, 32, 33a or 33b; music theory course at appropriate level (Music 15, 16, 17, 18 or 81); and chamber ensembles (Music 50 - 56). Pianists, vocalists, and guitarists may substitute alternative music courses to satisfy chamber ensemble requirement.	
LMC Degree: DA	

► Continued next column

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
Transfer: CSU; C-ID MUS 160					
This course is designed for the music major or minor students who will study their performance medium in private lessons. Students will audition for the available lesson slots. Students will have private lessons for three hours during the semester in addition to weekly lab practice. Each student must pass an audition. It is strongly recommended that the student be concurrently enrolled in Piano (30, 31 or 32), Recital Class (5, 6, or 7), a music theory course at the student's appropriate level (15, 16, 17, 18 or 81), enrollment in any major performance group or Chamber Ensembles (any section between 50-56). Any exception to this list must have instructor's approval. May be repeated three times. LR					
Pittsburg Campus					
0255	TH	2:20-3:45pm	MU3-720	LMCStaff	8/24-12/11
Audition Advisory: Prior or concurrent enrollment in Music 5, 6, or in major performance medium; Music 30, 31, 32, 33a or 33b; music theory course at appropriate level (Music 15, 16, 17, 18 or 81); and chamber ensembles (Music 50-56). Pianists, vocalists, and guitarists may substitute alternative music courses to satisfy chamber ensemble requirement. Note: This course meets 1.5 hours by arrangement each week. Class meets the first Thursday of the semester in room MU3-720 from 1:00-2:25pm.					

MUSIC-010 Music Literature

Units: 3			
Advisory: ENGL-C1000			
LMC Degree: ADR: Arts and Humanities; Diverse Perspectives; DA			
Transfer: UC; CSU; Cal-GETC Area 3A			
This is an interdisciplinary course providing an overview of the creative process with a focus on music. The course develops an aural analysis of music from many cultures and from past to present-day forms of musical creativity; it examines music as a reflection of the beliefs, social conditions and temper of the times. Sophistication in listening will be developed with attention to musical design, forms, style, instrumentation, and the derivation of increased pleasure from this art form. This course provides opportunity for creative analysis by attending and evaluating contemporary performances and concerts. May not be repeated. LR

Units: 1

Advisory: MUSIC-015, MUSIC-016, MUSIC-017, MUSIC-018, MUSIC-013A, MUSIC-013B, MUSIC-030

LMC Degree: DA

Transfer: UC; CSU; C-ID MUS 145

This third semester of Musicianship includes ear training, sight singing, interval and chord recognition, rhythmic and musical dictation and technical and foreign language musical terms. Required for music majors and should be taken concurrently with MUSIC-0017 or MUSIC-018. May not be repeated. LR

Pittsburg Campus

0990	TTH	12:45-2:10pm	MU3-750	LMC Staff	8/24-12/11
-------------	------------	---------------------	----------------	------------------	-------------------

MUSIC-015 Basic Music

Units: 3

Advisory: ENGL-C1000; prior or concurrent enrollment in MUSIC-030

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC (UC transferable, but may not be combined with MUSIC-013); CSU; Cal-GETC Area 3A

This course is an introduction to music reading, functional keyboard, music theory and harmony and includes application of music theory and harmony to basic music compositions. Students will apply music theory and harmony across various styles of music, various cultures and various disciplines. Recommended for students who are not music majors or minors; or for students who are music majors needing reinforcement in basic musical concepts. The need to take this course is dependent upon theory placement exam. May not be repeated. LR

Pittsburg Campus

0230	TTH	12:45-2:10pm	MU3-710	LMC Staff	8/24-12/11
-------------	------------	---------------------	----------------	------------------	-------------------

Online & Hybrid Sessions

0232	ONLINE	LMC Staff	8/24-12/11
-------------	---------------	------------------	-------------------

Note: Online course. All instruction will be online.

MUSIC-016 Music Theory I

Units: 3

Advisory: MUSIC-015, 030, 013A, 013B, 031 and 032

LMC Degree: DA

Transfer: UC; CSU; C-ID MUS 120

MUSIC-016 is the study of musical notation, scales, keys, intervals, rhythm, musical structure, transposition and harmonization. This course, through guided composition and analysis, incorporates the following concepts: rhythm and meter; basic properties of sound; intervals; diatonic scales and triads; diatonic chords, basic cadential formulas and phrase structure; dominant seventh; figured bass symbols; and non-harmonic tones. Development of skills in handwritten notation is expected. This course is required for music majors. May not be repeated. LR

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
Pittsburg Campus					
0248	MW	12:45-2:10pm	MU3-750	LMC Staff	8/24-12/11

MUSIC-018 Music Theory III: Chromatic Harmony

Units: 3

Advisory: MUSIC-017, 032; prior or concurrent enrollment in MUSIC-033A or 033B

LMC Degree: DA

Transfer: UC; CSU; C-ID MUS 140

MUSIC-018 is the study of common practice chromatic harmony. This course incorporates the concepts from Music Theory II. In addition, through writing and analysis, the course will include: introduction to chromatic harmony; secondary/applied chords; modulation; borrowed chords; introduction to Neapolitan and augmented-sixth chords. Activities will include the realization of chromatic and modulating figured bass lines, harmonization of melodies and the harmonic and structural analysis of examples primarily of Romantic musical literature. May not be repeated. LR

Online & Hybrid Sessions

0249	ONLINE	Chuah, C	8/24-12/11
-------------	---------------	-----------------	-------------------

MUSIC-031 Piano I

Units: 1.5

Advisory: Ability to read music at elementary level

LMC Degree: DA

Transfer: UC; CSU

This course includes basic keyboard techniques, easy piano repertoire, major and minor scales, diatonic chord progressions, simple transposition and sight reading skills. This is the first of the required semesters of piano for music majors. May not be repeated. LR

Pittsburg Campus

1662	T	6:40-7:30pm	MU3-750	Cifarelli, J	8/24-12/11
	T	7:30-9:50pm	MU3-750		

MUSIC-033A Intermediate Piano

Units: 1.5

Advisory: MUSIC-032 or placement audition

LMC Degree: DA

Transfer: UC; CSU

Piano study with an emphasis on stylistic interpretation, preparation, and performance of intermediate level keyboard literature from all historical periods. Ensemble and accompaniment skills will be covered as well as keyboard theory and technical aspects of piano playing. May not be repeated. LR

Pittsburg Campus

0167	T	6:40-7:30pm	MU3-750	Cifarelli, J	8/24-12/11

MUSIC-040 Concert Band

Units: 2

Prerequisite: Fundamental skill on a band instrument; assessed by audition

LMC Degree: DA

Transfer: UC; CSU; C-ID MUS 180

Introduction to collegiate level concert band, involving basic studies in musical interpretation, advanced performance concepts, critical sight reading, and extended technical exercises; extensive practice and frequent public performance. May be repeated three times. LR

Online & Hybrid Sessions

0261 W 6:40-9:50pm MU3-720 LMC Staff 8/24-12/11

Note: Partially online course. Students will meet throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.

MUSIC-060 College Chorus I

Units: 2

LMC Degree: DA

Transfer: UC; CSU

This class investigates basic choral group fundamentals. Development of basic vocal techniques through large group activities; extensive practice and frequent public performances. May be repeated three times. LR

Pittsburg Campus

0262 TH 6:40-9:50pm MU3-710 LMC Staff 8/24-12/11

Note: Meets on campus during the days and times listed. +5.06 hours by arrangement each week.

MUSIC-065 Class Voice

Units: 1

LMC Degree: DA

Transfer: UC; CSU

This course is an investigation of vocal techniques such as breathing, dictation, vowel production, and tone quality; care of the voice; music reading and vocal interpretation. Singing and basic repertoire include an introductory to foreign language diction and pronunciation. This is a multilevel course in which each student will concentrate on content areas suited to particular ability levels. Possible public recital will be included. May not be repeated. LR

Pittsburg Campus

0240 TTH 11:10-12:35pm MU3-710 LMC Staff 8/24-12/11

MUSIC-067 Jazz and Vocal Popular Techniques

Units: 1

LMC Degree: DA

Transfer: UC; CSU

This course is designed for anyone who wants to learn more about singing popular forms of music such as blues, jazz, gospel and musical theatre selections. Classroom emphasis will be on various stylistic concepts to achieve the modern vocal sound. May not be repeated. LR

Pittsburg Campus

0236 TTH 11:10-12:35pm MU3-710 LMC Staff 8/24-12/11

MUSIC-077 Chamber Chorale

Units: 2

LMC Degree: DA

Transfer: UC; CSU

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
This course is designed to give students experience in chamber choir music from madrigal style to earlier classical styles. The course will develop singing techniques to aid students in performing with proper historical, technical, and stylistic aspects. Frequent public performances included. May be repeated three times. LR

NURSING - REGISTERED

RNURS-001 Nursing Career Seminar

Units: 0.3

LMC Degree: NDA

This seminar introduces students to the nursing profession and discusses current trends related to the profession. Emphasis is placed on introducing the student to the professional standards of practice of the registered nurse and the licensed vocational nurse. The student is provided with an overview of the course requirements needed to qualify for the Los Medanos nursing programs. May not be repeated. P/NP

Online & Hybrid Sessions

0802 W 3:30-9:20pm ONLINE LMC Staff 11/11-11/11

This is an online Zoom class. Students registered in this class will be emailed a Zoom invitation to this class on November 11th to their INSITE email account. This seminar introduces students to the nursing profession and discusses current trends related to the profession. Emphasis is placed on introducing the student to the professional standards of practice of the registered nurse and the licensed vocational nurse. The student is provided with an overview of the course requirements needed to qualify for the Los Medanos nursing programs. May not be repeated. P/NP. Please read the current Nursing Applicant Handbook that is posted on the LMC Nursing Program webpage, <https://www.losmedanos.edu/nursing/handbook.aspx>

Weekend Courses

0801 S 9:00-2:50pm CC3-336 LMC Staff 10/03-10/03

This is a live session meeting Saturday, October 3rd starting at 9:00 am. This seminar introduces students to the nursing profession and discusses current trends related to the profession. Emphasis is placed on introducing the student to the professional standards of practice of the registered nurse and the licensed vocational nurse. The student is provided with an overview of the course requirements needed to qualify for the Los Medanos nursing programs. May not be repeated. P/NP. Please read the current Nursing Applicant Handbook that is posted on the LMC Nursing Program webpage, <https://www.losmedanos.edu/nursing/handbook.aspx>

RNURS-022 Fundamentals of Nursing Practice

Units: 9.5

Prerequisite: Must be admitted to the Registered Nursing Program

Corequisite: RNURS-023 and 024

LMC Degree: DA

Transfer: CSU

Concepts that provide the foundation upon which homeostasis is maintained in adults and/or children are covered. Common threads integrated throughout the program are nursing process, nutrition, developmental levels, cultural diversity, therapeutic communication, and the professional role of the registered nurse. Concurrent practice in the nursing laboratory and in clinical facilities in the community is included. Elsevier e360 bundle: \$680 every semester. Price subject to change. Mandatory fees associated with this course may include: \$90-\$150 for background check and drug screening; \$20-\$25 for Health Stream Orientation; \$20-\$45 for mask fit testing; \$150-\$250 for uniform/shoes/lab coat; \$15-\$150 for stethoscope and a watch with a second hand; \$40-\$60 for parking at clinical sites; \$55-\$75 for CPR Certification; \$250 for physical exam, lab fees, and immunizations. Fees are subject to changed. May not be repeated. LR

NURSING - VOCATIONAL

VONUR-008	Medical Terminology for Healthcare Occupations		
Units: 1			
Advisory: ENGL-C1000			
LMC Degree: DA			
This course provides an integrated approach to learning and using medical terminology for the person interested in becoming a healthcare professional or one who works in a healthcare occupation. May not be repeated. LR			
Online & Hybrid Sessions			
1431	ONLINE	St Onge, S	8/24-12/11
This course is delivered as an asynchronous class online. However, the first week includes a required live Zoom orientation session on Thursday, April 30th, at 4pm. After the initial meeting, the course continues in a structured asynchronous format with weekly modules, guided instruction, and graded assessments. Instruction is provided through Canvas. Students are expected to complete assigned weekly modules, quizzes, and instructor-guided activities by posted deadlines. Regular instructor announcements, feedback, and progress monitoring are provided throughout the term. Access to a computer with reliable internet, audio, and video capability is required. This is a one-unit course. Students taking this course outside of the LMC LVN program should verify that a one-unit medical terminology course meets their program requirements. For information about accessing online courses, visit www.losmedanos.edu/onlineclasses . Fees: \$105. Fees are subject to change.			

VONUR-015	Leadership & Ethics				
Units: 1					
Prerequisite: VONUR-010, 011, 012, 013, 014; Admission to the Vocational Nursing Program					
Corequisite: VONUR-016, 017, 018, 019, 021					
LMC Degree: DA					
Introduces the student to the roles, responsibilities, legal and ethical changes in society affecting nursing practice and nursing employment. May not be repeated. LR					
Online & Hybrid Sessions					
0405	W	9:00-12:15pm	CC3-340	Hagberg, M	8/24-11/25
This course is a hybrid course with asynchronous online lecture and on-campus activities. Variation in Schedule Week of August 25 (M): This initial asynchronous 3-hour class is to ensure students are equipped with sufficient leadership theory hours for application by the time students are deployed to medical surgical clinical rotation. Following weeks will include one hour and 15 minutes worth of asynchronous learning per week.. November 18 (W): 0900-12:15 Leadership Symposium followed by mock interviews.

VONUR-021 Pediatric Clinical Skills Lab

Units: 2

Prerequisite: Admission to the Vocational Nursing Program; VONUR-010, 011, 012, 013 and 014

Corequisite: VONUR-015, 016, 017, 018 and 019

LMC Degree: DA

Transfer: CSU

This course is designed to provide vocational nursing students with hands-on experience in pediatric nursing care through a combination of lab-based simulations and real-world clinical experiences. In the skills lab, students will practice essential pediatric nursing procedures within a controlled environment that allow students to refine technical skills and develop confidence in a safe setting. Students will also participate in pediatric clinical rotations where they will apply their skills in real pediatric healthcare settings, working under the supervision of experienced nurses and instructors. The course emphasizes the integration of theoretical knowledge with practical skills, focusing on the unique needs of pediatric patients and the importance of family-centered care. By the end of the course, students will be proficient in providing safe, competent, and compassionate care to infants, children, and adolescents in a variety of healthcare environments. \$468.00 (FA Davis bundle: Covers all courses in the VN program) Lab Kit \$150-160 (VONUR20 and VONUR017). Fees are subject to change. May not be repeated. LR

PHILOSOPHY

PHIL-100

Introduction to Philosophy

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC; CSU; Cal-GETC Area 3B; C-ID PHIL 100

Students will critically engage with core philosophical issues and questions, found in primary texts, regarding the topics of metaphysics, epistemology and possible other topics such as ethics, political philosophy, philosophy of religion, history of philosophy, philosophy of self and a life well lived. This course provides a survey of the discipline in its methodology and subject matter, allowing students the opportunity to understand themselves, their community and the pluralistic world around them, introducing students to evaluating philosophical arguments, methods, assumptions, and principles for consistency, relevance, and truth. May not be repeated. SC

PHIL-110	Critical Thinking and Composition				
Units: 3					
Prerequisite: ENGL-C1000					
LMC Degree: ADR: Arts and Humanities; English Composition, Oral Communication and Critical Thinking; Oral Communication and Critical Thinking; DA					
Transfer: UC; CSU; Cal-GETC Area 1B					
This course provides instruction in critical thinking, including traditional logic and argumentative composition. A series of substantial writing assignments (a minimum of 6,000 words total) focus on increasing the sophistication of students' argumentative writing skills. Theoretical models of critical thinking and composition will be applied to academic fields and textbooks, electronic and print media, advertisements, ethics, politics, and multi-cultural issues. Writing assignments will be evaluated for their quality in both critical thinking and composition. May not be repeated. SC

PHIL-122

Contemporary Moral Issues

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC; CSU; Cal-GETC Area 3B

This course is an introduction to morality and its application to contemporary moral issues that our society presently faces such as environmental protection, reproductive rights, consumer rights, and privacy. Students will learn how thinking critically and engaging in a productive dialogue about these challenging issues. May not be repeated. LR

PHIL-140	Philosophy of Religion				
Units: 3					
Advisory: ENGL-C1000					
LMC Degree: ADR: Arts and Humanities; DA					
Transfer: UC; CSU; Cal-GETC Area 3B					
This course will cover both historical and contemporary issues and questions regarding the philosophy of religion. This course seeks to explore philosophical questions within a multicultural religious context, to critically engage with religion to help answer philosophical issues, questions and topics surrounding religion. This typically includes the existence of god, attributes of god, the problem of evil, faith and reason or ethics in religion. May not be repeated. SC

PHYSICAL SCIENCE

PHYSC-005	General Physical Science				
Units: 3					
Advisory: ENGL-C1000					
LMC Degree: ADR: Natural Sciences; DA					
Transfer: UC; CSU; Cal-GETC Area 5A					
This is an introduction to the major disciplines of physical science; physics, chemistry, earth science, and astronomy. Overarching ideas of disciplines will be emphasized, including energy and its transformations, the periodic table, plate tectonics, and the life cycles of stars. Critical thinking, relationships between the disciplines, and applications to everyday life are also emphasized. May not be repeated. LR					
Online & Hybrid Sessions					
9524		ONLINE	Dignon, J		8/24-12/11
Online asynchronous course. All instruction will be provided via the internet through the college learning management system CANVAS and Zoom software. Meets online weekly for asynchronous lecture and lab. This course may use online exam proctoring software to administer exams. Access to a computer with audio and video capability is required.					

PHYSICS

PHYS-015

Introduction to Physics

Units: 4

Prerequisite: Intermediate algebra or equivalent

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU

An integrated study of physical concepts and principles with laboratory methods and techniques. An interdisciplinary approach will be used to develop an understanding of the nature of energy and matter interactions through a study of such topics as motion, thermal physics, electromagnetism, wave phenomena, and modern physics. Emphasis is placed on the creative process of scientific inquiry, on the aesthetics of science, and on the limitations and implications of scientific knowledge. Skills in critical thinking, problem-solving, and effective learning will be developed through the course. May not be repeated. SC

PHYS-037 General College Physics Calculus Supplement I

Units: 0.5
 Corequisite: PHYS-035; MATH-140 or MATH-210
 LMC Degree: ADR: Natural Sciences; DA
 Transfer: UC; CSU
 This course, taken with PHYS-035, is equivalent to a calculus-based physics course. Students learn how to solve calculus-based physics problems in mechanics and thermodynamics, such as center of mass, moments of inertia, and the work done by a gas undergoing various types of expansion. Students will also learn how to convert from approximate, non-calculus formulas to the exact, calculus-based formulas. May not be repeated. LR

POLITICAL SCIENCE

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
POLITICAL SCIENCE					

POLS-040

Units: 3

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; US-3; Cal-GETC Area 4

(formerly POLSC-040) This course provides an overview of California politics, focusing on the organization and operation of government at the state and local governmental levels. This examination will include a review of the historical and geographical factors that have shaped California's development as well as the analysis of the contemporary political, social, demographic, and economic issues facing the state. In addition to consideration of institutional forces at the governmental level, non-governmental entities such as interest groups, campaign professionals, and media organizations, will be prominently featured during this course. The enduring significance of specific subjects and issues in the state political process, notwithstanding the annual budget process, elections, and diversity, will necessitate reflection at specific intervals. Salient features of the overall course design and requirements are structured to achieve a balance among the normative, practical, and participatory dimensions of California politics. May not be repeated. SC

PROCESS TECHNOLOGY

PTEC-007

Industrial Technology Career Skills

Units: 1

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: CSU

This highly interactive course gives students awareness and know-how to succeed in the industrial technology environment. The student will learn about personal and interpersonal interactions including self motivation, communication, teamwork, work/ life balance, shift operations behavior, personal vision, confidence, initiative, attitude, personal appearance and positive behavior. The student will learn about working in the industrial technology environment and acquire these skills through a series of interactions with the instructor and other students utilizing a variety of learning media. May not be repeated. SC

PTEC-010 Introduction to Process Technology

Units: 3

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: CSU

This introductory course will provide a clear overview of everyday life in the Process Technology industry. The student will learn about and experience first hand the variety of equipment used in typical processes and see how important safety and environmental considerations are in petrochemical operations. The class includes labs and field trips to typical chemical and petroleum manufacturing plants. The student is expected to climb ladders to the top of processing units, wear and carry safety equipment, and work in confined spaces. May not be repeated. SC

Pittsburg Campus

PTEC-045 Process Technology III - Operations

Units: 3

Corequisite: PTEC-044

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: CSU

Drawing on the knowledge and skills learned in Process Technology I (PTEC-025) and II (PTEC-035), the student gains a deeper understanding of the responsibilities of an operating technician, including the specific roles of an operating technician and how to apply operation skills to startup and shutdown. The student will also learn how to operate a petrochemical plant and respond safely in the event of an emergency. Additional skills learned are how to keep a written log of process occurrences and communicate effectively with others. May not be repeated. SC

Online & Hybrid Sessions

RECORDING ARTS

RA-010 Introduction to Recording Arts

Units: 3

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: CSU

This course is designed for the general student or the student entering the Recording Arts Program and includes an introduction to the terminology and practices within recording arts. The emphasis is on broad general concepts and practical methods. The content includes audio procedures, microphone techniques, overdubbing and basic mixing. The multi track recorder and mixing console are used for demonstration. May not be repeated. SC

RA-032 Recording Arts Workshop

Units: 1

Advisory: RA-010 and 020; ENGL-C1000

LMC Degree: DA

Transfer: CSU

Recording Arts Workshop is designed to provide students with hands-on experience as recording engineers. The course allows students to apply the fundamental information while participating in recording sessions. Throughout the course, the instructor demonstrates interconnection strategies, microphone technique, and console & digital audio workstation operations. Students are assigned selected activities such as session planning, documentation, session setup, recording basic tracks, overdubbing, basic console & storage device operation, and basic mixing. Second-year Recording Arts students are teamed up with first-year students to work as engineering teams, as they practice professional recording studio procedures. May not be repeated. LR

SOCIAL JUSTICE STUDIES

SJS-110 **Introduction to Social Justice Studies**
Units: 3
Advisory: ENGL-C1000
LMC Degree: ADR: Diverse Perspectives; Social and Behavioral Sciences; DA
Transfer: UC; CSU; Cal-GETC Area 4; C-ID SJS 110
Introduction to Social Justice Studies is an interdisciplinary course introducing students to the history, psychology and sociology of racial, ethnic, class, gender and sexual oppression in the United States and the history, strategy and structure of movements for social justice and liberation. It will explore the major theories of race, ethnicity, class, gender and sexuality as they are linked to social structures and institutional processes. Specific examples of persecution, segregation, and asymmetric power relations will be drawn from the testimony of the oppressed throughout American history - in art, film, literature and music. The practices of oppression and resistance in the United States will be compared and contrasted to the experiences of other nations and cultures. May not be repeated. SC

SJS-135 Introduction to LGBTQ+ Studies

Units: 3
 Advisory: ENGL-C1000
 LMC Degree: ADR: Diverse Perspectives; Social and Behavioral Sciences; DA
 Transfer: UC; CSU; Cal-GETC Area 4; C-ID SJS 130
 Formerly SOCSC-135 (Same as ENGL-135) LGBTQ+ Studies (Lesbian, Gay, Bisexual, Transgender, Queer, and "Plus." The "plus" represents other sexual and gender identities including pansexual, intersex, non-binary, two-spirit, and more). LGBTQ+ Studies takes an intersectional, interdisciplinary, multicultural approach to examining the historical, political, social and cultural issues that have affected LGBTQ+ people throughout time and globally. This class emphasizes that everyone has a gender and sexuality and in this sense explores the strengths of our differences. Students will study people from a wide variety of cultures, and gain a greater understanding of how matters of sexual orientation and gender identity impact and intersect with issues of class, race, ethnicity, ability, nationality, religion and mental health. May not be repeated. SC

SJS-136 Introduction to Gender Studies

Units: 3
 Advisory: ENGL-C1000
 LMC Degree: ADR: Diverse Perspectives; Social and Behavioral Sciences; DA
 Transfer: UC; CSU; Cal-GETC Area 4; C-ID SOCI 140
 Formerly SOCSC-136 (Same as ENGL-136). Introduction to Gender Studies introduces students to foundational concepts in the field of gender studies. This course compares and contrasts sociological perspectives used to interpret gender. Through the course, students will understand key terms in gender studies, identifying differences between sex and gender and examining how these terms function within a larger social context. The course asks students to understand the main agents behind gender construction for both children and adults while identifying how these constructions operate across social and cultural institutions. Also, students will recognize the relationships between race, ethnicity, class, and sexuality as well as how power is negotiated within those relationships. Finally, students will gain a firm understanding of the social and political movements that have worked to change gender inequalities. May not be repeated. SC

SJS-150	Introduction to Race & Ethnicity				
Units: 3					
LMC Degree: ADR: Diverse Perspectives; Social and Behavioral Sciences; DA					
Transfer: UC; CSU; Cal-GETC Area 4; C-ID SOCI 150					
(formerly SOCSC-150) Introduction to Race and Ethnicity encourages students to consider theoretical perspectives that are prevalent in current research on race and ethnicity. This course will also help students establish an extensive understanding of the ways that race is constructed historically, politically, and socially. Primarily through a sociological approach, this introductory course will prompt students to examine, evaluate, and identify key issues that arise within the frame of majority-minority group relations. Additionally, this course will ask students to analyze the ways that race and ethnicity intersect with locations of identity such as gender and class. More crucially, Introduction to Race and Ethnicity will motivate students to strive for racial/ethnic equality and social inclusion in an era in which racial discrimination is still significant. May not be repeated. SC					

SOCIOLOGY

SOCIO-012 Introduction to Marriage and Family

Units: 3
 LMC Degree: ADR: Social and Behavioral Sciences; DA
 Transfer: UC; CSU; ;Cal-GETC Area 4; C-ID SOCI 130
 This course is an analysis of the family and how socio-cultural and economic forces have shaped the family. This course is designed to help students better understand family system dynamics and appreciate the variety and diversity among families today. Students will be introduced to a variety of topics including: traditional family and changing family forms, gender roles and socialization, communication patterns, singlehood, cohabitation and other non-marital options, family violence, crises and change, and the future of the family. May not be repeated. SC

SPAN-047		Spanish for Healthcare Professionals			
Units: 3					
LMC Degree: DA					
Transfer: CSU					
This beginning course in Spanish is designed for students whose professional careers and personal interest take them to the healthcare field. This course will enable students to convey conversations with Spanish-speaking patients and their families. The students will develop basic skills in the target language to carry on medical/ nursing functions or tasks. This course is also helpful for students who have a basic knowledge of Spanish whose goal is to apply the target language to a healthcare setting. May not be repeated. SC					
Online & Hybrid Sessions					
0689	W	6:40-8:10pm	CC2-226	LMC Staff	8/24-12/11
Note: Partially online course with asynchronous lecture. Students will meet throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.					

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
4440	T	8:30-10:04am	DLHS	LMC Staff	8/11-12/08
THIS SECTION IS RESERVED FOR DOZIER LIBBY HIGH SCHOOL STUDENTS. Note: Partially online course. Students will meet once a week throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software. The class meets on the following dates: 8/11/2026, 8/18, 8/25, 9/1, 9/8, 9/15, 9/22, 10/6, 10/13, 10/20, 10/27, 11/3, 11/10, 11/17, 12/1, 12/8 following the AUSD calendar (16)					

SPAN-050

Elementary Spanish I

Units: 5

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC; CSU; C-ID SPAN 100

A visual/oral/aural approach to understanding, speaking, reading, and writing Spanish as it is used in Mexico, Central/South America, Spain, and the Southwestern United States. The content used in learning the language is drawn from the rich Mexican, Chicano, African, Afro-Caribbean and Latinx cultures. It is highly recommended that upon completion of SPAN-050, the second course SPAN-051 be taken the following semester. This course is equivalent to two years of high school Spanish. May not be repeated. SC

Online & Hybrid Sessions

0639 M 11:10-1:40pm SS4-412 LMC Staff 8/24-12/11

SUPERVISED TUTORING

SPTUT-020N Supervised Tutoring

LMC Degree: NC
Individualized tutoring designed to assist students to increase their success in college. Content varies depending on course subject matter and may include assistance with course work, homework, exam preparation for grade improvement. This is a free, noncredit, open-entry/open-exit course where tutoring is provided by college staff or student tutors under faculty supervision. P/NP/SP
8804 LMC Staff 8/24-12/11
Hours by arrangement: Math Tutoring Center
8844 Noel, J 8/24-12/11
Hours by arrangement: Center for Academic Support
9900 Stricker, M 8/24-12/11
Hours by arrangement: BRT Math Lab

UAS/DRONE OPERATIONS - NON-CREDIT

DRONE-010N Remote Pilot Certification Preparation

Advisory: At least 16 years old, able to read, write, speak, and understand English, be in a physical and mental condition to safely fly a UAS
LMC Degree: NC
This course reviews and prepares students to take the Federal Aviation Administration's initial aeronautical knowledge test, and help complete FAA Form 8710-13 for a remote pilot certificate, through lecture, discussion and individual flying of drones. It will help guide students on basic aeronautics and operations as they pertain to drone piloting. P/NP/SP

Online & Hybrid Sessions

8833 ONLINE LMC Staff 9/08-12/11

WELDING

WELD-010 Basic Arc Welding Theory

Units: 3
Advisory: Concurrent enrollment in WELD-011
LMC Degree: DA
Transfer: CSU
This course is required of all beginning arc welding students to assist them in developing the knowledge of safety and safe practices, fundamentals of Shielded Metal Arc Welding, power sources, and AWS classification of electrodes and electrode selection. Topics Included in this course are: Welding terminology, flame cutting, control of distortion, welding procedure specifications and pipe welding. May not be repeated. LR

Pittsburg Campus

WELD-011 Basic Shielded Metal Arc Welding Practice

Units: 2
Advisory: Concurrent enrollment in WELD-010
LMC Degree: DA
Transfer: CSU
This lab course is required for all beginning Shielded Metal Arc Welding (SMAW) students. Students will practice T-Joint fillet welding in all positions with the SMAW process using E6010 electrodes as well as flame cutting with the oxyacetylene torch. Students must provide their own personal protective equipment (PPE) as discussed during first day orientation. May not be repeated. LR

WELD-020 Intermediate Shielded Metal Arc Welding Practice

Units: 2
Prerequisite: WELD-011
Advisory: WELD-010
LMC Degree: DA
Transfer: CSU
This lab course is designed for intermediate Shielded Metal Arc Welding (SMAW) students. Training with different electrodes is conducted to allow a student to obtain the necessary skills to pass visual inspection and a fillet-break test. This course covers Shielded Metal Arc Welding on T-Joints (fillet welds) in all positions with E7018 as well as plasma arc cutting techniques and practice. May not be repeated. LR

WELD-021 Advanced Shielded Metal Arc Welding Practice

Units: 2

Prerequisite: WELD-010; WELD-020

LMC Degree: DA

Transfer: CSU

This lab course is designed for advanced SMAW students. This course covers layout, fitting, tacking, and plate welding in all positions with a V-groove joint configuration and backing bar. This course utilizes welding with E7018 and allows the student to obtain the skills to pass a visual inspection and the bend or X-ray test. Air Carbon Arc Gouging techniques and practice. May not be repeated. LR

WELD-031 GTAW Welding Practice

Units: 2

Advisory: WELD-010, WELD-015 or concurrent enrollment in WELD-040

LMC Degree: DA

Transfer: CSU

This course is designed to develop welding skills with the Gas Tungsten Arc Welding (GTAW) aka TIG process as frequently utilized in industry. It includes welding steel, stainless steel, and aluminum on light gauge metals in various positions using several joint configurations. This course includes set-up, calibrating, adjusting, operating, and shutting down the equipment. May not be repeated. LR

WELD-033 GMAW Welding Practice

Units: 2

Advisory: WELD-010, WELD-011, Concurrent enrollment in WELD-040

LMC Degree: DA

Transfer: CSU

This course is designed to develop welding skills with the Gas Metal Arc Welding (GMAW) aka MIG process as frequently utilized in industry. It includes welding steel sheetmetal and plate in all positions in various joint configurations. This course includes set-up, calibrating, adjusting, operating and shutting down the equipment. May not be repeated. LR

Pittsburg Campus

WELD-035 Blueprint Reading for Welders

Units: 3

Advisory: WELD-010, WELD-040

LMC Degree: DA

SEC	DAYS	HOURS	ROOM	INSTRUCTOR	DATES
-----	------	-------	------	------------	-------

Transfer: CSU

Blueprint reading skills and the ability to interpret American Welding Society welding symbols is required by the metalworking and fabrication industry. This course is designed to teach blueprint reading skills to both beginning welding students and experienced welders. This course will make you more valuable to employers and will improve your employment potential. It covers the basic orthographic principles of three-view projections, dimensioning, sections, and freehand sketching. Emphasis is placed on plate and structural fabrication, print reading, steel classifications, interpretation of the American Welding Society (AWS) welding symbols, and cost estimating of materials for fabrication. May not be repeated. LR

Pittsburg Campus

2076	TTH	12:45-2:10pm	CC2-256	Meyer, J	8/24-12/11
------	-----	--------------	---------	----------	------------

WELD-040 TIG, MIG and FCA Welding Theory

Units: 3

Advisory: WELD-010

LMC Degree: DA

Transfer: CSU

This is the second course in the welding theory sequence for students to learn the knowledge of safety and safe welding principles required for the operation of Gas Tungsten Arc Welding (GTAW), Gas Metal Arc Welding (GMAW), and Flux Cored Arc Welding (FCAW) equipment. Topics include: practices, procedures and techniques, electrode identification, gases for ferrous and non-ferrous metals, welding discontinuities and defects, welding power sources, material identification and classification, welder certifications and procedure qualifications. This knowledge is essential in developing a solid foundation regarding equipment use and its proper application in the welding trade. It is recommended that students get "hands-on" experience with TIG, MIG or FCAW welding by taking WELD-031, 033, or 043 concurrently. May not be repeated. LR

Pittsburg Campus

1233	W	6:40-9:50pm	CC2-256	Gesink, D	8/24-12/11
------	---	-------------	---------	-----------	------------

WELD-041 Pipe Welding Practice

Units: 2

Prerequisite: WELD-021

Advisory: WELD-031

LMC Degree: DA

Transfer: CSU

This course is an advanced Shielded Metal Arc Welding (SMAW) course that includes open-groove plate and pipe welding in all positions. This course involves cutting, layout, fit-up, tacking, and welding of plate and pipe. Students perform welding in the 2G, 3G, and 4G plate positions then onto 2G, 5G, and 6G pipe positions. This course provides skills to enable the student to pass a visual inspection and the bend or X-ray test. May not be repeated. LR

WELD-043 Flux-Core Arc Welding Practice

Units: 2

Prerequisite: WELD-020

Advisory: WELD-010, 21, 040

LMC Degree: DA

Transfer: CSU

This course is designed to develop welding skills with the Flux-Core Arc Welding (FCAW) process as frequently utilized in industry. One practices the skills to weld plate fillet and groove welds in all positions primarily employing the self-shielded version of this process as well as introduction to the gas-shielded version. This course contains set-up, adjusting, and operating of the FCAW equipment. May not be repeated. LR

WORK EXPERIENCE EDUCATION

WRKX-170 Work Experience Education

Units: 1

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at <https://www.losmedanos.edu/cwee/>. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA

Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC

0873 **Perez-Nicholas, C** **9/14-12/11**

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

0874 **Garcia, D** **8/24-12/11**

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

0880 **Ramirez-Godinez, S** **8/24-12/11**

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

0881 **Padilla, E** **8/24-12/11**

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

semester in person once a week during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.

Steps to successful registration and enrollment

To register and enroll in courses at Los Medanos College, follow these steps. These required steps are designed to support students in having a successful academic experience.

- 1. Application:** All students new to Los Medanos College, as well as those who have missed two or more consecutive semesters, must submit a completed application online. Applications for the Summer, Fall and Spring semesters are accepted beginning September 15.
- 2. Placement:** The Guided Self-Placement provides English and math placement based on completing a Multiple Measures Placement survey, Guided Self-Placement or transcript evaluation. An English or math placement is required for all students who plan to earn an associate degree, transfer to a four-year institution or enroll in certain courses with prerequisites. Placement is required for priority enrollment.

- 3. Orientation:** All new students are required to complete an online orientation to LMC. Students can also attend the New Student Workshop or counseling class. In the New Student Workshop or counseling class, students will be able to clarify their educational goals, learn about student services and programs, as well as develop their initial education plan.
- 4. Education Plan:** All new students are expected to complete an initial individual electronic education plan with the assistance of a counselor prior to registering for classes. This is completed in the "Education Planning/Registration Workshop." As part of the education planning process, all students must state a specific education goal no later than upon completion of 15 units of course work.
- 5. Registration:** Registration is set up on a priority system (see Course Enrollment Priority) and may be completed online. Students who enroll in courses must pay appropriate fees (see FEES section).

- 6. Counseling:** All students are expected to schedule an appointment with a counselor at least once each semester or as needed, to review, update and expand their initial educational plan.
- 7. Attendance & successful completion of classes:** All students are expected to attend their classes regularly, complete assigned coursework on time, and complete their courses each semester. Students are also expected to maintain regular progress towards their educational goal.

Enrollment and Degree Verifications

Enrollment and degree verifications can now be done online through the National Student Clearinghouse. To obtain a free copy of your official verification of enrollment (24 hours a day, 7 days a week), go to (www.losmedanos.edu). Log onto InSite and click on "Grades-Transcripts", then "Enrollment Verification" to obtain this free service.

If an organization needs to verify your enrollment or degree and will not accept your printed copy, refer them to: National Student Clearinghouse, 13353 Sunrise Valley Drive, Suite 300, Herndon, VA 20171, Web: (www.studentclearinghouse.org), E-mail: service@studentclearinghouse.org, Phone: (703) 742-4200, Fax: (703) 742-4239. Your enrollment information is sent to the Clearinghouse three times each semester. Rush requests from the Admissions and Records Office will be processed in 24 hours for \$5. Standard service is \$2 and will be processed in 3-4 business days.

Academic Scholarship Standards

Attendance

Students are expected to be punctual and attend all courses in which they are enrolled. Students may be dropped by the instructor for failure to attend class in the following circumstances:

1. Failure to attend first class meeting.
2. Absence from three consecutive weeks of instruction.
3. At any point when it is concluded that absences have irretrievably affected the student's progress in his/her course-work.

Grades should not be used as punishment for absences. However, academic grades may be lowered to the degree that instructors can estimate the loss of cognitive, affective, or skills learning due to student absences.

Grading

The evaluation in college-level courses is a prime responsibility of the instructor. Such evaluation involves the measurements of achievement against the objectives of the course and the assignment of a letter grade to denote the student's degree of success.

The grade, as submitted by the instructor, shall be considered final and permanent. Grades cannot be changed by submitting additional coursework or taking examinations after the semester (or term) is completed. Under state law, the instructor's determination is final unless the grade given was the result of 1) mistake, 2) fraud, 3) bad faith, or 4) incompetency. (Ed. Code Section 76224.)

No grade may be challenged more than one year after the end of the session in which the grade was assigned. For information on the policy regarding grade challenges, contact the Office of Student Life.

Final Grades

Final grades can be accessed at the end of instruction, following instructor grade entry online.

Students can view their final grades by logging into InSite or EllucianGo mobile app.

Students will lose their California College Promise Grant (CCPG) upon two (2) consecutive semesters on probation and will need to appeal.

Evaluative Symbols Grading Scale

Symbol & Definition	Grade Points
A Excellent	4
B Good.	3
C Satisfactory	2
D Passing, less than satisfactory.	1
F Failing.	0
P Pass (at least satisfactory — C or better — units awarded not counted in GPA)	
NP No Pass (less than satisfactory or failing — units not counted in GPA)	
SP Satisfactory Progress towards completion of the course (used for noncredit courses only and is not supplemented by any other symbol)	
W Indicates withdrawal from a course within the allowed time	
EW Excused withdrawal, such as a medical withdrawal or a withdrawal due to extenuating circumstances, may be requested at any point in the semester with supporting documentation.	
MW Military Withdrawal occurs when a student who is a member of an active or reserve US Military service receives orders compelling a withdrawal from courses	
I Incomplete — Academic work that is incomplete for unforeseeable emergency and justifiable reasons at the end of a term; student must be passing course to be eligible for incomplete. Student will not re-enroll in the course to complete pending assignments, projects or exams. A final grade is assigned when the work has been completed or after one year.	

Pass/No Pass Grade Option:

The purpose of the Pass/No Pass (P/NP) option is to allow students to take challenging courses while avoiding undue concern for their grade point averages. Students who select this option are, however, expected to complete the course, comply with attendance requirements, and comply with all other requirements of the course.

Selected courses have been labeled with "SC" to indicate student choice for the P/NP option. If students do not choose the P/NP option before the deadline, they will be issued a letter grade for the course.

It is often best to discuss this choice with a counselor.

In order to exercise this option, a petition must be filed with the Admissions & Records Office at the time of registration or no later than the deadline listed for a full-semester class. Petitions for summer session and short-term courses must be filed no later than the second to last day of the course. **After the deadline has passed, the grading choice may not be reversed.**

Important information related to the P/NP option:

- A P grade represents a letter grade of A, B, or C
- A NP grade represents a letter grade of D or F
- Units earned on a P/NP basis will not be used to calculate grade point averages
- Units attempted for which NP is recorded will be considered in factoring probation and dismissal status
- Units earned on a P/NP basis will apply to the 60 units required for an associate degree
- Students should be aware that other colleges and universities may or may not limit the number of P units that will be accepted from transfer students.

Alert & Dismissal

Alert and dismissal status is based on coursework that is attempted and/or completed within the Contra Costa Community College District. Students should be aware that their academic standing is not based solely on units completed at Los Medanos College.

Categories of Alert & Dismissal

- **Alert 1 Status:** One (1) semester with cumulative GPA under 2.0 with 12 or more cumulative units attempted, and/or 50 percent or more of attempted courses resulting in a W, I, and/or NP.
- **Alert 2 Status:** Two (2) consecutive semesters with cumulative GPA under 2.0 with 12 or more cumulative units attempted, and/or 50 percent or more of attempted courses resulting in a W, I, and/or NP.
- **Dismissal Status:** Three (3) consecutive semesters with cumulative GPA under 2.0 with 12 or more cumulative units attempted, and/or 50 percent or more of attempted courses resulting in a W, I, and/or NP.

Notification of Academic/Progress Alert and Dismissal

Students on Academic/Progress Alert or Dismissal status are notified by the department of Student Success & Retention Programs as soon as possible, but not later than the end of the following term.

Students on Academic/Progress Alert II and/or Dismissal status are required to meet with a Student Success & Retention counselor.

Enrollment Petition for Academic /Progress Alert and Dismissal

A student on Academic or Progress Alert I, II, or Dismissal status will be required to complete the steps below prior to enrolling in courses. Requirements are based on students' respective status.

Academic or Progress Alert I Status:

Step 1: Review notice of Alert I status emailed to InSite.4cd.edu address

Step 2: Successfully complete online Alert I Workshop

Academic or Progress Alert II Status:

Step 1: Review notice of Alert II status emailed to InSite.4cd.edu address

Step 2: Register and participate in LMC Alert II Workshop (go to www.losmedanos.edu/student-services/engage/workshops.asp)

Step 3: Earn a minimum term GPA 2.0 or better with no grade below C, including NP, I or W

Step 4: Submit Academic Progress Report (APR) by date specified to LMC Student Success & Retention Programs (SSRP).

Step 5: Meet with a Student Success & Retention Counselor during specified dates.

NOTE: Students on Academic or Progress Alert II will lose their priority registration priority but may appeal their registration date with Admissions & Records. Students will also lose their eligibility for the California College Promise Grant (CCPG). For more information on how to complete an appeal please check with the Financial Aid Office.

Based on student cumulative GPA and/or number of units completed, one or more semesters may be required to remove a student from Alert II status.

Academic/Progress Dismissal Status:

Step 1: Review notice of dismissal status emailed to InSite.4cd.edu address

Step 2: Register online to meet with a Student Success & Retention Coordinator (SSRP) to begin the process for reinstatement (go to www.losmedanos.edu/student-services/engage/workshops.asp).

Step 3: Complete additional requirements and submit supporting documents.

Step 4: Receive notification of Petition for Reinstatement Status (i.e. approved, denied, or pending) at InSite.4cd.edu address within 10 business days after submission of supporting documents.

Step 5: If reinstatement petition is granted, student must successfully complete a non-credit Counseling 034N course before registering for classes. In addition, students must adhere to the following guidelines:

- Earn a minimum term GPA 2.0 or better with no grade below C, including no NP, I or W.
- Submit Academic Progress Report (APR) by date specified to LMC Student Retention and Support Services to maintain admissibility.
- Meet with a Student Success & Retention Counselor during specified date.

Students who fail to earn a term GPA 2.0 or better with no grade below a C, including an NP, I or W and/or fail to submit an APR may be dismissed for a period of one semester. Based on student cumulative GPA and/or number of units completed, one or more semesters may be required to remove student from dismissal status.

NOTE: Students on Dismissal will lose their priority registration but may appeal their registration date with Admission and Records, if their Hold Release petition is approved. Students will also lose their eligibility for the California College Promise Grant (CCPG). For more information on how to complete an appeal please check in with the Financial Aid Office.

Course Repetition

Courses are not repeatable unless noted within the course descriptions listed in the catalog. Students may repeat a non-repeatable course only to alleviate a substandard grade of D, F or NC/NP.

Students are limited to enrolling in credit classes a maximum of three times. This includes students earning substandard grades or dropping with a "W." Course repetition may only be granted for limited conditions.

Students must file a petition for course repetition located in the LMC Student Forms tile on InSite. Students are urged to manage course load. Carefully consider dropping courses and understand all deadlines. Take advantage of tutoring and other support services to achieve successful completion of all courses.

When a course is repeated to alleviate a substandard grade, the previous grade will be disregarded in computing the student's grade point average. The substandard grade will remain on the student's transcript with a notation that the course has been repeated.

Courses that are repeatable are noted in the college catalog with the number of repeats allowed. Students may not repeat a course beyond the maximum repeats, even to alleviate substandard grades.

Course repetition cannot be used to make up an incomplete 'I' grade.

Withdrawals

- Students who have documented extenuating circumstances such as accidents, illness or other circumstances beyond the control of the student, may apply for a withdrawal after the 75 percent of the term (petition required).
- A 'W' shall not be assigned if the student withdraws due to the impact of fire, flood or other extraordinary conditions (petition required).
- In the case of discriminatory treatment or retaliation for discriminatory treatment a 'W' shall not be assigned.
- Active or reserve military students who receive orders compelling a withdrawal from courses will receive a military withdrawal which shall not be counted in the limit of withdrawals or progress probation.

Academic Renewal Policy

Based on the Academic Renewal Policy, substandard grades may be disregarded if they are not reflective of a student's demonstrated academic ability. If Academic Renewal is approved, the student's permanent record will be notated with appropriate comments and the substandard (D, F) unit values will not be computed in the cumulative grade point average. The "renewed" courses and the related grades will not be removed from the record, as the district is required to show a complete and accurate academic record for every student (Title 5, Section 55046).

Students **MUST** meet with a counselor to review options for Academic Renewal, as this procedure is irreversible.

1. Only substandard grades will be renewed
2. You must not have received any D's, F's or NC/NP since the substandard work (minimum 2.0 since substandard work)
3. Up to 30 units may be renewed; district courses can be combined up to the maximum of 30 units, however each college will adjust their own work.
4. Courses that have already been removed from GPA by course repetition will not be renewed.
5. You must complete either:
 - a. Nine units of work with a 3.5 cumulative grade point average;
 - b. 12 units of work with a 3.0 cumulative grade point average;
 - c. 15 units of work with a 2.5 cumulative grade point average; or
 - d. 20 units of work with a 2.0 cumulative grade point average.

The unit count begins the semester after the last substandard grade was received. The coursework upon which the Request for Academic Renewal is based, may have been completed within the Contra Costa Community College District or any other regionally accredited college or university, including upper division coursework.

Student Conduct and Discipline

Students shall conduct themselves consistent with the Student Code of Conduct while on campus or participating off campus in online or hybrid courses, or at college sponsored events or programs, including but not limited to field trips, student conferences, debate competitions, athletic contests, club-sponsored events, and international study programs, regardless of location. Students shall also conduct themselves consistent with the Student Code of Conduct in any matter related to school activity or attendance.

Misconduct that constitutes grounds for disciplinary action includes, but is not limited to:

- Acts of academic dishonesty, including, but not limited to cheating, tampering, fabrication, plagiarism, or assisting others in an act of academic dishonesty
- Dishonesty, such as lying, plagiarism, knowingly furnishing false information, or reporting a false emergency to any college official,
- Forgery, alteration, misappropriation or theft, misuse of any District or college document, record, key, electronic device, or identification

- Obstruction or disruption on or off District property of teaching or of the District's educational process, administrative process, disciplinary procedures, or other District functions and activities,
- Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, college personnel;
- Engaging in intimidating conduct or bullying against another student through words or actions, including direct physical contact, verbal assaults, such as teasing or name-calling; social isolation or manipulation; and cyberbullying.
- Engaging in harassing or discriminatory behavior based on disability, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.
- Vandalism, graffiti, or other willful misconduct which results in cutting, defacing, or other damages to any real or personal property owned by the District or a member of the college community;
- Assault, battery, violence or threat of violence, or any willful misconduct which results in an injury or death of a student or District personnel or behavior that threatens the health and safety of any member of the college community;
- Theft of District property, or property in the possession of, or owned by, a member of the college community;
- Failure to comply with the directions of District or college officials acting in the performance of their duties and/or failure to identify oneself to these persons when requested to do so;
- The use, sale, distribution, or possession on District property of, or presence on District property while under the influence of, any controlled substances, or any poison classified as such by Schedule D section 4160 of the Business and Professions Code or other California laws on District property or at any District-sponsored event.
- Possession, consumption, sale, distribution or delivery of any alcoholic beverage on District property in college buildings or on college grounds, or at college-sponsored or supervised activities
- Sexual misconduct, including sexual activity in the absence of affirmative consent.
- Rape, date rape, sexual harassment, sexual violence, sexual assault, or threat of an assault upon a student or member of the

college community on District property, or at a college or District-sponsored or supervised function;

- Unauthorized use of, or misuse of District property, including, but not limited to, unauthorized possession, duplication or use of District keys and/or unauthorized entry into, unauthorized use of, or misuse of District property;
- Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the Governing Board, or college policy;
- Misuse of computers and networks
- Any other ground constituting good cause.

For a complete copy of the Student Code of Conduct, which includes additional information and expectations for student conduct call (925) 473-7468, or visit the college website at:
www.losmedanos.edu/studentcodeofconduct/

Student Right-to-Know and Campus Security Act

It is the policy of the district to comply with the Student Right-to-Know and Campus Security Act (Public Law 101542) signed into law November 8, 1990. The district shall make available the completion or graduation rates of certificate or degree seeking, full-time students entering any of the colleges, to current students, and to each prospective student upon request prior to that student's enrolling or entering into any financial obligation, beginning July 1, 1993, and annually thereafter.

- The district shall make available the completion or graduation rates of certificate or degree seeking, full-time students entering any of the colleges, to current students, and to each prospective student upon request prior to that student's enrolling or entering into any financial obligation, beginning July 1, 1993, and annually thereafter.
- Annual reports of criminal activity on campus and procedures for prevention of campus crime, as required by the Crime Awareness and Campus Security Act of 1991. This information is available, on request, from the campus Police Services Office or the LMC website under Campus Police.

Student Services

PITTSBURG CAMPUS

Online Services

Monday-Thursday: 9:00am–5:00pm

Friday: 9:00am–1:00pm

BRENTWOOD CENTER

Online Services

Monday-Thursday: 9:00am–5:00pm

Friday: 9:00am–1:00pm

* Some department hours may vary due to staffing and/or location, and are individually posted if different than the general hours of operation listed above.

Admissions & Records

www.losmedanos.edu/admissions

The Admissions & Records Office provides service to students regarding admission, registration, records, evaluation of degree and certificate requirements, course adds and drops, and graduation. This office also provides assistance to veterans, international students and students applying to the nursing program.

BOEP

www.losmedanos.edu/boep

BOEP, Brothers of Excellence Program, is an ambitious program designed to dramatically improve academic and life outcomes for African American males who attend LMC by creating and nurturing academic and community partnerships that guide, inspire, and motivate these men to reach their full potential. The program is supported through a combined effort from EOPS & Equity.

Bookstore

www.losmedanos.edu/bookstore

The Bookstore offers textbooks (for sale and rent), school supplies, and learning materials. NOTE: rental textbooks are available!

To purchase or rent your textbooks, check your course print-out against the book list posted at the Bookstore or check our website for books required by your instructor. During the first two weeks of the semester, the Bookstore will give textbook refunds due to schedule changes provided that the original cash register receipt is presented with textbooks. Textbooks and course materials must be in new condition, wrapped and complete with all components. The Bookstore accepts cash, Visa, and MasterCard for

your purchases. Checks are not accepted. The Bookstore is located in the Student Union. Visit our website to order books online and to check for current store hours.

CalWORKs

www.losmedanos.edu/calworks/

The state-funded California Work Opportunity and Responsibility to Kids (CalWORKs) program assists TANF/CalWORKs recipients in their transition from welfare to long-term self-sufficiency through coordinated student services, including: work study, job placement, child care, book vouchers, counseling (e.g., personal, crisis, career, educational planning), and workshops that promote job-skills and job-readiness.

CARE

www.losmedanos.edu/student-services/eops/care/

CARE, Cooperative Agencies and Resources for Education, is a component of the EOPS Program. It is designed for EOPS students who are single parents with dependent children receiving CalWORKs county cash aid either for themselves and/or their children. The mission of the CARE program is to support students in their transition from welfare to long-term self-sufficiency, by offering services such as leadership workshops, childcare assistance, and educational grants.

Career Services

www.losmedanos.edu/career

Transfer & Career Services provides students and alumni with current information, career assessment and counseling services designed to assist in exploring career potential and possibilities. Services include: career/job search web access, career tools, career exploration, labor market information, vocational program information, workshops, and other career programs.

Cashier's Office

The Cashier's Office processes student payments and billings. The office is adjacent to Admissions & Records.

Center for Academic Support

www.losmedanos.edu/core

The Center for Academic Support is committed to providing quality reading and writing support to all LMC students across the curriculum. The Center offers students individualized consultations for any reading and writing concerns they encounter as they pursue their educational goals in any class. The Center also offers free peer tutoring in many subjects, available by drop-in or appointment.

To set up virtual or in person appointments for either individual consultations or peer tutoring, please visit www.losmedanos.edu/core/.

Child Care

www.losmedanos.edu/childcare

Low-cost, NAEYC nationally accredited child care services are provided (on a space-available basis) for student parents. Childcare services for infants, toddlers, preschool and kindergarten children (0 to 5 years of age) are available. Current cost for childcare and available schedules can be found on the LMC website.

The Child Study Center is a laboratory school where Child Development student practitioners assist in providing quality care under the direct supervision of the 5-star QRIS rated lead teachers. The Center is located in a beautiful garden setting next to the main campus entrance. Waitlists open November 1st for the Spring semester and April 1st for the Fall semester (or first business day after the 1st of November/April).

For waitlist information and application, go to www.losmedanos.edu/childcare/schedule.aspx

Work Experience Education (WRKX)

www.losmedanos.edu/cwee

Work Experience Education, or WRKX, is an academic program that is designed to accelerate the career growth of students by combining classroom learning with work experience, internships and employment or volunteer work. An agreement is established between the college, the employer and the student to develop work-based learning objectives and to use various mechanisms to evaluate learning outcomes. In addition to undertaking new learning objectives at work, students complete career development assignments according to their individual needs. Students may earn up to 4 units per semester of CSU transferable course work.

Counseling Services

www.losmedanos.edu/counseling

The Counseling Department is committed to providing the highest quality counseling services to every student in need of academic, career, and personal guidance and support. Counseling faculty promote student success by offering a variety of support services, including teaching courses that address a variety of topics, such as orientation to college, major and career exploration, student success skills, and transfer planning.

The Counseling Department understands the critical importance of student directedness and focus. Counselors are available to meet with students to develop a Student Education Plan (SEP) to outline the sequence of courses needed to complete a Certificate, Associate Degree, and/or transfer to a four-year institution.

Through the LMC CARE Team, the Counseling Department offers mental health and wellness services to students to help them maintain focus on their career and educational goals and develop resilience while experiencing a range of life challenges. Students can access the CARE Team's services at both the Pittsburg Campus and Brentwood Center for crisis support and individualized therapy, and to support for their personal development, e.g., goal setting, time-management, interpersonal relationships. All services are offered free-of-charge and can be accessed online and in-person, based on availability.

Disabled Students Programs and Services (DSPS)

www.losmedanos.edu/dsps

The DSPS Office is committed to providing opportunities for students with disabilities to fully participate in all college programs. A variety of services/accommodations are available to students with identified disabilities. Examples of services and accommodations include: testing accommodations; note taking; textbooks in enlarged print or alternate formats; academic counseling and course planning; priority registration; assessment for learning disabilities; specialized course instruction; sign language interpreters; Braille materials; campus liaison; scribes; hearing amplification; and specialized tutoring. To arrange for an appointment with a DSPS counselor, contact dspsoffice@losmedanos.edu.

Drop-In Computer Lab

www.losmedanos.edu/computerscience/lab.aspx

The Drop-in Computer Lab provides computers and networking resources for LMC students, faculty and staff. Students have the opportunity to sharpen their computer skills, apply theory and complete class assignments. The lab is staffed by paraprofessionals, faculty, and student assistants. Lab equipment is constantly updated to reflect the ongoing changes in today's technology.

Extended Opportunity Programs and Services (EOPS)

www.losmedanos.edu/eops

Extended Opportunity Programs & Services (EOPS) is a state-funded, student support program that offers services that are above, beyond, and in addition to the services available to all LMC students; to students from low-income, under-represented backgrounds in higher education by promoting excellence in Enrollment, Retention, Persistence, and Success. EOPS offers a variety of academic, financial and social support services, including: grants, book vouchers, counselling (e.g., personal, career, educational planning) and priority registration.

Employment Services

www.losmedanos.edu/jobs

Employment Services provides students and alumni information regarding current opportunities on and off campus. Students hired on campus will process their initial employment paperwork with this office before beginning work.

Financial Aid & Scholarships

www.losmedanos.edu/financialaid

There are many options available for LMC students to pay for college. Financial aid assistance is available in the form of grants, fee waivers, work-study jobs, and scholarships. Grants available include the California Promise Grant, First Time + Full Time = Free Tuition, Federal Pell Grant, Supplemental Educational Opportunity Grant, Cal Grant, Student Success Grant, and Federal Work-Study.

Scholarships are another financial aid resource available to assist students with paying for college. Our LMC Foundation offers scholarship opportunities to current and transferring LMC students. LMC Scholarships open yearly from November to February. External scholarship opportunities are also available to current and transferring LMC students. The criteria and amounts available vary based on the scholarship opportunity.

Guided Self-Placement

www.losmedanos.edu/placement/

It is recommended that every student completes the guided self placement process that includes math, English, or English as a Second Language (ESL)—all offered online. The guided self placement process helps students determine the courses in which they should enroll in order to succeed at LMC, achieve their educational goals, and advance to their career field of interest. To be eligible for early registration, students new to college complete orientation and the guided self placement process and also create educational plans, in collaboration with the Counseling Department.

Learning Communities

www.losmedanos.edu/learningcommunities

Honors Program

www.losmedanos.edu/honors

The Honors Program provides a challenging academic environment for highly motivated students. It offers Honors courses that involve substantial research, writing and critical thinking, Honors contracts that allow students to create and complete independent research projects, transfer agreements with prestigious California universities, access to the Honors Center, and transcript designation of honors coursework and program completion. Students may complete the entire Honors Program, or simply take a few honors courses and contracts. Visit www.losmedanos.edu/honors to view program admission requirements and for an application to join the Honors Program.

MESA Program

www.losmedanos.edu/mesa

The Math Engineering Science Achievement (MESA) Program provides academic support for educationally and economically disadvantaged students so they can excel in math and science. MESA helps develop the necessary academic and leadership skills to successfully transfer and later graduate from a four-year university with a degree in mathematics, engineering, science or computer science. The MESA program supports STEM students through counseling, mentoring, tutoring, and workshops and by providing them with scholarship and numerous internship opportunities.

Puente Program

www.losmedanos.edu/puente

The Puente Program is a nationally-recognized program that serves to increase the number of educationally under-served students who transfer to and complete university degrees. Puente students are specially trained to become dynamic and impassioned leaders who return to the community and affect positive change in the lives of our youth. As such, Puente provides two areas of service to students: a dedicated English Professor for the English transfer sequence, and a Counselor exclusive to Puente students who provides consistent support for all Puente students until transfer. Simply put, we are in the business of training scholars with vision! If this sounds like something you're interested in, we'd like to hear from you!

Transfer Academy

www.losmedanos.edu/transferacademy

The Transfer Academy is a learning community for new students who want to begin their educational journey with the goal of transferring to a four-year college or university. The Transfer Academy provides a dynamic academic experience with a serious focus on academic identity and major exploration. There are strong supports in and outside of the classroom, like academic counseling, tutoring, workshops, social and cultural experiences, leadership development, and campus tours. Students commit to full-time enrollment, engaging in the academic community, and sharing in campus life. The academy is a community of students, faculty, and staff working together to help you identify your career and major track, and complete your goal of transfer.

Umoja Scholars Program

www.losmedanos.edu/umoja

The Umoja Scholars Program is committed to enriching, fostering, and nurturing the educational experience of all students, especially African-American and first-generation college students, ultimately preparing them for academic, personal, and professional success beyond Los Medanos College. This program addresses student needs through academic support services and a curriculum that focuses on African-American literature and history, as well as contemporary issues facing the African-American community. Benefits of the program include: counseling services; educational and career planning; blocked courses (English, Math, & GE); tutoring services; community service and leadership opportunities; and cultural events, activities, and curriculum.

Outreach & Welcome Services

www.losmedanos.edu/studentlife/outreach

Outreach & Welcome Services is committed to connecting students, community organizations and businesses with LMC's educational opportunities. We provide assistance with all aspects of the college's application through registration processes. It is our goal to be a leader in innovative, dynamic, and equitable services.

Student Life

www.losmedanos.edu/studentlife

LMC offers a range of extracurricular activities for students. The activities help students make friendships, connect with faculty and staff outside of the classroom, and build their leadership skills in clubs and organizations. Student Life provides leadership opportunities that support students in becoming agents of positive social change. Student Life is comprised of a variety of programs and services including Student Government (LMCAS), student clubs and organizations, and leadership programs.

Associated Students (LMCAS)

www.losmedanos.edu/lmcas

The LMC Associated Students (LMCAS) is the college's official student government. Their primary purpose is to advance the welfare of all students. They do this by providing programs and services designed to meet the varied needs of students, sponsoring activities and events, and representing the student body on many college and district committees. LMCAS meets weekly on Mondays.

Student Clubs & Organizations

www.losmedanos.edu/clubs

Students are encouraged to organize and participate in clubs that reflect their interests. Each club is registered with the Office of Student Life and has a faculty/staff advisor who helps organize meetings and plan activities. The Office of Student Life provides support and advising to all LMC clubs. In addition, the office advises and coordinates the Inter-Club Council (ICC) and holds orientations and retreats for club leaders. Contact the Office of Student Life to join a club or start one of your own!

Leadership Programs

www.losmedanos.edu/lmcas

The Office of Student Life provides a variety of leadership development programs and opportunities to support the many student leaders engaged throughout the fabric of LMC. These programs include workshops, courses, campus retreats, trips to regional conferences, film discussion series and more. All LMC students are encouraged to participate in the many opportunities provided by the office. To find out what's currently going on or to sign up for programs, stop by the office or visit our website.

Student Success & Retention Programs

The Office of Student Success & Retention Program (SSRP) is dedicated to ensuring that all Los Medanos College students are supported – from enrollment to the completion of their educational goals – by offering programs that empower and educate. In collaboration with other departments on campus, we work to build a comprehensive network to support the academic, personal, and social success of all students. The services offered by SSRP include: Counseling and Academic/Personal Development Workshops.

Transfer Services

www.losmedanos.edu/transfer

Transfer & Career Services offers assistance to students who plan to transfer to a state college, university, or private four-year institution. Support services are available to help students explore transfer opportunities and to assist students with the transfer process. Guaranteed transfer agreements are available.

Tutoring Services

www.losmedanos.edu/tutoring

Tutoring Services offers students assistance in becoming critical thinkers as well as independent, self-reflective, lifelong learners. Subject-specific tutoring is available in various areas on campus, including the Center for Academic Support, the Math Lab, the Music Lab, and at the Brentwood Center.

Veterans Resource Center

www.losmedanos.edu/veterans

The Veterans Resource Center provides an evolving array of services and resources for LMC's student veterans. Current staff include a Veterans Program Coordinator, academic counselor, education benefit certifying officials, and work-study student veterans. Resources consist of: access to computers with printing; a relaxing atmosphere for our veterans to study and network with other veterans; financial aid information/application assistance; academic counseling; and referrals to off-campus community veteran services and resources with dedicated meeting space on site.

Los Medanos College Campus Policies

Non-Discrimination Policy

It is the policy of the Contra Costa Community College District and Los Medanos College to provide an educational and employment environment in which no person shall be unlawfully subject to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, sexual orientation, gender, race, color, medical condition, ancestry, marital status, physical or mental disability, or based on association with a person or group with one or more of these actual or perceived characteristics. This holds true for all students who are interested in participating in educational programs and/or extracurricular activities. Unlawful harassment, discrimination or denial of access of any employee/student with regard to the above characteristics is strictly prohibited. The lack of English language skills will not be a barrier to admission and participation in the college's education programs.

Inquiries regarding compliance and/or grievance procedures may be directed to the Los Medanos College Title IX Officer and Section 504/ADA Coordinator:

Contact: Tanisha M.J. Maxwell, Ph.D.
Vice President of
Student Services,
Phone: (925) 473-7421
Fax: (925) 427-1599

Requests for the elevation and addition of sports may also be directed to the Vice President of Student Services.

Inquiries/Complaint Procedures

Informal Procedure

Students who have questions about the procedures to file a complaint of unlawful discrimination or feel they have been discriminated against, may contact the local Title IX coordinator, Tanisha M.J. Maxwell, Ph.D., Vice President of Student Services, by calling (925) 473-7421. The Vice President may work with the student-complainant, respondent, and other appropriate college personnel to attempt an informal resolution. The President, or designee, will monitor the informal complainant process and any proposed resolution. The process will be completed within 30 calendar days of receiving the complaint. A record of the complaint and resolution will be kept.

Formal Procedure

Students also have the right to submit an unlawful discrimination complaint through a formal procedure. The Vice President will provide students with the District complaint form and forward the completed form to the District Vice Chancellor Human Resources.

Upon receipt of a formal complaint, the District will immediately notify the State Chancellor's Office. Within 10 calendar days of receipt, the District shall commence an investigation of the complaint and notify the complainant. The District has 90 calendar days in which to investigate the complaint and report the administrative findings to the complainant and the

State Chancellor's Office. The complainant may appeal the administrative determination to the District Governing Board within 15 calendar days of notice of such determination. The District Governing Board has 45 calendar days in which to act on the appeal. Failure of the Board to act within the 45 days denotes approval of the administrative determination. The complainant has the right to file a written appeal with the State Chancellor's Office within 30 calendar days after the Governing Board issues the final District decision or permits the administrative decision to become final pursuant to the above. The Chancellor has discretion to accept or reject any such petition for review in employment discrimination cases.

Students may also contact the Office for Civil Rights at the following address: Office for Civil Rights, San Francisco Office U.S. Department of Education Old Federal Building 50 United Nations Plaza, Room 239 San Francisco, CA 94102-4102 Telephone: (415) 556-4275; Fax: (415) 437-7783 TDD: (415) 437-7786; Email: OCR.SanFrancisco@ed.gov

Inquiries/Complaints on Basis of Disability

Inquiries regarding access, treatment, or employment on the basis of disability, should be directed to the Vice President of Student Services/ADA Coordinator, Los Medanos College, 2700 East Leland Rd., Pittsburg, CA 94565, (925) 473-7421, or TDD (925) 439-5709.

Reglamento de no Discriminación

El Distrito de Colegios Comunitarios del Condado de Contra Costa y el Los Medanos College están comprometidos a ofrecer igualdad de oportunidad en sus programas educativos y vida estudiantil. El colegio no discrimina ni apoya la discriminación por cuestiones de origen étnico, edad, sexo, discapacidad física o mental, color, nacionalidad de origen, religión, orientación sexual, estatus de veterano, o condición médica, para el acceso a y trato de cualquiera de sus programas o actividades colegiales. La falta de conocimiento del idioma inglés no serán una barrera para la admisión y participación en los programas educativos vocacionales de la institución.

Este reglamento cumple con lo estipulado en el Título VI del Acta de 1964 de la Ley de Derecho Civil, con referencia a la discriminación por raza, color, o nacionalidad de origen; el Título IX de las Enmiendas a la Educación de 1972, referente a la discriminación por sexo; la Sección 504 del Acta de Rehabilitación de 1973, referente a la discriminación por discapacidad; el Acta de Discriminación de Edad de 1975 referente a la discriminación por edad; y el Reglamento del Distrito que aplica.

Contacte: Tanisha M.J. Maxwell, Ph.D.
Vicepresidenta
de Servicios Estudiantiles

Teléfono: (925) 473-7421
Fax: (925) 427-1599

Procedimientos de Quejas

Procedimiento Informal

Los estudiantes que tengan preguntas sobre el procedimiento para someter una queja de conducta discriminatoria o creen haber sido víctimas de una acción discriminatoria pueden notificar a la Coordinadora Local del Título IX. Contacte: Tanisha M.J. Maxwell, Ph.D., Vicepresidenta de Servicios Estudiantiles, teléfono: (925) 473-7421. El estudiante tiene la opción de seguir el procedimiento informal con Vicepresidenta de Servicios Estudiantiles, quien pudiera facilitar una solución informal a la queja con el personal apropiado del colegio y el alumno demandante. El Presidente del colegio, o persona asignada, vigilarán el proceso de resolución de la queja informal y propondrán una solución a la queja. El proceso de resolución no deberá durar más de 30 días después de haberse recibido la queja. Se mantendrá un expediente de la queja y la resolución en los archivos correspondientes.

Procedimiento Formal

Estudiantes tienen el derecho de someter una queja de conducta discriminatoria por un procedimiento formal. La Administración Superior proporcionará al alumno con el formulario de quejas del Distrito y enviará el documento al Vice Canciller de Relaciones Humanas del Distrito una vez que este haya sido llenado. Una vez que se haya recibido la queja de manera formal, el Distrito notificará inmediatamente a la Oficina del Canciller del Estado. Dentro de los 10 días siguientes

de haberse recibido la queja, el Distrito deberá comenzar una investigación formal y notificar de ello al alumno demandante. El Distrito contará con 90 días para investigar la queja y reportar los resultados administrativos al demandante y a la Oficina del Canciller del Estado. El demandante tendrá derecho a apelar la decisión administrativa al Consejo Gubernamental del Distrito dentro de los 15 días siguientes a la fecha de notificación de la decisión. El Consejo Gubernamental del Distrito contará con 45 días para actuar sobre la apelación. La falta de actuación del Consejo dentro de los siguientes 45 días otorgados indicará la aprobación de la decisión administrativa tomada. El demandante tendrá derecho a someter una apelación por escrito a la Oficina del Canciller dentro de los 30 días siguientes de que el Consejo Gubernamental haya emitido la decisión final del Distrito, o, permitirá que la decisión administrativa sea final conforme a lo anterior. El Canciller tendrá la autoridad de aceptar o rechazar cualquier petición semejante en la revisión de casos de discriminación laboral.

Preguntas, Quejas a Base de Incapacidad

Las preguntas sobre el acceso, trato, o empleo de personas discapacitadas deberán ser dirigidas al Vicepresidenta de Servicios Estudiantiles/ Coordinador de ADA de Los Medanos College; 2700 East Leland Rd., Pittsburg, CA 94565, (925) 473-7421, o, al TDD (925) 439-5709.

The college disclaims liability for any unintended errors in this publication and reserves the right to discontinue or postpone courses and correct errors and omissions. All enrollment fees are subject to change. This publication sets forth college policies for all college programs and services in accordance with the California Education Code, California Code of Regulations (Title 5), and District and college policies.

Aviso:

La información contenida en esta publicación detalla los programas, cursos, reglas, regulaciones y tarifas anticipados de Los Medanos College. La universidad se exime de responsabilidad por cualquier error no intencionado en esta publicación y se reserva el derecho de suspender o posponer cursos y corregir errores y omisiones. Todas las tarifas de inscripción están sujetas a cambios. Esta publicación establece políticas universitarias para todos los programas y servicios universitarios de acuerdo con el Código de Educación de California, el Código de Regulaciones de California (Título 5) y las políticas del distrito y de las universidades.

Crime Awareness

Criminal activity can be greatly reduced by preventive efforts. Take steps to protect your possessions and discourage theft.

Federal law requires that crime prevention techniques and statistics be reported annually to the campus community. This report meets all requirements as set forth in the Crime Awareness and Campus Security Act of 1991. This data was prepared not only to comply with the law, but to help keep our students, faculty and staff safe and secure, and to provide an environment supportive of teaching and learning.

You are encouraged, as a member of the campus community, to report suspicious circumstances or any criminal acts committed on district properties.

The District, through its Police Services Department, is committed to fully investigate reports of criminal acts occurring on district properties.

At Los Medanos College, crimes may be reported by calling Police Services at **(925) 473-7332** or by visiting the Police Services Department in the Campus Safety Building at the front of the Pittsburg Campus.

In addition to police services, the College District provides:

Escort service upon request:

Call Police Services at **(925) 473-7332** for an escort between offices or to a parking lot.

First Aid-CPR service

Police officers and some police aides are trained in CPR and First Aid. Call **(925) 473-7332** or, in an emergency, **(925) 473-7333**.

Safety and crime prevention pamphlets

Available at the Police Services offices.

Parking permits

A parking permit is required when parked on campus (except holidays and weekends). To avoid a ticket, the parking permit must be visible at all times.

Police services office hours:

Monday – Thursday
7:30am – 10:00pm
Friday
7:30am – 3:00pm
Saturday
Closed

To contact an officer after business hours, call the Sheriff's Department at **(925) 646-2441**.

College Parking Information

Parking All vehicles parked on the campus, whether in a parking lot, dirt lot, or perimeter road (Miwok Way and Los Medanos Drive) must have a valid parking permit. Be aware that there are specified student parking areas and faculty/staff parking areas. Students who park in faculty/staff spaces will be ticketed.

Fees Student parking permits are required for fall, spring and summer semesters. Fall and spring permits are \$50.00 for cars and trucks, and \$30.00 for motorcycles and mopeds. Summer permits are \$25.00 for cars and trucks, and \$15.00 for motorcycles and mopeds. Semester permits can now be purchased through the new Parking Management Bureau app or website.

Students who qualify for the Board of Governor's Fee Waiver will pay \$25.00 for cars and trucks.

Fines for parking citations are \$40.00

Disabled Parking Special parking spaces are designated for disabled persons who have a DMV placard. Disabled persons with permits may park in any legal space on campus. The van accessible spaces are for wheelchair persons only.

Enforcement A valid parking permit will be required 24 hours a day, 7 days a week including holidays. All parking and traffic regulations will be enforced 24 hours a day, 7 days a week including holidays.

EV Charging Stations There are currently 18 EV level 2 charging stations on the Pittsburg Campus. There are currently 24 EV level 2 charging stations on the Brentwood Campus.

Fee Structure:

- 0.20/kWh for electricity usage
- Valid parking permit required (violations may result in tickets)
- \$4/hour fee after 4 hours to encourage turnover
- Same rate for all users – faculty, staff, students, and community members

Payment of fines Citations for parking violations are issued by the Campus Police. Payment of fines must be made to:

Citation Processing Center
Parking Management Bureau
One University Circle
Turlock, CA 95382
www.pmbonline.org

For questions, call 1-800-700-4417
REMEMBER: TO AVOID A CITATION
YOUR PERMIT MUST BE VISIBLE AT ALL
TIMES WHILE PARKED ON CAMPUS.

Transportation to get you here.

Buses LMC is served by frequent Tri Delta Transit buses to Pittsburg/Bay Point BART and local communities. The general public (ages 6-64) cash fare is currently \$2.00 (single ride, no transfers) or \$3.75 for a day pass. Bus routes 380, 381, 387, 388, 391 serve LMC weekdays and routes 392, 393 & 396 serve LMC on weekends and holidays.*

The Tri Delta Transit web site also offers a "Trip Planner" link where you can enter origin and destination and the web site will provide you with transit options and times. For more information, please visit: www.trideltatransit.com. Or call Tri Delta Transit at: (925) 754-4040.

*In addition, Tri Delta Transit offers discounts monthly and value passes.

www.trideltatransit.com

BART Tri Delta Transit Buses connect LMC to BART, which services Pittsburg, Concord, Pleasant Hill, Walnut Creek and other cities throughout the Bay Area. For specific Tri Delta Transit buses that service Los Medanos College, please see "Buses", or call BART at: (925) 676-2278 (BART).

Carpooling A healthier and faster commute option with 9 miles of High Occupancy Vehicle lanes on Highway 4, between Port Chicago Highway and Railroad Avenue.

Bicycle Secure bike racks are available at various locations on campus. Bikes can be transported by BART or bus as well. See the above numbers for more information.

Free trail maps: www.511contracosta.org or (925) 969-0841.

511 Contra Costa 511 Contra Costa provides commuter services and programs to eligible college students traveling to, through, or from Contra Costa County. Programs are available to students who are willing to carpool, ride transit, bike, and walk instead of driving alone to campus.

511 Contra Costa commute programs are provided free of charge to residents, college commuters, and employers in Contra Costa County on a first-come, first-served basis while funding is available. Funds for these programs are provided by the Bay Area Air Quality Management District's Transportation Fund for Clean Air and the Contra Costa Transportation Authority.

Visit www.511contracosta.org for more information or by calling (925) 969-0841.
