- * Continuing Students Students who have been enrolled at LMC Spring 2025, Summer 2025, or Fall 2025.
- st Returning students Students who have missed more than one academic year; will need to reapply online.
- * New matriculating students Students who have completed the orientation, assessment and student education plan.

Los Medanos College opened in Pittsburg in 1974 to serve east Contra Costa County. Over the past 50 years, LMC program offerings have grown to over 90, and the college has added the new state-of-the-art Brentwood Center. LMC has established itself as a cultural focal point for the community, and continues its legacy with alumni and students leading, innovating and shaping a sustainable and equitable future for generations to come.

- * Returning students Students who have missed more than one academic year; will need to reapply online.
- * New matriculating students Students who have completed the orientation, assessment and education plan.

Who May Attend

Admission is open to anyone who is:

- 18 years of age or older, or
- A high school graduate or completed a high school equivalency test- GED or the California High School Proficiency Exam or
- Students currently enrolled in high school, at least 14 years of age and who have completed eighth grade or higher.

How to Apply

New and returning students—Applications for admissions may be submitted online at www.losmedanos.edu. After the application is uploaded, students will receive an email with the student ID and registration date.

Special admit students—New and returning students may submit a college application online. This application should be submitted prior to the Special Admit/Concurrent high school student registration date. Continuing high school students need not resubmit a college application.

Student Status

New Student

You are a new student if you have never registered in classes at LMC.

Returning Student

Returning students have not attended during the past year.

Continuing Student

Continuing students must have attended within the past year.

Program Changes During Late Add Period

Registration With Add Authorization

No course may be added after the late registration period. Check InSite for class registration deadlines.

An instructor's approval is required to register in a class that has reached maximum enrollment or on the first day of class. First priority for late adds will go to students on the waitlists. Late registration may be processed as follows:

HOW TO REGISTER

Online

www.losmedanos.edu Go to InSite.

Via the InSite app

- 1. Check your registration date in the InSite tile "Registration Dates".
- 2. All high school students begin online registration on November 26.
- 3. All regular college students begin online registration on January 10.
- *Los Medanos College is closed from December 22 to 31.

• Online — Go to www.losmedanos.edu and log in to InSite. Select the "Education Plan" tile, then "Register & Drop". Select the term, then enter the course and/or section number in the course search box. Once you have selected the sections you want to register for, click "Continue" at the bottom of the page. Then click "Submit Changes" to finalize your registration."

Drops/No Shows

Students who do not attend the first class meeting may be dropped by the instructor as a "no show." However, it is the student's responsibility to drop any class which he/she is not planning to attend. Failure to do so may result in an 'F' grade and a debt on the student's account. Non-attendance does not dismiss the debt. Students must drop classes within refund deadlines to receive a refund.

Since drop deadlines will vary (with or without a refund) depending upon the length of the course, students should look on InSite. You will also receive a schedule by email to your InSite email

Closed and Cancelled Classes

Any class may be closed to further registration when it reaches the maximum size. Additionally, if registration is insufficient in any class, it may be cancelled. For information regarding refunds for cancelled classes, see the refund policy.

Outstanding Debts

Students who owe enrollment fees or other debts will be not be permitted to register for classes and will not receive a diploma until their debts have been paid.

Residency

For purposes of establishing enrollment fees, students are identified as either residents or nonresidents.

- Residents: those who have lived in California
 as legal residents for at least one year prior to
 the first day of a new semester and who can
 demonstrate intent to remain a California
 resident. Non-citizens who meet residency
 requirements and who desire to enroll as a
 California resident must provide documentation from USCIS.
- Nonresidents: those who do not meet the California resident requirements. See page 6 regarding tuition for non-California residents.

Nonresident Tuition Exemption (AB 540/SB 68)

A student is exempt from paying nonresident tuition if the student meets all of the following four requirements:

- 1. The student must have:
 - Attended a combination of California high school, adult school, and California Community College for the equivalent of three years or more, or

- Attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years, and
- 2. The student must have:
 - Graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam), or
 - Completed an associate degree from a California Community College, or
 - Completed the minimum requirements at a California Community College for transfer to the California State University or the University of California, and
- The student must register as an entering student at, or current enrollment at, an accredited institution of higher education in California, and
- 4. The student must file an affidavit with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.

AB 1313

Students who owe enrollment fees or other debts will be not be permitted to register for classes and will not receive certificates or degrees until their debts are paid.

Nonresident Tuition Exemption (AB 2000)

Effective January 1, 2015, students may be exempt from paying Nonresident Tuition under AB 540 if they attained credits earned in California from a California high school equivalent to three or more years of full-time high school coursework and a total of three or more years of attendance in California elementary schools, California secondary schools, or a combination of those schools. The student must also have received a diploma or equivalent in California.

AB2210 Exemption

Education Code section 68075.6 grants an immediate nonresident tuition fee exemption to eligible Special Immigrant Visa (SIV) holders and refugee students who settled in California upon entering the United States. This exemption is granted for one year from the date the student settled in California upon entering the United States.

Nonresident Tuition Exemption (SB 150)

Concurrently enrolled students (high school students enrolled in college classes) who are classified as nonresident students for tuition purposes may be eligible for the SB150 waiver of nonresident tuition while still in high school. Students must be special admit part-time (enrolled in 11 units or less) students who currently reside in California and are attending high school in California. Students wishing to take advantage of this exemption should complete a residency reclassification form. Forms should be submitted electronically to the Admissions & Records Office.

How to Apply & Register Online and with the Mobile App

The Contra Costa Community College District online admissions application service is available 24-hours a day

APPLY Online

- 1. Go to our website at www.losmedanos.edu.
- 2. Click "Admissions & Aid".
- 3. Click "Apply & Register".
- 4. Follow the application instructions.

REGISTER Online

- 1. Go to our website at www.losmedanos.edu.
- 2. Click on the InSite icon on the home page.
- 3. Click on the InSite icon on the next page.
- 4. Log in with your user ID and password.
- **5.** Select one of the choices in the quicklinks.
- 6. You may register through student planning.

NEW Portal

Also available at https://m.4cd.edu

Nonresident Tuition Exemption (VACA, Veterans Access, Choice and Accountability Act, AB 13)

Veterans who qualify for Chapter 30 or Chapter 33 GI Bill, who live in California and enroll within 3 years of discharge from active duty service of 90 days or more may be eligible for exemption of payment of nonresident tuition.

DACA (Deferred Action for Childhood Arrivals)

Effective June 2014, students who have been given a C33 Visa (Deferred Action for Childhood Arrivals) may qualify for California residency with appropriate documentation. Please contact Admissions & Records for more information.

Special Admit High School Students

Students who are 14 years of age or older and those who have completed the eighth grade or higher are eligible for concurrent enrollment as 'special admit' students. High school students may register in up to seven (7) units in Fall and Spring terms or five (5) units of college coursework in the Summer with approval of their school principal and parent*. With appropriate approvals, special admit students may register in advanced academic and vocational credit courses.

Students 14 - 15 years of age and /or special admit students requesting to register in more than the unit limit are required to complete the *Age Waiver* and/or *Unit Waiver* section of the *Special Admit Enrollment Form*.

* Important note: By giving consent, parents of concurrently enrolled high school students agree they understand that the college is an adult learning environment and students are expected to behave accordingly. Additionally, they understand that classes will be taught at the college level and the curriculum and college procedures will not be modified nor will other accommodations be made.

Special Admit Enrollment Policies

Concurrently enrolled high school students may register in college courses with submission of a college application and proper approval forms on a space-available basis. Registration for high school students must be completed through InSite. The Special Admit form may be submitted prior to the designated registration dates or anytime later (see registration dates on preceding page). However, students will not be able to register until their registration date.

New special admit students must complete an application online at least 24 hours prior to registration. Continuing special admit students do not need to reapply. All special admit students must submit a Special Admit Form prior to or at the time of registration. The Special Admit Form must be filled out and signed by the appropriate principal or counselor at the student's high school and must be submitted prior to or at the time of registration. Blank forms will not be accepted.

Special Admit students must attach documentation to verify prerequisites (if required) at the time of registration. Prerequisites are satisfied with a C or better in prerequisite coursework. In progress work will not be accepted.

Open Course Policy

Every course is open for registration to any person admitted to the college who meets the course prerequisites and enrollment procedures.

All courses are offered for college credit; auditing is not permitted.

Duplicate or Conflicting Courses

Students are not permitted to register in more than one section of the same course and may not register in courses that have scheduled meeting times that conflict.

Prerequisites/Advisories

Note: Some courses have prerequisites or advisories included with the course description. These are designated to assist students in the selection of course levels for their maximum success.

Important: To ensure proper placement, prerequisites for all classes will be checked at the time of registration. If you have taken a prerequisite course at an institution other than LMC, you should submit the prerequisite equivalency request form along with an unofficial transcript to the LMC Admissions & Records Office prior to registration.

Prerequisites may be challenged through the end of the **fifth** business day of the term. Prerequisite Challenge forms are available online through the Admissions & Records Office webpage. Students must provide sufficient documentation to substantiate satisfaction of the prerequisite by other means. Once accepted, the student will be conditionally enrolled and the department chair will review the student's request. If approved, the student will remain in the class; if denied, the student will be dropped from the class for lack of prerequisite and enrollment fees will be refunded. There are no catalog rights on prerequisites.

References to "successful completion" implies with a grade of 'C' or better. Courses in progress outside the district will not be accepted as prerequisites. Advisories are recommendations only and need not be verified.

Waitlist

Once courses with a waitlist fill to their maximum capacity, you have the option to add your name to a priority listing in the event drops should occur or the instructor agrees to add late enrollees (at the first class meeting).

Important Waitlist Details

- 1. All co-requisites or prerequisites must be met before being placed on a waitlist.
- 2. Once you have added your name to a waitlist, you can check your status (i.e. you are now # 2 of 5 students on the list) by going into "Manage My Waitlist" on InSite. You should check your status on InSite frequently to allow yourself the maximum amount of time to register, in the event permission is granted prior to the start of instruction (includes weekends and holidays).

- 3. If space becomes available in your waitlist course, you will receive notification to your InSite email account that permission has been granted to register. This email and a text message are a courtesy. You can access the information by checking "Manage My Waitlist". Waitlist notifications will be sent to the student's college email account. Please check it frequently if you are on a waitlist. Students may now elect to receive text message notifications - opt in at InSite
- 4. Once permission is granted, you will have three (3) calendar days to register in the class via InSite. After three days, if you have not registered in the class, your name will be removed from the waitlist and the next student on the list will be notified that they are eligible to fill the open seat. Once your name is removed from the list, you no longer have priority status.
- 5. If you are on a waitlist at the start of instruction, you must email the instructor on the first class meeting date to see if there is space available for late enrollment. If you do not email the instructor, you lose your place on the priority listing and another student may be added instead.

If approved, the instructor will assign you an add authorization. You will need to add the class online through InSite.

Please note: Beginning with the first day of instruction, the option to have your name placed on a waitlist is no longer available.

Transfer of Credit

If you have previous college experience and would like to transfer other college credit to LMC, you must request an official college transcript to be sent to the LMC Admissions & Records Office (Note: not required if prior coursework is within the CCCCD.) Your previous coursework will then be evaluated for prerequisite course information. Students may request an evaluation by submitting a Request for Transcript Evaluation using the LMC Student Forms tile on InSite or an evaluation will be completed with submission of a petition for graduation.

Veterans Benefits

Priority registration appointments are available by request to active military personnel and to honorably discharged veterans.

Information on veterans benefits is available at www.losmedanos.edu/veterans.

Accuracy and Revisions

Los Medanos College has made every reasonable effort to determine that everything stated in this schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of Los Medanos College for reasons related to student enrollment, level of financial support, or for any other reason at the discretion of the Contra Costa Community College District and the College. The District and the College further

reserve the right to add to, amend or repeal any of their rules, regulations, policies, and procedures consistent with applicable laws. At the time of publication, the fees described in the schedule are accurate. However, at any time, local or state mandated fees may be imposed or increased.

Zero Textbook Cost

Los Medanos College offers Zero Textbook Cost (ZTC) sections of courses. These sections do not require any cost for students to obtain the required textbooks/software for that section. All ZTC sections are indicated in online class schedules with the symbol.

However, the ZTC status of course sections may change before the start of the class. If a change is made it will be updated on the online schedule of classes. Additionally, if a ZTC indication is removed (and course materials are required to be purchased), all currently enrolled students in that section will be notified of the change via

More information regarding the Zero Textbook Cost initiative can be found at www.losmedanos.edu/OER.

Fees and Tuition

Fee Type	Amount	Required	
Enrollment Fee	\$46 per unit* (No maximum)	All students**	
Nonresident Tuition	\$392 per unit* (No maximum)	Non-California residents (must be paid in addition to enrollment fee)	
Non-U.S. Citizen Tuition	\$392 per unit* (No maximum)	Those non-U.S. citizens who by law cannot establish California residency (must be paid in addition to enrollment fee)	
Student Union Fee	\$1 per unit, to a maximum of \$10 per academic year	All students – pays for the construction and maintenance of a student center	
Parking Fee Permit***	\$50 for cars \$30 for motorcycles or \$4/day both autos and motorcycles	All vehicles anywhere on campus, including dirt lots, roads, etc., except on weekends and holidays	
Mid-Semester Parking Fee Permit*** @ 10/30/17 or later	\$25 for cars \$15 for motorcycles	All vehicles anywhere on campus, including dirt lots, roads, etc., except on weekends and holidays	
Student Activity Fee	\$5 per semester (Fall and Spring only)	All students****	
Student Representation Fee	\$2 per semester (Fall and Spring only)	All students****	
Transcript Request \$10 per copy (first two transcripts in district – free)		All students – Payable through Parchment.com	
Enrollment Verification	Free \$5 \$2	Through InSite 24 hours (in person) 3-4 business days (in person)	
Returned Check Fee	\$15	All students – Only cash or cashier's checks will be honored for clearing checks returned for insufficient funds. Records are held until the fee is cleared.	
Materials Fee Vary		Some classes may charge additional fees.	

^{*}The District reserves the right to change enrollment and nonresident tuition fees, based on state legislation.

PLEASE NOTE: All eligible CCPG recipients remain responsible for all fees in excess of enrollment fees.

Note: Fees shown are those in effect at the time of publishing and are subject to change*. Fees may be paid in cash, by personal check, VISA, MasterCard, or Discover for the exact amount.

For more information about Financial Aid, see pages 8 & 9 or visit www.losmedanos.edu/financialaid

Student Fee and Enrollment Refunds

Fee refunds for students who withdraw from school or drop classes by the deadline for class add/drop will be automatically calculated at the District Accounting Department. Refund checks for complete or partial withdrawals from school will be processed after the first two weeks of instruction. Refund checks will be mailed to the student address on file in the college Admissions Office. If the student paid by credit card on InSite, the refund will be processed as a credit to the credit card.

Don't be left behind! If you have a new address, please update your address in InSite immediately! This needs to done prior to the time of withdrawal or change of program.

A refund will not be made if the student has other outstanding debts to the college. Refund checks will be issued monthly after the first two weeks of instruction each semester. All refund checks will be made payable to the student whether paid by cash, check, money order, cashier's check or credit card. No refund of the enrollment fee will be made to any student who withdraws from classes after the first two weeks of instruction for a full semester class, or after 10% of the class time for a short-term class. As an example, a 10-day course would need to be dropped in just **one day!** And a one-day course would need to be dropped the day before the course.

Students who register and subsequently drop all classes prior to the beginning of the semester may petition for an early refund through the Cashier's Office.

Parking Permit Refunds

Parking permit refunds will be made if the student drops all classes within 10% of the length of summer courses. The parking decal must be returned to the Cashier's Office for a refund. No parking permit refunds after the refund period is over.

Financial Aid Enrollment Fee Refunds

If subsequent to paying enrollment fees, a student becomes eligible for financial aid and receives an enrollment fee waiver, the student will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment Fee Deferments

If subsequent to paying enrollment fees, a student becomes eligible for an enrollment fee deferment to an outside agency, the student must have the document stating the deferment submitted to the Cashier's Office. The student will then automatically be mailed a refund check of the deferred fees within two weeks after the outside agency has been billed.

Details regarding the refund policy are available from the Cashier's Office or Admissions & Records Office.

^{**}Special admit students (K-12) are exempt from enrollment fees.

^{***}The District reserves the right to change parking fees based on CCCCD Board Policy.

^{****} Students may request a refund of the fee by submitting the Student Activity Fee/Student Representation Fee Refund Request Form before the refund deadline.

Student Debts to the College

Students are expected to clear their financial debts promptly. If you have an outstanding debt on your record you will be blocked from registration and/or receiving your diploma until all debts are cleared.

If your debt remains unpaid, Los Medanos College may garnish your California State Tax Return through the State-mandated Chancellor's Office Tax Offset Program (COTOP). In this instance, a 331/3% administrative fee will be added to your delinquent balance. This balance will be forwarded for collection to the State Franchise Tax Board (FTB). In the event you are owed a State tax refund, win a California

Lottery prize, or have unclaimed property to be distributed to you by the State of California Controller's Office for the upcoming tax year, California State Government Code sections 12419.2, 12419.7, 12419.10, and 12419.11 authorize the Office of the State Controller and the FTB to collect money owed to individuals and redirect these funds to pay the individual's debt owed to the agencies/colleges.

EARN and LEARN while working on campus

- · Flexible schedules available that work around your class schedule
- Ongoing professional development and support
- · Marketable skills/added work experience
- · Competitive pay range

Visit www.losmedanos.edu/transfercareer for more information

STUDE

The STUDENT ACTIVITY FEE allows the Los Medanos College Associated Students (student government) to provide scholarships, leadership opportunities, cultural programs

and other co-curricular programs for the college.

It also funds programs such as Textbooks on Reserve Program that allows students to check out course textbooks for use in the library. Students may request a refund of the fee by submitting the Student Activity Fee Refund Request Form before the refund deadline.

YOUR DREAMS ARE TOO IMPORTANT

to let college pass you by.

All you need to do is ask...

Financial aid is the way many of today's students pay for college. The Office of Financial Aid can help you apply for state and federal grants, work-study programs and enrollment fee waivers.

LOS MEDANOS COLLEGE FINANCIAL AID

Several forms of financial aid assistance are available to help students with fees, books, supplies, transportation, housing, and other related educational expenses. Students apply for financial aid assistance by completing the Free Application for Federal Student Aid (FAFSA) or CA Dream Act Application (CADAA). Students who complete a FAFSA can be elegible for Federal and State aid. Student who complete a CADAA can be eligible for state aid. Students should only complete one of the applications (not both), according to the citizenship requirements below:

Students are eligible to complete the FAFSA if they are a:

- · U.S Citizen
- · permanent Resident
- · eligible non-citizen
- · T Visa holder

Students are eligible to complete the CADAA if they:

- · are undocumented
- · have a valid or expired DACA
- · are U Visa holders
- · have Temporary Protected Status (TPS)
- · meet the non-resident exemption requirements under AB 540

WHEN YOU COMPLETE A FAFSA OR CADAA, YOU MAY QUALIFY FOR THE FOLLOWING:

California College Promise Grant

(formerly Board of Governors [BOG] Waiver)

Offered to qualifying California residents by the California Community Colleges Board of Governors, this Promise Grant permits enrollment fees to be waived. It's easy to apply!

Federal Pell Grant

Offers up to \$7,395 for full-time undergraduate students pursuing a degree or certificate.

Cal Grants B and C

Offers between \$1,094 and \$1,648, respectively, for students taking 6 units or more. The application period is between October 1 and March 2. If you plan to attend LMC in the Fall, you have a second deadline of September 2; however, there are a limited number of competitive Cal Grant awards available in the Fall.

Chafee Grant

Offers up to \$5,000 for current and former foster youth. www.chafee.ca.gov

Federal Supplemental Educational Opportunity Grant

Offers between \$600 and \$1,000 for students enrolled at least half-time (6 units), and is awarded to those who file by March 2 (priority deadline) and have the greatest need.

Work-Study

Provides part-time jobs for undergraduate students with financial need, allowing them to earn money to help pay education expenses.

Student Loans

Loans for financing your education are available to help cover educational expenses..

Student Success Completion Grant

Offers between \$2,595 and \$8,000 annually to Cal Grant B and C recipients who are enrolled as full-time students (12 units).

Full-Time Free Tuition Program

(No Income Requirement)

Offers up to two years of free tuition to students enrolled as full-time students.

Apply today at: www.losmedanos.edu/financialaid

FINANCIAL ASSISTANCE

What if you can't afford the fees? We can help you!

We know that paying for college is a big challenge. That is why the Office of Financial Aid is here to help you take advantage of all available financial resources.

When you complete and submit a financial aid application, you will automatically be considered for need-based grants, such as the California Promise Grant, the Federal Pell Grant, and more!

What Happens After You Apply?

- · Students will be notified of their financial aid application status via their student InSite
- Students can check their financial aid status and submit requested documents by logging into InSite at https://m.4cd.edu and selecting the Financial Aid tile.

Important Information:

- For LMC to receive a student's financial aid application, LMC must be listed as a school of attendance on your financial aid application.
- March 2 is a priority deadline. We encourage all students to submit their financial aid application by the March 2 deadline to have a better chance of receiving the limited funds available from federal, state, and institutional resources. However, a student may still apply and be considered for financial aid after the March 2 priority deadline.
- Students must reapply for financial each year. Applications open yearly on October 1.

If you have questions regarding your financial aid status, please contact the Office of Financial Aid at (925) 473-7525 or email financialaid@losmedanos.edu.

For our hours of operation, visit: www.losmedanos.edu/financialaid/contact and select the "Office Hours" tab.

Financial Aid Disbursement Options

LMC partners with BankMobile to deliver financial aid to students. All financial aid recipients MUST select a refund preference

- Log in to https://m.4cd.edu
- Once logged in, tap the Financial Aid tile.
- Select My FA Disbursements from the menu
- Select BankMobile-First Time Setup to choose your disbursement method.

LMC students receive millions of dollars in financial aid.

2023-2024

- · Over 5.500 students received a tuition waiver
- Over \$17 million in grant aid to students

Full-Time Free Tuition Program No Income Requirement:

- Complete a financial aid application for the 2025-2026 academic year (FAFSA or CADAA)
- Enroll in a minimum of 12 units for the fall and/or spring semester
- Be a California resident or otherwise exempt from paying non-resident tuition fees

The Full – Time Free Tuition Program is a two-year program, so students may be eligible to receive free tuition through the end of their second academic year of college (excluding summer semester).

For more information about free tuition, visit: www.losmedanos.edu/financialaid

If you need assistance applying for Financial Aid, we offer in-person and Zoom drop-in hours to assist students with the application process. For lab hours, days, and times, visit www.losmedanos.edu/financialaid/contact.aspx and select "Application Help"

NLINE CLA

AT LOS MEDANOS COLLEGE ANYWHERE... ANY

>> ONLINE CLASSES

- · Have the same content as face-to-face classes.
- · Take place online in Canvas instead of a physical classroom on campus.

>> HYBRID CLASSES

- Have the same content as face-to-face classes.
- Offer some instruction online in Canvas and also require some attendance in a physical classroom on campus.

A successful online student is:

- · Able to follow written directions and schedules
- · Proactive about contacting their instructors
- · Self-motivated

- Organized
- Computer literate

TO GET STARTED, go to the Los Medanos College website and click the Online Classes link to:

www.losmedanos.edu/onlineclasses

- Find out basics about online classes at LMC.
- Know what to expect and what will be expected of you.
- See the minimum hardware and software requirements.
- · Search our class listings to find out which classes are offered online this semester.

HERE'S HOW IT WORKS

» Complete a financial aid application for the 2025-2026 academic vear:

the FAFSA if they are a:

- U.S. Citizen
- · permanent Resident
- T Visa holder
- eligible non-citizen

Students are eligible to complete Students are eligible to complete the CADAA if they:

- are undocumented
- · have a valid or expired DACA
- are U Visa holders
- have Temporary Protected Status (TPS)
- · meet the non-resident exemption requirements under AB 540
- » Enroll in a minimum of 12 units for the Fall 24 or Spring 25 term
- » Be a California resident or otherwise exempt from paying nonresident tuition fees
- » After the start of the semester, eligible students can view and accept their award by logging into InSite.

The Full-Time Free Tuition Program is a two-year program, so students may be eligible to receive free tuition through the end of their second academic year of college (excluding summer semester).

Apply for FAFSA online at:

https://studentaid.gov/h/apply-for-aid/fafsa

Apply for CADAA online at:

https://dream.csac.ca.gov

LMC Wi-Fi Access

How to connect

- 1. Go to Settings > Wi-Fi on your device and choose "College-WiFi".
- 2. Please read the Terms and Conditions shown and if you would like to continue to connect, click or tap Accept and Continue.
- 3. You should now be connected to College-WiFi and have internet access.

Having Trouble?

If you are having trouble, visit www.4cd.edu/wifi/ for a form to report Wi-Fi issues, OR contact our Help Desk at: (925) 229-6888 or helpdesk@4cd.edu.

NEED information? Think InSite first!

- ► Access InSite
- ► Check Student Email
- ▶ Get College News

InSite is the College's customized student portal, which provides access to the official student email system. Check your InSite page and school email account regularly.

All communications from the College will be delivered to either your InSite Mail or posted on your InSite including:

- Online payment receipts
- Schedule changes
- Notification of Eligibility to Register from the Waitlist
- All communications from faculty
- Urgent messages from the College (emergencies, etc.)
- And much more

Visit www.4cd.edu/insite for InSite and InSite Mail FAQs.

Important features of InSite Mail

- Students are responsible for reading and responding to official communications sent to their InSite Mail account.
- Never worry about having access to Word again! Edit, compose, and share online documents with Office WebApps
- Email forwarding to another account recommended.
- Set up instant alerts via text message when important items are delivered to your inbox.
- You'll have a genuine ".edu" address which adds a professional touch to your resume.

How to activate your account

- Log on to InSite portal.
- Click on "Check my InSite Mail" to activate your new email account
- Your InSite Mail address is your user name @insite.4cd.edu

Set up instant alerts via text message.

*If you have questions about this or your educational plan, please meet with a Counselor at the Counseling Department. To schedule an appointment call 925-473-7449

HOW TO REGISTER ONLINE

Who

You may register online* on InSite if:

- You are a continuing student from the Spring 2025, Summer 2025, or Fall 2025.
- You have submitted an application for the Spring 2026 semester.

When

 Registration online in semester-length and short-term classes is available on or after your registration appointment time and date, up through the day before classes begin. You may register for classes using Student Planning (prior to the beginning of classes) or InSite.
 After the start date of the course, if the instructor grants you an add authorization, you may enroll on InSite.

How to register online on InSite

When you click on InSite, you will see blue buttons on the left side. To find out how to access InSite, click on the button that says "Login Instructions." These instructions will demonstrate how to log into InSite and how to manage your user account.

You First Login

- Update your password
- Provide your Challenge answers
- Enroll your Mobile Phone Using Text or Voice Message
- Choose your Cell Phone Message Options

You will be logged into InSite

- Verify your registration date on the registration date tile
- Click the Education Plan tile.
- · Click on Register & Drop.
- Select or add the term.
- In the top left of the screen, you can filter by Campus and Course Type.
- To add classes, use the general search field. You can search by course code (ENGL 100), course title, instructor name, section number, or keyword.
- Once you select a course from the Search, click near the course title to see course details and section options.
- Once you have selected the sections you want to register for, click "Continue" at the bottom of the page.
- If a course is filled you may choose to put yourself on the waitlist (see waitlist instructions).

- If the course does not have a waitlist or the waitlist is filled, you will need to check back frequently for space in the class.
- Using the My Schedule tile, review your schedule and print a copy for your records.
- Using the Payment tile, students may submit payment online (by credit card) or send a check to the Cashier's Office, Los Medanos College, 2700 E. Leland Road, Pittsburg, CA 94565.

On InSite you are able to:

- Check your student email
- See your scheduled classes
- See important dates
- Use student planning to view your progress toward a degree or certificate and plan your courses

Fee Payment

- Fees may be paid by check or credit card (VISA, MasterCard or Discover).
- If you pay by check, mail or take your check to the Cashier's Office.
 Write your ID number on the check.

Note Regarding Financial Assistance

If you are receiving financial assistance through the college, your fee waiver must be processed before you register for classes.

Download InSite

- Go to Apple "App Store" or Google "Play Store".
- Locate the InSite app.
- Download InSite to your device.

Important Note: You will NOT be automatically dropped from classes based on non-attendance or nonpayment of fees. Failure to drop your course may result in a failing grade and a debt on your record.

All outstanding debts must be paid in full. Unpaid debts will result in a registration hold on student records.

COMO REGISTRARSE POR INTERNET

Quién

Puede registrarse por Internet* en su página de InSite si:

- Actualmente está registrado como estudiante continuo desde el semestre Primavera 2025, Verano 2025, o de Otoño 2025.
- Ha sometido una solicitud para el nuevo semestre de Otoño 2026.

Cuándo

Podrá registrarse por Internet para cursos semestrales o de periodos cortos a partir del día y horario de su cita de registro, hasta el día anterior del comienzo de clases. Puede registrarse para cursos antes del comienzo de las clases utilizando "Student Planning" (El Plan de Estudiante) o por InSite. Después del comienzo de clases, necesitará una autorización del instructor. El instructor dará el permiso por internet para poder registrarse para sus cursos.

Como registrarse por Internet en InSite

De la página principal (www.losmedanos.edu), haga clic en InSite. Verá botones azules en el lado izquierdo de la página. Seleccione el botón que dice "Logon Instructions." A través de este botón, podrá ver las instrucciones para iniciar su sesión en InSite y como poder manejar su cuenta de estudiante.

Primero inicie su cuenta estudiantil

- Inicie un nueva contraseña
- Proporcione sus preguntas de seguridad
- Introduzca su teléfono móvil usando texto y mensaje de voz
- Escoja las opciones para recibir mensajes por celular

Iniciará su sesión en InSite

- Verifique su fecha de registración en el enlace que dice fecha de registración
- Haga clic en el icono Plan educativo.
- · Haga clic en Registrarse y soltar.
- En la parte superior izquierda de la pantalla, puede filtrar por campus y tipo de curso.
- Para agregar clases, use el campo de búsqueda general. Puede buscar por código de curso (ENGL 100), título del curso, nombre del instructor, número de sección o palabra clave.
- Una vez que seleccione un curso de la Búsqueda, haga clic cerca del título del curso para ver los detalles del curso y las opciones de sección.
- Una vez que haya seleccionado las secciones para las que desea registrarse, haga clic en "Continuar" en la parte inferior de la página.
- Luego haga clic en "Enviar cambios" para finalizar su registro. Compruebe la columna de resultados para verificar que su inscripción en la sección se realizó correctamente.
- Si se llena un curso, puede optar por ponerse en la lista de espera (consulte las instrucciones de la lista de espera).

- Si el curso no tiene una lista de espera o la lista de espera está llena, deberá volver a consultar con frecuencia el espacio en la clase.
- Con el icono Mi horario, revise su horario e imprima una copia para sus registros. Usando el mosaico Pago, los estudiantes pueden enviar el pago en línea (con ta rjeta de crédito) o enviar un cheque a la Oficina del Cajero, Los Medanos College, 2700 E. Leland Road, Pittsburg, CA 94565.

En su InSite puedes:

- Ver su correo electrónico
- Mirar su horario de clases
- Mirar las fechas importantes
- Usar el plan de estudios para ver su progreso hacia su título de asociado o certificado y planificar sus cursos.

Pago de Cuotas

- Las cuotas pueden ser pagadas con cheque o tarjeta de crédito (Visa, Master-Card o Discover.)
- Si paga con cheque, envíelo por correo o en persona a la Oficina del Cajero (Cashier's Office). Escriba su número estudiantil en el cheque.

Notas Sobre Ayuda Financiera

Si recibe ayuda financiera por medio del colegió, sus tramites de ayuda financiera deben ser procesados antes de registrarse para cursos.

Nota Importante: NO se le dará de baja automáticamente por no asistir a sus clases o por no haber pagado los cargos. Usted es responsable por darle de baja a sus clases. No darse de baja puede resultar en calificaciones no aprobatorias y una deuda en su cuente estudiantil.

Todos los cargos deben ser pagados en su totalidad. La falta de pago de estos cargos se penalizará con una restricción sobre su cuenta estudiantil.

Descargar InSite

- Vaya a la "App Store" de Apple oa la "Play Store" de Google.
- Localice la aplicación InSite.
- · Descargue InSite en su aparato.

Nota Importante: NO se le dará de baja automáticamente por no asistir a sus clases o por no haber pagado. Sin embargo, no darse de baja puede resultar en calificaciones no aprobatorias y una deuda en su currículo.

Todos los cargos deben ser pagados en su totalidad. Cargos no pagados resultara en restricción de registros y prohibición a su cuenta y currículo de estudiante.

LMC Local General Education Pattern 2025-2026

ASSOCIATE DEGREE GENERAL EDUCATION REQUIREMENTS

A minimum total of 60 degree-applicable units are required for the associate degree. Students must complete this coursework, in addition to 18 or more units in a defined major as listed in the catalog. Of the total units completed, 12 units must be at LMC, with a cumulative grade point average of 2.0 or higher. Completing the required courses in the boxes below will total 24 units minimum. Please see a counselor for assistance in selecting appropriate courses. Students choosing the transfer track option are strongly encouraged to see a counselor since four-year college requirements vary widely and are subject to change.

ENGLISH COMPOSITION, ORAL COMMUNICATION AND CRITICAL THINKING

Revised 8/28/25 Los Medanos College | 2025-2026

Associate Degrees at LMC

The Associate Degree requires 60 degree-applicable or transfer-level units.

LMC offers four types of Associate Degrees:

- · Associate in Arts for Transfer (AA-T)
- · Associate in Science for Transfer (AS-T)
- · Associate of Arts (AA)
- · Associate of Science (AS)

Students who intend to transfer to a CSU, UC, or private school are advised to complete the California State University General Education Breadth (CSU-GE), Intersegmental General Education Transfer Curriculum (IGETC) requirements, or the unique general education pattern of the private school. The LMC Local General Education pattern does not prepare students for transfer.

Associate Degree for Transfer

Students complete 60 transferable units that include the required units in a major or Area of Emphasis and one of the following:

- a. IGETC for CSU or CSU-GE Breadth
- b. IGETC or CSU-GE Breadth for STEM pattern requirements (Biology and Chemistry ADTs only)

IGETC for STEM: Students are advised that for this major, they may use the IGETC for STEM (Science, Technology, Engineering and Mathematics) pattern. IGETC for STEM allows students to concentrate on the lower division math and science courses required for a STEM major; and it is impossible for students to complete major preparation coursework and IGETC or CSU GE Breadth without going over 60 units prior to transfer.

This pattern allows students to complete one course in Area 3A; one course in Area 3B; and two courses in Area 4 from two different disciplines. Some variations in major requirements may exist at certain four-year institutions; therefore, students who intend to transfer are advised to refer to the catalog of the prospective transfer institution and consult a counselor.

CSU-GE Breadth: for STEM: Students pursuing certain ADTs may be eligible to take "GE Breadth for STEM," deferring one lower-division course in Subarea C and one lower-division course in Subarea D until after transfer. GE Breadth for STEM is applicable only to majors for which the Transfer Model Curriculum specifies GE Breadth for STEM.

Note: Students who plan to transfer to a CSU and/or receive an Associate Degree for Transfer (ADT) are required to complete an Oral Communication course (IGETC Area 1C, CSU GE Area A1) as part of their GE units.

Associate of Arts & Associate of Science

Students must complete:

- 60 degree-applicable units with a cumulative GPA of 2.0 or higher,
- 2. 12 units in residency (completed at LMC),
- 3. The specific major requirements (a minimum of 18 units) listed in the Majors section with a grade of C or better.
- 4. One of the following General Education pattern requirements:
- a. California State University General Education Breadth (CSU-GE) requirements.
- b. Intersegmental General Education Transfer Curriculum (IGETC) requirements.
- c. LMC Local General Education Pattern requirements.

Students planning to transfer to a private or out-of-state university need to consult a counselor, since four-year college requirements vary widely and are subject to change.

Certificates at LMC

LMC offers four types of Certificates:

- · Certificate of Achievement
- · College Skills Certificate
- Certificate of Competency –
 Noncredit Career Development and College Preparation (CDCP)
- Certificate of Completion –
 Noncredit Career Development and College Preparation (CDCP)

Certificate of Achievement

Students complete the requirements defined in the Majors section, including 12 units in residency (completed at LMC).

College Skills Certificate

Locally approved certificates that require less than 16 units of coursework within the major programs of study. Students must complete 50% of the courses required for the skills certificates at LMC.

Certificate of Competency

Noncredit Career Development and College Preparation (CDCP)

Students enroll in a noncredit educational program of noncredit courses has demonstrated achievement in a set of competencies that prepares students to progress in a career path or to undertake degree-applicable or non-degree-applicable credit courses. Students must earn a "P" (Pass) in all required courses.

Certificate of Completion

Noncredit Career Development and College Preparation (CDCP)

Students complete a noncredit educational program of noncredit courses that prepares students to progress in a career path or to take degree applicable credit courses. Students must earn a "P" (Pass) in all required courses and must fulfill the total required hours in required courses.

Students need to consult a counselor to make sure you are selecting the best courses for your program of study.

Cal-GETC: California General Education Transfer Curriculum 2025-2026

REQUIREMENTS FOR STUDENTS TRANSFERRING TO CSU OR UC

Completion of the California General Education Transfer Curriculum (Cal-GETC) will permit a student to transfer from a California Community College (CCC) to a California State University (CSU) campus or program, or to a University of California (UC) campus or program without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. A minimum "C" grade is required in each college course for Cal-GETC. Note: Students transferring to a CSU who have Cal-GETC certified as complete will still need to complete 9 semester units of upper-division general education (GE) after transfer and may also be held to other campus specific graduation requirements outside of general education and major coursework. Students are strongly encouraged to meet with an LMC Counselor.

ARE

SOCIAL AND BEHAVIORAL SCIENCES

Two courses: two academic disciplines. 6 semester units

AREA 5

PHYSICAL AND BIOLOGICAL SCIENCES

One course from each 5A and 5B subject area. One of the two courses must include a laboratory.

5A: Physical Science

ASTRO-010	Introduction to Astronomy	PHYS-035	College Physics I
CHEM-006	Introduction to Inorganic and Physical Chemistry	PHYS-036	College Physics II
CHEM-007	Introduction to General, Organic and Biochemistry	PHYS-040	Physics for Scientists and Engineers I
CHEM-025	General College Chemistry 1	PHYS-041	Physics for Scientists and Engineers II
CHEM-026	General College Chemistry II	PHYS-042	Physics for Scientists and Engineers III
CHEM-028	Organic Chemistry I	PHYSC-005	General Physical Science
CHEM-029	Organic Chemistry II		

5B: Biological Science

BIOSC-007 Eco BIOSC-008 Hu BIOSC-010 Ge	ology and the Énvironment Iman Biology Pneral Biology	BIOSC-030 BIOSC-040 BIOSC-045	Principles of Biology: Organismal Introduction to Anatomy and Physiology Human Anatomy Human Physiology Microbiology
---	---	-------------------------------------	--

5C: Laboratory

ASTRO-011	Astronomy Laboratory	CHEM-007	Introduction to General, Organic and Biochemistry
BIOSC-007	Ecology and the Environment	CHEM-025	General College Chemistry 1
BIOSC-008	Human Biology	CHEM-026	General College Chemistry II
BIOSC-010	General Biology	CHEM-028	Organic Chemistry I
BIOSC-020	Principles of Biology: Cell and Molecular	CHEM-029	Organic Chemistry II
BIOSC-021	Principles of Biology: Organismal	PHYS-035	College Physics I
BIOSC-040	Human Anatomy	PHYS-036	College Physics II
BIOSC-045	Human Physiology	PHYS-040	Physics for Scientists and Engineers I
BIOSC-050	Microbiology	PHYS-041	Physics for Scientists and Engineers II
CHEM-006	Introduction to Inorganic and Physical Chemistry	PHYS-042	Physics for Scientists and Engineers III

AREA 6

ETHNIC STUDIES

One course: 3 semester units - One course in Ethnic Studies or in a similar field provided that the course is cross-listed with Ethnic Studies

ETHN-045	Introduction to Black Studies	ETHN-103	Racial and Ethnic Justice Movements
ETHN-101	Introduction to Ethnic Studies	ETHN-110	Introduction to Native American/Indigenous Studies
ETHN-102	Critical Thinking in Ethnic Studies		

Graduation Requirement for Students Transferring to a CSU:

U.S. History, Constitution and American Ideals

Students can meet this requirement in two ways:

- 1) POLS-C1000 and any course listed in US-1 Courses below.
- **2) POLSC-040** and **POLSC-160** and any course listed in US-1 Courses below. **US-1** courses: ECON-005, HIST-029, HIST-030, HIST-037, HIST-047, HIST-052, HIST-054, HIST-056, HIST-057, HIST-060, HIST-061.

Graduation Requirement for Students Transferring to a UC:

Languages Other Than English (LOTE)

Proficiency equivalent to two years of high school study in the same language. One course (3-5 semester units)

FRNCH-060, 061; ITAL-060, 061; SIGN-050, 051, 052, 053; SPAN-050, 051, 052, 053, 057, 058

Final examinations will be held during the last week of instruction, during class time.

DAIRY CLASS CANCELLATION ROTIFICATION

In an effort to assist our students, we post daily class cancellation notices.

We list class cancellations as they are submitted by the instructors so you may need to check this site frequently.

While we will make every effort to keep this information up-to-date please understand that **not** all **absences** are reported in a timely manner so some notices will be posted close to, or occasionally after a class start time. We will continue to post class cancellation notices on the classroom door(s).

Students can receive text notifications of daily class cancellations directly to their mobile device. Log into your InSite account, click on Cell Phone Message Options and select "Enrollment Information."

Use this $\ensuremath{\mathsf{QR}}$ code to access the class cancellation link using your smart phone.

ACADEMIC AND CAREER SUCCESS

a First-Year Seminar - 3 units

ACS-010 **Becoming a College Scholar**

Advisory: ENGL-C1000 LMC Degree: DA Transfer: UC; CSU

Becoming a College Scholar – a First-Year Seminar introduces first-year students into intellectual life, prepares them for rigorous university-level work, develops multidisciplinary thinking skills, and supports them in developing a strong sense of academic purpose and identity. The course explores topics such as motivation and attitudes, values, goal setting, decision-making processes, critical and creative thinking, personal health, interpersonal communication, study group collaboration, behavioral expectations and etiquette, personality and learning theories, cultural and economic diversity, information and technology competence, as well as techniques for maximizing the ability to succeed as a lifelong learner. Students will develop thinking strategies that can be used for lifelong problem solving in academic, social, and personal life. There is an emphasis on the development of academic writing, inquiry, and collaboration. May not be repeated. LR

ADMINISTRATION OF JUSTICE

ADJUS-005 Basic Law Enforcement Academy - 25 units

Prerequisite: Students are required to: 1) complete an academy application, 2) have a high school diploma or GED, 3) be at least 18 years old, 4), have a valid driver's license, 5) show proof of vehicle insurance at the first class meeting, 6) supply a statement from a physician indicating his/her ability to engage in strenuous physical activity, 7) obtain clearance with the Department of Justice and, 8) sign a Felony Disclaimer.

Advisory: ENGL-C1000 LMC Degree: DA Transfer: CSU

The Basic Law Enforcement Academy is a 25-unit course designed for persons seeking full-time employment in law enforcement and for those who have been recently hired by a local law enforcement agency. It is certified by the California Commission on Peace Officer Standards and Training (P.O. S.T.) and is presented in the intensive full-time format consisting of 1,020 hours of instruction delivered over 26 weeks. Subject matter includes: leadership, officer safety, use of force, legal authority/individual rights, police vehicle operation, conflict resolution, problem solving/decision-making, communication, ethics, stress tolerance and emotional maturity. Upon successful completion the student will receive a certificate of completion and is eligible for employment as a peace officer in most California jurisdictions. Interested students must contact the Office of the Sheriff, Contra Costa County, Law Enforcement Training Center, 340 Marina Blvd., Pittsburg, CA by calling (925) 427-8238 to register for the Academy. Mandatory materials fee of \$4,385 is due on first day of instruction. May not be repeated, LR

ADJUS-110 Introduction to the Criminal Justice System - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 4; C-ID AJ 110

This course introduces students to the characteristics of the criminal justice system in the United States. Focus is placed on examining the integrated, interdisciplinary methods of crime measurement, theoretical explanations of crime, responses to crime, components of the system, and current challenges to the justice system and the evolving forces that have shaped those principals and approaches. Although justice structure and process is examined in a cross cultural context, emphasis is placed on the United States justice system, particularly the structure and function on United States police, courts, and corrections. Students are introduced to the origins and development of criminal law, legal process, and sentencing and incarceration policies. May not be repeated. SC

ADJUS-170 **Work Experience Education** in Administration of Justice - 1 units

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA Transfer: CSU

2744

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC Staff

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual

meetings and job site visit held with hours and location by arrangement.

ANTHROPOLOGY

ANTHR-001 Biological Anthropology - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 5B; C-ID ANTH 110

Anthropology is a holistic discipline and attempts to view humans, their biology, cultural history, and activities in as broad a view as possible. Biological anthropology is a subfield of the larger discipline that studies humankind. The primary goal of this subfield is to understand the biological nature and history of humans and their closest living and extinct relatives. Biological anthropology is firmly rooted in evolutionary theory; thus, the evolutionary biology of humans is the central focus of this course. My intent is to promote insight into the evolution of human biology and behavior from an objective or scientific perspective. My approach will introduce the concepts, methods of inquiry, and scientific explanations for biological evolution, and their applications to studying the human species. .Topics addressed will include:1) The various subfields of biological anthropology such as forensic anthropology and the anthropological perspective 2) biological anthropology and paleoanthropology as "multidisciplinary" natural sciences

SEC DAYS HOURS ROOM INSTRUCTOR DATES

3) evolutionary processes/change over time and the origin of species 4) DNA, genetics, heredity, variation, and evolution, 5) race, ethnicity, and the biological diversity of modern humans 6) The Order Primates: primate biology and ecology 7) primate social behavior, behavioral ecology, morphology, and classification 8) Earth-life history, continental drift, and the Geologic Time Scale (9) primate origins and the various primate adaptations 10) The "Ape" question and hominin origins 11) Australopithecines 12) the evolution and adaptation of the genus HOMO 13) The origin and dispersal of anatomically modern Homo Sapiens out of Africa and the first evidence of the "Human Spark"14) Main contributors to explain principles of Mendelian, molecular and population genetics 14) Dating techniques, methods of interpreting the fossil record, major groups of hominin fossils. The ultimate goal in this course is to understand humanity's place in nature. May not be repeated. LR

his course is an introduction to the fundamental principles of method and theory in archaeology, beginning with the goals of archaeology, going on to consider the basic concepts of culture, time, and space, and discussing the findings and excavation of archaeological sites. Students will analyze the basic methods and theoretical approaches used by archaeologist to reconstruct the past and understand human prehistory. This includes human origins, the peoples of the globe, the origins of agriculture, ancient civilizations including the Maya civilization. Classical and Historical archaeological, and finally the relevance of archaeology today. The course includes an analysis of the nature of scientific inquiry; the history and interdisciplinary nature of archaeological research; dating techniques, methods of survey, excavation, analysis, and interpretation; cultural resource management, professional ethics; and cultural change and sequences. The inclusion of the interdisciplinary approach utilized in this field will provide students with the most up to data interpretation of human origins, the reconstruction of human behavior, and the emergence of cultural, identity, and human existence. May not be repeated. SC

ANTHR-005 **General Anthropology - 3 units**

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 4

An introduction and general overview of the five fields of anthropology focusing on the study of human evolution and culture. Topics center on the variety of characteristics which are the product of human existence everywhere. These include: the uniqueness of human learning, evolution of cultural and physical variation, human and non-human primate development, Australopithecus divergence, variations of cultures, human languages and communications, social and family organizations, as well as religious and artistic expression. Opportunities for the development of skills in critical thinking, problem-solving, and effective learning will be provided throughout the course. May not be repeated. SC

ART-170 Work Experience Education in Art - 1 units

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA

Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC 1/26-5/22 Schall, J

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

ASTRO-011 **Astronomy Laboratory - 1 units**

Prerequisite: Prior or concurrent enrollment in ASTRO-010

Advisory: ENGL-C1000

LMC Degree: ADR: Natural Sciences; DA Transfer: UC; CSU; Cal-GETC Area 5C

This course provides laboratory experience in astronomical observation. It involves the study of fundamental concepts of astronomy, including investigations of the moon, sun, planets and stars and offers practical experience in the use of telescopes and other tools. ASTRO-010 and ASTRO-011, if both completed, meet the CSU lab science requirement. May not be repeated. LR

AUTOMOTIVE TECHNOLOGY

AUTO-057 Smog Update - 0.5 units

LMC Degree: DA

The State of California mandates that all smog check repair technicians renew their smog license every two years and take a minimum of 16 hours of Smog Update training. This course is the latest 16-hour update course required by the California Bureau of Automotive Repair for smog check repair technicians who need to renew their smog license. May not be repeated. P/NP

AUTO-110 Automotive Essential Car Care - 5.5 units

LMC Degree: DA Transfer: CSU

This course is designed to teach the operation and maintenance of modern automobiles. There is an emphasis on the theory of the basic operating systems, including engine, electrical, chassis, and driveline systems. This course is designed for the student seeking a career as an automotive technician as well as the home mechanic or who wants to learn about his or her automobile. May not be repeated. LR

Pittsburg Campus

AUTO-111 **Automotive Electrical Systems - 4 units**

LMC Degree: DA

Transfer: CSU

The course covers automotive electrical principles including reading wiring diagrams, diagnosing electronic components, and using meters/lab scopes. This course is designed for the student seeking a career as an automotive technician as well as the existing technicians who want to expand their knowledge. This course will prepare students to take the California Automotive Lamp Installer's license and the ASE A-6 Examination. May not be repeated. LR

AUTO-112 Engine Technology - 4 units

LMC Degree: DA Transfer: CSU

This course is an introductory course to the basics of engine mechanical technology. The core of this course is to provide fundamental engine measurements, inspection and proper assembly techniques required for both common and modern engines. As an entry level course, emphasis is focused on safety, proper tool usage and organizational skills. Material in this class provides the essential knowledge for students to take the ASE A1-Engine Repair exam. May not be repeated. LR

AUTO-150 Smog Check Training Level I - 3 units

Advisory: AUTO-132 and 142

LMC Degree: DA Transfer: CSU

This course will prepare you to become a smog check inspector or repair technician. The course is the first of two state required courses and will include safety, basic engine operation, all basic automotive systems (ignition, induction, exhaust, cooling, emission controls), emissions causes and effects and an introduction to smog rules and regulations. This course is designed for students seeking a career as a smog technician or the technician needing a California BAR Smog License for employment at a repair shop or dealership. Instruction will include competencies of automobile emissions systems to meet the requirements of the California State BAR Smog Inspection and Maintenance Program Level I training. Level I certification is required by the CA State BAR prior to registration for Level II training and both are required for the State Smog License examination. This course will prepare the student for the ASE L-1 Advanced Engine Performance examination. May not be repeated, LR

AUTO-151 Smog Check Training Level 2 - 1.5 units

Advisory: AUTO-150 LMC Degree: DA Transfer: CSU

This course is required by the State of California Bureau of Automotive Repair (BAR) for an automotive technician to complete the education requirements for the state smog inspector license certification. Students must take this course to earn a Level Il certificate that will allow them to take the state smog check inspector exam. This course provides training in the procedures of the smog check program and instructs students how to properly perform a smog check inspection. This course provides a practical background in the theory, operation and testing of automotive engine systems and emission control components. The course will also prepare a student to take the ASE L1 exam. May not be repeated. LR

AUTO-010N **Introduction to Automotive Detailing - 0 units** LMC Degree: NC

This course is designed to provide students with a fundamental understanding of the techniques and tools used in automotive detailing. Students will learn how to clean, polish, and protect a vehicle's exterior and interior surfaces. The course will cover basic cleaning and detailing techniques, including washing, claying, polishing, and ceramic coating. Students will also learn about different types of detailing products and their uses. This is a hands on course that will develop practical skills through practice in a simulated detailing environment. They will learn how to use various detailing tools and equipment, such as buffers, polishers, and detailing brushes. Students will also learn about proper safety procedures and the importance of following industry standards. P/NP/S

BIOLOGICAL SCIENCE

BIOSC-005 Biology of Health - 3 units

LMC Degree: DA Transfer: UC; CSU

This is an introductory course that covers the biological concepts and principles underlying human health and illness. We will cover not only the basic functions of the human cardiovascular, respiratory, nervous, digestive, immune, and reproductive systems, but also the effects of diet, exercise, prescription and illicit drugs, and stress on these systems and how you can make changes to improve your health. The course includes up-to-date information on biological and medical discoveries related to human health. In addition, we will discuss issues related to mental health, addiction, and sexually transmitted diseases. The local and global health consequences of some human practices will also be explored. Hands-on activities will serve to demonstrate concepts that are critical to the health and well being of the whole individual. May not be repeated. LR

BIOSC-007 **Ecology and the Environment - 4 units**

Advisory: ENGL-C1000

LMC Degree: ADR: Natural Sciences; DA Transfer: UC; CSU; Cal-IGETC Area 5B, 5C

This course provides an introduction to the biological concepts and principles underlying ecology and environmental science. Utilizing an interdisciplinary, case-based approach, students explore the interconnectedness of ecosystems on planet Earth by investigating human impact on local and global systems. By grappling with questions surrounding sustainability, personal responsibility, and ecological health, students will work towards the goals of developing environmental literacy and thinking scientifically about environmental issues. Lab explorations, field exercises, and field trips to local environmental sites will facilitate deeper understanding of our place in the ecosystem and provide hands-on experience throughout the course. This course meets the General Education Requirement for Science. May not be repeated. LR

BIOSC-008 Human Biology - 4 units

Advisory: ENGL-C1000

LMC Degree: ADR: Natural Sciences; DA Transfer: UC: CSU: Cal-GETC Area 5B. 5C

This is an introductory course for non-science majors that explore major biological principles as they apply to human beings. Problem solving and critical thinking skills will be emphasized as students investigate the structure and function of the human organism. Areas of study include the major body systems, human evolution, homeostasis, cells, tissues, heredity, gene expression, biotechnology and the interaction of humans and the environment. Weekly laboratory experiments on all major topics will allow the student to use the scientific method to gain knowledge and practical experience in the collection and analysis of data, and in drawing appropriate conclusions. This course meets the LMC General Education Requirement for Natural Sciences. .May not be repeated. LR

BIOSC-050 Microbiology - 4 units

Prerequisite: CHEM-006, 007 or 025, or equivalent

LMC Degree: ADR: Natural Sciences; DA Transfer: UC; CSU; Cal-GETC Area 5B, 5C

Explores the fundamental principles related to bacteria, viruses, and other microorganisms. Examines the microbial world with an emphasis on bacteria and their role in disease. Basic areas to be studied in the classroom and the laboratory include microbial characteristics, microbial metabolism, microbial growth and its control, microbial genetics and biotechnology, interactions between microbes and host, microorganisms and human disease, and industrial and environmental applications of microbiology. The process of scientific inquiry will be emphasized, and opportunities for analytical thinking and problem solving will be interwoven throughout the course. This course is intended for students in allied health majors. May not be repeated. LR

BUSINESS

SEC DAYS HOURS ROOM INSTRUCTOR DATES

BUS-093 **Dealing with Difficult People - 1.5 units**

Advisory: ENGL-C1000 LMC Degree: DA Transfer: CSU

In this class, students explore why 'difficult' people act the way they do, and learn strategies for getting along and communicating tactfully with the 'difficult' people they encounter in the workplace. They will learn how to identify different personality types and why some personality types may be difficult for them to work with peacefully. Emphasis is placed on helping students recognize that often they are the 'difficult' person in the workplace. Students learn that dealing with 'difficult' people leads to conflict, then they learn conflict resolution techniques, and develop skills to constructively manage conflict in today's diverse and increasingly complex workplace. May not be repeated. P/NP

BUS-170 Work Experience Education in Business - 1 units

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA

Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC

0804 Staff 1/26-5/22

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

BUS-185 Computer Assisted Accounting - QuickBooks - 3 units

Advisory: BUS-018; BUS-186; ENGL-C1000

LMC Degree: DA Transfer: CSU

A hands-on, computerized course that introduces students to computerized accounting and the QuickBooks accounting program. Includes setting up a new organization's books, recording journal entries throughout the accounting cycle; invoicing customers, tracking inventory, preparing payroll, completing bank reconciliation's, generating subsidiary ledgers, creating trial balances, and preparing financial statements within a computerized system. May not be repeated. SC.

Online and Hybrid Sessions

Prerequisite: Elementary algebra or higher or eligibility for transfer-level mathematics

LMC Degree: ADR: Natural Sciences; DA Transfer: UC, CSU; Cal-GETC Area 5A, 5C

This course is a one-semester survey of the principles of general, organic, and biochemistry. Satisfies the chemistry prerequisite of health career programs requiring only one semester of chemistry, including Kinesiology and most nursing programs at CSUs and four-year colleges. It is one option to fulfill the chemistry prerequisite for LMC Microbiology (BIOSC-050). May not be repeated. LR

CHEM-025 General College Chemistry 1 - 5 units

Prerequisite: CHEM-006 or one year of High School chemistry and Intermediate algebra or higher; eligibility for transfer-level mathematics

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5A, 5C; C-ID CHEM 110, C-ID CHEM 120S Chemistry 25 is the first semester of a one-year sequence focused on the fundamental principles of chemistry for students in chemistry, biochemistry, engineering, life science, physics, pre-dental, and pre-medical programs that require a minimum of one semester or one year of general chemistry. Students will gain knowledge in the foundations of atomic and molecular structure, nomenclature, physical and chemical changes of matter, fundamentals of chemical reactivity, chemical bonding, thermochemistry and the properties of gases. Throughout the course, skills in critical thinking, problem-solving, analysis skills, and effective learning will be developed. May not be repeated. LR

CHILD DEVELOPMENT

CHDEV-010 Child Growth and Development - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences: DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID CDEV 100

This course examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors while studying developmental theories and research methodologies. Students will observe children, evaluate individual differences and analyze characteristics of development at various stages. May not be repeated. SC

CHDEV-031 **Trauma Informed Practitioner: Practices and Strategies - 3 units**

LMC Degree: DA Transfer: CSU

This course will focus on children who have been exposed to trauma and have high social emotional needs in early childhood and elementary classrooms. Attachment theory and current brain research focused on self-regulation will be covered. The California Teaching Pyramid for Social Emotional Learning will also be incorporated. This course emphasizes trauma informed strategies to build a school/classroom family, the five steps for coaching self-regulation, Feeling Buddies and Baby Doll Circle Time. This course can be used towards the curriculum specialization on the Commission on Teaching Credentialing California Permit Matrix at the Master Teacher level. May not be repeated. SC

SEC DAYS HOURS ROOM INSTRUCTOR DATES

CHDEV-170 Work Experience Education in Child Development - 1 units

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA

Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC

0805 Staff 1/26-5/22

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

CHDEV-180 Work Experience Internship in Child Development - 1 units

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours worked per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA

Transfer: CSU

An internship involves working in a skilled or professional level assignment in the area of a student's vocational or academic major or field of interest. The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. COMM-130 Interpersonal Communication - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC; CSU; Cal-GETC Area 4; C-ID COMM 130

This course provides the student an opportunity to learn and apply, in daily life, practical principles of interpersonal communication. Content will stress psychological, social, and cultural factors which affect human interaction. It is designed to assist students in improving their own interpersonal communication skills. Attention will be given to self-reflection, perception, interpersonal dynamics, listening, conflict management, relationship development and stages, and verbal and nonverbal communication. May not be repeated. SC

Online and Hybrid Sessions

7334 ONLINE Kaufman, M 1/26-5/22

Zero Textbook Cost (ZTC). Note: Online course. All instruction will be provided asynchronously via the internet through the college learning management system CANVAS. Go to www.losmedanos.edu/onlineclasses for course access information. Specific information from instructor: Students need reliable access to the internet, Canvas, video recording technology, and Zoom (Office Hours) and must be comfortable with video recording applications and will be expected to have either a YouTube account OR knowledge of Canvas Studio to upload assignments (no video editing skills required). Students are required to be on camera using both audio and video for recorded speeches that are submitted through Canvas. Prior to the start of the course students should explore the Canvas shell to familiarize themselves with course navigation. There will be a Welcome Announcement with more information prior to the start of the term. Students must remember to regularly check Canvas as it is vital to their success in the course. Weekly assignments, tasks and everything in between can be found on Canvas along with resources on how to complete related course work. Email instructor for additional information at MArcidiacono@losmedanos.edu if you have questions. Class formerly named 'SPCH-130'

COMM-150 Intercultural Communication - 3 units

Advisory: COMM-C1000

LMC Degree: ADR: Ethnic/Multicultural Studies; DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID COMM 150

This course explores the principles of intercultural communication through lecture, group activities, discussion, and writing assignments. Some of the issues covered include: the elements of a culture, intercultural competence as a learned skill, tolerance, norms, co-cultures, the role of language in communication, historical conflicts, and global social inequities. Content and lectures will come from a multicultural perspective and require original research and readings on cultural

COMM-160 Speaking in the Community - 3 units

Advisory: COMM-C1000; SPCH-120

LMC Degree: DA

Transfer: UC; CSU; C-ID COMM 160B

In this course students will learn and practice the theory, format and structure of effective public address. Students will conduct research to prepare lectures and / or demonstrations to be presented in the community and to a variety of audiences. Students may present their work at on-campus events, local community-wide events, or at competitions including mock trial or other forensics events. Students will meet during this scheduled course time to research, prepare, deliver, evaluate, and analyze presentations; they will also need to attend and present at community and/or competitive events that occur on the weekends or in the evening. May be repeated three times. SC

COMPUTER SCIENCE

CNT-030 Web Site Development-Part I - 1.5 units

Advisory: ENGL-C1000 LMC Degree: DA Transfer: CSU

This course will teach students how to program web pages for the Internet using HTML5, Cascading Style Sheets (CSS), and other web software programs. Understanding the structure of HTML5 and CSS is essential to edit and troubleshoot websites. The course also includes website design and layout, how Internet websites perform, and how to create a website for a business, eBay, educational purposes, a nonprofit organization, or personal use. May not be repeated. SC

Online and Hybrid Sessions

COMSC-044 Introduction to C++ Programming - 3 units

Go to www.losmedanos.edu/onlineclasses for course access information.

Advisory: ENGL-C1000 LMC Degree: DA Transfer: UC; CSU

This course is designed to be an introduction to the C programming language. We use a C++ text because C is a subset of C++ and is an object-oriented language. C++ has evolved into one of the leading programming languages in the computer software industry. C++ compilers are available on all platforms ranging from microcomputers to mainframes. The course will include structured program design, programming style, documentation, modular design, code reusability, program verification and testing, data abstraction, information hiding, and data structuring. Problems will come from the areas of business. May not be repeated. SC

COMSC-170 Work Experience Education in Computer Science - 1 units

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA

CONSTRUCTION / COUNSELING

SEC DAYS HOURS ROOM INSTRUCTOR DATES

Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC

1/26-5/22 Staff Note: Students must submit an online Work Experience application and attend a

mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

CONSTRUCTION - NON-CREDIT

CONST-010N **Construction Pre-Apprenticeship Fundamentals** - 0 units

LMC Degree: NC

This noncredit course is based on the Multi-Craft Core Curriculum (MC3) developed and approved by the Building Trades National Apprenticeship and Training Committee. This comprehensive pre-apprenticeship curriculum presents an introduction to the construction industry and trades awareness, construction health and safety, tools and materials, heritage of the American worker, diversity in the construction industry, blueprint reading, and employability skills. This course is part of a certificate that provides students with nationally-recognized industry credentials to address in-demand workforce skills. P/NP/SP

COUNS-036 Career & Life Planning - 3 units

Advisory: ENGL-C1000 or equivalent

LMC Degree: DA

Transfer: UC; CSU

In this course students will engage in in-depth career and life planning. Students will learn research strategies to make effective career and major choices, using a variety of techniques to find, retrieve, and evaluate career planning information. Students will use career assessments to identify their preferred work values, interests, skills, and personality traits. Research will then focus on the exploration of labor market needs; educational and employment requirements; and career ladders within given professions resulting in an effective educational and job search plan. This course will help students develop psychological "soft skills" in the domain of human relations such as interpersonal communication, self-esteem and professional confidence, emotional intelligence, conflict resolution, and effective collaboration in team-building skills. May not be repeated. SC

ECE-057 Curriculum and Strategies for Children with Special Needs - 3 units

Advisory: ECE-055; ENGL-C1000

LMC Degree: DA

Transfer: CSU

This is one of two courses to meet the Children with Special Needs Specialization for the Child Development Permit. The course focuses on learning to work with children with disabilities in inclusive, early childhood, and special education settings. It will include discussions of the following: assessments and curriculum; teaching methods and instructional strategies; adapting materials and activities for children with disabilities; managing challenging behaviors; adapting the physical environment, and working with families, therapists, and specialists. May not be repeated. SC

ECE-062 Introduction to Curriculum - 3 units

Advisory: ENGL-C1000

LMC Degree: DA

Transfer: CSU; C-ID ECE 130

This course examines the role of curriculum and environment in early childhood settings birth through age 8. Students will learn different curriculum models and how to plan, implement, and document curriculum that is developmentally

EARLY CHILDHOOD EDUCATION

DAYS ROOM INSTRUCTOR

appropriate. Students will use knowledge of children's development and theories of learning to plan and implement learning experiences in the areas of, math, science, language arts, and social studies. Key components include principles of curriculum development and the ongoing curriculum cycle, the teacher's role, environmental design, play, universal design for learning, and the home-school connection. May not be repeated. SC

ECE-065 Health, Safety, and Nutrition in Early Childhood

Programs - 3 units

Prerequisite: ECE-001 Advisory: ENGL-C1000 LMC Degree: DA

Transfer: CSU; C-ID ECE 220

Course Description: This course provides an introduction to the laws, standards, policies, procedures, and curriculum, and best practices related to child health safety and nutrition in educational settings birth through middle childhood. This course covers the teacher's role to ensure physical health, mental health, and safety for both children and staff are incorporated into the classroom, along with the importance of collaboration with families and health professionals. There is a focus on nutrition and meal planning, overall risk management and integrating the concepts into everyday planning, practices, and daily routines in programs for young children. May not be repeated. SC

in Early Childhood Education - 4 units

Prerequisite: ECE-001, 011, 020 (CHDEV-020), 062, 083 and 50 (CHDEV-050)

LMC Degree: DA

Transfer: CSU; C-ID ECE 210

Demonstration of developmentally appropriate and culturally relevant early childhood program planning and teaching competencies under the supervision of ECE/CD faculty and other qualified early education professionals. Students will utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Reflective practice will be emphasized as student teachers design, implement, and evaluate approaches, strategies, and techniques that promote development and learning. Includes exploration of career pathways, professional development, and teacher responsibilities. This class fulfills the Child Development Permit requirement for College Supervised Student Teaching, May not be repeated, LR

EDUC-100 Introduction to Classroom Teaching - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU

This course introduces students to the concepts and issues related to teaching diverse learners in today's contemporary schools, Kindergarten through grade 12 (K-12). Topics include teaching as a profession and career, historical and philosophical foundations of the American education system, contemporary educational issues. Common Core standards, and teacher performance standards. In addition to class time, the course requires a minimum of 45 hours of structured fieldwork in public school classrooms that represent California's diverse student population, and includes cooperation with at least one carefully selected and campus-approved certificated classroom teacher. May not be repeated. SC

Online and Hybrid Sessions

ELECTRICAL/INSTRUMENTATION TECHNOLOGY

ETEC Mathematics - 4 units ETEC-009

Corequisite: ETEC-010

LMC Degree: ADR: Language and Rationality: Analytical Thinking (Math Comprehension); DA

Transfer: CSU

This course meets the math requirements for the Associate of Science degrees in Electrical Technology and Instrumentation Technology. In this course math is taught in the context of problems commonly encountered by electronic and instrumentation technicians. Content includes analyzing graphs and schematic diagrams; using scientific notation and engineering notation; executing unit conversions; solving equations; calculating with fractions, complex fractions, logarithms and percentages; graphing complex numbers; applying right-triangle trigonometry; and utilizing methods and formula common to the fields of electrical and instrumentation technology. May not be repeated. SC

ETEC-010 **Direct Current Circuits - 4 units**

Advisory: ETEC-009; ENGL-C1000

LMC Degree: DA Transfer: CSU

This is first semester course in the fundamentals of electricity and electronics. It will provide a good background in direct current circuits including Ohm's law, component identification, and electrical terminology commonly used in the industry. Students will learn how electricity interacts with passive components. Emphasis will be placed upon the calculation, construction, and measurement of direct current circuits. The coordinated laboratory will teach the use of test equipment to measure circuits in order to perform circuit analysis. Students will apply the basic principles of DC circuits to develop troubleshooting techniques. May not be repeated. SC

EMERGENCY MEDICAL SERVICES

EMS-010 **Emergency Medical Technician Academy - 9 units**

Prerequisite: Students must be 18 years of age by the date the course begins. Students must have a current CPR card for BLS Healthcare Provider issued by the American Heart Association and it must remain valid for the duration of the EMS-010. Special note: Successful completion of ** EMS-014 ** meets the above prerequisite.

Advisory: EMS-007; EMS-009; Background checks, toxicology screenings and immunization records for those students placed in hospitals clinical internships. Medical clearance form and proof of vaccinations (see below) for all clinical experiences.

LMC Degree: DA Transfer: CSU

This course provides instruction and training to prepare students for certification as an Emergency Medical Technician (EMT-B) and to work in an entry-level position as an Ambulance Attendant, Emergency Room Technician, or other specialized services. This course is instructed in compliance with Department of Transportation (DOT) National EMS Education Standards (DOT HS 811 077A, January 2009), and is approved by the Contra Costa County - Emergency Medical Services Administration (Title 22) and the National Registry of EMTs. Successful students will be prepared for the EMT psychomotor and written certification exams through the National Registry. This course requires participation in clinical experiences taking place in emergency room departments of hospitals and in operational ambulance units. A minimum of 24 hours and 10 patient contacts is mandated. Students will be required to schedule and complete these clinical experiences outside of the classroom to meet course requirements. Students must show vaccination records and documentation of a current TB test. Hepatit is B. MMR, tetanus, and proof of varicella (chicken pox) and any other type of vaccination required by our partners in hospital or EMS providers. Students must also have a medical examination using DMV Form 51 or LMC Physical Clearance Form. May not be repeated. LR

Pittsburg Campus

0023 MW 9:05-12:30pm CC3-365 Blakeley, A 1/21-5/20 MW 1:00-4:10pm CC3-365

The EMT Academy is designed to meet the California Title 22 requirements for emergency medical technician training and is an in-person/on-campus course. Students will meet for in-person lecture and skills/lab sessions on Mondays and Wednesdays. There is a mandatory orientation for this course on Monday, December 15, 2025 in room CC3-365 from 10:30 am to 2:30 pm. Required purchases include a textbook with a specific ISBN, access to a testing platform called Platinum Education, a uniform, a blood pressure cuff, and a stethoscope. Students must have access to a computer with audio and video capability. Students are required to perform ride-alongs to obtain 10-patients contacts and 24-hours of required clinical time. Students must be 18 years of age to be eligible for state EMT certification. This course offers credit for prior learning. Individuals meeting the minimum requirements of Title 22 can take the challenge exam. To schedule to take the challenge exam, offered at the end of each semester, contact the EMT academy.

EMS-011 Emergency Medical Technician I Recertification - 0.5 units

Prerequisite: Students must have EMT-Basic Certification and have a current CPR card for BLS Healthcare Provider issued by the American Heart Association and it must remain valid for the duration of the EMS-011 class.

Advisory: ENGL-C1000

LMC Degree: DA

Provides training and knowledge required for Recertification for Emergency Medical Technician I as outlined by the State of California. EMT Certification is the minimum requirement for ambulance attendants and is a prerequisite for the Paramedic program, as well as most entry level firefighter positions. Content includes review of (1) basic life-support measures; (2) cardiopulmonary resuscitation; and (3) use of emergency medical equipment and supplies. Twenty-

DAYS HOURS ROOM INSTRUCTOR DATES

four hours of continuing education for EMT-B. EMT certification is the minimum requirement for ambulance attendants and is a prerequisite for the Paramedic program and most entry level firefighter positions. This course is instructed in compliance with Department of Transportation (DOT) National EMS Education Standards (DOT HS 811 077A, January 2009), and is approved by the Contra Costa County - Emergency Medical Services Administration (Title 22) and the National Registry of EMTs. Four hours of continuing education for EMT-B expanded scope skills of the administration of Naloxone, Epinephrine and use of the Glucometer, as required by Title 22 Div. 9 Chapter 2, as well as the US DOT HS 811 077A. ENGINEERING

ENGIN-010 Introduction to Engineering - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Natural Sciences: DA

Transfer: UC; CSU

This course introduces the engineering profession. Learn about computer-aided design software and 3D printing technology to create anything that you can imagine. The skills learned in this course will be applicable to a wide range of jobs in the fields of engineering, architecture, and technology. This course includes the worldwide history of engineering and its influences on society and reviews the major engineering disciplines and the requirements for becoming an engineer. The course also introduces engineering reports, graphics, and presentations. Engineering calculations and a design project are an integral part of the course. Engineering ethics and the need for lifelong learning are also discussed. May not be repeated. LR

ENGIN-022 **Programming with MATLAB for Engineers and Scientists**

- 4 units

Corequisite: MATH-220 Advisory: ENGL-C1000 LMC Degree: DA Transfer: UC; CSU

This course teaches computer programming using the MATLAB's syntax, control, and data structures. It includes object oriented programming techniques, introduces numerical techniques for scientific and engineering applications, and emphasizes optimal programming practices. Various aspects of the software lifecycle, including design, documentation, implementation, debugging, testing, and maintenance are introduced. Case studies and software projects are significant parts of the course. Offered in the Fall semester. May not be repeated. LR

Online and Hybrid Sessions

12:45-2:10pm SC2-230 Ward, S

Zero Textbook Cost (ZTC). Note: Partially online course. Students will meet throughout the semester in person Tuesdays and Thursdays 12:45PM to 2:10PM. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software. Online asynchronous course. This course may use online exam proctoring software to administer exams. Access to a computer with audio and video capability is required.

Go to www.losmedanos.edu/onlineclasses for course access information.

FNGIN-025 Engineering Graphics - 3 units

Advisory: ENGIN-010; ENGL-C1000

LMC Degree: DA

Transfer: UC; CSU

This course introduces descriptive geometry and engineering graphics techniques. Techniques include freehand and instrument drawing, while the primary emphasis is on computer aided drafting. Applications of descriptive geometry include orthographic drawings, sectional views, and auxiliary views. Axonometric, oblique, and perspective drawings are also covered. Other topics include revolutions, tolerances, dimensions, fasteners, springs, detail drawings, and assembly drawings. May not be repeated. LR

SEC DAYS HOURS ROOM INSTRUCTOR DATES

ENGIN-045 Engineering Circuit Analysis - 4 units

Coreguisite: Prior or concurrent enrollment in MATH-240

Advisory: ENGL-C1000 LMC Degree: DA Transfer: UC; CSU

This is an introduction to electrical circuit analysis. It starts with passive d.c. circuits, includes controlled sources, and progresses to network analysis, including superposition, Thevenin and Norton equivalents, node and mesh analysis techniques. The course also includes analysis of circuits with energy storage elements, along with transient responses that are described by first- and second-order differential equations. The ideal op-amp model is introduced. Alternating current circuit analysis is developed, including the use of phasors, and applications are made to transformers, single phase, and three phase circuits. The course includes computer modeling of circuits. An optional materials fee may be applied. May not be repeated. LR

Pittsburg Campus

1791 MW 11:10-12:35pm SC2-230 Rizk,T 1/26-5/22 MW 12:45-2:10pm SC2-230

ENGIN-046 Engineering Dynamics - 3 units

Prerequisite: ENGIN-036 Advisory: ENGL-C1000 LMC Degree: DA Transfer: UC; CSU

This course covers dynamics for engineering applications. It includes the kinematics and dynamics of particles, systems of particles, and rigid bodies in two and three dimensions. Also included are orbital motion, vibrations, Euler angles, and variable mass systems. May not be repeated. LR

Pittsburg Campus

1798 TTH 11:10-12:35pm SC2-230 Nesaei, S 1/26-5/22 Note: Class meets weekly as scheduled.

ENGLISH

ENGL-111 Creative Writing - 3 units

LMC Degree: ADR: Arts and Humanities; DA

Transfer: CSU

This course allows departure from the usual expository forms and encourages the students to write creatively, experimenting with poetry, fiction, creative non-fiction and dramatic writing, learning to use words and expressions figuratively and literally to create pictures/conceptions that stir the imagination. The course will emphasize a focus on good writing habits, journaling and how to read as a writer as well as exploring ways to be involved in the literary community through performance and publication. May not be repeated. SC

Online and Hybrid Sessions

Zero Textbook Cost (ZTC). Note: Online course. All instruction will be online. Go to www.losmedanos.edu/onlineclasses for course access information.

ENGL-113 **Creative Writing: Poetry - 3 units**

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC; CSU

In this introduction to poetry course, students will write, analyze, and critique poetry. While this course focuses on the creation of poetry, students will also analyze and critique classic and contemporary poetry from a range of genres and cultural perspectives. Students will learn to appreciate the diversity of voices in the world of poetry while writing their own poems and learning about the stylistic and technical elements of poetry. May not be repeated. ENGL-120 Introduction to Latino Literature and Its Latin American Roots - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; Ethnic/Multicultural Studies; DA Transfer: UC; CSU; Cal-GETC Area 3B

This course is an introduction to the writing of Latino Americans and Latin Americans. It will explore Latino and Latin American literature by writers in the United States and Latin America, tracing the origins of Latino works to the literature and culture of various Latin American countries, and then showing the way in which Latino literature emerged as a distinct artistic form in the United States. Literature will be selected from a variety of genres including short stories, memoirs, novels, poems, and plays, and will exemplify the richness and diversity that give Latin American and Latino literature their appeal. Readings will emphasize the humanistic values that make literature a unifying and universalizing force in the world and will be studied within their historical, political, social, economic, and geographical contexts. By examining the connection between Latino and Latin American literature, students will learn more about the shared ground inherent in both groups. May not be repeated. SC

ENGL-124 Children's Literature - 3 units

LMC Degree: ADR: Arts and Humanities; Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 3B; C-ID ENGL 180

This course offers students the opportunity to read, discuss, and write about children's and adolescent literature from a variety of historical periods, and covers the three main genres: short stories (including, myths, legends, fairy tales and folk tales), poetry and the novel. It includes works from the oral tradition to the present, and focuses on analyzing the works themselves and understanding their social and cultural contexts. This course also explores current issues and controversies in the field of children's literature. May not be repeated. SC

SEC DAYS HOURS ROOM INSTRUCTOR DATES

ENGL-132 Myth, Fantasy, and Science Fiction - 3 units

Advisory: ENGL-C1000 LMC Degree: DA

Transfer: UC; CSU; Cal-GETC Area 3B

Can science fiction, fantasy, and other "nonrealistic" stories tell us something about our own world? How do myths from across the world serve as the foundation for larger than life stories that endure across time and culture? We'll explore how speculative literature (chiefly, science fiction and fantasy)—carries the torch of ancient myth into our present world. We will also discuss how science fiction and fantasy is uniquely positioned to create powerful metaphors and narratives that serve as thought experiments for both enduring and weighty contemporary topics such as race, gender, sexuality, free will, body image, psychology, capitalism, immigration, and family dynamics. We will be reading myths, short stories, novels, graphic novels, and watching film and selected nonfiction texts to ground our discussions. May not be repeated. SC

Online and Hybrid Sessions

0145 ONLINE Peck, N 1/26-5/22

Note: Online course, All instruction will be online.

ENGL-133 Race, Ethnicity and Gender in Popular Fiction and Film - 3 units

LMC Degree: ADR: Ethnic/Multicultural Studies; Arts and Humanities; DA Transfer: UC; CSU; Cal-GETC Area 3B; Also satisfies American Cultures Requirement at UCB

This course explores the effects on American culture of Hollywood's cinematic representation of race, ethnicity and gender through a critical examination of selected popular films and novels discussed within their historical setting. May not be repeated. SC

Online and Hybrid Sessions

0151 W 12:45-2:10pm CO-101 Lopez, Y 1/26-5/22

Note: Partially online course. Students will meet once a week throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.

ENGL-135 Introduction to LGBTQ+ Studies - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Ethnic/Multicultural Studies; DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID SJS 130

Same as SJS-135 LGBTQ+ Studies (Lesbian, Gay, Bisexual, Transgender, Queer, and "Plus." The "plus" represents other sexual and gender identities including pansexual, intersex, non-binary, two-spirit, and more). LGBTQ+ Studies takes an intersectional, interdisciplinary, multicultural approach to examining the historical, political, social and cultural issues that have affected LGBTQ+ people throughout time and globally. This class emphasizes that everyone has a gender and sexuality and in this sense explores the strengths of our differences. Students will study people from a wide variety of cultures, and gain a greater understanding of how matters of sexual orientation and gender identity impact and intersect with issues of class, race, ethnicity, ability, nationality, religion and mental health. May not be repeated. LR

Online and Hybrid Sessions

0295 M 11:10-12:35pm CC2-236 Moutray, C 1/26-5/22

Note: Hybrid course. Course meets on campus Mondays from 11:10AM-12:35PM. All other instruction will be provided via the internet through the college learning management system CANVAS and Zoom software. Access to a computer with audio and video capability is required. Go to www.losmedanos.edu/onlineclasses for course access information.

SEC DAYS HOURS ROOM INSTRUCTOR DATES

ENGL-136 Introduction to Gender Studies - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID SOCI 140

Same as SJS-136. Introduction to Gender Studies introduces students to foundational concepts in the field of gender studies. This course compares and contrasts sociological perspectives used to interpret gender. Through the course, students will understand key terms in gender studies, identifying differences between sex and gender and examining how these terms function within a larger social context. The course asks students to understand the main agents behind gender construction for both children and adults while identifying how these constructions operate across social and cultural institutions. Also, students will recognize the relationships between race, ethnicity, class, and sexuality as well as how power is negotiated within those relationships. Finally, students will gain a firm understanding of the social and political movements that have worked to change gender inequalities. May not be repeated. LR

Online and Hybrid Sessions

0307 ONLINE Moutray, C 1/26-5/22

ENGL-144 **Hip Hop as Lit - 3 units**

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; Ethnic/Multicultural Studies; DA

Transfer: UC; CSU; Cal-GETC Area 3B

This course looks at hip hop as a type of literary art. It focuses on how artists like MC Sha Rock, Queen Latifah, Jay Z, Tupac, Kendrick Lamar and others use hip hop to express themselves and share important social, cultural, and political messages. By analyzing song lyrics, students will learn about the history, culture, and regional influences of hip hop. They will also explore how hip hop can both challenge and reflect mainstream culture. To help with this, students will be introduced to basic elements of literature and tools for analyzing texts. The course will include readings from artists, music critics, and scholars to contextualize these topics. May not be repeated. LR

Online and Hybrid Sessions

0347 ONLINE Warfe, S 1/26-5/22

Zero Textbook Cost (ZTC). Note: Online course. All instruction will be online. Go to www.losmedanos.edu/onlineclasses for course access information.

ENGL-147 **Graphic Novels, Comics, and Manga - 3 units** LMC Degree: DA

Transfer: UC

This is a course in the graphic novel, comics and manga as literature. Comics, graphic novels, sequential art, manga—this art form electrifies the page with its interplay of word and image. We are going to become adept at piecing apart the understated brilliance of these books by understanding their particular vocabulary and analyzing them for theme, character and other elements as we would any literary text. We will explore the past and present impact on a diverse society of comic books and graphic novels as artistic expressions and representations of social, political and cultural issues; in this course we will also examine power, powerlessness, and superpowers. May not be repeated. LR

ENGLISH AS A SECOND LANGUAGE (ESL) - CREDIT

ESL-065G Foundational Grammar 1 - Credit ESL - 3 units

Advisory: Go through the LMC ESL Self-Placement process and use its guidance and information to confirm the "Entry/Bridge" stage is the best place for you to begin. Enroll in ESLN-001 College ESL Student Orientation to get even more help. LMC Degree: NDA

Do you want to strengthen your everyday communication skills by improving your understanding and ability to use a set of fundamental English language grammar structures? In this course, you will develop multiple communication skills as you explore the grammar through short readings, practice and development possibilities, speaking and listening activities, and writing opportunities. If you have been learning English for at least a year and want to develop your ability to communicate in English for general purposes, this course is for you. This is the first of a two-course package at our "Entry/Bridge" stage of General ESL. Successfully complete ESL-065G and ESL-075G, and then apply for the Credit "Foundational Grammar for General Communication College Skills Certificate." May not be repeated. P/NP

ESL-065PC Essential Pronunciation & Conversation 1 - Credit ESL - 3 units

Advisory: Go through the LMC ESL Self-Placement process and use its guidance and information to confirm the "Entry/Bridge" stage is the best place for you to begin. Enroll in ESLN-001 College ESL Student Orientation to get even more help. LMC Degree: NDA

Would you like to practice and improve your English conversation skills? Do you also want to learn how to pronounce the sounds and patterns that make up the English language? Take this class and begin learning and practicing a set of essential pronunciation features and conversation skills to help you communicate in English for everyday purposes. This course uses language at a beginning to high-beginning level of English, yet non-native English speakers at all levels can also benefit from this course. This is the first of a two-course credit package at our "Entry/Bridge" stage of General ESL. Successfully complete ESL-065PC and ESL-075PC (in the same semester when offered), and then apply for the Credit "Essential Pronunciation and Conversation College Skills Certificate." May not be repeated. P/NP

ETHNIC STUDIES

Introduction to Black Studies - 3 units ETHN-045

Advisory: ENGL-C1000

LMC Degree: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 4, 6

Introduction to Black Studies takes an anti-racist approach to examining racial. ethnic, historical, political, social, and cultural issues, such as anti-blackness and policing of Black bodies, that affect Black, African American, Afro-Latinx, and people of African origin worldwide. Students will utilize an Ethnic Studies and interdisciplinary approach with a focus on Black academic and nonacademic knowledge production. Students will acquire a deeper understanding and appreciation for the contributions that Black people have made to human civilization. The class will interrogate the intersections of race, ethnicity, nationality, gender, sexuality, class, ability, and mental health as they relate to Black experiences. May not be repeated. SC

Introduction to Ethnic Studies - 3 units ETHN-101

Advisory: ENGL-C1000

LMC Degree: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA Transfer: CSU: Cal-GETC Area 4, 6

Introduction to Ethnic Studies is a comparative and transdisciplinary examination of the experiences of African American/Black, Native American/Indigenous, Asian American, Asian Pacific Islander, Chicanx/Xicanx, and Latinx communities in the United States from the colonial era to today. Students will discuss and analyze key theories and concepts from the field of Ethnic Studies, including Critical Race Theory (CRT), coloniality, migration, double-consciousness, colorblind racism, decolonial practices, and the "Wages of Whiteness," among other topics, to grant students conceptual tools for the discussion of race and ethnicity in U.S. society. Through an intersectional analysis, students will interrogate categories of identity and power including race, ethnicity, class, gender, sexuality, religion, age, and ability. Particular emphasis will be placed on historical and contemporary discussion of African American/Black, Native American/Indigenous, Asian American, Asian Pacific Islander, Chicanx/Xicanx, and Latinx communities, including comparative and transnational lenses. The course will also discuss whiteness as an integral part of the construction of race with a particular emphasis on the persistence of social inequalities and the continual struggle and advances for racial justice and anti-racist activism in society. May not be repeated. SC

ETHN-103 Racial and Ethnic Justice Movements - 3 units

LMC Degree: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA Transfer: CSU: Cal-GETC Area 4, 6

Racial and Ethnic Justice Movements will examine non-governmental institutions of social, cultural, and political change rising from racial and ethnic groups, focusing on Native American/Indigenous, Black/African American, Asian American, Asian Pacific Islander, and Chicanx/Latinx communities. Theories of social movements will provide a foundation for discussion and analysis on culturally relevant topics, which can include anti-racist and anti-colonial issues and the struggle and resistance against racism, as groups work toward a more racially just and equitable society. Although earlier political and social clubs will be discussed, primary emphasis will be placed on social movements since the 1960s, such as the Third World Liberation Front at San Francisco State University and the University of California Berkeley, the Black Panthers, Young Lords, etc. Students will consider how racial and ethnic justice movements have transformed the meaning of America and American democracy. Emphasis will be placed on contemporary issues of racial justice considering varying political leadership and demographic changes. A key question students will consider is why race still matters to movements for social justice today. May not be repeated. SC

Advisory: ENGL-C1000

information.

9621 TH

information.

LMC Degree: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA Transfer: CSU; Cal-GETC Area 4, 6

Introduction to Native American/Indigenous Studies is a survey of the approaches to the study of the many components that combine to create contemporary Native American and Indigenous experiences across the Americas, with a focus within the United States. A primary objective of this course is to examine the structural and disciplinary constraints systemically placed on Native Americans and Indigenous cultures. The course will examine identity, sovereignty, Indigenous-White relations, federal law and policy, tribal governments, and art, literature, and film from Indigenous perspectives. Students will explore dominant academic and media representations and research practices and explore the decolonial research practices offered by contemporary Native American and Indigenous scholars, artists, and educators. The course offers an academic concentration of Indigenous learning communities, leadership, and the continual building of Native Nations. At the center of the academic study is Native American and Indigenous perspectives and the sovereignty of Native nations and the cultures of Native peoples. May not be repeated. SC

FIRE-107 Principles of Fire and Emergency Services Safety and

Survival - 3 units

LMC Degree: DA Transfer: CSU

This course is designed for those seeking entry into, as well as those professionally employed in the fire service. This course is required by the California State Fire Training and Fire and Emergency Services Higher Education (FESHE) as it covers key topics to keep fire fighters safe in the course of their job. Topics include assessing fire dangers and handling common fire situations in the home and in the work place; risk abatement and personal preparation for unforeseen fire emergencies; and roles and responsibilities in educating the public on fire safety. May not be repeated. LR

Brentwood Center

9622 F 11:10-2:20pm BRT-307 Hurtado, R 1/26-5/22

Note: This class meets weekly on Fridays from 11:10am to 2:20pm. For more information, contact instructor Rick Hurtado at rhurtado@losmedanos.edu.

SEC DAYS HOURS ROOM INSTRUCTOR DATES

FIRE-120 Firefighter 1 Academy - 17 units

Prerequisite: Fire 101 and Fire 102 or equivalent. Satisfactory completion of an Emergency Medical Technician training program. Fire 106 or challenged with satisfactory completion of the Candidate Physical Ability Test (CPAT) or valid equivalents. Successful clearance of standard medical physical exam within 6 months prior to the Fire academy. Fire Cadets are required to carry their own medical insurance.

LMC Degree: DA Transfer: CSU

Los Medanos College's Firefighter 1 Academy prepares students (cadets) for entry-level jobs in firefighting careers. This course provides the minimum level of training required by the California State Fire Marshall and prepares the cadet for jobs serving as volunteer, reserve and career Firefighters. Los Medanos College's Firefighter 1 Academy also leads toward California State Firefighter 1 Certification track. The California State Firefighter 1 curriculum, guidelines and assessments are closely followed and delivered throughout this academy. Standards of performance in written exams and skill demonstrations are established by The Office of the State Fire Marshall utilizing IFSAC (International Fire Service Accreditation Congress) and Pro-Board Fire professional qualification system testing standards. The firefighter 1 academy offered at Los Medanos College is fully accredited by the California State Fire Marshal and the California State Board of Fire Services. There is a mandatory orientation required for this course. Mandatory fees apply for State Certificates issued and for capstone testing and other activities during the Firefighter 1 Academy. May not be repeated. P/NP

HISTORY

HIST-029 United States History until 1865 - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 4

This course examines the social, cultural, political, and economic history of North America from the era of European colonization to the Civil War. Particular emphasis will be placed on understanding how race, class, gender, and sexuality intersected with ideas about power. The course will present a multicultural history of the United States by examining the experiences of Native Americans, African-Americans, Euro-Americans, Hispanic-Americans and their contributions to U. S. history. The origins, nature, and impact of the U. S. Constitution on U. S. history before 1865 including the political philosophy of the framers, the operation of political institutions, and the rights and obligations of citizens will also be covered. May not be repeated. LR

HIST-037 History of Race and Ethnicity in the United States - 3 units

Advisory: ENGL-C1000 or equivalent

LMC Degree: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 3B, 4; US-1

This course surveys the idea of race and the history of racism in American society from the colonial era to the present. Students will focus on the emergence of the idea of race and trace the ways racial ideology and understandings of ethnicity have changed over time. Students will explore how the social construction of race allowed some people to exercise power while disempowering others. Students will also evaluate the ethical implications of racism by exploring the ways race has been used to justify slavery, political disenfranchisement, and economic marginalization of various groups within American society. May not be repeated. SC

Advisory: ENGL-C1000- Students should be able to read and write at the college level.

LMC Degree: ADR: Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 3B, 4; C-ID HIST 160

This course surveys world history from 1500 CE to the present, with an emphasis on the dynamic interaction of cultures and societies around the globe. The course considers the social, political, economic, cultural, and intellectual forces that shaped both major societies and less influential ones. The course examines the legacy of these forces worldwide and their contributions to present-day circumstances, including on-going tensions between tradition and modernity. Specifically, it transcends nationalist versions of history to connect the histories of people worldwide through the methodology of World History. May not be repeated. SC

HIST-057 History of American Women since 1877 - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Arts & Humanities; Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA

Transfer: UC; CSU Gen. Ed. Area C2, D, US-1; Cal-GETC Area 3B, 4

This course examines the history of American women from the post-Civil War era to the modern age. The course is particularly concerned with understanding how the cultural construction of gender influenced women's lives in various times and places. Attention will be given to cross-cultural gendered encounters between European, Native American, African, and Hispanic peoples and understanding how gender intersects with other hierarchies of power, such as race, class, and sexuality. The course explores how social, political, economic, and cultural factors influenced women's experiences, and it also examines the impact of the U.S. and California Constitutions and the activities of federal, state, and local governments on the lives of women in the United States. May not be repeated. LR

HUMANITIES

HUMAN-019 **Ancient Humanities - 3 units**

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 3B

An integrated, interdisciplinary approach to history, literature and drama through the study of Shakespeare's plays based on the Plantagenet kings from Edward III to Richard III, and focusing on English history from 1337 to 1485. This dynamic period of international war, dynastic struggle and regicide chronicles England's evolution from a medieval kingdom to a modern nation. The events of history will be investigated in light of Shakespeare's artistic license with that history in crafting popular dramas. Students will address Shakespearean language, dramaturgy, issues of staging and performance, as well as the political and cultural conditions of England during the period covered by the play as well as Shakespeare's era that shape the plays. Meets Humanities requirements for LMC general education and Cal-GETC. May not be repeated. LR

HUMAN-050 Hip Hop Culture: An American Phenomenon - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC; CSU; Cal-GETC Area 3B

This broad-based interdisciplinary course addresses aspects of Hip Hop culture, including its history, philosophy, art, literature, dance and music that has created a culture and identity for American (and international) youth in all its diversity. The sheer volume of multi-ethnic, multilingual, interracial and cross class integration that Hip Hop culture has generated in the last forty years is matched by very few cultural phenomena in the history of this nation. Elements of Hip Hop have touched nearly every sector of our national culture, as well as they have reached into other continents. In light of this, it is imperative to examine the origins and evolution of Hip Hop in the US as a means of understanding its influence on contemporary national dialogues about race, gender, sexuality, class, politics and religion. Accordingly, this course, will explore the relationship of Hip Hop to contemporary social and political discourses by charting its history in the United States from the post-World War II era into the early twenty-first century - approximately 1968 to present. May not be repeated. SC

MATH-120 Number Systems - 4 units

Advisory: MATH-029; Students should have a background in algebra for content in this course and for The California Basic Educational Skills Test (CBEST) requires for teaching credentials in California.

LMC Degree: ADR: Language and Rationality: Analytical Thinking (Math Comprehension): DA

Transfer: UC; CSU; C-ID MATH 120

MATH-120 is designed for prospective multiple subjects credential candidates. Emphasis is on understanding concepts and operations with whole numbers, fractions, and decimals through multiple representations. Problem solving strategies, numeration systems, and elementary number theory are emphasized in relevant contexts. Common Core math standards are also studied. May not be repeated. SC

Pittsburg Campus

0711 TTH 11:10-1:00pm MA2-205 1/26-5/22 Landers, M 1:00-2:15pm MA2-205

MATH-120 is designed for prospective multiple subjects credential candidates. This course satisfies the CSU area B4 requirement. Emphasis is on understanding concepts and operations with whole numbers, fractions, and decimals through multiple representations. Problem solving strategies, numeration systems, and elementary number theory are emphasized in relevant contexts. Common Core math standards are also studied. Math 120 has no prerequisite. This section includes required scheduled lab hours. The professor will also have office hours Tuesdays and Thursdays before and after class. Additional office hours will be held on Mondays and Wednesdays, as well as zoom student support hours on Friday afternoons. Contact the professor at mlanders@losmedanos.edu with questions about this section.

MATH-125 Quantitative Reasoning - 4 units

Prerequisite: Intermediate algebra or higher; or placement process. LMC Degree: ADR: Language and Rationality: Analytical Thinking (Math Comprehension); DA

Transfer: CSU

Quantitative Reasoning is designed for students in arts and humanities majors. This course explores mathematical modeling and problem solving in real life contexts, including unit conversions, statistics, the mathematics of finance, and voting and apportionment. May not be repeated. SC

Online and Hybrid Sessions

9529 MW 11:10-1:00pm BRT-419 Staff 1/26-5/22

MATH-140 **Applied Calculus - 4 units**

Prerequisite: Intermediate Algebra or higher; or Placement Process LMC Degree: ADR: Language and Rationality: Analytical Thinking (Math Comprehension); DA

Transfer: UC; CSU; Cal-GETC Area 2

An introduction to the theory of calculus with applications to problems in business, economics, biology, social and life sciences. Mathematical models will be applied to these fields and problem solving will be emphasized. Topics include: problem solving; modeling; functions; differential calculus; and an introduction to the concepts of integration. Use of a mathematical software package or graphing calculator required. May not be repeated. SC

MATH-140S Intermediate Algebra for Applied Calculus - 2 units

Corequisite: MATH-140

LMC Degree: DA

Intermediate Algebra for Applied Calculus covers the algebra skills and concepts needed for success in applied calculus computations and applications. This course is for business and science majors who are concurrently enrolled in Applied Calculus (Math 140) at Los Medanos College. Students will review and learn about function properties, exponent rules, factoring, operations on rational and radical functions, linear functions, exponential functions, logarithm functions, quadratic and polynomial functions, composite functions, inverse functions, Pythagorean Theorem, and basic geometry. Students will use graphing technology to verify solutions. Students will develop mathematical problem solving processes and study skills that promote success in Applied Calculus (Math 140). May not be repeated. SC

SEC DAYS HOURS ROOM INSTRUCTOR DATES

MATH-155 **Precalculus - 4 units**

Prerequisite: Intermediate Algebra and Geometry, or higher; or placement process LMC Degree: ADR: Language and Rationality: Analytical Thinking (Math Comprehension); DA

Transfer: UC; CSU; Cal-GETC Area 2

Math-155 is an in-depth study of functions and their usefulness in mathematical modeling. Functions are approached numerically, graphically, symbolically, and verbally. Families of functions studied include: linear, quadratic, exponential, logarithmic, trigonometric, power, polynomial, and rational. Additional function topics: rate of change, concavity, domain/range, function transformation/ combination, inverse functions, and asymptotic behavior of functions. Algebraic skills are further developed. This course is primarily intended to prepare students for calculus but may also serve as an advanced course for students not intending to continue with calculus. May not be repeated. SC

Online and Hybrid Sessions

Prerequisite: MATH-220 or equivalent

LMC Degree: ADR: Language and Rationality: Analytical Thinking (Math Comprehension); DA

Transfer: UC; CSU; Cal-GETC Area 2; C-ID MATH 250

This course develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included. May not be repeated. SC

STAT-C1000 Introduction to Statistics - 4 units

Prerequisite: Placement as determined by the college's multiple measures assessment process or completion of a course taught at or above the level of intermediate algebra.

LMC Degree: ADR: Language and Rationality: Analytical Thinking (Math Comprehension); DA

Transfer: UC; CSU; Cal-GETC Area 2

This course is an introduction to statistical thinking and processes, including methods and concepts for discovery and decision-making using data. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-squared, and t-tests; and application of technology for statistical analysis including the interpretation of the relevance of the statistical findings. Students apply methods and processes to applications using data from a broad range of disciplines. Part 2: (Formerly MATH-110). May not be repeated. SC

MUSIC

MUSIC-005 **Recital Class - 1 units**

Advisory: MUSIC-008; or arrangement with a private music instructor LMC Degree: DA

Transfer: UC; CSU

This course is designed to be taken in conjunction with MUSIC-008 or with private instruction from a qualified off-campus instructor. The student will learn appropriate performance decorum, techniques for concentration, "stage fright" control, performance preparation skills as well as organization and presentation skills for public performance. There will be many opportunities to perform prepared solos in various venues with differing levels of formality. May not be repeated. LR

Pittsburg Campus

0561 T 12:45-3:55pm MU3-730 Staff 1/26-5/22

Note: Class meets weekly as scheduled.

MUSIC-006 **Sophomore Recital Preparation - 1 units**

Prerequisite: MUSIC-005 and placement audition

Advisory: MUSIC-008; or arrangement for lessons with a private music instructor LMC Degree: DA

Transfer: UC; CSU

This course is designed to prepare the music major to successfully perform a sophomore recital upon graduating from LMC with an associate degree in music, or upon transferring to a four year school as a music major. The sophomore recital is defined as an individual solo recital representing the student's mastery of technical and artistic skills commensurate with upper division entry level expertise, including but not limited to; ability to perform a solo program of at least 30 minutes of playing time; demonstrated performance expertise in music of diverse compositional styles; demonstrated expertise in the technical and interpretive skills required for a high level of performance on that student's instrument or voice; demonstrated mastery of proper stage deportment for varying levels of formality. It is assumed that the student will be taking regular private lessons with an instructor/coach through MUSIC-008 or MUSIC-009 or from a qualified off-campus instructor. May not be repeated. LR

Pittsburg Campus

0562 T 12:45-3:55pm MU3-730 Staff 1/26-5/22

Note: Class meets weekly as scheduled.

MUSIC-008 Applied Music - 0.5 units

Prerequisite: Audition

Advisory: Prior or concurrent enrollment in Music 5, 6, or in major performance medium; Music 30, 31, 32, 33a or 33b; music theory course at appropriate level (Music 15, 16, 17, 18 or 81); and chamber ensembles (Music 50 - 56). Pianists, vocalists, and guitarists may substitute alternative music courses to satisfy chamber ensemble requirement.

LMC Degree: DA

Transfer: CSU: C-ID MUS 160

This course is designed for the music major or minor students who will study their performance medium in private lessons. Students will audition for the available lesson slots. Students will have private lessons for three hours during the semester in addition to weekly lab practice. Each student must pass an audition. It is strongly recommended that the student be concurrently enrolled in Piano (30, 31 or 32), Recital Class (5, 6, or 7), a music theory course at the student's appropriate level (15, 16, 17, 18 or 81), enrollment in any major performance group or Chamber Ensembles (any section between 50-56). Any exception to this list must have instructor's approval. May be repeated three times. LR

Pittsburg Campus

0507 TH 1:00-1:50pm MU3-720 Staff 1/26-5/22

Note: This course meets 1.5 hours by arrangement each week. Class meets the first Thursday of the semester in room MU3-720from 1:00-1:50 pm.

MUSIC-010 Music Literature - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Arts and Humanities;

Ethnic/Multicultural Studies; DA

Transfer: UC; CSU; Cal-GETC Area 3A

This is an interdisciplinary course providing an overview of the creative process with a focus on music. The course develops an aural analysis of music from many cultures and from past to present-day forms of musical creativity; it examines music as a reflection of the beliefs, social conditions and temper of the times. Sophistication in listening will be developed with attention to musical design, forms, style, instrumentation, and the derivation of increased pleasure form this art form. This course provides opportunity for creative analysis by attending and evaluating contemporary performances and concerts. May not be repeated. LR

MUSIC-017 Music Theory II: Tonal Harmony - 3 units

Advisory: MUSIC-016, 031, 013A and 013B; prior or concurrent enrollment in MUSIC-014A, 014B, 032 or 033A

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC; CSU; Cal-GETC Area 3A; C-ID MUS 130

MUSIC-017 is the study of common practice harmony. The focus is on tonal harmony including the realization of figured bass lines, harmonization of melodies and the harmonic and structural analyzation of examples of Baroque, Classical and Romantic musical literature. This course is required for music majors and should be taken concurrently with MUSIC-014. This course incorporates the concepts from Music Theory I. In addition, through guided composition and analysis, the course will include: an introduction to two-part counterpoint; voice leading involving fourpart chorale writing; diatonic harmony; and an introduction to secondary/applied chords and modulation. May not be repeated. LR

Pittsburg Campus

0464 MW 12:45-1:35pm MU3-750 Staff 1/26-5/22 MW 1:35-2:10pm MU3-750

PHYS-035 College Physics I - 4 units

Prerequisite: MATH-155 or equivalent

Advisory: PHYS-015

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 5A, 5C; C-ID PHYS 105

This course is an integrated study of the basic concepts, principles, and laws underlying physical phenomena and processes. Energy will be the unifying theme

in treating mechanics, thermodynamics, and oscillations. This is the first semester

PHYSICS / POLITICAL SCIENCE

SEC DAYS HOURS ROOM INSTRUCTOR DATES

of a year long course in general college physics. May not be repeated. $\ensuremath{\mathsf{LR}}$

Pittsburg Campus

3033 T 8:15-11:25am SC2-226 Moore, R 1/26-5/22

PHYS-037 General College Physics Calculus Supplement I
- 0.5 units

Corequisite: PHYS-035; MATH-140 or MATH-210

LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU

This course, taken with PHYS-035, is equivalent to a calculus-based physics course. Students learn how to solve calculus-based physics problems in mechanics and thermodynamics, such as center of mass, moments of inertia, and the work done by a gas undergoing various types of expansion. Students will also learn how to convert from approximate, non-calculus formulas to the exact, calculus-based formulas. May not be repeated. LR

Online and Hybrid Sessions

3030 ONLINE Moore, R 3/30-5/22

Zero Textbook Cost (ZTC). Note: Online course. All instruction will be online with no specifically required meeting times. Go to www.losmedanos.edu/onlineclasses for course access information.

PHYS-038 General College Physics Calculus Supplement II - 0.5 units

Corequisite: PHYS-036, MATH-210 LMC Degree: ADR: Natural Sciences; DA

Transfer: UC; CSU

This course, taken with PHYS-036, is equivalent to a calculus-based physics course. Students learn how to solve calculus-based physics problems in fluid dynamics, wave phenomena, electromagnetism, and modern physics, such as atmospheric pressure variations, determining the electric field and voltage around a particular charge distribution, or determining radiation exposure. Students will also learn how to convert from approximate, non-calculus formulas to the exact, calculus based formulas. May not be repeated. LR

POLSC-033 Philosophy of Political Theory and Thought - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 3B, 4; C-ID POLS 120

Same as PHIL-133. An introduction to the history and development of political theory and thought. The primary goal of this course is to examine various theoretical approaches to politics, basic political problems and proposed solutions, while analyzing historical theories in order to address contemporary problems. The course will proceed with an interdisciplinary and comparative approach to the study of primary texts and their authors in historical context. POLSC-033 meets the Social and Behavioral Sciences requirement. PHIL-133 meets the Art and Humanities requirement. May not be repeated. SC

Pittsburg Campus

0245 MW 12:45-2:10pm CC2-228 Smith, J 1/26-5/22 Note: Class meets weekly as scheduled.

POLSC-043 **International Relations - 3 units**

Advisory: POLS-C1000 and ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID POLS 140

This course introduces students to the study of political, economic, and cultural relations among nation-states, international organizations, and nonstate actors, focusing on the interdependence of nation-states and cultures in the modern world. Students will be introduced to the theories of realism and liberalism as well as the ethical implications of international conflict, trade, and sovereignty. The course features an interdisciplinary perspective, with contributions from geography, history, sociology, economics, and environmental studies. May not be repeated. LR

SEC DAYS HOURS ROOM INSTRUCTOR POLSC-109 **Introduction to Constitutional Law:** Your Liberties and Rights - 3 units

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; US-2; Cal-GETC Area 4

This course is an introduction to U.S. constitutional law as it relates specifically to the federal judicial branch and its case history. Detailed emphasis will be placed on the Supreme Court, its powers, restraints, responsibilities, and how these affect diverse communities in the United States. The Supreme Court's landmark decisions related to the incorporation of the Bill of Rights, the due process of law, and how the court comes to its decisions will be the main fodder for this class, including recent cases relevant to the evolution of the court and it's its impact on the lives of our students. Socio-economic, political, and ethical issues as well as demographic data will be used during discussion, analysis, and debate of the role of the court in defining our civil liberties and rights. May not be repeated. LR

DATES

POLSC-160 Introduction to Law, Public Policy and Society - 3 units

Advisory: ENGL-C1000 and POLS-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA Transfer: UC; CSU; US-2; Cal-GETC Area 4; C-ID LPPS 110

This course is an introduction to the legal system of the United States as it relates specifically to the political power, ethical issues, and multiple functions of the judicial branch. Detailed emphasis will be placed on the case history of the Supreme Court and state courts by analyzing civil liberties protections, civil rights quarantees, and other controversies related to law and justice. The varying sources of law, role of the law in our society, and different types of law will be explored during lectures, discussions, and classroom activities. Focus will also be paid to the continuing evolution of the judicial branch and criminal justice system. May not be repeated. LR

PROCESS TECHNOLOGY

PTEC-006 **Industrial Chemistry** for Advanced Manufacturing - 3 units

Corequisite: PTEC-009 Advisory: ENGL-C1000 LMC Degree: DA Transfer: CSU

This course builds the fundamental chemical concepts that are used in the Industrial Technology field. A conceptualized and contextualized approach is used to develop an understanding of the structure and properties of matter through a study of such topics as atomic structure, naming chemical compounds, types of chemical reactions, chemical formulas, mole, stoichiometry, chemical bonding, gases, solutions and acid-base chemistry. Emphasis is placed on practical aspects of chemistry used by technicians in advanced manufacturing roles. May not be repeated. SC

PROCESS TECHNOLOGY / PSYCHOLOGY

SEC DAYS HOURS ROOM INSTRUCTOR DATES

PTEC-024 **Process Instrumentation - 3 units**

Prerequisite: PTEC-009, PTEC-010 Advisory: PTEC-007, 012, CHEM-006

LMC Degree: DA Transfer: CSU

This class puts together all of the typical components of a "control loop" and explains how an instrument control system works. The student will also learn about the instruments that measure and control process variables such as pressure, temperature, and flow, and will gain an appreciation of this critical and applicable knowledge. The student will also see how instruments do most of the work in a typical petrochemical process. May not be repeated. SC

Pittsburg Campus

0232 M 5:05-7:35pm CC3-336 Broker, J 1/26-5/22

M 7:35-9:20pm CC3-336

PTEC-025 Process Technology I - Equipment - 3 units

Prerequisite: PTEC-009, PTEC-010

LMC Degree: DA Transfer: CSU

The student will learn about equipment such as heat exchangers, distillation towers, reactors, valves, and pumps. Not only will you acquire essential skills that will help you pursue a career in the petrochemical industry, but the next time you drive past a chemical plant, you will be able to explain to your family or friends what is really going on. May not be repeated. SC

Pittsburg Campus

0021 T 5:05-8:15pm CC3-319 Cruz,W 1/26-5/22

PTEC-035 **Process Technology II - Systems - 3 units**

Corequisite: PTEC-025

Advisory: ENGL-C1000, CHEM-007

LMC Degree: DA Transfer: CSU

Building on the content learned in Process Technology I - Equipment (PTEC-025), this course covers the various "systems" that tie the equipment together and keep them operating. The student will learn how to interact with these systems as a technician and will learn about financial considerations which make an operation profitable. May not be repeated. SC

Pittsburg Campus

0302 TH 5:05-8:15pm CC2-232 Cruz, W 1/26-5/22

PTEC-170 Work Experience Education in Process Technology - 1 units

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive

DAYS HOURS ROOM INSTRUCTOR DATES

in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC

0810 Staff 1/26-5/22

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

PSYCHOLOGY

PSYC-C1000 Introduction to Psychology - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID PSY 110

This course is an introduction to psychology, which is the study of the mind and behavior. Students focus on theories and concepts of biological, cognitive, developmental, environmental, social, and cultural influences; their applications; and their research foundations.

PSYCH-010 Individual and Social Processes - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 4

This psychology course is designed to study selected concepts and principles of Psychology. Emphasis is on the functional aspects of individual and group behavior. It will focus on Psychology as a discipline within the Behavioral Sciences and its relationship to Anthropology and Sociology. This course addresses the ways in which psychological science can help us understand ourselves and adjust and cope with the many challenges we face on a personal, societal, and global perspective. Topics include personality theories, stress and coping, psychological factors and health, social influence, gender and sexual orientation, psychological disorders, and therapeutic ways of helping. We address adjustment in the digital age, demographic changes, concerns about money, work, health, and interpersonal relationships. May not be repeated. SC

PSYCH-014 The Psychology of Human Sexuality - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Social and Behavioral Sciences; DA

Transfer: UC; CSU; Cal-GETC Area 4

This class is designed to help students better understand the subject of human sexuality as it relates to sexual intimacy from both an emotional and physical point of view. The subject of sexuality will be addressed from the disciplines of psychology, sociology, biology and physiology. The practical application of the course material will have an emphasis on the cognitive /behavioral approach to intimacy. The major focus of the class will be on the topic of intimacy, which will include self, emotional and sexual. Other topics that will be examined include sexual anatomy and physiology, gender issues, history, sexual orientation, sexual assault, domestic violence. May not be repeated. SC

RA-025 **Basic Tracking Sessions - 3 units**

Advisory: Prior or concurrent enrollment in RA-010; ENGL-C1000

LMC Degree: DA

Transfer: CSU

This course is designed for students in the early stages of the Recording Arts program. Students will receive basic training in the use of LMC's high-end recording equipment, located in Studio B, and gain hands-on experience through involvement in recording sessions. The initial focus of the course is a review of system interconnection and the primary components of the recording system. Topics include: working with clients, multi-track recording formats, the purpose of basic tracks, documentation, session setup, microphone technique, signal flow through the console and configuring the control room equipment for tracking sessions. May not be repeated. SC

SOCIAL JUSTICE STUDIES

SJS-110 Introduction to Social Justice Studies - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID SJS 110

Introduction to Social Justice Studies is an interdisciplinary course introducing students to the history, psychology and sociology of racial, ethnic, class, gender and sexual oppression in the United States and the history, strategy and structure of movements for social justice and liberation. It will explore the major theories of race, ethnicity, class, gender and sexuality as they are linked to social structures and institutional processes. Specific examples of persecution, segregation, and asymmetric power relations will be drawn from the testimony of the oppressed throughout American history - in art, film, literature and music. The practices of oppression and resistance in the United States will be compared and contrasted to the experiences of other nations and cultures. May not be repeated. SC

SJS-135 Introduction to LGBTQ+ Studies - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Ethnic/Multicultural Studies; DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID SJS 130

Formerly SOCSC-135 (Same as ENGL-135) LGBTQ+ Studies (Lesbian, Gay, Bisexual, Transgender, Queer, and "Plus." The "plus" represents other sexual and gender identities including pansexual, intersex, non-binary, two-spirit, and more). LGBTQ+ Studies takes an intersectional, interdisciplinary, multicultural approach to examining the historical, political, social and cultural issues that have affected LGBTQ+ people throughout time and globally. This class emphasizes that everyone has a gender and sexuality and in this sense explores the strengths of our differences. Students will study people from a wide variety of cultures, and gain a greater understanding of how matters of sexual orientation and gender identity impact and intersect with issues of class, race, ethnicity, ability, nationality, religion and mental health. May not be repeated. SC

SJS-136 Introduction to Gender Studies - 3 units

Advisory: ENGL-C1000

LMC Degree: ADR: Ethnic/Multicultural Studies; Social and Behavioral Sciences; DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID SOCI 140

Formerly SOCSC-136 (Same as ENGL-136). Introduction to Gender Studies introduces students to foundational concepts in the field of gender studies. This course compares and contrasts sociological perspectives used to interpret gender. Through the course, students will understand key terms in gender studies, identifying differences between sex and gender and examining how these terms function within a larger social context. The course asks students to understand the main agents behind gender construction for both children and adults while identifying how these constructions operate across social and cultural institutions. Also, students will recognize the relationships between race, ethnicity, class, and sexuality as well as how power is negotiated within those relationships. Finally, students will gain a firm understanding of the social and political movements that have worked to change gender inequalities. May not be repeated. SC

SJS-150 Introduction to Race & Ethnicity - 3 units

LMC Degree: ADR: Ethnic/Multicultural Studies; DA Transfer: UC; CSU; Cal-GETC Area 4; C-ID SOCI 150

(formerly SOCSC-150) Introduction to Race and Ethnicity encourages students to consider theoretical perspectives that are prevalent in current research on race and ethnicity. This course will also help students establish an extensive understanding of the ways that race is constructed historically, politically, and socially. Primarily through a sociological approach, this introductory course will prompt students to examine, evaluate, and identify key issues that arise within the frame of majority-minority group relations. Additionally, this course will ask students to analyze the

SOCIOLOGY / SPANISH

ways that race and ethnicity intersect with locations of identity such as gender and class. More crucially, Introduction to Race and Ethnicity will motivate students to strive for racial/ethnic equality and social inclusion in an era in which racial discrimination is still significant. May not be repeated. SC

11:10-1:15pm CC2-214 7263 T Coronado Barraza, V 1/26-5/22

Note: Partially online course. Students will meet throughout the semester in person during the time block listed. All other instruction will be delivered online. Participation is via the internet through the college learning management system CANVAS and Zoom software.

SPAN-057 Spanish for Spanish Speakers I - 4 units

Advisory: SPAN-053; Spanish native speaker proficiency or the equivalent intermediate level as assessed by the instructor.

LMC Degree: ADR: Arts and Humanities; DA

Transfer: UC: CSU: Cal-GETC Area 3B: C-ID SPAN 220

A communicative course designed for native speakers of Spanish who wish to improve their skills in reading and writing Spanish, but open to other linguistically qualified students. Writing will be the main focus of class, but grammar, spelling, speaking and a variety of Spanish reading selections will also be included; as well as exposure to local and international Mexican, Chicano, and Latino cultures as a meaning system common heritage of the U.S. This course is entirely conducted in Spanish. May not be repeated. SC

WELDING

WELD-010 Basic Arc Welding Theory - 3 units

Advisory: Concurrent enrollment in WELD-011

LMC Degree: DA Transfer: CSU

This course is required of all beginning arc welding students to assist them in developing the knowledge of safety and safe practices, fundamentals of Shielded Metal Arc Welding, power sources, and AWS classification of electrodes and electrode selection. Topics Included in this course are: Welding terminology, flame cutting, control of distortion, welding procedure specifications and pipe welding. May not be repeated. LR

Pittsburg Campus

WELD-011 Basic Shielded Metal Arc Welding Practice - 2 units

Advisory: Concurrent enrollment in WELD-010

LMC Degree: DA Transfer: CSU

This lab course is required for all beginning Shielded Metal Arc Welding (SMAW) students. Students will practice T-Joint fillet welding in all positions with the SMAW process using E6010 electrodes as well as flame cutting with the oxyacetylene torch. Students must provide their own personal protective equipment (PPE) as discussed during first day orientation. May not be repeated. LR

Basic Oxyacetylene Welding - 2 units WELD-015

Advisory: WELD-010 LMC Degree: DA Transfer: CSU

This course provides you with lecture and "hands-on" lab experience in learning how to use an oxyacetylene torch to weld and braze. You will learn how to manipulate a weld puddle and how to weld different metal joints in different positions. You will learn the safe operating steps and proper welding procedures for sheet-metal. Students are introduced to flame cutting operations using manual and machine torches. May not be repeated. LR

SEC DAYS	HOURS	ROOM	INSTRUCTOR	DATES

WELD-016 Advanced Welding - 1 units

Prerequisite: WELD-015 Advisory: WELD-010 LMC Degree: DA

Transfer: CSU

This course covers advanced welding procedures. This course, to be taken after WELD-015 will provide additional practical experience in welding plate, sheetmetal, or pipe. The welding process chosen by the student will be used to provide additional training and experience to better prepare them for industry. Students will gain more proficiency in flame cutting operations using manual and machine torches. It is recommended that this course be taken during the second year or last semester in the Welding program. May not be repeated. LR

WFI D-035 Blueprint Reading for Welders - 3 units

Advisory: WELD-010, WELD-040

LMC Degree: DA Transfer: CSU

Blueprint reading skills and the ability to interpret American Welding Society welding symbols is required by the metalworking and fabrication industry. This course is designed to teach blueprint reading skills to both beginning welding students and experienced welders. This course will make you more valuable to employers and will improve your employment potential. It covers the basic orthographic principles of three-view projections, dimensioning, sections, and freehand sketching. Emphasis is placed on plate and structural fabrication, print reading, steel classifications, interpretation of the American Welding Society (AWS) welding symbols, and cost estimating of materials for fabrication. May not be repeated. LR

WELD-040 TIG, MIG and FCA Welding Theory - 3 units

Advisory: WELD-010 LMC Degree: DA

Transfer: CSU

This is the second course in the welding theory sequence for students to learn the knowledge of safety and safe welding principles required for the operation of Gas Tungsten Arc Welding (GTAW), Gas Metal Arc Welding (GMAW), and Flux Cored Arc Welding (FCAW) equipment. Topics include: practices, procedures and techniques, electrode identification, gases for ferrous and non-ferrous metals, welding discontinuities and defects, welding power sources, material identification and classification, welder certifications and procedure qualifications. This knowledge is essential in developing a solid foundation regarding equipment use and its proper application in the welding trade. It is recommended that students get "hands-on" experience with TIG, MIG or FCAW welding by taking WELD-031, 033, or 043 concurrently. May not be repeated. LR

WORK EXPERIENCE EDUCATION

WRKX-170 Work Experience Education - 1 units

Prerequisite: In order to enroll in a Work Experience Education course, students must be employed, register for the course, complete an online Work Experience Education Application, and participate in a Work Experience Education orientation. Students may earn one unit for 54 hours work per enrollment period. Does not meet requirements for veterans' benefits. Work Experience Education Application can be accessed at https://www.losmedanos.edu/cwee/. Students may earn up to 14 units of Work Experience Education per enrollment period.

LMC Degree: DA

Transfer: CSU

The purpose of work experience education is to provide students with an integrated instructional program that provides opportunities to connect academic curricula to applied experiential learning in the workplace. Work experience education assists the student in developing career awareness, learning industry culture, competencies and norms, and developing professional networks in their desired field to support career mobility. To participate in work experience education, students must be employed and undertake new or expanded responsibilities. Students, with faculty and employer approval, will develop and successfully complete learning objective(s). Each learning objective must be substantive in nature and linked in a way relevant to a student's educational pathway. See Work Experience Education website and student handbook for more information regarding variable unit registration based on hours worked. Work Experience education courses may be repeated subject to Title 5 Section 55040. SC

Staff 1/26-5/22

Note: Students must submit an online Work Experience application and attend a mandatory Orientation. Go to www.losmedanos.edu/cwee for information. Individual meetings and job site visit held with hours and location by arrangement.

Steps to successful registration and enrollment

To register and enroll in courses at Los Medanos College, follow these steps. These required steps are designed to support students in having a successful academic experience.

- 1. Application: All students new to Los Medanos College, as well as those who have missed two or more consecutive semesters, must submit a completed application online. Applications for the Summer, Fall and Spring semesters are accepted beginning September 15.
- 2. Placement: The Guided Self-Placement provides English and math placement based on completing a Multiple Measures Placement survey, Guided Self-Placement or transcript evaluation. An English or math placement is required for all students who plan to earn an associate degree, transfer to a four-year institution or enroll in certain courses with prerequisites. Placement is required for priority enrollment.
- 3. Orientation: All new students are required to complete an online orientation to LMC. Students can also attend the New Student Workshop or counseling class. In the New Student Workshop or counseling class, students will be able to clarify their educational goals, learn about student services and programs, as well as develop their initial education plan.
- 4. Education Plan: All new students are expected to complete an initial individual electronic education plan with the assistance of a counselor prior to registering for classes. This is completed in the "Education Planning/ Registration Workshop." As part of the education planning process, all students must state a specific education goal no later than upon completion of 15 units of course work.
- **5. Registration:** Registration is set up on a priority system (see Course Enrollment Priority) and may be completed online. Students who enroll in courses must pay appropriate fees (see FEES section).

- **6. Counseling:** All students are expected to schedule an appointment with a counselor at least once each semester or as needed, to review, update and expand their initial educational plan.
- 7. Attendance & successful completion of classes: All students are expected to attend their classes regularly, complete assigned coursework on time, and complete their courses each semester. Students are also expected to maintain regular progress towards their educational goal.

Enrollment and Degree Verifications

Enrollment and degree verifications can now be done online through the National Student Clearinghouse. To obtain a free copy of your official verification of enrollment (24 hours a day, 7 days a week), go to (**www.losmedanos.edu**). Log onto InSite and click on "Grades-Transcripts", then "Enrollment Verification" to obtain this free service.

If an organization needs to verify your enrollment or degree and will not accept your printed copy, refer them to: National Student Clearinghouse, 13353 Sunrise Valley Drive, Suite 300, Herndon, VA 20171, Web: (www.studentclearinghouse.org), E-mail: service@studentclearinghouse.org, Phone: (703) 742-4200, Fax: (703) 742-4239. Your enrollment information is sent to the Clearinghouse three times each semester. Rush requests from the Admissions and Records Office will be processed in 24 hours for \$5. Standard service is \$2 and will be processed in 3-4 business days.

Academic Scholarship Standards

Attendance

Students are expected to be punctual and attend all courses in which they are enrolled. Students may be dropped by the instructor for failure to attend class in the following circumstances:

- 1. Failure to attend first class meeting.
- 2. Absence from three consecutive weeks of instruction.
- At any point when it is concluded that absences have irretrievably affected the student's progress in his/her coursework

Grades should not be used as punishment for absences. However, academic grades may be lowered to the degree that instructors can estimate the loss of cognitive, affective, or skills learning due to student absences.

Grading

The evaluation in college-level courses is a prime responsibility of the instructor. Such evaluation involves the measurements of achievement against the objectives of the course and the assignment of a letter grade to denote the student's degree of success.

The grade, as submitted by the instructor, shall be considered final and permanent. Grades cannot be changed by submitting additional coursework or taking examinations after the semester (or term) is completed. Under state law, the instructor's determination is final unless the grade given was the result of 1) mistake, 2) fraud, 3) bad faith, or 4) incompetency. (Ed. Code Section 76224.)

No grade may be challenged more than one year after the end of the session in which the grade was assigned. For information on the policy regarding grade challenges, contact the Office of Student Life.

Final Grades

Final grades can be accessed at the end of instruction, following instructor grade entry online.

Students can view their final grades by logging into InSite or EllucianGo mobile app.

Students will lose their
California College Promise Grant
(CCPG)

upon two (2) consecutive semesters on probation and will need to appeal.

Evaluative Symbols Grading Scale

	•
Symbol & Definition Grade Point	
A	Excellent 4
В	Good3
C	Satisfactory 2
D	Passing, less than satisfactory 1
F	Failing 0
P	Pass (at least satisfactory — C or better
	— units awarded not counted in GPA)
NP	No Pass (less than satisfactory or failing

- units not counted in GPA)

 SP Satisfactory Progress towards
- completion of the course (used for noncredit courses only and is not supplemented by any other symbol)
- W Indicates withdrawal from a course within the allowed time
- **EW** Excused withdrawal, such as a medical withdrawal or a withdrawal due to extenuating circumstances, may be requested at any point in the semester with supporting documentation.
- MW Military Withdrawal occurs when a student who is a member of an active or reserve US Military service receives orders compelling a withdrawal from courses
- I Incomplete Academic work that is incomplete for unforeseeable emergency and justifiable reasons at the end of a term; student must be passing course to be eligible for incomplete. Student will not re-enroll in the course to complete pending assignments, projects or exams. A final grade is assigned when the work has been completed or after one year.

Pass/No Pass Grade Option:

The purpose of the Pass/No Pass (P/NP) option is to allow students to take challenging courses while avoiding undue concern for their grade point averages. Students who select this option are, however, expected to complete the course, comply with attendance requirements, and comply with all other requirements of the course.

Selected courses have been labeled with "SC" to indicate student choice for the P/NP option. If students do not choose the P/NP option before the deadline, they will be issued a letter grade for the course.

It is often best to discuss this choice with a counselor.

In order to exercise this option, a petition must be filed with the Admissions & Records Office at the time of registration or no later than the deadline listed for a full-semester class. Petitions for summer session and short-term courses must be filed no later than the second to last day of the course. After the deadline has passed, the grading choice may not be reversed.

Important information related to the P/NP option:

- A P grade represents a letter grade of A, B, or C
- A NP grade represents a letter grade of D or F
- Units earned on a P/NP basis will not be used to calculate grade point averages
- Units attempted for which NP is recorded will be considered in factoring probation and dismissal status
- Units earned on a P/NP basis will apply to the 60 units required for an associate degree
- Students should be aware that other colleges and universities may or may not limit the number of P units that will be accepted from transfer students.

Alert & Dismissal

Alert and dismissal status is based on coursework that is attempted and/or completed within the Contra Costa Community College District. Students should be aware that their academic standing is not based solely on units completed at Los Medanos College.

Categories of Alert & Dismissal

- Alert 1 Status: One (1) semester with cumulative GPA under 2.0 with 12 or more cumulative units attempted, and/or 50 percent or more of attempted courses resulting in a W, I, and/or NP.
- Alert 2 Status: Two (2) consecutive semesters with cumulative GPA under 2.0 with 12 or more cumulative units attempted, and/or 50 percent or more of attempted courses resulting in a W, I, and/or NP.
- **Dismissal Status:** Three (3) consecutive semesters with cumulative GPA under 2.0 with 12 or more cumulative units attempted, and/or 50 percent or more of attempted courses resulting in a W, I, and/or NP.

Notification of Academic/ Progress Alert and Dismissal

Students on Academic/Progress Alert or Dismissal status are notified by the department of Student Success & Retention Programs as soon as possible, but not later than the end of the following term.

Students on Academic/Progress Alert II and/ or Dismissal status are required to meet with a Student Success & Retention counselor.

Enrollment Petition for Academic /Progress Alert and Dismissal

A student on Academic or Progress Alert I, II, or Dismissal status will be required to complete the steps below prior to enrolling in courses. Requirements are based on students' respective status.

Academic or Progress Alert I Status:

Step 1: Review notice of Alert I status emailed to InSite.4cd.edu address

Step 2: Successfully complete online Alert I Workshop

Academic or Progress Alert II Status:

Step 1: Review notice of Alert II status emailed to InSite.4cd.edu address

Step 2: Register and participate in LMC Alert II Workshop (go to www.losmedanos. edu/studentservices/engage/workshops.asp)

Step 3: Earn a minimum term GPA 2.0 or better with no grade below C, including NP, I or W

Step 4: Submit Academic Progress Report (APR) by date specified to LMC Student Success & Retention Programs (SSRP).

Step 5: Meet with a Student Success & Retention Counselor during specified dates.

NOTE: Students on Academic or Progress Alert II will lose their priority registration priority but may appeal their registration date with Admissions & Records. Students will also lose their eligibility for the California College Promise Grant (CCPG). For more information on how to complete an appeal please check with the Financial Aid Office.

Based on student cumulative GPA and/or number of units completed, one or more semesters may be required to remove a student from Alert II status.

Academic/Progress Dismissal Status:

Step 1: Review notice of dismissal status emailed to InSite.4cd.edu address

Step 2: Register online to meet with a Student Success & Retention Coordinator (SSRP) to begin the process for reinstatement (go to www.losmedanos.edu/studentservices/engage/workshops.asp).

Step 3: Complete additional requirements and submit supporting documents.

Step 4: Receive notification of Petition for Reinstatement Status (i.e. approved, denied, or pending) at InSite.4cd.edu address within 10 business days after submission of supporting documents.

Step 5: If reinstatement petition is granted, student must successfully complete a noncredit Counseling 034N course before registering for classes. In addition, students must adhere to the following guidelines:

- Earn a minimum term GPA 2.0 or better with no grade below C, including no NP, I or W.
- Submit Academic Progress Report (APR) by date specified to LMC Student Retention and Support Services to maintain admissibility.
- Meet with a Student Success & Retention Counselor during specified date.

Students who fail to earn a term GPA 2.0 or better with no grade below a C, including an NP, I or W and/or fail to submit an APR may be dismissed for a period of one semester. Based on student cumulative GPA and/or number of units completed, one or more semesters may be required to remove student from dismissal status.

NOTE: Students on Dismissal will lose their priority registration but may appeal their registration date with Admission and Records, if their Hold Release petition is approved. Students will also lose their eligibility for the California College Promise Grant (CCPG). For more information on how to complete an appeal please check in with the Financial Aid Office.

Course Repetition

Courses are not repeatable unless noted within the course descriptions listed in the catalog. Students may repeat a non-repeatable course only to alleviate a substandard grade of D, F or NC/NP.

Students are limited to enrolling in credit classes a maximum of three times. This includes students earning substandard grades or dropping with a "W." Course repetition may only be granted for limited conditions.

Students must file a petition for course repetition located in the LMC Student Forms tile on InSite. Students are urged to manage course load. Carefully consider dropping courses and understand all deadlines. Take advantage of tutoring and other support services to achieve successful completion of all courses.

When a course is repeated to alleviate a substandard grade, the previous grade will be disregarded in computing the student's grade point average. The substandard grade will remain on the student's transcript with a notation that the course has been repeated.

Courses that are repeatable are noted in the college catalog with the number of repeats allowed. Students may not repeat a course beyond the maximum repeats, even to alleviate substandard grades.

Course repetition cannot be used to make up an incomplete 'I' grade.

Withdrawals

- Students who have documented extenuating circumstances such as accidents, illness or other circumstances beyond the control of the student, may apply for a withdrawal after the 75 percent of the term (petition required).
- A 'W' shall not be assigned if the student withdraws due to the impact of fire, flood or other extraordinary conditions (petition required).
- In the case of discriminatory treatment or retaliation for discriminatory treatment a 'W' shall not be assigned.
- Active or reserve military students who receive orders compelling a withdrawal from courses will receive a military withdrawal which shall not be counted in the limit of withdrawals or progress probation.

Academic Renewal Policy

Based on the Academic Renewal Policy, substandard grades may be disregarded if they are not reflective of a student's demonstrated academic ability. If Academic Renewal is approved, the student's permanent record will be notated with appropriate comments and the substandard (D, F) unit values will not be computed in the cumulative grade point average. The "renewed" courses and the related grades will not be removed from the record, as the district is required to show a complete and accurate academic record for every student (Title 5, Section 55046).

Students **MUST** meet with a counselor to review options for Academic Renewal, as this procedure is irreversible.

- 1. Only substandard grades will be renewed
- 2. You must not have received any D's, F's or NC/NP since the substandard work (minimum 2.0 since substandard work)
- 3. Up to 30 units may be renewed; district courses can be combined up to the maximum of 30 units, however each college will adjust their own work.
- Courses that have already been removed from GPA by course repetition will not be renewed.
- 5. You must complete either:
 - a. Nine units of work with a 3.5 cumulative grade point average;
 - b. 12 units of work with a 3.0 cumulative grade point average;
 - c. 15 units of work with a 2.5 cumulative grade point average; or
 - d. 20 units of work with a 2.0 cumulative grade point average.

The unit count begins the semester after the last substandard grade was received. The coursework upon which the Request for Academic Renewal is based, may have been completed within the Contra Costa Community College District or any other regionally accredited college or university, including upper division coursework.

Student Conduct and Discipline

Students shall conduct themselves consistent with the Student Code of Conduct while on campus or participating off campus in online or hybrid courses, or at college sponsored events or programs, including but not limited to field trips, student conferences, debate competitions, athletic contests, club-sponsored events, and international study programs, regardless of location. Students shall also conduct themselves consistent with the Student Code of Conduct in any matter related to school activity or attendance.

Misconduct that constitutes grounds for disciplinary action includes, but is not limited to:

- Acts of academic dishonesty, including, but not limited to cheating, tampering, fabrication, plagiarism, or assisting others in an act of academic dishonesty
- Dishonesty, such as lying, plagiarism, knowingly furnishing false information, or reporting a false emergency to any college official,
- Forgery, alteration, misappropriation or theft, misuse of any District or college document, record, key, electronic device, or identification

- Obstruction or disruption on or off District property of teaching or of the District's educational process, administrative process, disciplinary procedures, or other District functions and activities,
- Disruptive behavior, willful disobedience, habitual profanity or vulgarity, or the open and persistent defiance of the authority of, or persistent abuse of, college personnel;
- Engaging in intimidating conduct or bullying against another student through words or actions, including direct physical contact, verbal assaults, such as teasing or name-calling; social isolation or manipulation; and cyberbullying.
- Engaging in harassing or discriminatory behavior based on disability, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other status protected by law.
- Vandalism, graffiti, or other willful misconduct which results in cutting, defacing, or other damages to any real or personal property owned by the District or a member of the college community;
- Assault, battery, violence or threat of violence, or any willful misconduct which results in an injury or death of a student or District personnel or behavior that threatens the health and safety of any member of the college community;
- Theft of District property, or property in the possession of, or owned by, a member of the college community;
- Failure to comply with the directions of District or college officials acting in the performance of their duties and/or failure to identify oneself to these persons when requested to do so;
- The use, sale, distribution, or possession on District property of, or presence on District property while under the influence of, any controlled substances, or any poison classified as such by Schedule D section 4160 of the Business and Professions Code or other California laws on District property or at any District-sponsored event.
- Possession, consumption, sale, distribution or delivery of any alcoholic beverage on District property in college buildings or on college grounds, or at college-sponsored or supervised activities
- Sexual misconduct, including sexual activity in the absence of affirmative consent.
- Rape, date rape, sexual harassment, sexual violence, sexual assault, or threat of an assault upon a student or member of the

- college community on District property, or at a college or District-sponsored or supervised function;
- Unauthorized use of, or misuse of District property, including, but not limited to, unauthorized possession, duplication or use of District keys and/or unauthorized entry into, unauthorized use of, or misuse of District property;
- Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the Governing Board, or college policy;
- Misuse of computers and networks
- Any other ground constituting good cause.

For a complete copy of the Student Code of Conduct, which includes additional information and expectations for student conduct call (925) 473-7468, or visit the college website at:

www.losmedanos.edu/studentcodeofconduct/

Student Right-to-Know and Campus Security Act

It is the policy of the district to comply with the Student Right-to-Know and Campus Security Act (Public Law 101542) signed into law November 8, 1990. The district shall make available the completion or graduation rates of certificate or degree seeking, full-time students entering any of the colleges, to current students, and to each prospective student upon request prior to that student's enrolling or entering into any financial obligation, beginning July 1, 1993, and annually thereafter.

- The district shall make available the completion or graduation rates of certificate or degree seeking, full-time students entering any of the colleges, to current students, and to each prospective student upon request prior to that student's enrolling or entering into any financial obligation, beginning July 1, 1993, and annually thereafter.
- Annual reports of criminal activity on campus and procedures for prevention of campus crime, as required by the Crime Awareness and Campus Security Act of 1991. This information is available, on request, from the campus Police Services Office or the LMC website under Campus Police.

> Student Services

PITTSBURG CAMPUS

Online Services

Monday-Thursday: 9:00am–5:00pm Friday: 9:00am–1:00pm

BRENTWOOD CENTER

Online Services

Monday-Thursday: 9:00am-5:00pm Friday: 9:00am-1:00pm

* Some department hours may vary due to staffing and/or location, and are individually posted if different than the general hours of operation listed above.

Admissions & Records

www.losmedanos.edu/admissions

The Admissions & Records Office provides service to students regarding admission, registration, records, evaluation of degree and certificate requirements, course adds and drops, and graduation. This office also provides assistance to veterans, international students and students applying to the nursing program.

BOEP

www.losmedanos.edu/boep

BOEP, Brothers of Excellence Program, is an ambitious program designed to dramatically improve academic and life outcomes for African American males who attend LMC by creating and nurturing academic and community partnerships that guide, inspire, and motivate these men to reach their full potential. The program is supported through a combined effort from EOPS & Equity.

Bookstore

www.losmedanos.edu/bookstore

The Bookstore offers textbooks (for sale and rent), school supplies, and learning materials.. NOTE: rental textbooks are available!

To purchase or rent your textbooks, check your course print-out against the book list posted at the Bookstore or check our website for books required by your instructor. During the first two weeks of the semester, the Bookstore will give textbook refunds due to schedule changes provided that the original cash register receipt is presented with textbooks. Textbooks and course materials must be in new condition, wrapped and complete with all components. The Bookstore accepts cash, Visa, and MasterCard for

your purchases. Checks are not accepted. The Bookstore is located in the Student Union. Visit our website to order books online and to check for current store hours.

CalWORKs

www.losmedanos.edu/calworks/

The state-funded California Work Opportunity and Responsibility to Kids (CalWORKs) program assists TANF/CalWORKs recipients in their transition from welfare to long-term self-sufficiency through coordinated student services, including: work study, job placement, child care, book vouchers, counseling (e.g., personal, crisis, career, educational planning), and workshops that promote job-skills and job-readiness.

CARE

www.losmedanos.edu/studentservices/eops/care/

CARE, Cooperative Agencies and Resources for Education, is a component of the EOPS Program. It is designed for EOPS students who are single parents with dependent children receiving CalWORKs county cash aid either for themselves and/or their children. The mission of the CARE program is to support students in their transition from welfare to long-term self-sufficiency, by offering services such as leadership workshops, childcare assistance, and educational grants.

Career Services

www.losmedanos.edu/career

Transfer & Career Services provides students and alumni with current information, career assessment and counseling services designed to assist in exploring career potential and possibilities. Services include: career/job search web access, career tools, career exploration, labor market information, vocational program information, workshops, and other career programs.

Cashier's Office

The Cashier's Office processes student payments and billings. The office is adjacent to Admissions & Records.

Center for Academic Support

www.losmedanos.edu/core

The Center for Academic Support is committed to providing quality reading and writing support to all LMC students across the curriculum. The Center offers students individualized consultations for any reading and writing concerns they encounter as they pursue their educational goals in any class. The Center also offers free peer tutoring in many subjects, available by drop-in or appointment.

To set up virtual or in person appointments for either individual consultations or peer tutoring, please visit www.losmedanos.edu/core/.

Child Care

www.losmedanos.edu/childcare

Low-cost, NAEYC nationally accredited child care services are provided (on a space-available basis) for student parents. Childcare services for infants, toddlers, preschool and kindergarten children (0 to 5 years of age) are available. Current cost for childcare and available schedules can be found on the LMC website.

The Child Study Center is a laboratory school where Child Development student practitioners assist in providing quality care under the direct supervision of the 5-star QRIS rated lead teachers. The Center is located in a beautiful garden setting next to the main campus entrance. Waitlists open November 1st for the Spring semester and April 1st for the Fall semester (or first business day after the 1st of November/April).

For waitlist information and application, go to www.losmedanos.edu/childcare/schedule.aspx

Work Experience Education (WRKX)

www.losmedanos.edu/cwee

Work Experience Education, or WRKX, is an academic program that is designed to accelerate the career growth of students by combining classroom learning with work experience, internships and employment or volunteer work. An agreement is established between the college, the employer and the student to develop work-based learning objectives and to use various mechanisms to evaluate learning outcomes. In addition to undertaking new learning objectives at work, students complete career development assignments according to their individual needs. Students may earn up to 4 units per semester of CSU transferable course work.

Counseling Services

www.losmedanos.edu/counseling

The Counseling Department is committed to providing the highest quality counseling services to every student in need of academic, career, and personal guidance and support. Counseling faculty promote student success by offering a variety of support services, including teaching courses that address a variety of topics, such as orientation to college, major and career exploration, student success skills, and transfer planning.

The Counseling Department understands the critical importance of student directedness and focus. Counselors are available to meet with students to develop a Student Education Plan (SEP) to outline the sequence of courses needed to complete a Certificate, Associate Degree, and/or transfer to a four-year institution.

Through the LMC CARE Team, the Counseling Department offers mental health and wellness services to students to help them maintain focus on their career and educational goals and develop resilience while experiencing a range of life challenges. Students can access the CARE Team's services at both the Pittsburg Campus and Brentwood Center for crisis support and individualized therapy, and to support for their personal development, e.g., goal setting, time-management, interpersonal relationships. All services are offered free-of-charge and can be accessed online and in-person, based on availability.

Disabled Students Programs and Services (DSPS)

www.losmedanos.edu/dsps

The DSPS Office is committed to providing opportunities for students with disabilities to fully participate in all college programs. A variety of services/accommodations are available to students with identified disabilities. Examples of services and accommodations include: testing accommodations; note taking; textbooks in enlarged print or alternate formats; academic counseling and course planning; priority registration; assessment for learning disabilities; specialized course instruction; sign language interpreters; Braille materials; campus liaison; scribes; hearing amplification; and specialized tutoring. To arrange for an appointment with a DSPS counselor, contact dspsoffice@losmedanos.edu.

Drop-In Computer Lab

www.losmedanos.edu/computerscience/lab.aspx

The Drop-in Computer Lab provides computers and networking resources for LMC students, faculty and staff. Students have the opportunity to sharpen their computer skills, apply theory and complete class assignments. The lab is staffed by paraprofessionals, faculty, and student assistants. Lab equipment is constantly updated to reflect the ongoing changes in today's technology.

Extended Opportunity Programs and Services (EOPS)

www.losmedanos.edu/eops

Extended Opportunity Programs & Services (EOPS) is a state-funded, student support program that offers services that are above, beyond, and in addition to the services available to all LMC students; to students from low-income, under-represented backgrounds in higher education by promoting excellence in Enrollment, Retention, Persistence, and Success. EOPS offers a variety of academic, financial and social support services, including: grants, book vouchers, counselling (e.g., personal, career, educational planning) and priority registration.

Employment Services

www.losmedanos.edu/jobs

Employment Services provides students and alumni information regarding current opportunities on and off campus. Students hired on campus will process their initial employment paperwork with this office before beginning work.

Financial Aid & Scholarships

www.losmedanos.edu/financialaid

There are many options available for LMC students to pay for college. Financial aid assistance is available in the form of grants, fee waivers, work-study jobs, and scholarships. Grants available include the California Promise Grant, First Time + Full Time = Free Tuition, Federal Pell Grant, Supplemental Educational Opportunity Grant, Cal Grant, Student Success Grant, and Federal Work-Study.

Scholarships are another financial aid resource available to assist students with paying for college. Our LMC Foundation offers scholarship opportunities to current and transferring LMC students. LMC Scholarships open yearly from November to February. External scholarship opportunities are also available to current and transferring LMC students. The criteria and amounts available vary based on the scholarship opportunity.

Guided Self-Placement

www.losmedanos.edu/placement/

It is recommended that every student completes the guided self placement process that includes math, English, or English as a Second Language (ESL)—all offered online. The guided self placement process helps students determine the courses in which they should enroll in order to succeed at LMC, achieve their educational goals, and advance to their career field of interest. To be eligible for early registration, students new to college complete orientation and the guided self placement process and also create educational plans, in collaboration with the Counseling Department.

Learning Communities

www.losmedanos.edu/learningcommunities

Honors Program

www.losmedanos.edu/honors

The Honors Program provides a challenging academic environment for highly motivated students. It offers Honors courses that involve substantial research, writing and critical thinking, Honors contracts that allow students to create and complete independent research projects, transfer agreements with prestigious California universities, access to the Honors Center, and transcript designation of honors coursework and program completion. Students may complete the entire Honors Program, or simply take a few honors courses and contracts. Visit www.losmedanos.edu/honors to view program admission requirements and for an application to join the Honors Program.

MESA Program

www.losmedanos.edu/mesa

The Math Engineering Science Achievement (MESA) Program provides academic support for educationally and economically disadvantaged students so they can excel in math and science. MESA helps develop the necessary academic and leadership skills to successfully transfer and later graduate from a four-year university with a degree in mathematics, engineering, science or computer science. The MESA program supports STEM students through counseling, mentoring, tutoring, and workshops and by providing them with scholarship and numerous internship opportunities.

Puente Program

www.losmedanos.edu/puente

The Puente Program is a nationally-recognized program that serves to increase the number of educationally under-served students who transfer to and complete university degrees. Puente students are specially trained to become dynamic and impassioned leaders who return to the community and affect positive change in the lives of our youth. As such, Puente provides two areas of service to students: a dedicated English Professor for the English transfer sequence, and a Counselor exclusive to Puente students who provides consistent support for all Puente students until transfer. Simply put, we are in the business of training scholars with vision! If this sounds like something you're interested in, we'd like to hear from you!

Transfer Academy

www.losmedanos.edu/transferacademy

The Transfer Academy is a learning community for new students who want to begin their educational journey with the goal of transferring to a four-year college or university. The Transfer Academy provides a dynamic academic experience with a serious focus on academic identity and major exploration. There are strong supports in and outside of the classroom, like academic counseling, tutoring, workshops, social and cultural experiences, leadership development, and campus tours. Students commit to full-time enrollment, engaging in the academic community, and sharing in campus life. The academy is a community of students, faculty, and staff working together to help you identify your career and major track, and complete your goal of transfer.

Umoja Scholars Program

www.losmedanos.edu/umoja

The Umoja Scholars Program is committed to enriching, fostering, and nurturing the educational experience of all students, especially African-American and firstgeneration college students, ultimately preparing them for academic, personal, and professional success beyond Los Medanos College. This program addresses student needs through academic support services and a curriculum that focuses on African-American literature and history, as well as contemporary issues facing the African-American community. Benefits of the program include: counseling services; educational and career planning; blocked courses (English, Math, & GE); tutoring services; community service and leadership opportunities; and cultural events, activities, and curriculum.

Outreach & Welcome Services

www.losmedanos.edu/studentlife/outreach

Outreach & Welcome Services is committed to connecting students, community organizations and businesses with LMC's educational opportunities. We provide assistance with all aspects of the college's application through registration processes. It is our goal to be a leader in innovative, dynamic, and equitable services.

Student Life

www.losmedanos.edu/studentlife

LMC offers a range of extracurricular activities for students. The activities help students make friendships, connect with faculty and staff outside of the classroom, and build their leadership skills in clubs and organizations. Student Life provides leadership opportunities that support students in becoming agents of positive social change. Student Life is comprised of a variety of programs and services including Student Government (LMCAS), student clubs and organizations, and leadership programs.

Associated Students (LMCAS)

www.losmedanos.edu/lmcas

The LMC Associated Students (LMCAS) is the college's official student government. Their primary purpose is to advance the welfare of all students. They do this by providing programs and services designed to meet the varied needs of students, sponsoring activities and events, and representing the student body on many college and district committees. LMCAS meets weekly on Mondays.

Student Clubs & Organizations

www.losmedanos.edu/clubs

Students are encouraged to organize and participate in clubs that reflect their interests. Each club is registered with the Office of Student Life and has a faculty/staff advisor who helps organize meetings and plan activities. The Office of Student Life provides support and advising to all LMC clubs. In addition, the office advises and coordinates the Inter-Club Council (ICC) and holds orientations and retreats for club leaders. Contact the Office of Student Life to join a club or start one of your own!

Leadership Programs

www.losmedanos.edu/lmcas

The Office of Student Life provides a variety of leadership development programs and opportunities to support the many student leaders engaged throughout the fabric of LMC. These programs include workshops, courses, campus retreats, trips to regional conferences, film discussion series and more. All LMC students are encouraged to participate in the many opportunities provided by the office. To find out what's currently going on or to sign up for programs, stop by the office or visit our website.

Student Success & Retention Programs

The Office of Student Success & Retention Program (SSRP) is dedicated to ensuring that all Los Medanos College students are supported – from enrollment to the completion of their educational goals – by offering programs that empower and educate. In collaboration with other departments on campus, we work to build a comprehensive network to support the academic, personal, and social success of all students. The services offered by SSRP include: Counseling and Academic/Personal Development Workshops.

Transfer Services

www.losmedanos.edu/transfer

Transfer & Career Services offers assistance to students who plan to transfer to a state college, university, or private four-year institution. Support services are available to help students explore transfer opportunities and to assist students with the transfer process. Guaranteed transfer agreements are available.

Tutoring Services

www.losmedanos.edu/tutoring

Tutoring Services offers students assistance in becoming critical thinkers as well as independent, self-reflective, lifelong learneers. Subject-specific tutoring is available in various areas on campus, including the Center for Academic Support, the Math Lab, the Music Lab, and at the Brentwood Center.

Veterans Resource Center

www.losmedanos.edu/veterans

The Veterans Resource Center provides an evolving array of services and resources for LMC's student veterans. Current staff include a Veterans Program Coordinator, academic counselor, education benefit certifying officials, and work-study student veterans. Resources consist of: access to computers with printing; a relaxing atmosphere for our veterans to study and network with other veterans; financial aid information/application assistance; academic counseling; and referrals to off-campus community veteran services and resources with dedicated meeting space on site.

Los Medanos College Campus Policies

Non-Discrimination Policy

It is the policy of the Contra Costa Community College District and Los Medanos College to provide an educational and employment environment in which no person shall be unlawfully subject to discrimination on the basis of ethnic group identification, national origin, religion, age, sex, sexual orientation, gender, race, color, medical condition, ancestry, marital status, physical or mental disability, or based on association with a person or group with one or more of these actual or perceived characteristics. This holds true for all students who are interested in participating in educational programs and/or extracurricular activities. Unlawful harassment, discrimination or denial of access of any employee/student with regard to the above characteristics is strictly prohibited. The lack of English language skills will not be a barrier to admission and participation in the college's education programs.

Inquiries regarding compliance and/or grievance procedures may be directed to the Los Medanos College Title IX Officer and Section 504/ADA Coordinator:

Contact: Tanisha M.J. Maxwell, Ph.D.

Vice President of Student Services, (925) 473-7421

Phone: (925) 473-7421 Fax: (925) 427-1599

Requests for the elevation and addition of sports may also be directed to the Vice President of Student Services.

Inquiries/Complaint Procedures

Informal Procedure

Students who have questions about the procedures to file a complaint of unlawful discrimination or feel they have been discriminated against, may contact the local Title IX coordinator, Tanisha M.J. Maxwell, Ph.D., Vice President of Student Services, by calling (925) 473-7421. The Vice President may work with the student-complainant, respondent, and other appropriate college personnel to attempt an informal resolution. The President, or designee, will monitor the informal complainant process and any proposed resolution. The process will be completed within 30 calendar days of receiving the complaint. A record of the complaint and resolution will be kept.

Formal Procedure

Students also have the right to submit an unlawful discrimination complaint through a formal procedure. The Vice President will provide students with the District complaint form and forward the completed form to the District Vice Chancellor Human Resources.

Upon receipt of a formal complaint, the District will immediately notify the State Chancellor's Office. Within 10 calendar days of receipt, the District shall commence an investigation of the complaint and notify the complainant. The District has 90 calendar days in which to investigate the complaint and report the administrative findings to the complainant and the

State Chancellor's Office. The complainant may appeal the administrative determination to the District Governing Board within 15 calendar days of notice of such determination. The District Governing Board has 45 calendar days in which to act on the appeal. Failure of the Board to act within the 45 days denotes approval of the administrative determination. The complainant has the right to file a written appeal with the State Chancellor's Office within 30 calendar days after the Governing Board issues the final District decision or permits the administrative decision to become final pursuant to the above. The Chancellor has discretion to accept or reject any such petition for review in employment discrimination cases.

Students may also contact the Office for Civil Rights at the following address: Office for Civil Rights, San Francisco Office U.S. Department of Education Old Federal Building 50 United Nations Plaza.

Room 239 San Francisco, CA 94102-4102 Telephone: (415) 556-4275; Fax: (415) 437-7783 TDD: (415) 437-7786;

Fax: (415) 43/-//83 TDD: (415) 43/-// Email: OCR.SanFrancisco@ed.gov

Inquiries/Complaints on Basis of Disability

Inquiries regarding access, treatment, or employment on the basis of disability, should be directed to the Vice President of Student Services/ ADA Coordinator, Los Medanos College, 2700 East Leland Rd., Pittsburg, CA 94565, (925) 473-7421, or TDD (925) 439-5709.

Spanish version on next page >

Reglamento de no Discriminación

El Distrito de Colegios Comunitarios del Condado de Contra Costa y el Los Medanos College están comprometidos a ofrecer igualdad de oportunidad en sus programas educacionales y vida estudiantil. El colegio no discrimina ni apoya la discriminación por cuestiones de orígen étnico, edad, sexo, discapacidad física o mental, color, nacionalidad de origen, religión, orientación sexual, estatus de veterano,o condición medica, para el acceso a y trato de cualquiera de sus programas o actividades colegiales. La falta de conocimiento del idioma inglés no serán una barrera para la admision y participación en los programas educativos vocacionales de la institución.

Este reglamento cumple con lo estipulado en el Titulo VI del Acta de 1964 de la Ley de Derecho Civil, con referencia a la discriminación por raza, color, o nacionalidad de orígen; el Titulo IX de las Enmiendas a la Educacion de 1972, referente a la discriminación por sexo; la Sección 504 del Acta de Rehabilitación de 1973, referente a la discriminacion por discapacidad; el Acta de Discriminacion de Edad de 1975 referente a la discriminacion por edad; y el Reglamento del Distrito que aplica.

Contacte: Tanisha M.J. Maxwell, Ph.D.

Vicepresidenta

de Servicios Estudiantiles

Teléfono: (925) 473-7421 Fax: (925) 427-1599

Procedimientos de Quejas

Procedimiento Informal

Los estudiantes que tengan preguntas sobre el procedimiento para someter una queja de conducta discriminatoria o creen haber sido víctimas de una acción discriminatoria pueden notificar a la Coordinadora Local del Titulo IX. Contacte: Tanisha M.J. Maxwell, Ph.D., Vicepresidenta de

Servicios Estudiantiles, teléfono: (925) 473-7421. El estudiante tiene la opción de seguir el procedimiento informal con Vicepresidenta de Servicios Estudiantiles, quien pudiera facilitar una solución informal a la queja con el personal apropiado del colegio y el alumno demandante. El Presidente del colegio, o persona asignada, vigilarán el proceso de resolución de la queja informal y propondrán una solución a la queja. El proceso de resolución no deberá durar más de 30 días despues de haberse recibida la queja. Se mantendrá un expediente de la queja y la resolución en los archivos correspondientes.

Procedimiento Formal

Estudiantes tienen el derecho de someter una queja de conducta discriminatoria por un procedimiento formal. La Administración Superior proporcionará al alumno con el formulario de quejas del Distrito y enviará el documento al Vice Canciller de Relaciones Humanas del Distrito una vez que este haya sido llenado. Una vez que se haya recibido la queja de manera formal, el Distrito notificará inmediatamente a la Oficina del Canciller del Estado. Dentro de los 10 días siguientes

de haberse recibido la queja, el Distrito deberá comenzar una investigación formal y notificar de ello al alumno demandante. El Distrito contará con 90 días para investigar la queja y reportar los resultados administrativos al demandante y a la Oficina del Canciller del Estado. El demandante tendra derecho a apelar la decision administrativa al Consejo Gubernamental del Distrito dentro de los 15 días siguientes a la fecha de notificación de la decisión. El Consejo Gubernamental del Distrito contará con 45 días para actuar sobre la apelación. La falta de actuación del Consejo dentro de los siguientes 45 días otorgados indicará la aprobación de la decisión administrativa tomada. El demandante tendrá derecho a someter una apelación por escrito a la Oficina del Canciller dentro de los 30 días siguientes de que el Consejo Gubernamental haya emitido la decision final del Distrito, o, permitirá que la decision administrativa sea final conforme a lo anterior. El Canciller tendrá la autoridad de aceptar o rechazar cualquier petición semejante en la revisión de casos de discriminación laboral.

Preguntas, Quejas a Base de Incapacidad

Las preguntas sobre el accesso, trato, o empleo de personas discapacitadas deberán ser dirigidas al Vicepresidenta de Servicios Estudiantiles/
Coordinador de ADA de Los Medanos College;
2700 East Leland Rd., Pittsburg, CA 94565, (925)
473-7421, o, al TDD
(925) 439-5709.

The information contained in this publication details the anticipated programs, courses, rules, regulations, and fees of Los Medanos College. The college disclaims liability for any unintended errors in this publication and reserves the right to discontinue or postpone courses and correct errors and omissions. All enrollment fees are subject to change. This publication sets forth college policies for all college programs and services in accordance with the California Education Code, California Code of Regulations (Title 5), and District and college policies.

Aviso:

La información contenida en esta publicación detalla los programas, cursos, reglas, regulaciones y tarifas anticipados de Los Medanos College. La universidad se exime de responsabilidad por cualquier error no intencionado en esta publicación y se reserva el derecho de suspender o posponer cursos y corregir errores y omisiones. Todas las tarifas de inscripción están sujetas a cambios. Esta publicación establece políticas universitarias para todos los programas y servicios universitarios de acuerdo con el Código de Educación de California, el Código de Regulaciones de California (Título 5) y las políticas del distrito y de las universidades.

Crime Awareness

Criminal activity can be greatly reduced by preventive efforts. Take steps to protect your possessions and discourage theft.

Federal law requires that crime prevention techniques and statistics be reported annually to the campus community. This report meets all requirements as set forth in the Crime Awareness and Campus Security Act of 1991. This data was prepared not only to comply with the law, but to help keep our students, faculty and staff safe and secure, and to provide an environment supportive of teaching and learning.

You are encouraged, as a member of the campus community, to report suspicious circumstances or any criminal acts committed on district properties.

The District, through its Police Services Department, is committed to fully investigate reports of criminal acts occurring on district properties.

At Los Medanos College, crimes may be reported by calling Police Services at (925) 473-7332 or by visiting the Police Services Department in the Campus Safety Building at the front of the Pittsburg Campus.

In addition to police services, the **College District provides:**

Escort service upon request:

Call Police Services at (925) 473-7332 for an escort between offices or to a parking lot.

First Aid-CPR service

Police officers and some police aides are trained in CPR and First Aid. Call (925) 473-7332 or, in an emergency, (925) 473-7333.

Safety and crime prevention pamphlets

Available at the Police Services offices.

Parking permits

A parking permit is required when parked on campus (except holidays and weekends). To avoid a ticket, the parking permit must be visible at all times.

Police services office hours:

Monday - Thursday 7:30am - 10:00pm

Friday

7:30am - 3:00pm

Saturday

Closed

To contact an officer after business hours, call the Sheriff's Department at (925) 646-2441.

Drugs	4	1	3			
Liquor Laws	0	0	0			

^{**}HO - Hate Offenses - Number of crimes (homicide, rape, assault) that manifest evidence of prejudice based on race, religion, sexual orientation or ethnicity.

College Parking Information

Parking All vehicles parked on the campus, whether in a parking lot, dirt lot, or perimeter road (Miwok Way and Los Medanos Drive) must have a valid parking permit. Be aware that there are specified student parking areas and faculty/staff parking areas. Students who park in faculty/staff spaces will be ticketed.

Fees Student parking permits are required for fall, spring and summer semesters. Fall and spring permits are \$50.00 for cars and trucks, and \$30.00 for motorcycles and mopeds. Summer permits are \$25.00 for cars and trucks, and \$15.00 for motorcycles and mopeds. Semester permits can now be purchased through the new Parking Management Bureau app or website.

Students who qualify for the Board of Governor's Fee Waiver will pay \$25.00 for cars and trucks.

Fines for parking citations are \$40.00

Disabled Parking Special parking spaces are designated for disabled persons who have a DMV placard. Disabled persons with permits may park in any legal space on campus. The van accessible spaces are for wheelchair persons only.

Enforcement A valid parking permit will be required 24 hours a day, 7 days a week including holidays. All parking and traffic regulations will be inforced 24 hours a day, 7 days a week including holidays.

EV Charging Stations There are currently 18 EV level 2 charging stations on the Pittsburg Campus. There are currently 24 EV level 2 charging stations on the Brentwood Campus.

Fee Structure:

- 0.20/kWh for electricity usage
- Valid parking permit required (violations may result in tickets)
- \$4/hour fee after 4 hours to encourage turnover
- Same rate for all users faculty, staff, students, and community members

Payment of fines Citations for parking violations are issued by the Campus Police. Payment of fines must be made to:

Citation Processing Center

Parking Management Bureau One University Circle Turlock, CA 95382 www.pmbonline.org

For questions, call 1-800-700-4417 REMEMBER: TO AVOID A CITATION YOUR PERMIT MUST BE VISIBLE AT ALL TIMES WHILE PARKED ON CAMPUS. For more information, please visit our website: https://mycampuspermit.com/4cd.html

Transportation to get you here.

Buses LMC is served by frequent Tri Delta Transit buses to Pittsburg/Bay Point BART and local communities. The general public (ages 6-64) cash fare is currently \$2.00 (single ride, no transfers) or \$3.75 for a day pass. Bus routes 380, 381, 387, 388, 391 serve LMC weekdays and routes 392, 393 & 396 serve LMC on weekends and holidays.*

The Tri Delta Transit web site also offers a "Trip Planner" link where you can enter origin and destination and the web site will provide you with transit options and times. For more information, please visit: www.trideltatransit.com. Or call Tri Delta Transit at: (925) 754-4040.

*In addition, Tri Delta Transit offers discounts monthly and value passes.

www.trideltatransit.com

BART Tri Delta Transit Buses connect LMC to BART, which services Pittsburg, Concord, Pleasant Hill, Walnut Creek and other cities throughout the Bay Area. For specific Tri Delta Transit buses that service Los Medanos College, please see "Buses", or call BART at: (925) 676-2278 (BART).

Carpooling A healthier and faster commute option with 9 miles of High Occupancy Vehicle lanes on Highway 4, between Port Chicago Highway and Railroad Avenue.

Bicycle Secure bike racks are available at various locations on campus. Bikes can be transported by BART or bus as well. See the above numbers for more information.

Free trail maps: www.511contracosta.org or (925) 969-0841.

511 Contra Costa 511 Contra Costa provides commuter services and programs to eligible college students traveling to, through. or from Contra Costa County. Programs are available to students who are willing to carpool, ride transit, bike, and walk instead of driving alone to campus.

511 Contra Costa commute programs are provided free of charge to residents, college commuters, and employers in Contra Costa County on a first-come, first-served basis while funding is available. Funds for these programs are provided by the Bay Area Air Quality Management District's Transportation Fund for Clean Air and the Contra Costa Transportation Authority.

Visit www.511contracosta.org for more information or by calling (925) 969-0841.
