The GUIDE 2020-2021

The Handbook for Leaders in LMC Student Clubs & Organizations

This handbook belongs to _____

**LOS MEDANOS
COLLEGE**

Last Updated On

Dear Student Leader:

The Office of Student Life wishes for you to be the most successful leader you can be. Therefore, we have prepared this handbook to introduce the various resources and services available to LMC chartered clubs and recognized organizations. Within this handbook, you will find campus and district policies, procedures, resources, and suggestions to help your club/organization be successful.

LMC provides a range of opportunities for student involvement and leadership beyond the classroom. Our philosophy is that leadership is a process rather than a position, and that students can be leaders in a variety of ways. Clubs are a great opportunity for leadership experiences that are essential to a successful education to include: social development, leadership skills, professional contacts, opportunity to practice classroom theories, true life practical experiences, etc.

While reviewing this handbook, you will find that some of the text will be **highlighted** and/or in **bold**. This will help to inform you of important instructions and special notes to keep in mind. The policies and procedures within this handbook are subject to revision at any time with little or no advance notification. To the degree possible, substantive changes will only made between academic years.

The Office of Student Life encourages you to seek out experiences that will challenge and support your classroom learning. Your leadership experience can be a fun and meaningful part of your education at LMC. It all depends on **YOU!**

Feel free to stop by the Office of Student Life for assistance and support, should you need it throughout the year. The Office of Student Life exists to serve the needs of **ALL** students.

Have a great year!

Sincerely,

Teresea Archaga, MA
Director of Student Life

The Guide is designed to help students and advisors learn more about starting and managing a successful club or organization at Los Medanos College.

Postings On-Campus Bulletin Boards

The Office of Student Life maintains and coordinates posting on all of the campus bulletin boards within the main college complex. In addition, materials will be forwarded to the

Library and Brentwood Center for posting.

Posters, signs, and banners help communicate information about your club/organization and its activities and opinions on issues to the campus community. Sometimes, however, signs have been posted with hurtful and/or hateful messages and meanings toward an individual group. While there will sometimes be disagreements over what may constitute appropriate content, there can be no question, particularly in a college environment, that freedom of expression as guaranteed by the First Amendment of the Constitution, is a protected right.

Accordingly, the campus community is asked to be tolerant of differing points of view and to respect the right of others to express themselves. While certain materials may be offensive to some people, the appropriate ways to counteract such materials are through discourse, criticism, and the expression of contrary points of view.

Refer to District Policy Student Services 3025 for more guidance on the District's Freedom of Expression Policy

To have a flyer or other marketing material posted, bring 10-12 copies of the resource to the office. Submitted materials will be reviewed, approved (with the official posting stamp), and posted by Student Life staff. The Student Life staff will remove all materials after two weeks **OR** immediately after a posted event has concluded (whichever is sooner).

To post on bulletin boards in the Student Services, Math or Science Buildings, please contact the department managers/chairs for approval and instructions.

All printed materials posted on campus bulletin boards must include the following:

- The name and contact information of the sponsoring individual(s) and/or the club/organization.
- Materials that are written in a language other than English must be accompanied with an English translation.

Furthermore, based on [District Student Services Procedure 3025](#) (Freedom of Expression Policy), content which includes any of the following types of expression will not be accepted for posting and will be immediately removed:

- Expression which is obscene, libelous or slanderous according to current legal standards;
- Expression which so incites students as to create clear and present danger of the commission of unlawful acts on community college premises, or the violation of orderly operation of the community college; or
- Expression that is intended to incite hate violence

Additional Posting Guidelines

In accordance with [District Student Services Procedure 3025](#), approved flyers, posters and other information may be posted only on bulletin boards or other approved areas. Materials should not be nailed, stapled, or taped to exterior walls, posts, trees, railings, or other surfaces. Official notices may be taped on doors or windows by appropriate faculty or

staff, but should be removed as soon as they are no longer valid or required.

Displays and other Objects

The Office of Student Life is responsible for coordinating requests to place displays within the indoor and outdoor quad areas and ensures that all required and relevant documentation and information is provided to the appropriate person(s) or department(s) to host the display.

The placement of display may not exceed five (5) business days and must be set up and taken down by club/organization sponsoring event upon completion of the activity**. The Office of Student Life may set further limits on duration of display according to design, health, safety, operations and other such considerations.

In addition:

- There must be no interference with the educational schedule or undue demands made on college personnel.

Each club must have at least one advisor who will assist the club in establishing its goals and objects, and in developing its programs and activities.

Advising a club is a voluntary semester long commitment (it may be longer if interested) that can be terminated at any time. An advisor can be any employee of the college (faculty, manager, or staff) and not on leave of absence.

Role of the Student Club Advisor

INFORM	Serve as an informational resource to help members come together as a group, learn how to work together, and to set and accomplish goals. The advisor should serve as a communication bridge between the students and the campus by getting to know the involved students and offering information that will help them succeed.
SUPPORT	Provide support and guidance to the students as they learn how to balance the new skills and abilities they are developing through activities, and their academic goals. Advisors are in a unique position to encourage the development of initiative, responsibility and leadership in the club's members.
GUIDE	Insure that club members are informed about and are properly using the campus and college policies and procedures required to conduct local business. Advisors should also be familiar with the club's Constitution and Bylaws of the club and be prepared to help the students follow and interpret these as needed. The effective and wise advisor is one who will render advice when it is requested and offer counsel when it is required.
LISTEN	A primary purpose of student clubs is to give the students a voice. Listen to the students and help them discover their voice. What can they do to begin turning their concerns into a positive action?
MAINTAIN ACCOUNTABILITY	The students are learning about teamwork, accomplishing goals and the essentials of running a club. Support them in maintaining high levels of professionalism, integrity and respect for themselves and others. Help the students learn and practice personal accountability. Accountability includes budgeting, financial controls and following through on tasks.
COMMUNICATION	Work closely with the Office of Student Life to ensure that all college and district policies are followed and that all club activities are communicated to appropriate person(s) and/or departments.

RESERVATIONS	The advisor will reserve space for meetings and activities in addition to any equipment that may be required through 25 LIVE

PARTICIPATION

Be available for all official club meetings, on campus fundraising, and must be available for all club activities that meet Special Events criteria or are off campus. Advisors may identify designee to fill this responsibility if they are not able to be present.

It is particularly important that advisors are present when:

- 1) The activity is deemed high risk by the Office of Student Life.
- 2) Requesting student organization has a history in the past two calendar years, of violating college policy which has been documented and placed in club file.
- 3) Requesting club is currently on probation.

To educate advisors on liability issues, the Office of Student Life offers an informative Advisor Training Workshop by request. It is suggested that advisors participate in this workshop at least once every year.

FILM/MOVIE SCREENINGS

Why do I need a public performance license to show a movie?

According to the Federal Copyright Act- Title 17 of the US Code, taverns, restaurants, private clubs, prisons, lodges, factories, summer-camps, public libraries, daycare facilities, parks and recreation departments, churches and **non-classroom use at schools and universities** are examples of situations where a public performance license must be obtained. This legal requirement applies regardless of whether an admission fee is charged, whether the institution or organization is commercial or non-profit, or whether a federal or state agency is involved.

When do I need permission to show a movie on-campus?

- If you are showing a movie in any public space, i.e. conference room, classroom, indoor or outdoor quad or other common area
- If you have used publicity to invite your audience to a showing (Emails, flyers, and/or Social Media)
- If you are charging admission for the showing or event

The license typically ranges \$200 - \$600 for each individual film. Licenses can be obtained from a licensing agent (see the list provided below), which allows clubs and organizations the right to screen the film publicly on the LMC Campus. ***This license is required even if the film is offered to the public for free and is educational in nature.***

Clubs/organizations are required to provide the Office of Student Life with a copy of the license that specifies movie title and screening date/time/location of the approved film.

There are a few exceptions to purchasing license. You may screen the film publicly without purchasing a license if:

- 1) The film is public domain; or
- 2) The club/organization has written permission from the film's producer or other holder, of the right to grant such permission to who film; or
- 3) The film is obtained from a company that provides a Public Performance License with the purchase of the film.

OFF CAMPUS FIELDTRIPS/ACTIVITIES

Any activity or field trip off campus that involves student participation that is sponsored or coordinated by a student club, must be approved by the Office of Student Life.

All students participating in the activity must complete an **Excursion/Field Trip Notice** in addition to the **LMC Code of Conduct Agreement and Medical Liability** located at the Office of Student Life.

Two copies must be made of each form. One copy will be kept with the advisor or designated employee and the other will be filed in the Office of Student Life (prior to the event).

NOTE: The Club Advisor or their designee must be present for the duration of the off campus activity.

Money Management

In accordance with **Governing Board Policy 3003**, all student organizations are required to do their banking through the college, and accounting for the funds will be performed by the District Accounting Office. Club advisors, as well as student officers, are responsible for seeing that these funds are properly collected, deposited, and accounted for.

LMC Chartered clubs/organizations are considered part of the college structure, therefore, any matter which deals with finances will involve the LMC Business Office where all official financial records are maintained. An unofficial record must be kept in the Office of Student Life.

If a club is inactive for more than two (2) academic years, the club account will be closed.

Any unspent funds will be transferred to the ICC club account.

INSUFFICIENT FUNDS

If a check written to your club/organization comes back to the college due to insufficient funds, the check writer will pay an additional ***\$15 service charge***.

Your club/organization is automatically charged the service charge as well as the amount of the check until the check writer has cleared the insufficient check and service charge with the LMC Business Office.

Fundraising

Clubs and organizations may conduct fundraising activities on or off campus. All fundraising activities scheduled on campus **must** be scheduled through the Office of Student Life.

Only one club may fundraise per day. Other clubs may table providing information and recruiting members but may not give away food or “gifts”. A second club may fundraise with written consent by first club. The written consent must be submitted with tabling request of second club.

To ensure equipment and space reservations are available, on campus fundraising must be reserved at least 48 hours prior, but no more than two (2) weeks in advance of event.

Any funds raised from event must be deposited into the club account on the same day of the event. If event occurs after hours, the funds must be deposited by the next business day.

FOOD SALES

All club food sales are subject to the approval from the Office of Student Life including sold food, materials used, and preparation/serving methods.

Clubs may barbecue in approved outdoor areas only. All barbecues require facility use approval.

The club is responsible for the proper disposal of coals (in the garbage) if they are used.

All club food sales are subject to the approval from the Office of Student Life including sold food, materials used, and preparation/serving methods.

Club name along with purpose for event should be identified with a visible sign. When inviting off campus vendors to help with fundraising efforts, clubs must be present at all times along with signage that states the event is a club activity.

Clubs cannot hold a fundraising or other event in the indoor/outdoor quads for more than five (5) continuous days without permission from the Office of Student Life.

Reservations for indoor/outdoor use must be made no later than 48 hours in advance but no more than two weeks in advance.

DRAWINGS

Raffles and gambling are illegal in the state of California apart from rare exceptions. However, a **DRAWING** may be held **with prior approval** from the **Office of Student Life**, as long as clubs adhere to the following:

- **Anyone who requests a ticket must be given one.**
- **Clubs/organizations cannot require a donation, purchase, or any other form of payment to obtain a ticket for the drawing.**
- **Events must be clearly advertised as a “DRAWING” or “FREE DRAWING” and cannot be called**

The following information must be clearly posted where tickets are distributed or printed on each ticket:

- 1) Name of the sponsoring group.
- 2) Date, time, and location of the drawing.
- 3) Whether or not the ticket holder must be present to win.
- 4) Who is benefitting from the drawing (purpose).
- 5) List of prizes to be won.
- 6) Information stating that no donation, purchase, or other form of payment or consideration is necessary to participate.

OFF CAMPUS FUNDRAISING

Club members participating in an off-campus fundraising activity must complete and sign both the **Excursion/Field Trip Notice** and the **LMC Code of Conduct Agreement**.

CASH HANDLING

Given the risky nature of cash, strong controls are required in order to protect cash handlers and safeguard the cash in their possession. Proper cash handling procedures can help assure that this is accomplished, and any money collected is accounted for completely, deposited timely and recorded accurately in the financial system. For the purpose of this checklist, cash is defined as coins, currencies, checks and credit card transactions received on behalf of the campus/department and any student organizations.

The following checklist is designed to help ensure that there are adequate cash controls in place to protect your cash handlers and safeguard any cash received during this event. This checklist will also help align your cash handling practices with the District-wide Cash Handling Policies and Procedures, as well as best practices.

In order to ensure full compliance, the optimal answer to each of the steps below is “Yes.” If your answer is “No,” please contact the Office of Student Life to assist in providing guidance on ensuring that cash is adequately safeguarded within your area of responsibility. **Please complete this checklist for each event and turn it in to the cashier’s office with your deposits.**

CASH HANDLING CHECKLIST

PRIOR TO THE DAY OF THE EVENT, ensure that

1. You have assigned the cash handling responsibilities to person(s) who understand the basic cash handling requirements and is capable of handling cash for this event (preferably an employee).
2. The person(s) responsible for handling cash during the event has read and signed the "One Time Event- Cash Handling Acknowledgement Form."
3. There is dual accountability for cash whereby a witness is present to observe the cash handler perform key cash functions like counting, recording, reconciling and depositing.

DAY OF EVENT, PRIOR TO COLLECTING CASH ensure that

4. A deposit form has been given to the cash handler to track/reconcile cash intake for this event.
5. A sequentially numbered receipt book (preferably bound and with carbon copies), ticket roll or a functional cash register with a z-tape will be used to record all transaction during the event.
6. Either a lockable cash bag/box or sealable tamperproof bank bag is given to the cash handler for safeguarding and depositing collected cash.
7. The cash handler(s) have received and verified the amount of change fund in possession.
8. Change fund is removed from a lockable/sealable bag and placed into a lockable cash box that is secured and kept away from visibility.
9. Cash is in the custody and control of only one person, at all times.
10. Cash handlers ensure that cash box is always locked and kept out of sight.
11. Checks can be collected only for the purpose of event related transactions and cannot be used for exchange of cash. (Expenses **CANNOT** be reimbursed with funds collected).
12. Checks are written for the exact amount as change cannot be given for a check written in excess of the required amount.
13. Checks are made out to the club and whenever possible stamped with a restrictive endorsement and placed in the cash box/till/register immediately upon receipt.

AT THE END OF CASH COLLECTION SHIFT/FUNCTION, ensure that:

14. Cash is counted in a secure location and out of sight.
15. The exact amount of the beginning change fund is removed from the ending cash amount, in the box/till/register, returned into its lockable/sealable bag, and recorded on the deposit form.
16. Cash is separated by denomination, counted and recorded on the cash log along with voids, over-rings etc.
17. A club advisor or Student Life staff reviews and acknowledges the cash reconciliation, by evidencing review on the deposit form.
18. Changing of the cash handler, if necessary, requires a change of shift whereby cash collected by the initial cash handler is reconciled, recorded on the deposit form and dropped off.
19. All funds and the deposit form are taken to the cashier's office promptly after the event. For weekend or night events, cash handlers are escorted, by police services, to the cashier's office and funds are dropped off in the night drop box. If impossible, funds should be locked in a department safe (or secured location) and taken to the cashier's office promptly, on the next working day.
Funds cannot be taken home!
20. There is a witness to acknowledge deposit of funds into the safe or cashier's office.
21. The pink copy of the deposit form and deposit receipt is provided to the cash handler.
22. The yellow copy of the deposit form and deposit receipt is sent to the Office of Student Life from the cashier's office.

Funding Requests to ICC

The ICC meets on a regular basis to determine how funds allocated by the L.M.C.A.S. can be used by each club/organization for activities or events.

- The ICC may fund a newly chartered club with a one-time payment of \$50.00. This money is a cash advance and does not have to be repaid. A vote by ICC membership must occur in order to provide the cash advance to newly chartered club(s).
- Up to \$1,000.00 may be allocated for scholarships which must be coordinated through the Scholarship Office. Ideally the funds will be distributed equally spring and fall semesters.
- ICC may allocate matching funds up to half (not exceeding \$700) of the total cost of items that can be requested from ICC to clubs for specific activities or events. Every attempt should be made by the club/organization to raise funds on their own. However, in the event the club/organization is unable to raise funds for the event, the club/organization may request an additional \$100 to help the financial need of the club/organization requesting funds.
- The ICC may plan its own events such as Club Days and other activities. For such activities, the ICC may spend up to \$1,500 of ICC funds on each event. All ICC events must include 2/3 of the ICC members in the coordination of the event and are subject to the ICC Advisor.

When requesting funding from ICC, a club/organization must complete the **ICC Funding Request Form** and submit to the ICC Advisor/Chair no later than the **Wednesday before** the next scheduled meeting.

Requests **MUST** include minutes from your club meeting with counted votes discussing expenditure request and approval of activity.

If a club/organization uses ICC funds, the money requested will be used to pay for invoices incurred from the event. ***Absolutely no cash advances will be made with ICC money, unless it is seed money for a newly chartered club.***

If the club does not use all or part of the requested funds, the unused funds will remain in the ICC club account.

Funding requests may be submitted for the upcoming semester during the current semester with written justification that the funds are needed as early as possible (i.e. deadlines). The request for these funds will be taken out of the upcoming semester budget.

Voting

Voting on funding requests can be done by a show of hands.

Each club or organization shall have one vote. If an ICC representative is representing more than one club, this person is counted in respect to the number of clubs they are representing (**not to exceed two**). The ICC Chair or ICC Advisor may tally the votes. Each budget request must be approved separately by a 2/3 vote of all voting members present.

ICC Representatives are encouraged to:

- Ask questions regarding funding request.
- Participate in events sponsored by other clubs.
- Share information about club events with other members and campus community.

All ICC Funding Requests must include:

- Club Advisor’s signature.
- Club minutes to demonstrate approval of request by club members.
- Include a budget and breakdown of expenses along with source(s).
- Be available to present request in front of ICC and address questions (if any).

NOTE: Multiple budget requests for single event/activity will not be approved.

The form must be entirely complete and submitted to the L.M.C.A.S. Advisor **at least five (5) business days** prior to the next scheduled L.M.C.A.S. Senate meeting for consideration.

FINANCIAL DOCUMENTS

Club Deposit Form

Given the risky nature of cash handling, strong controls are required in order to protect the cash handler and the club. Proper cash handling procedures can help assure that this is accomplished, and any money collected is accounted for completely, deposited timely and recorded accurately in the student club/organization account.

Frequent reconciliations, reviews, and continuous budget management oversight should be conducted to ensure that cash controls are operating effectively. A monthly budget report is provided to all active clubs at the end of each month.

A **Club Deposit Form** must be completed and submitted to the Cashier window (located next to Admissions and Records Office).

Per District Policy, funds must be deposited on the same day it was collected if the event is held during normal business hours (Monday - Thursday 8:00 AM - 4:30 PM and Friday 9:00 AM - 1:00 PM).

A receipt is given to the club/organization for deposits. The funds will be recorded and deposited into your club account.

*Donated checks must be noted as follows:
Pay to the Order of **LMC (Club Name)***

Check requests must have the following documentation attached with request:

If the request is incomplete, it may take longer to process. Check requests submitted after this deadline will have to wait an additional week.

Cash Advances

Clubs may request a cash advance from the club account but it **cannot** exceed \$200.00. In the event that such an advance is needed, the club must submit a check request form along with detailed minutes approving the request as an action item. Students who receive cash advance are responsible for turning in a **Cash Advance Reconciliation Form** with all receipts for items purchased. Receipts must be turned in within **two weeks after a cash advance has been processed**.

- If a member or advisor spends funds without club approval, no reimbursement will be made unless and until the club approves the expenditure(s).
- To ensure the financial security of club funds, if the cash advance is lost or stolen, the student who received the advance must replace the funds to the club account.
- The Business Office and the Office of Student Life reserve the right to limit and/or deny the cash advance amount and number of requests from a club based on club's financial history.

Receipts must include:

- 1) Must match the amount requested (or reconciled form submitted together with deposit form).
- 2) Name of Business.
- 3) Date and time of the purchase.
- 4) Must be itemized.
- 5) Proof of Payment.

Tape receipts to a 8 ½ X 11 piece of paper and turn them in with a Club Fund Request form with the appropriate box checked.

In addition, if there are funds remaining from the advance, they must be deposited into the club account. Clubs and organizations will not be able to submit additional cash advance requests until the receipts and change from previous requests have been submitted.

Under the Brown Act, agendas for L.M.C.A.S. will be posted no later than **72 hours in advance** of the scheduled meeting so that the public can attend and make public comment on decisions or activities of L.M.C.A.S. or on/off campus community.

Student Life Leader Development

This section highlights many of the leadership development opportunities available to club/organization members on campus. Most of these are free of charge or require a minimal fee.

IMPACT Conference

Each fall semester, the Office of Student Life sponsors a leadership retreat for students from across the campus. All are invited and encouraged to participate.
