

STEM @LMC

Los Medanos College Statement of Nondiscrimination
Los Medanos College complies with all Federal and state rules and regulations and does not discriminate on the basis of race, color, national origin, gender or disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities. Harassment of any employee/student with regard to race, color, national origin, gender or disability is strictly prohibited. The lack of English language skills will not be a barrier to admission and participation in the college's education programs. Inquiries regarding compliance and/or grievance procedures may be directed to the Los Medanos College Title IX Officer and/or the Section 504/ADA Coordinator.

Title IX Officer and Section 504/ADA Coordinator:
Senior Dean of Student Services
2700 East Leland Road, Pittsburg, CA 94565
925-439-2181

STEM = Science + Technology + Engineering + Math

A pipeline from high school, through LMC, and into four-year colleges and universities
Here at Los Medanos College, many STEM disciplines exist throughout several departments:
Biological Sciences • Chemistry • Computer Science • Engineering • Math • Physics

STEM = Science + Technology + Engineering + Math

LOS MEDANOS COLLEGE

Produced by the LMC Dept. of Marketing and Media Design

WELCOME SENIORS!

Here are your 10 STEPS to get started in STEM @ LMC.

BEGIN

1

> Apply online to LMC during the spring before you graduate.
www.losmedanos.edu/highschool/checklist

2

> Apply for financial aid
• Apply for FAFSA by priority deadline date, March 2nd.
• Apply for the STEM Scholars Program, www.losmedanos.edu/stem/scholars

3

> Get your high school transcripts!
• Unofficial is fine
• Bring to New Student Orientation in the Spring.

4

> Don't take the Math Placement Assessment!
• If you have passed ALG 2 with a C or better
• Use transcripts to enroll in Precalculus

7

> Take part in Early Registration at LMC
• Sign up for classes early because you attended New Student Orientation!

6

> Make an appointment with LMC's STEM counselor
• Create a STEM Education Plan

5

> Sign up and attend New Student Orientation
• Check with your high school counselor or LMC for dates in the spring

8

> Apply to Summer Bridge STEM cohort!
• Completion of ALG 2 with a C or better

9

> Visit the MESA center
• Apply to the Math Engineering Science Achievement Program
www.losmedanos.edu/mesa

10

> Start classes!
• Find academic support in the MESA Center
• Math Lab
• Center for Academic Support

YOU DID IT!

Do you like:

- Interesting (potentially complex) problems?
- Games?
- Strategy?
- Figuring out how things work?
- Making/Building things?
- Puzzles?

Become a STEM student at LMC and explore all the exciting career possibilities!

You can see a list of these departments and links to their webpages at: www.losmedanos.edu/stem/
