## **LMC Student Club Advisor/Co-Advisor Agreement**

Each year, many **faculty and staff** volunteer to serve as advisors for LMC student clubs and organizations. Each is a valuable partner in the personal development of the students involved. While providing a formal link with College administration in interpreting State laws and College policy, their most important contribution is in advising about organizational effectiveness, finances, communication, interpersonal effectiveness, and personal growth. It is through the aid of the advisors that individual students develop the qualities of effective leadership.

Any **full-time or part time** employee of the College who is not on a leave of absence during any part of the year is eligible. Students select their own advisor. The Director of Student Life approves the advisors, whose term is one year, with options for unlimited renewal.

An advisor's primary responsibility is to make a strong commitment to the group and to aid in the personal growth of the individuals in that group. Above all, advisors should be available to students on an individual and group basis, and maintain an open and honest relationship with members.

Advisors serve as the official representative of the College and liaison with the Office of Student Life for their club(s). In their role, the advisor bears full responsibility for the group's activities as well as the group's liability.

As such, all **LMC Advisors are required to:**

1. Be available for official club meetings and present for club activities. Furthermore, in order to reduce the level of risk involved with the programs, the College expects that advisors will review applicable guidelines with the students. Remember: The advisor bears full responsibility for the group's activities as well as the group's liability.
2. Ensure that various College, District, and State laws, policies, and processes are upheld. Interpret these in order to assist students with leading their club and planning programs/events.
3. Serve as an authorized signature for club check requests and ensure that:
  - a. An authorized student officer also signs the form.
  - b. The financial expenditure is correct within all existing policies and club approval.
  - c. Supporting evidence (original receipts or invoices AND club minutes) are attached.
  - d. The club minutes reflect detailed approval of the funds request
4. Serve as an authorized signature for the appropriate scheduling of campus facilities and requests for College services and equipment.
5. Work closely with the club/organization to insure a cooperative relationship exists between the club/organization and its membership.
6. Help each Club Officer understand his/her duties and encourage Club Officers to plan programs and activities that make definite contributions to the needs of the students.
7. Assist students in the preparation of program planning, being a critical supporter of their activities, and help evaluate programs and activities after completion.
8. Ensure that continuity of the organization is preserved through constitutions, minutes and traditions, and that its past activities are adequately comprehended by succeeding officers and members.
9. Ensure that all reasonable steps are taken to protect the safety and welfare of club/organization members.
10. Inform the Office of Student Life of club/organization activities, especially if students chose to act contrary to the advisor's advice or conflict arises.

*In agreeing to serve as an advisor for this club, I commit to working with the club, attempting to help them achieve their goals, and uphold the expectations listed above. I understand that serving as a club advisor is voluntary and that I will not receive compensation, load credit, release time or other benefits for doing so. I agree to contact the Director of Student Life if I have any problems or concerns in my role as club advisor.*
