4. SGC Orientation & Training

- **Review [LMC Mission, Vision & Values Statements](#)**
 - President Ralston displayed LMC's Mission, Vision & Values Statements, which were revised last Fall.
- **Review [Committee Guidelines](#)**
 - President Ralston reviewed the committee guidelines, which SGC developed and adopted in Spring 2025.
- **Review [Facilitation Model](#) & Select Quad-Chairs**
 - President Ralston displayed and reviewed the Quad-Chair Facilitation Model that SGC approved at the end of Spring semester. She noted that – with a non-voting Designated Chair – the constituency group filling that role would only have 2 voting members, while the other three constituency groups would each have 3 voting members. She wanted to bring that back to the group to determine if that was SGC's intent, or if they want to amend the model and establish equal voting membership.
 - During SGC's discussion, the comments and considerations included: the prospect of the Designated Chair having more influence (or the perception of) as a voting member; comparisons with the District Governance Council (DGC) model (non-voting Chair, equal number of constituency group votes); faculty reps appointed by the Academic Senate – but not serving as a Senator or Officer – voting as an individual, rather than as a representative of the Academic Senate; and the possibility of adding an alternate/proxy voting member for the constituency group in the Designated Chair role (to retain equal voting numbers). Eric Sanchez also raised the question of compensation for faculty members on the Quad Chair model, and has inquired with United Faculty (UF). President Ralston recommended that any union-related questions regarding compensation should be addressed to UF. It was noted that SGC could: 1) keep the Quad-Chair Facilitation Model as-is, with the Designated Chair as a non-voting member, and address it later (e.g. if any contentious issues arise and there is a desire to have a voting Designated Chair); or 2) amend the model now to provide a vote for the Designated Chair, rather than try to modify it while in the midst of a tense decision-making process.
 - President Ralston asked SGC to: return to the next meeting with constituency group feedback on how to proceed with Designated Chair voting status; and finalize their respective representatives, so that SGC can move forward with selecting the Quad-Chairs.

5. Budget [standing item]

- **Resource Allocation Process (RAP): Fall 2026 Cycle**
 - [RAP Overview](#)
 - Vice President Montoya presented an overview of RAP (see “RAP Overview” PPT). He noted that there is approximately \$1.5M available for the Fall 2026 cycle: \$300K Instructional Support (one-time); \$600K Restricted Prop 20 Lottery Funds (one-time); and \$600K Unrestricted RAP funds (one-time).
 - [Draft Rating Rubric](#)
 - Vice President Montoya displayed and reviewed the draft rating rubric, which had been linked in the agenda. He explained that the planned Fall 2026 timeline involves the college-wide RAP message, funding priorities, and rating rubric being sent out on Monday (8/31).
 - SGC’s discussion of the draft rubric and the timeline included: the prospect of coordinating with the IDEA Committee to strengthen rating rubric; modifying the timeline for RAP info distribution, so that the Senates have an opportunity to finalize SGC membership and provide rubric feedback; and, in the rubric language, changing “continual” to “continuous.”
 - A motion to adopt the amended Fall 2026 draft rubric (“continual” changed to “continuous”) failed. MSC: L. Esparza/R. Stanfield. Yeas – L. Esparza, N. Marroquin, R. Stanfield; Nays – R. Anicetti, C. Craig-Huddleston, E. Sanchez; Abstentions – C. Montoya.
- SGC approved a motion to extend the meeting by 5 minutes (to 4:05 p.m.). MSC: R. Anicetti/E. Sanchez. Yeas – R. Anicetti, C. Craig-Huddleston, L. Esparza, N. Marroquin, C. Montoya, E. Sanchez, R. Stanfield; Nays – N/A; Abstentions – N/A.
- **Selection of SGC RAP Workgroup**
 - This item was deferred to the next meeting, as the constituency groups haven’t appointed all of their SGC reps yet.
