Raising a FLAG or send a KUDOS to students

Login to your Starfish account using Insite Credentials
Click on “Students” tab upper left hand corner and select “My Students”

Starfish homepage- If you click on your name (Upper right hand corner), you can see your profile. Please update information so students get to know you better.

Also consider incorporating your office hours/availability into the appointment tab so students know when they connect with you.
All of your students will show up for all sections you teach on one roster.
To filter students by section, click on **Connection** tab

Select Students from roster
RAISE a FLAG

OR

KUDOS- Keep up the good work!
Click “SAVE”

Instructor View from “HOME” tab...you can see who you “reached” out to.
Student View- Students can see who is making an effort to connect with them.
